

FFWPU USA TribeNet: Sponsored Blessings (Purchase Couples for CheonBo) Guidelines Memo

December 8, 2021

Dearest Brother and Sisters,

Thank you all for your sincere efforts in investing in your tribes and communities. As many of you know, the Deadline for CheonBo applications has been extended to December 30. As such, we are also extending the deadline for members to Sponsor Blessings. As a reminder, sponsored blessings are when you financially sponsor another tribal messiah to conduct Blessings on your behalf. However, as we have very little time before the deadline, we want to be very clear about the guidelines and parameters of sponsored blessings.

Below are the guidelines for those who plan on Sponsoring Blessings. Sponsored Blessings that do not follow ALL guidelines will not be approved.

You cannot sponsor more than 129 Blessings

Sponsored Blessings count as Overseas Blessings. Therefore, if you include 129 Sponsored Blessings in your Horizontal 430, you cannot also include 215 overseas Blessings

(Overseas blessing number cannot exceed 215)

You must report proof of sponsorship by Dec. 29

You can only sponsor through the approved programs and contacts listed below.

Mikiko Eder - Nigeria mikiko.ed@gmail.com

Katsuko Pierce - Nigeria skjpierce@gmail.com

Abdou Gaye - Senegal Abdou_gaye@yahoo.com

Yasuko Takahashi - South America ytaka10591@hotmail.com

Merly Christina Barrete Barlaan - Philippines cwace.ceo@gmail.com

Please keep in mind that as we only have a couple weeks before the deadline, each contact has a limit on how many people they can help and how much time they will need to help you with the process. Therefore, if you are serious about sponsoring Blessings, you must reach out earlier rather than later.

Thank you and God Bless!

The Tribenet Team
