Dear <name>,

It is with great excitement that I invite you to join me in participating in World Summit 2022, broadcasting live, worldwide, Feb. 11-13, 2022. Hear from world leaders and influencers who will address key global issues that affect you and your community, especially the crucial situation on the Korean Peninsula. This challenge for peace affects all peace-loving countries and is something all peacemakers should understand.

Discover how you can make a powerful impact by becoming an ambassador of change. At this event sponsored by the *Universal Peace Federation*, you will experience the power of faith and unity—and connect with others who, like you, want to make a difference.

Have you ever thought:

- *“I want to make a positive difference in the world, but where do I start?”*
- *“I know one voice can have an impact, and I know my voice matters, but where can I connect with other changemakers?”*
- *“How can I reach trusted leaders of action when I feel isolated and restricted in the pandemic?”*

If these questions resonate with you, join us for this free event that empowers everyday citizens seeking to make a difference by transcending political, religious, racial and ideological boundaries to effect meaningful change. Anyone can become part of this transformational movement of presidents and first ladies, parliamentarians, faith leaders, the media, scholars, artists, business leaders and citizens like you and me who embrace freedom, peace, and unity.

Universal Peace Federation Co-Founder and Rally of Hope host Dr. Hak Ja Han Moon will offer a special message in her Founder’s Address. An international roster of Keynote Speakers offering real solutions to our world’s, and your community’s, most critical challenges. The co-chairs are H.E.
