## IT'S BEEN ONE WEEK, BUT IT FELT LIKE A MONTH

## Kickoff Fundraising Condition

All GPA, HUSA, and CIG participants have reunited after their Kickoff fundraising condition. While by now, the HUSA and CIG missionaries have embarked once again to their respective missions, all of GPA are at Refreshing Mountain in Pennsylvania for Kickoff Part Two.

Last week, teams went off to Pennsylvania, Delaware, New Jersey, and Maryland to fundraise. Most of the first-year participants went fundraising for the first time. So for many, the one week felt like one month. With hundreds of interactions a day, each day brought its own challenges, but also many victories. Maybe in the future, we'll be able to have some testimonies written here for you.

While it's not possible to generalize everyone's experience, Heavenly Parent truly worked through everyone. The participants pushed through their comfort zone, strived for genuine connections, and worked towards experiencing Heavenly Parent through every approach.

## Kickoff Part Two

This week, at Kickoff Part Two, GPA will dive into the Divine Principle education. The CIG missionaries will head to the Bay Area for their own

workshop, and the HUSA missionaries will embark to Arkansas to work with Rev. John Jackson.

This newsletter is for you, if you have a suggestion or something you'd like to see, respond to this email and we'll see what we can do.

Thank you for reading! We'll see you again in next week's newsletter  
In the meantime...
