Congratulations to those who graduated and/or successfully completed the semester! We are also very proud of those who got involved with CARP this semester and were able to do great things not just for themselves, but for others around them. Keep reading to see what's been going on in CARP!

May Highlights

NEW STAFF MEMBER

We welcomed R. Child on staff as our *Summer Program Consultant*. As a Yale graduate and developer of his own start-up business, he is helping to refine and expand our activities. Welcome aboard!

FISHING TOURNAMENT

With a name associated with a fish, we figured we would participate in the local fishing tournament, set in the Hudson River, that honored the organization's founder, who also loved fishing. We reeled in quite a catch with our staff and some of our board members: 3 striped bass and 1 blue fish.

NC BEACH RETREAT

CARP hosted an orientation and CARP talk on "Integrity & Freedom" at a local beach retreat in North Carolina that gathered almost 100 college-aged young adults. Even among the pressures in college, it's important to stay true to yourself and the voice within.

GPA HEADSTART

We just completed the first week of the GPA/CARP merger program "Headstart" where 27 students of the GPA gap-year service program interacted with alumni on how to have a successful college experience.
