Vocabulary:

**The Principle** = Content of the Revelation  
Divine Principle  
+ the Words of Dr. Moon

Like Jesus teaching was called "The Way"  
So "the Principle" is eternal divine spiritual  
Truths and Laws that can set man free to  
become the Divine being intended at the  
beginning of Creation.

“Every human being is struggling to attain life-long happiness and overcome misfortune”.

/First sentens in Divine Principle

1. First, there is no freedom outside the Principle.  
Freedom requires both free will and the free actions  
pursuant to that will

2. Second, there is no freedom without responsibility. Human beings, created according to the Principle, can reach perfection only by fulfilling their responsibility based on their free will.

3. Third, there is no freedom without accomplishment. When human beings exercise freedom and carry out their responsibility, they strive to accomplish results which complete the purpose of creation and bring joy to God.

SATAN WITH ADAM AND EVE (BOOK IV)

*Ah! gentle pair, ye little think how nigh  
Your change approaches*

Blake

There are two deaths:

- One Physical
- One Spiritual

Mankind is walking the “death” that Adam and Eve experienced AFTER dying the death promised by God if Falling.

Dead in Spirit, being controlled by wicked forces:

We fight “not against flesh and blood but against principalities and power, against the rulers of the world of this darkness, against the spirits of wickedness” (Eph 6:12). /St. Paul

One of Satan’s greatest assets is his camouflage, the belief that he doesn’t exist.

St. Michael makes a great general in this fight between Christ and Satan for our souls! After all, we read in Revelation (12:7-9) that “there was a great battle in heaven; Michael and his angels fought with the dragon... and that great dragon...who is called the devil and Satan, who seduces the whole world...was cast unto the earth, and his angels [the demons] were thrown down with him.”

Quote SMM (SunMyungMoon) 1965:

There was no evil in the beginning.  
Lucifer acted against the Principle.  
That became evil.

Evil is not something entirely different from love.  
Evil is the misuse of love.

Good is the right and proper use of love.

Good and evil started from one point -- love.

If we love God, that is all right.

But if we love something or someone against God's will,  
that is evil.

If we love someone or something in accordance with  
God's will, that is good.

/SMM 1965

Like the Moon passively reflects the rays from the Sun.

So All Mankind unconsciously in their daily life reflect the **ancient Fall of First Human**.

Look around and see **the fruits...illicit love, sexual abuse of women/child, rape, murder, war, poverty ...**

Unnecessary if Man was 100% un-Fallen like Jesus

There is ample evidence today that the root of evil, the Fall, was an immoral sexual relationship.

God created the sexual act of love as the most precious, holy and exciting expression of love in our lives.

Yet throughout history the act of love has often been regarded as lowly and made a joke of.

## ROOT OF EVIL — IMMORAL SEX

The Bible teaches us that although it is necessary for man to multiply, for those who can, it is best to be celibate.

This was to be an indemnity payment for the Fall and implies that marriage has not had the complete sanction of God.

The Bible emphasizes not getting married.

In First Corinthians 7:38 we read,

“So that he who marries his betrothed does well; but he who refrains from marriage will do better.”

Celibacy is encouraged because God’s ideal was lost due to the misuse of love.

“Anyone who is plunged into debt is not free.”

/quote from 2 politicians Wigforss and Person Sweden

The Fall of Man caused a heavy spiritual debt  
on all Mankind

that only The Messiah can free us from.

HakJaHan Moon 2012:

God's providence never develops without going through indemnity.

Those who studied the Divine Principle know it well.

'Indemnity' does not necessarily means something bad.  
It could give you a promise for the future.

Rev. Moon has unfolded God's providence on earth during this really difficult time.

Let's think of the Israelite from 2,000 years ago.

It was the Messiah that they, under Roman dominion, were waiting for with the pride that they were chosen people.

They believed that once the Messiah came, they would be liberated from everything and stand out in the world. However, providential history does not develop in such a fancy way.

They did not know 'indemnity.'

Consequently, they killed the only begotten-son of God. Then what happened to the Israelite?

They became a people who were exiled for 2,000 years.

/endquote

Paying Indemnity is like paddling upstream  
the river of Sin.

Once you stop paddling (= stop paying indemnity)  
and the “stream” will take you backwards.

People take-up the word "blessing" so easily, but they forget that behind this blessing is a great journey of suffering and hardship.

Borysenko, the author of 13 books, states that the gap between what we know and how that translates into taking care of our health has its origin in our sorry emotional state.

