Join Ocean Tribe's Bi-weekly Webinar this Thursday(11/11) from 7PM - 8:30PM EST to learn more about True Parent's vision for the Ocean! Below is a memo from our SR1 Ocean Tribe Coordinator Minobu Sato:

This time, we are preparing our "text 03" (so far we've done 01 and 02), titled, "The Importance of Ocean Training - Guideposts to World Peace and Unification Part 1." Why is "ocean training" critical? Why did True Parents train

leaders and members alike ALL THE TIME on the ocean? How is it related to World Peace and Unification?

We'll discuss these topics next time ^ As usual, feel free to show up with dinner/coffee/snack in hand, and remember to invite others who might be interested!!"

New Manhattan Family Church Pastor!

Last week Sunday (10/31) was the official installment of a new Manhattan Family Church Pastor, Pastor Miilhan Stephens. The program was filled with an inspiring atmosphere of appreciation towards the long standing pastors of New York, Rev. Edner and Rev. Juanita Pierre-Louis as well as encouragement to the new young leadership of Manhattan. Rev. Edner and Rev. Juanita were elevated to be the Senior Pastors of the Manhattan Family Church, Rev. Miilhan Stephens appointed as the New Manhattan Family Church Executive Pastor, and Min. Joshua and Takayo Holmes appointed as the Assistant Pastors of the Manhattan Family Church. Rev. Miilhan Stephens was also appointed as the District 2 Pastor, representing all the communities in New York state, receiving the blessings of all the New York Pastors at this event. We're really excited for what's to come in New York City. Trick or Treat? Definitely a treat.

New SR1 Ocean Tribe Coordinator!

A few weeks ago Minobu Sato was appointed as the new Subregion 1 Ocean Tribe Coordinator! Minobu is the daughter of the late Sato-san who used to direct Ocean Tribe in New Jersey. Minobu coming on has brought with it new life at our facility in New Jersey with many members coming every week on Saturday morning (10am) to help fix boats, go fishing, plan, and organize Ocean Tribe within our Subregion. She's also been hosting a bi-weekly webinar for anyone who would like to learn more about True Parents' Vision for the Ocean. The local youth ministries have also been increasingly involved as well! Feel free to drop in on the webinar described above (this newsletter) or send an email to Minobu to connect with her or if you'd like to be a part of this development. You can contact her at minobus@gmail.com. We're excited to have Minobu on the team :)

Latino Marriage Blessing Seminar

Last week Saturday we held our first in-person Latino Marriage Blessing Seminar in Subregion 1! The ethnic ministries within our Sub-region have been working together to bring people together centering on the cultural and ethnic similarities as well as the fundamental belief in the value of the family. We had the Filipino Ethnic Community spearhead these Ethnic Ministries Blessing Seminars back in July, and this past Saturday we had the Latino Marriage Blessing Seminar at Belvedere with 12 new couples receiving the blessing and starting their 43 day journey! This was a short but very impactful program. If you missed it you can watch the recording and look through the photos through the links below.
