WEST REGION FAMILY NEWSLETTER

Dear brothers and sisters,

I have been traveling with President Dunkley, the latest cities have been Denver and Salt Lake City.

Today he will go to Phoenix then Las Vegas for Sunday Service.

We had wonderful visits in Colorado and Utah with stimulating discussions and Demian shared very candidly about True Mother's situation and how things look going forward.

In Salt Lake City we were invited to a preview tour of the impressive new LDS Visitors Center.

Let us continue to pray for True Mother who, according to one USA politician, is at the center of the war on God.

She is under attack from her own children, the Korean Government and others.

God Bless,

Kevin and Masako Thompson