The three most predominant emotions which have a large impact on both our physiology and health are depression, anxiety, and chronic anger.”

## Faith and Reality: Sun Myung Moon

Unhappiness, depression and despair will be produced whenever we fail to maintain the proper relationship with our object. (God)

In order for us to continue living it is absolutely necessary to have a continuous and positive objective stimulus.

All the elements of success and failure develop around this relationship.

## Faith and Reality: Sun Myung Moon

Up to now Satan and his following have been the dominating forces on earth.

Now we must establish the sovereignty of good.

New generations, a new age, a new civilization will be created, and very soon we will have the kingdom of God on earth.

In the past, ideological systems ended up with only ideals. But now our belief system will bear fruit in actual reality.

## Depressed World:

Economic depression, environmental pollution, political irregularity, racial and religious strife, the decay of ethics and morality, the collapse of the sense of values: is there anyone who can fundamentally solve these many evils and problems?

It has not been possible through human wisdom or effort.

We have not been able to find a solution to these problems by mobilizing economic power or governmental power;  
rather, the evils of humankind are gradually becoming worse.

Depression:

***Voice of heaven***

Now humanity has to humbly listen to the voice of heaven and find the road of resolution directed by God.

This country and its people must accept my teachings.

This is not because I am trying to raise myself up, but because it is the will of God.

God has revealed the principles of heaven through me, and He has given me the answers to the fundamental problems of humankind.

/SMM 27 Aug 1992

By having  
unchangeable faith,  
a united mind and body,  
and being with God,  
we can establish the Kingdom of Heaven.

If these standards are changed,  
then Satan comes in.

Satan has changeable, unstable elements.  
When our faith waivers, he tempts us with his  
changeable nature. (Root of depression)

What is sin?

Sin is anything which makes a condition through which Satan can accuse man.

Through the family Satan has had the condition to accuse man, but when all the evil conditions are eliminated on the family foundation,  
the Kingdom of Heaven can begin.

What is sin?

Sin is anything which makes a condition through which Satan can accuse man.

Through the family Satan has had the condition to accuse man, but when all the evil conditions are eliminated on the family foundation, the Kingdom of Heaven can begin.

Through the multiplication of this basic family of goodness, a tribe, society, nation and world of goodness can come about.

We must not only talk about the Kingdom of Heaven; we must establish it.

# Un- or Happy Future ?

In the USA the percentage of marriages ending in divorce varies from around 55% of all U.S. marriages to 50% of first marriages and 60% of second marriages.

In the UK, marriages ending in divorce after 15 years in England and Wales rose from just under 1 in 4 (22%) of all marriages in 1970 to a third (33%) of all marriages in 1995.

The purpose of marriage is to bring one man and one woman together in order to establish a God-centered family and become a true resemblance of God.

The Bible says that a man and a woman will become one flesh (cf. Gen. 2: 24).

The reality is that in marriages contracted in the satanic realm, a man and a woman rarely become one flesh at all.

You probably felt bad that it happened, but did you feel her pain in you?

Some people do not like the notion of marriage because they do not see it fulfilling anything.

Some people even call it a man-made prison.

This is because most of the marriages we see and are familiar with in this world have the form of God-planned marriage but the content of Satan-centered marriage.

## ***FOUR ESOTERIC ACCOUNTS OF CAIN AND ABEL***

### 1. The Zohar Account:

"For two beings had intercourse with Eve, and she conceived from both and bore two children.

Each followed one of the male parents, and their spirits parted, one to this side and one to the other, and similarly their characters.

On the side of Cain are all the haunts of the evil species from which come evil spirits and demons and necromancers. From the side of Abel comes a more merciful [Adam-like] class -- yet not wholly beneficial -- good wine mixed with bad. The right kind was not produced until Seth came, who is the first ancestor of all the generations of the righteous."

(Bereshith 36b-37a)

## 2. The Gnostic Christian Account:

"Then the [divine] authorities [i.e., Elohim]. . . sent seven [fallen] archangels to see what happened. They came to Adam. When they saw Eve speaking with him, they said to one another . . . 'let us seize her and let us cast our seed on her, so that . . . those whom she begets will serve us.' [Eve] conceived . . . and she bore the rest of the sons from the seven . . . angels." (On the Origins of the World, II:5)

### **3. The Islamic Account:**

Allah's Apostle said, "Tonight two (visitors) came to me (in my dream) and took me to a town built with gold bricks and silver bricks. There we met men who, half of their bodies, look like the most-handsome human beings you have ever seen, and the other half, the ugliest human beings you have ever seen. Those two visitors said to those men, 'Go and dip yourselves in that river.

