

FFWPU USA: Host Your Own "Blessing Fest" Watch Party this December

October 29, 2021

Dear Pastors, Community Leaders, Brothers and Sisters,

Thank you for your great investment in God's Providence as we enter the last few months of 2021!

As presented during the TribeNet Call on October 26, we are working on the production of the "Blessing Fest Marriage for Peace" that will be broadcast in December. This time, we would like to focus our outreach on physical and virtual watch parties as an effective way to present the Blessing Fest broadcast, and assure not only engagement with the content but growing relationships that can be followed up with.

Each watch party should have a "Host" who manages invitations (members and guests), schedule, any program surrounding the broadcast, etc. We would like to have at least 430 Hosts who gather at least 24 people in one or a series of parties throughout December. Going forward, the Online Holy Community system and other platforms will be used to continually develop relationships leading to the Blessing.

We encourage everyone interested in hosting their own watch party, to register as Watch Party Host through the following form as soon as possible:

[Blessing Fest Marriage for Peace Watch Party Host Form](#)

The form is simple and will allow us to estimate the reach and engagement, and connect directly with the Watch Party Hosts as needed.

Resources such as a website, promotional video, and flyers are being developed and will be available as soon as the launch date is confirmed. The Blessing Fest broadcast will be available for viewing after the launch date, so everyone can plan multiple watch parties according to your schedules.

Let's do our best to realize Heavenly Parent and True Parents' vision, and offer our True Mother substantial results through this "Blessing Fest" project.

Thank you, and God Bless,

Tal Zorer
