URGENT! Completion of Ragid Information by April 28

Areas for completion are "My Ragic Profile", "My CheonBo Name", "My CheonBo Photo", "My CheonBo Holy Robe", "My CheonBo Award Box". All fields in these sections need to be filled in order for Korea to prepare delivery of the Inductee Award Box (Robe, Plaque, ID card) in time for the induction ceremony on October 10 (as well as the photo for display in the CheonBo Won Hall of Victors).

CheonBo Photos for Widows and Widowers

For widow and widower CheonBo photos, we recommend the following options in order of priority:

1. Select a photo of their couple that matches as much as possible the pose shown in the "My CheonBo Photo" section of the "My Evaluations" page of Ragic.
2. Use their official Blessing photo

3. Take a photo while holding a large photo of their ascended spouse

With all options, the photo quality needs to match the "My CheonBo Photo" quality standards. If digital files are not available, photos can be scanned to produce PDF files. Again, the resolution quality needs to be correct.

May 7 CheonBo Registration Blessing Ceremony

Participation in this important event is necessary for induction into the CheonBo Won. The ceremony will be conducted simultaneously with the Cosmic Blessing Ceremony officiated by True Mother. Announcements will be made about the time on Saturday evening, May 6 (USA time).

Candidates should attend gatherings in their local churches if possible. If not, they can participate at home through watching the online broadcast. Attire is a dark suit and Golden Bow Tie for men, and a white dress or beige suit for women. The Golden Bow Tie can be obtained from a local store or made by a local seamstress.

Clifton church will be opened to attend for Cheonbo registration blessing ceremony.

Pastor Naokimi and I will be in Korea. Pastor Nancy will open Clifton church and take care of all new CheonBo family and blessed families on Saturday night May 6.

Thank you!
