Today is truly a good day, a day of joy.

Whom did you meet this morning? (We met our True Mother!) No, True Mother did not come alone. True Mother came with Heavenly Parent and True Father! [Applause]

The Creator, our Heavenly Parent, has dreamed of living in the Kingdom of Heaven with the true children given life through the perfected True Parents on earth. However, Adam and Eve, who were to become our first ancestors, fell before they could achieve perfection, and thus human history up until today has been one of continuing war and conflict, without a single day of peace.

Code of Conduct Acceptance

BCSF VISION AND CODE OF CONDUCT

Our mission at the Blessed Culture and Sports Festival is to provide the platform where we can display our best form in sportsmanship and artistic expression and to share that with friends and family. This event is a time and place where we bring together the best of what our communities have to offer from around the country. Although we come from many different regions and backgrounds with differences in culture, our commonality is the shared values and beliefs that we have been given by our community of faith that binds us together. To honor that shared experience, it is very important to us that we are able to uphold a certain standard of behavior and attitude and do it where it is evoked from the best parts of ourselves. We speak of being a family and so we ask that everyone looks out for each other physically and spiritually.

As a family friendly event, we ask that all the participants and attendees refrain from certain behaviors that reduce the quality and experience of everyone involved. Our code that we ask you to agree to abide by while you are at the BCSF is as follows:
