Brothers and sisters,

I am writing from the main hall of the training center at Chung Pyung.

The Pastors from around the world have been offering intensive Jeongseong conditions to support True Mother at this time of attack in Japan and Korea.

It has been a time of special prayers, fasting and testimonies.

However, as you know the situation is very difficult with Mother and we need more prayer. Especially until the 22nd let's do our best.

See you soon.

God Bless,

Kevin and Masako Thompson
