PROVIDENTIAL SPOTLIGHT

A promotional poster for the 'Blessing America' event. It features a portrait of Dr. Hak Ja Han Moon on the left. The text on the right includes the event title 'Blessing AMERICA', a logo for 'PEACE STARTS WITH ME', and the following details: 'SAVE THE DATE APRIL 6, 2019 AT 2PM CITY OF REFUGE 14527 SAN PEDRO ST GARDENA, CA 90248'. It also lists 'KEYNOTE SPEAKER DR. HAK JA HAN MOON' and 'INSPIRATIONAL MESSAGE BISHOP NOEL JONES'.

True Mother is coming to Los Angeles on April 6! She's being hosted by the City of Refuge church. The pastor, Bishop Noel Jones, was one of the key speakers who introduced Mother at the Nassau Coliseum last November. We're really inspired to see Pastors taking the lead in sharing the Blessing with their congregation, it gives us hope for bringing all of humanity back to their Heavenly Parent.

This last weekend, each Sub Region hosted its own Famicon: My Tribe. This was an opportunity for intergenerational leadership to come together, get connected to the bigger vision and make plans moving forward.

Rev. Demian Dunkley shared about Mother's vision at the [North East Famicon](#). At a packed Sunday Service he presented [America's strategy for Vision 2020](#).

FEBRUARY SUB REGIONAL HIGHLIGHTS

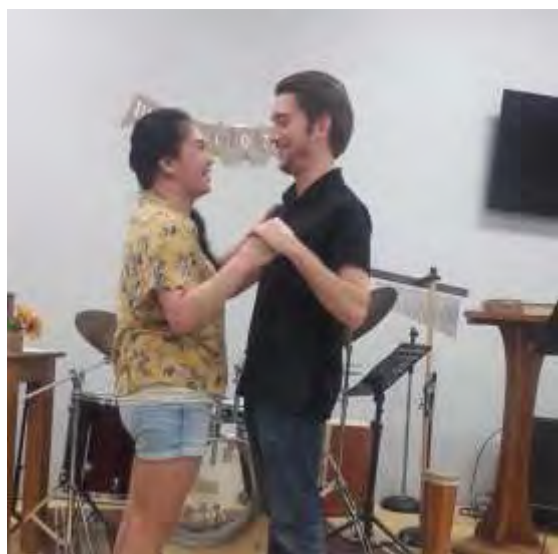

Sub Region 1: Northeast

This month in NYC the focus has been Tribal Messiahship for youth. Youth Ministry visited their first Christian church together and will be going once a month to visit different churches around the NYC area. Rev Miilhan Stephens came to visit our Young adults on Feb 8th. He gave a really inspiring talk about the importance of rejection and how to move onto success. The young adults were impressed by his energy.

Sub Region 2: Southeast

Alabama YAYAM had a fun filled Latin Dance night in February taught by one if their local young adults. Couples young and elder came out to have fun, bond and spruce up their dancing skills.

Sub Region 3: Midwest

This month, the Indianapolis Sunday School Superheroes focused on learning about the 4 realms of heart! Then the kids created crafts during their lesson and shared them with each other.

Sub Region 4: Southwest

The Dallas Children's ministry leaders got together with some local young adult artists to spruce up the Sunday school rooms. They did a great job!

Sub Region 5: West

In Arizona, teen nights are in full swing. In February, they joined together for a "black out" poetry activity which allowed them to express themselves through the arts. The focus was on their personal relationships with God and with others in their close community.

Children's Ministry

It was a joyful Season across the Nation in Sunday school! December was full of celebrating the Holidays & Christmas. Children learned about St. Nicholas the cheerful Giver, gave Jesus Birthday Parties and learned about the value of giving and receiving gifts. Ginger bread houses were made, Christmas performances were held & cheer was spread all around! We enjoyed being lights onto this World!