### **3. The Islamic Account:**

So they dipped themselves therein and then came to us, their ugliness having disappeared and they were in the most-handsome shape. The visitors said, 'The first is the Garden of Eden and that is your dwelling place.' Then they added, 'As for those people who were half ugly and half handsome, they were those who mixed good deeds and bad deeds, but Allah forgave them.' (Sahih Bukhari Hadith: Volume 6, Book 60, Number 196)

#### 4. The Rev. Moon Unificationism Account:

"Lucifer dared to seduce Eve at the risk of his life . . .  
and [they] had sexual intercourse with each other. . .

Eve joined with Adam after she had the illicit relationship  
with the archangel [Satan] . . .

and [Satan's and Adam's] elements were then transmitted  
to their descendants . . .

and mankind has multiplied sin to the present day,  
thus perpetuating the lineage of Satan."

(Divine Principle 1.2.2.2)

Thus, we see virtually the same mixed-paternal parentage  
attributed to Cain and Abel in all four scriptural accounts.

Swedenborg offers this general commentary on the sexual organs in the Universal Human:

But I have not been allowed to know the identity and nature of the communities that belong to the specific organs of generation.

Swedenborg offers this general commentary on the sexual organs in the Universal Human:

But I have not been allowed to know the identity and nature of the communities that belong to the specific organs of generation.

They are actually **too inward for anyone in a lower sphere to understand**. They relate to uses of those organs that are deeply hidden and far removed from knowledge. The reason is providential—to prevent things that are intrin-sically most heavenly from damage by foul thoughts, which involve lewdness, promiscuity, and adultery.

/Emanuel Swedenborg, *Arcana Coelestia*

- Sex is not same as evil.
- Within Blessed Marriage it is the Holy of Holiest
- Most people have unconscious bad feeling about “sex” as dirty and low.
- This is all due to Fall of Man = Illicit Love
- Sex became animalistic and often brutal
- Abuse of wimen, Rape, Agressiveness, Hate, Murder...all have the same root
- “Free Sex” root = Fall of Man = Illicit Love

All across America we hear of babies being dumped in trash cans, schoolchildren shooting their classmates, and AIDS and other sexually transmitted diseases running rampant.

Among the seven sins in Dante's *The Divine Comedy*, this "scarlet sin" is said to be the worst.

God considers adulterous love to be the most serious of all sins, and He will never condone it.

*Come now, and let us reason together, says the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. Isaiah 1:18*

At the top, the title 'Unification Theology' is written in a white, serif font, with 'Unification' on the first line and 'Theology' on the second line. The title is enclosed within a thin white rectangular border. Below the title, the author's name 'Young Oon Kim' is printed in a smaller, white, sans-serif font. The overall design is minimalist and elegant.

Unification  
Theology

Young Oon Kim

He acts in such a fashion that we think we are expressing our own desires and simply doing what we want.

Hence, he prefers to stimulate, tempt and encourage us from behind the scenes.

Satan does his most effective work as the all pervasive, invisible, yet almost irresistible "spirit of the times."

Satan does his most effective work as the all pervasive, invisible, yet almost irresistible "spirit of the times."

When man sins, an alien spirit enters and starts dragging its victim downward.

For this reason, in his ministry of exorcism, Jesus always distinguished between the possessing demons and the persons harboring them.

Satan holds people captive against their will, even if originally they were responsible for inviting the demons in.

Therefore Jesus' mission was two-fold:  
to battle against Satan (Prosecutor) and  
to fight for man (Defense attorney/Defender).

## 2.2.1 The Spiritual Fall

Adam responded and formed a common base with Eve, standing in the position of Archangel, and they began give and take action with each other, which brought them together in an illicit physical relationship of sexual love.

**Summary:** **The Fall of Humankind** is the story in the Bible of how sin and evil came into the world.

It was an event which was not simply the eating of a literal fruit, but was rather

the disobedience of Adam and Eve of God's commandment not to partake of sexual love until they were mature and could be

blessed by God in Holy Matrimony. (2<sup>nd</sup> Bible Blessing)

**Quote:** *"The idiom "to partake of a forbidden fruit" is still used today in Eastern cultures to mean the partaking of sexual love with a virgin woman."*

Obvious sexual elements are woven into the Genesis story. The couple are at first naked, but they are ashamed following the act and cover themselves with fig leaves — a dress which was connected with sexual orgies.

