Dear Family,

As you know, for the past few months we have been preparing to welcome True Mother back in America with another virtual Blessing Fest, this time on the theme, Marriage for Peace. Our first broadcast is set for December 18, 2021, when True Mother will be able to participate as well.

The December Blessing Fest is dedicated to introducing the Blessing to a wide public audience. The program will include newly created videos about the Blessing, explaining the process of the Blessing and the transformation it brings. It will also feature musical performances from our own Unification communities, and will invite the viewers to visit the new [familyfed.org](http://familyfed.org) website. We have also compiled True Mother's messages about the Blessing, and are planning to include a special message that she may be sharing with America at this time. We hope this program can support everyone in their outreach efforts.

We are encouraging our communities and families to host their own watch parties, either in person or virtually, to maximize engagement with friends and guests and better support them in their Blessing journey. To learn more about how to host your own watch party, and to register as a host, please visit [blessingfest.org](http://blessingfest.org). You can host your watch party from any time on or after December 18.

The production for the event is at its final stages. We received a lot of feedback from our June Blessing Fest, and have incorporated many of the suggested improvements. I am particularly excited about the innovative approach this time with the upgraded virtual studio. I am confident that you will not be disappointed!

To prepare our hearts to welcome True Mother, we invite you to join a 40-day condition from December 1 to January 9 to pray for True Mother's safety and wellbeing, the successful launch of the BlessingFest broadcast, 430+ watch parties across North America, and meaningful follow up with our guests.

If you would like to also support the production of this event, please make your offering [online here](#). The suggested amount per family is \$300, but any amount is greatly appreciated.

Let's work together to have a wonderful holiday season with our True Mother and make a beautiful offering to Heavenly Parent and True Parents at the close of 2021.

May God Bless you and your family,

Rev. Naokimi Ushiroda  
President
