3 Weeks Until 2025...

Heavenly USA

On Monday, December 2nd, we started a one week fundraising condition with the internal goal, “Total investment to resonate with the heart of True Mother through Jesus.” Our director Uncle Francis wanted us desperately to connect with this internal goal and make a really beautiful offering for the Cheon Won Gung.

From December 6 through 8, we had the opportunity to be in Chicago to join the Peace Starts with Me Music Masterclass with A. Curtis Farrow! President Demian Dunkley asked us to participate, to inspire and bring an exciting energy to the masterclass.

Then the next day we learned eight songs within one day and A. Curtis Farrow gave us inspiring words about salvation: **That salvation is not a straight line. Salvation is freedom.**

Those who attended the masterclass gave a powerful performance during National

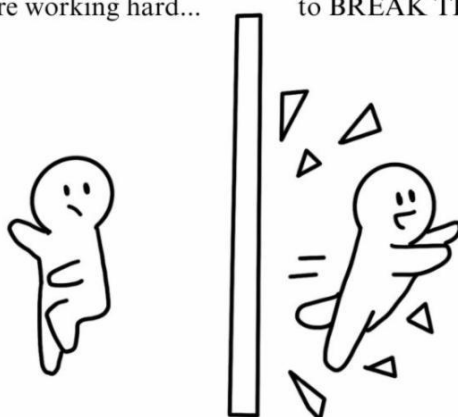

Sunday Service, and testimonies were given in between songs. A couple of us from HUSA even sang solos! We all truly felt the Holy Spirit move. This national service wasn't just any ordinary service, it was filled with a lot of joy, compassion and tears.

First Years & Captains

Before continuing on their Winter Breakthrough Condition, the GPA first years and captains gathered in three groups, two in Texas and one in Florida, for a mid-condition recharge workshop.

Here the CIG missionaries joined them, and together they were able to reflect, bond, and prepare themselves internally to move forward together in this second half of the breakthrough condition.

The members are working hard... to BREAK THROUGH!

Please keep them in your prayers, and in your hearts.

Cheon Il Guk Missionaries

After the CIG youth missionaries completed their two months of fall mission, they met together for a workshop before joining GPA for the Winter Breakthrough Condition.

The Bay Area and Los Angeles teams met in Las Vegas, and the Indiana, Georgia, and New Jersey teams met in Indiana. In their respective workshop sites, the teams took time to debrief and offer up their fall mission as well as prepare themselves to invest fully into fundraising through listening to lectures and pushing themselves in their determinations through a "rock" holding challenge activity.

They also enjoyed a delicious Thanksgiving dinner together as a CIG family. Afterwards, they departed to reunite with the rest of GPA to invest wholeheartedly into the Winter Breakthrough Condition, where they will also be contributing towards the Cheon Won Gung donations offering.