## The Works of Good Spirits and Evil Spirits

We use "good spirits" as a general term for God, spirits on the side of God, and good angels.

The general term for Satan and spirits on his side is "evil spirits."

The works of good spirits and evil spirits, as in the case of good and evil acts generally, have a similar appearance at the outset but pursue contrary purposes.

Over time, the works of a good spirit will  
increase a person's sense of peace and  
righteousness and even improve his health.

The works of evil spirits, on the contrary,  
will gradually lead to an increase of anxiety,  
fear and selfishness and cause his health to  
deteriorate.

It may be difficult for someone who does not know  
the Principle to discern the works of spirits,  
but eventually, often belatedly, he will recognize  
the nature of the spirits by the fruits they bear.

THIRTY YEARS  
Among the Dead

The change called “death,” - the word is a misnomer – universally regarded with gloomy fear, occurs so naturally and simply that the greater number, after passing out of the physical are not aware that the transition has been made, and having no knowledge of a spiritual life

they are totally unconscious of having passed into another state of being.

THIRTY YEARS  
Among the Dead

Deprived of their physical sense organs,  
they are shut out from the physical light,  
and lacking, a mental perception of the high purpose of  
existence,  
these individuals are spiritually blind and find  
themselves in a twilight condition - the “outer darkness”  
mentioned in the Bible –  
and linger in the realm known as the Earth Sphere.

THIRTY YEARS  
Among the Dead

Humanity is surrounded by the thought influence of millions of discarnate beings, who have not yet arrived at a full realization of life's higher purposes. A recognition of this fact accounts for a great portion of unbidden thoughts, emotions, strange forebodings, gloomy moods, irritabilities, unreasonable impulses, irrational outbursts of temper, uncontrollable infatuations and countless other mental vagaries.

While most doctors agree that our emotional state affects our physical health, few would give credence to "spiritual influences".

Dr. Modi discovered that during hypnotic therapy **many patients claimed to have 'entities' attached to them, living in their energy fields and affecting their behavior.**

1998

This book demonstrates the technique which she developed to "clear" these energy fields.

A Balanced Personality

# Un-balanced Personality

The five personality distortions are as follows:

- **Schizoid** - Birth
- **Oral** - Infancy
- **Psychopath** - Early childhood
- **Masochist** - Time of potty training
- **Rigid** - Inner being is being threatened

The schizoid develop when trauma is present in the womb, at birth, or short thereafter.

The oral develops when the child feels in some abandoned during the infancy stage of total dependence.

Psychopath emerges when a real or perceived experience betrayal in early childhood is present.

The masochist appear about the time of potty training, when the development dependence and independence overlap, but are stagnated.

Last; the rigid develops when the child becomes aware that his or her inner being is being threatened.

