Dear Pastors and Community Leaders,

Due to the Covid surge in Korea, the February Great Works has been postponed till the April Great Works.

The announcement was already sent to those who registered for this workshop through the USA group registration.

I recommend that you forward the international notice to all members in your community, in case some may miss my email or if they registered directly with the HJCBT and miss their email.

Thank you,

This is an urgent announcement to all the Cheon Il Guk leaders and members around the world. Currently, South Korea is facing the rapid spread of the Omicron Covid-19 variant. This is the worst rate of infections Korea has seen up until now during this pandemic period.

Taking this crisis into consideration, the International Headquarters has decided to announce that the '2022 Hyojeong CheonBo Special Great Works in commemoration of True Parents' Birthday,' scheduled to be held on February 26~27, will be postponed to the next Special Great Works, '2022 Spring Hyojeong CheonBo Special Great Works for the Inheritance of Heavenly Fortune' (April 23~24).

We convey this message with our deepest regret to all the members around the world who had offered their sincerest devotion to prepare for and participate in this Special Great Works. We would like to officially announce that all registration for this workshop, including Ancestor Liberation and Blessing applications, will automatically be moved to the April Special Great Works. (For members with urgent issues regarding their registration content, it is possible to move the registration to the Hyojeong CheonBo Special Workshop which is planned to be held on March 26.)

Another official memo with more details will be sent soon.

Please note that this official memo is intended for members living outside of Korea, Japan, and Taiwan.
