Dear New Jersey Family Church Members,

Thank you for your participation and ongoing support. I hope this letter finds you well.

As you may know, America has made a national pledge to offer \$10 million for the Cheon Won Gung project by April 13th, to commemorate the entrance ceremony of the Cheon Il Sanctum. We have collected around \$8.7 million so far, and we are getting close to achieving our national goal. In order to help with making this national offering possible, all local churches have been asked to make a 10% offering based on their 2024 tithing income. By offering a portion of our tithing income, we can symbolically and substantially have all of our members represented in this historic project.

The NJFC tithing income for 2024 was \$583,855, and 10% of that would be \$58,386. However, as the largest local church in America, I would like to reach the Diamond level by making an offering of \$80,000 from our community. From a financial standpoint, we currently have \$300K invested in a CD and Chase bonds, as well as around \$60K in our checking account. Offering \$80K would be a significant amount, and although challenging, it is doable. And although this is more than the ask, I think this will be something that we can all be proud of as the NJFC community.

Thank you again for your understanding and support. Please let me know if you have any questions or concerns. May God Bless you and your family.

Sincerely,