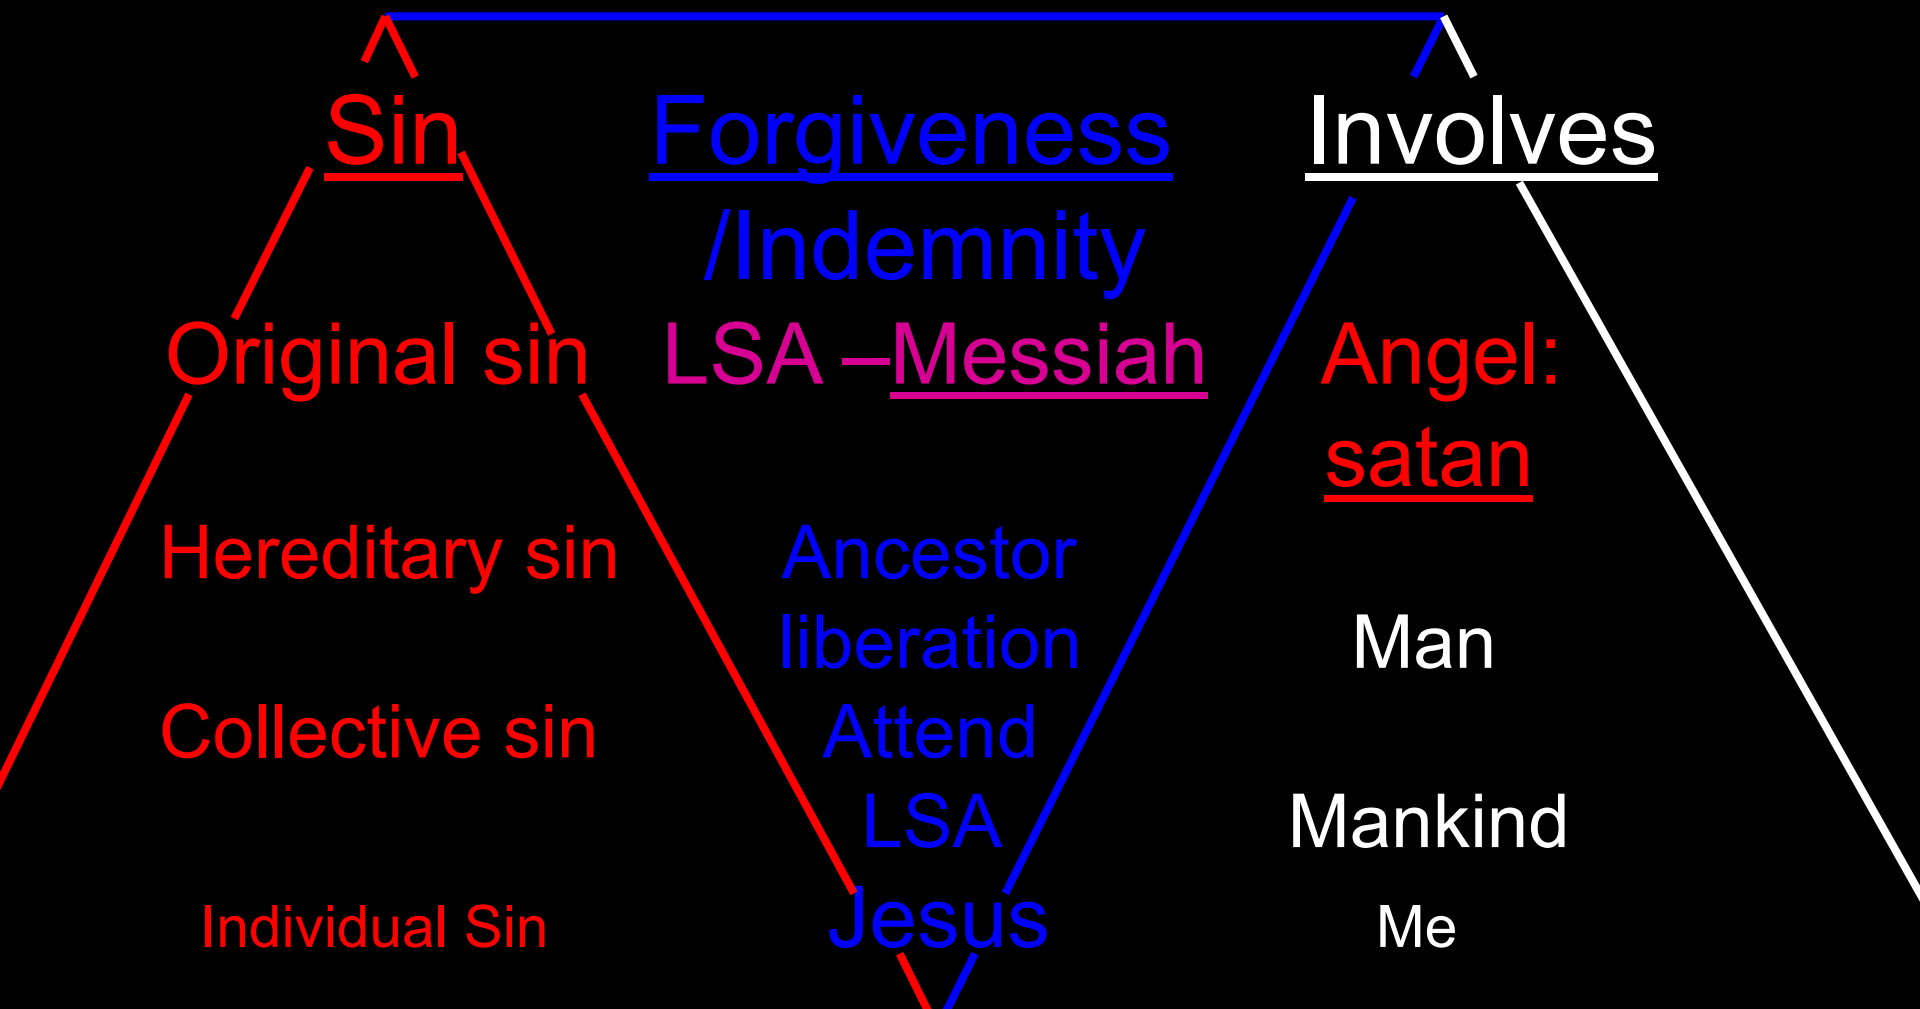

In reality, people are generally a combination of different personality distortions.

