

FFWPU USA: International Memo on the Position and Value of True Parents

Chong Shik Yong and Naokimi Ushiroda
September 6, 2022

Dear Family,

Thank you for your efforts and investment to bring a victorious completion to the 10th Anniversary of True Father's Holy Ascension.

For 40 days leading to the celebration of True Father's life and legacy on August 14, True Mother guided us to revive our spirits and reconnect with members and distant members, so we can come together to meet Father at the Seonghwa Anniversary event.

That day True Mother was radiant and looked healthy and strong, as she reminded us how much Heavenly Parent and True Parents love all of us, and how we can connect with True Father's spirit, meeting him again, and remembering the commission he has left for us.

We were happy and honored to be there with some of North America's key leaders, representing America. We hope everyone was able to participate through the live broadcast and truly meet True Father, as True Mother said.

While we were in Korea, an international memo was sent out reminding all of us again the position True Parents hold on the cosmic level. We attach it [here for your review](#).

Let us remain focused on the work at hand. We have high goals in America that require us to truly work together to bring substantial results as we support True Mother in the work to dedicate the Cheon Won Gung to Heavenly Parent in May 2023, and see real growth in our movement by 2027.

Let us continue to pray together for True Mother's wellbeing and the victorious culmination of True Parents' providence, and let continue to offer our utmost sincerity through Jeongseon by attending Morning Devotion, reading the Divine Principle 1-hour manual, and successfully raising three spiritual children.

God Bless you,

Dr. Chong Shik Yong
Regional Chairman

Rev. Naokimi Ushiroda

Re. : Reminder of the stature and value of True Parents of Heaven, Earth and Humankind

1. May the love and blessings of Heavenly Parent and True Parents be with all mission nations.
2. As we celebrate the 10th anniversary of True Father's Holy Ascension, the entire Unification Community is united in offering *jeongseong* to fully reveal and celebrate the cosmic achievements of True Father, as a 'Trailblazer of Peace and Unification' and True Parents' profound heart of filial devotion to Heavenly Parent.
3. True Mother herself launched the 40-day special activity period on July 3, 2022 at the Busan Headquarters, Korea. United in mindset and heart, leaders and blessed families worldwide have been doing their very best during this 40-day period of special activity under the theme "Let's Meet Father." True Mother has hosted four special gatherings at Cheon Jeong Gung where members could pay their respects to Father – whom we all miss – at BonHyangWon and resolve to be victorious in the final 60-month course for the firm establishment of a heavenly unified Korea and heavenly unified world—the liberation of God's homeland for which True Parents so deeply long.
4. Even during all of these devoted efforts, leaders in the regions are reporting and asking about unwarranted rumors circulating that are hurtful to the True Parents, who are the eternal tradition and faith of the Unification Movement. In light of such inquiries, the FFWPU International Headquarters would like to share the following guidelines:
5. First, the presentations given to the international leaders in Korea on April 19 and 20 reflect a personal expression of faith and research results of an individual researcher, rather than embodying the full scope of True Parents' will and intention. Furthermore, the International Headquarters wishes to clarify that, from a doctrinal point of view, they do not represent the International Headquarters' official position, and the lecture series was stopped.

True Parents (Father and Mother) are one. This is the Unification Community's eternal tradition and faith. This is the heavenly way that all blessed families should follow. True Parents have clearly revealed this to us on many occasions, including, for example, in the "True Parents' Proclamation," they made publicly:

“All members should remember to maintain absolute obedience to the instructions and directives of the True Parents, who are one in the eternal world for eternity.”

– True Parents’ Proclamation, 4.23 by the Heavenly Calendar, 2011

During the final three years of his life on earth, True Father proclaimed twice the "Proclamation of the Complete Unity of True Parents and Completion of the Providence of Restoration," in Las Vegas, once on June 19, 2010 (5.8 by the Heavenly Calendar) and then on June 26, 2010 (5.15 by the Heavenly Calendar). Both proclamations emphasized the vertical unity of True Parents with God in heart, mindset, body and core as well as True Parents’ ultimate unity horizontally. On the foundation of this ultimate unity, True Parents proclaimed the completion of the Old, New, and Completed Testament Ages.

Furthermore, during the speech Father considered as his final words for humankind (“Settlement of the True Parents of Heaven, Earth and Humankind Who, as God’s Embodiment, Proclaim the Word”), given on 5.27 by the Heavenly Calendar (July 8) in 2010, Father emphasized True Parents’ ultimate vertical unity with Heavenly Parent and True Parents’ ultimate horizontal unity. This is also the Unification Community’s eternal tradition and faith.

6. Therefore, claims or statements by an individual or organization, or any publication based on such claims, that undermine the position and value of True Parents cannot be accepted. In particular, FFWPU IHQ wishes to be clear that it will not accept the distorted views contended by unprincipled groups, whether from an individual or an organization.
7. IHQ has received True Parents’ permission to publish an official summary of the official view of FFWPU on Heavenly Parent and True Parents’ position and value. All mission nations are kindly asked to provide guidance on matters of faith so that unprincipled contentions can be avoided.
8. We are a community of blessed families who have been resurrected and reborn through true life and true lineage through the True Parents. True Parents (Father and Mother) will always be one to us. Please regularly guide members well in terms of faith, that we all may continue our tradition as children of absolute faith, absolute love and absolute obedience centering on the value and foundation that is the True Parents.
