Who is invited to this workshop?

All members are invited to this workshop - but participation is limited to members who commit to completing a 21 day condition of connecting in heart with Mother.

What is the 21 day condition?

In order to best prepare our hearts and minds to facilitate a meaningful workshop, there is a requirement for all members who would like to attend to complete a 21 day condition leading up to the workshop - starting Friday Aug 18th and ending Thursday Sep 7th. The conditions are listed below.

- Read Mother's Memoir or Mother's recent speeches daily.
- Daily prayer at a CheonShimWon. Participation in the local CSW Prayer Vigils in-person or online counts towards fulfilling this condition.
- Watch the "**Master Key**" sermon by Rev. Demian Dunkley at least once during the 21 days. - [Link](#)

If you participate in the daily NJ CheonShimWon Prayer Vigils you would fulfill the daily reading of Mother's Memoir and CSW Prayer. Please check with your local pastors whether your local Prayer Vigils fulfill these conditions. [Here is the link](#) to participate live in the daily prayer vigils.

Rev. Demian Dunkley suggested watching these videos (in the listed order) before attending to enable a more rounded understanding of the workshop material.

1. Rev. Dunkley's message directly after the special workshop for leaders in April 2022. [Link to video.](#)
2. Rev. Dunkley's New Year's message, 2023. [Link to video.](#)

3. Rev. Dunkley's Master Key Sermon. [Link to video.](#)

What if we missed the starting date of the condition?

If you missed the starting date of the condition (Friday Aug 18th) you can start the condition by completing 21 consecutive days of the condition requirements - see above.

Does watching a recording of the Daily NJ CheonShimWon Prayer Vigil count?

Yes it does! We know everyone has varying schedules and some members may not be able to make it to the 6am Prayer Vigils. Watching the daily NJ Prayer Vigils on YouTube later in the day at your own time would count towards reading Mother's Memoir and CheonShimWon Prayer. [Link to watch the recordings.](#)

I don't have a CheonShimWon nearby, how can I fulfill the condition of praying at a CSW everyday?

Great question! You can participate in the daily NJ CheonShimWon Prayer Vigils or [watch the recording](#) later and this would count towards praying at the CheonShimWon!

Will there be babysitting or activities for young children?

We are currently arranging babysitting and activities for young children so all families with young children can participate!

Will there be room and transportation accommodations?

Rooming accommodations will not be provided. Please arrange your personal rooming and transportation.

What is the start and end time each day?

- Friday September 8th - we will start with lunch at 12 noon and close by 8pm
- Saturday September 9th - 6AM start, end by 8pm.
- Sunday September 10th - 6AM start, end with lunch at 12 noon.
