Dear Belvedere Family Community,

I hope this email finds you in good spirits. We have a special announcement for our upcoming Sunday Gathering.

We are privileged to welcome Naokimi Ushiroda, our Northeast Subregion Senior Pastor, to Belvedere this Sunday. Naokimi will be sharing an enriching message with us. He will also be facilitating a special session after service as well.

**\*\*Here's what to expect on Sunday:\*\***

- Community Gathering Begins at 10am with a message by Naokimi Ushiroda.
- Lunch: Will be served immediately after the service.
- Facilitated Session:

Starting at 12pm, we will host a town hall-style meeting. This session, facilitated by Naokimi, will be a valuable opportunity for Q and A, allowing us to delve into discussions and seek guidance on matters close to our hearts. The focus of the discussion will be announced soon.

Thank you,

We look forward to seeing you.
