2023 CHEONBO MEMO NO. 02

April 7, 2023

Dear Heavenly Tribal Messiahs,

Thank you for your ongoing investment in Heavenly Parent's' and True Parents' Providence!

According to the 2023 North America CheonBo Standards, a CheonBo Won Induction Candidate can inherit Blessing results from his/her physical or spiritual child for inclusion in his/her Blessed Tribe.

For inheriting Blessings results conducted in another continent, we have been instructed by International CheonBo Headquarters to apply the following process:

1. Blessing results from another continent can be offered by a physical/spiritual child in that continent to his/her physical/spiritual parent (CheonBo Candidate) through submitting a completed "[Certificate of Heavenly Tribal Messiah Blessing Results for the Spiritual Parent Affiliated in a Different Continent](#)" to his/her Continental Headquarters for approval.
2. The Continental Headquarters approves and returns the Certificate to the physical/ spiritual child who then forwards it to his/her physical or spiritual parent (CheonBo Candidate).
3. The physical/spiritual parent (CheonBo Candidate) emails the approved Certificate to his/her TribeNet Subregion Coordinator for inclusion in the CheonBo Won induction records.

## Notes

1. Results of 160 Blessings from the 1990's campaign cannot be recognized for inheritance.
2. The Blessing Donation of each Blessing inherited from another continent is to be paid by the physical/spiritual child according to the donation standard of that continent; it is not to be paid again by the inheriting physical/spiritual parent (CheonBo Candidate).

Please feel free to reach out to [evangelism@unification.org](mailto:evangelism@unification.org) at any time if you have any questions or concerns.

God bless you!

God bless you, your family, and your tribe!
