Peace Starts With Me Survey

Peace Starts With Me is inspired by Dr. Hak Ja Han Moon, the Mother of Peace. It is a call to come together as one family under God, beyond any ethnic, religious or other boundaries that keep us apart.

Today, we are surveying people to better understand the key concerns of residents in order to develop educational programs and service projects that can foster a culture of peace in our community.

Thank you for taking a few minutes to answer our survey.
