WEST REGION FAMILY NEWSLETTER

Dear brothers and sisters,

Happy Father's Day.

In our West Region morning devotion we have been reading True Fathers autobiography.

It reminds me of how great True Father is and he has so much to teach us every day.

People are quite amazed at his lifestyle, his heart toward God, and his dedication to end God's suffering.

He truly is the model for us.

To all the dad's out there, I hope you can realize how important you are in the life of your children, even if your children are already grown up.

All children need dads and moms show the love a child needs.

Thank you for your continued prayers for true mother's health and safety and for a swift resolution to the persecution she is under.

God Bless,

Kevin and Masako Thompson
