# Seeking First God's Kingdom

**Mission:** We promote a world where the culture of sexual abstinence in preparation for marriage is honored and where the welfare of children comes before the pleasure of adults. We uplift God's plan for the family; a loving, God-centered husband and wife and the children that their union creates.

God's desire is that, beginning from the year 2000, in every corner of the globe, [Blessed Families](#) united with the Parents of heaven and earth will initiate a new family revolution and [worldwide moral revolution](#), centering on true love, and build His eternal, ideal kingdom on earth as well as in heaven.

## #124-Richard Urban-Solving Today's Problems with a God-centered and Abstinence-Centered Worldview

God must come first for any solution to the world's problems to happen. Furthermore, Richard discusses how the Unification Principle, revealed by Rev. Sun Myung Moon, presents a Biblical worldview with additional insight and understanding. A core understanding is that The Human Fall involved a premature sexual relationship. This understanding helps us ... [Continue reading](#)

## #137-Creating an Abstinence-Centered Education Revolution

Richard describes the disconnect between talking about societal breakdown and the cause of societal breakdown, which is the decline of two-parent families. With nearly 50% of all births in West Virginia (and elsewhere) coming outside of marriage, it is no wonder that schools are filled with out of control youth. What is the solution? A revolution of ... The key to solving today's problems is to find God. Only a comprehensive understanding of God's Will and Providence can illuminate the solution to the crisis we are facing today.

Rev. Sun Myung Moon, July 26, 1994

The ultimate goal of God's Kingdom is the perfection of true families. Within true families, there must be the ideal of a true nation and world. The term absolute sex emerges here as the tradition of true love that can influence a true world and nation. Absolute sex refers to that which is absolute, unique, unchanging, and eternal. Everything that has to do with being harmonized in love with a reciprocal partner to whom you are linked through love – an attribute of God – is bound together in sexual relations. (281-282, 1997.3.9)

## [Find Your Eternal Match](#)

The most important factor in finding your eternal marriage partner is preparing yourself, including your mind, your heart and your relationship with and knowledge about God and why He created you.

Sexual abstinence before marriage and becoming unselfish are keys to this preparation. [UnionStation.love](#) invites those who have kept their sexual purity, meaning that they are abstaining from all types of sexual relationships in preparation for marriage and those who have returned to sexual abstinence in preparation for marriage to become a member, find their eternal match and receive the Blessing of marriage.

Married couples will also strengthen their marriage and give their marriage eternality by studying the [Blessing Preparation Course](#) and receiving the Marriage Blessing that was initiated by Rev. Sun Myung Moon and his wife.
