STAR Interfaith Leadership training examines the physical, intellectual, emotional and spiritual benefits of a lifestyle of sexual abstinence. It provides a clear Biblical worldview and teachable materials for those who want to practice abstinence and also assist others in doing the same.

Urban Life Training Launched the teacher web portal at teacher.urbanlifetraining.org in March, 2017. Now anyone can access over 100 hours of teaching materials covering the physical, intellectual, emotional, spiritual and Biblical reasons why sexual abstinence before marriage is the best choice.

For just \$25 per quarter [any individual can subscribe](#) to the teacher web portal and can have unlimited use of all of the materials. [For just \\$75 per quarter, schools, organizations and institutions subscribe.](#)
