Thank you

Dear TribeNet Brothers and Sisters,

Thank you for your continuous dedication to God's providence in America!

As you know, Dr. Yong has been called back to Korea by True Mother to play a key role in the restoration of Heavenly Korea. Rev. Demian Dunkley will be inaugurated this Sunday as the new North America Continental Leader and USA National President. Our current President, Naokimi Ushiroda will transfer to a new responsibility in our national organization.

Dr. Yong and President Naokimi have provided great support for our Heavenly Tribal Messiah and CheonBo activities and we are grateful for their dedicated leadership.

Many of you may have already expressed your thanks to Dr. Yong and President Naokimi for their incredible service during the past 2-1/2 years. For those of you who haven't, the following links provide an opportunity for you to do it now.
