Stacey and I invite you to participate in the Holy Marriage Blessing to Return to True Father's Authority at the Unification Sanctuary in Newfoundland, PA, officiated by Pastor Hyung Jin Moon and Yeonah Moon on January 29th, 2017.. All individuals and couples who participated in FFWPU "Blessing" events since 2013, including the "Foundation Day" event, need to restore their blessing under True Father's Authority to restore their status as a Blessed Couple. Please register at [sanctuary-pa.org/](http://sanctuary-pa.org/).

There will also be a midnight prayer and 7 am service for True God's Day on January 28th as well as a Divine Principle seminar: [sanctuary-pa.org/](http://sanctuary-pa.org/)

Did you know that on December 25th, 2016, and numerous other times in the past four years, Hak Ja Han proclaimed that she is the sinless Messiah, and that True Father, Sun Myung Moon was born with original sin and should not have married any other women? Here is one of Hak Ja Han's speeches: [www.visionroot.org/resources/hak-ja-han/searching-for-the-root-of-the-universe/](http://www.visionroot.org/resources/hak-ja-han/searching-for-the-root-of-the-universe/)