- Anger, Hate – Riots
- Rape – Violence

In November of 2010, due to extenuating circumstances in our church community the Executive Vice President of the Family Federation for World Peace, Joshua Cotter, was asked to tour The United States giving a presentation entitled "A Period of Great Transition in History."

In that presentation he clarified the existence of a fifth fallen nature, "shifting the blame."

**William Branham** USA had been hearing voices since he was seven years old. Finally, in May of 1946, Branham was **commissioned by an angel from God to be the forerunner of the Second Coming of Christ.**

(1909-1965)

One of the more radical beliefs of the group is that of Serpent Seed which states that the first sin committed occurred when Eve engaged in sexual activities with the Serpent in the Garden of Eden thus causing "the fall of man."

*“What did he do? **He begin making love to Eve.***

***And he lived with her as a husband.***

*And she saw it was pleasant, so she went and told her husband; but **she was already pregnant by Satan.***

*And she brought forth her first son whose name was Cain, the son of Satan.*

Seams like that Heavenly mission "spilled over" to US.

**Arnold Toynbee (1889-1975) observed that of the twenty-one most notable civilizations in history, nineteen of them perished not by external invaders but due to a collapse of internal moral standards.**

**Gonzalez also points to two other interesting studies. Through studying 80 civilizations over a period of 4000 years, Cambridge University historian J.D. Unwin noted that those civilizations that accommodated sexual promiscuity declined and collapsed.**

**Those that exercised sexual restraint managed to survive.**

The play Romeo and Juliet arguably equates love and sex with death.

Throughout the story, both Romeo and Juliet, along with the other characters, fantasise about it as a dark being, often equating it with a lover.

Capulet, for example, when he first discovers Juliet's (faked) death, describes it as having deflowered his daughter.

Juliet later erotically compares Romeo and death. Right before her suicide she grabs Romeo's dagger, saying "O happy dagger! This is thy sheath. There rust, and let me die."

Answer: During the time when children are growing, they do not know love.

These days, children see through TV and through parents, they see the love affair before they really mature and sense by themselves.

In Adam and Eve's case, they had nothing to see. They did not know about sexual love.

As long as they didn't know anything about it, God could not teach them. God had to wait until they matured and knew something about it before they could come under His Direct Dominion.

Until that time, God could not tell them, "Don't do this.  
Don't have a sexual relationship with Lucifer".

Until that time, God could not tell them, "Don't do this. Don't have a sexual relationship with Lucifer".

Through natural growth and development, they would have matured and learned to know of love.

The role of religion

# *Introduction to restoration*

- The providence of restoration refers to God's work to restore the fallen people to their original, unfallen state so that they may fulfill the purpose of creation.

- Since the providence of restoration is God's work of re-creation, which has as its goal the fulfillment of the purpose of creation, God works this providence in accordance with His Principle. In the course of the providence of restoration, this principle is called the Principle of Restoration.

## The restoration and perfection of fallen people

- Human beings fell from the top of the growth stage and have been held under Satan's dominion.
- To be restored, we, fallen people:
  - ① First need to go through a course to separate Satan from ourselves in order to restore ourselves in form to the spiritual level which Adam and Eve had reached before the Fall—the top of the growth stage.

## The restoration and perfection of fallen people

② On this foundation, we are to receive the Messiah and be reborn, remove our original sin, and thereby be fully restored to the original state of human beings before the Fall.

③ Finally, by following the Messiah, we should continue our growth to maturity,

④ Where we can fulfill the purpose of creation.

# The Principle of restoration through indemnity

## Where do human beings stand after the Fall?

**Relate only with God**

- If the first human ancestors had reached perfection, they would have lived relating only with God.

# The Principle of restoration through indemnity

## Where do human beings stand after the Fall?

- However, due to their Fall, they joined in a kinship of blood with Satan. Hence, immediately after the Fall, they found themselves in the midway position between God and Satan, where they were relating with both.
- A fallen person will go to God's side if he makes good conditions and to Satan's side if he makes evil conditions.

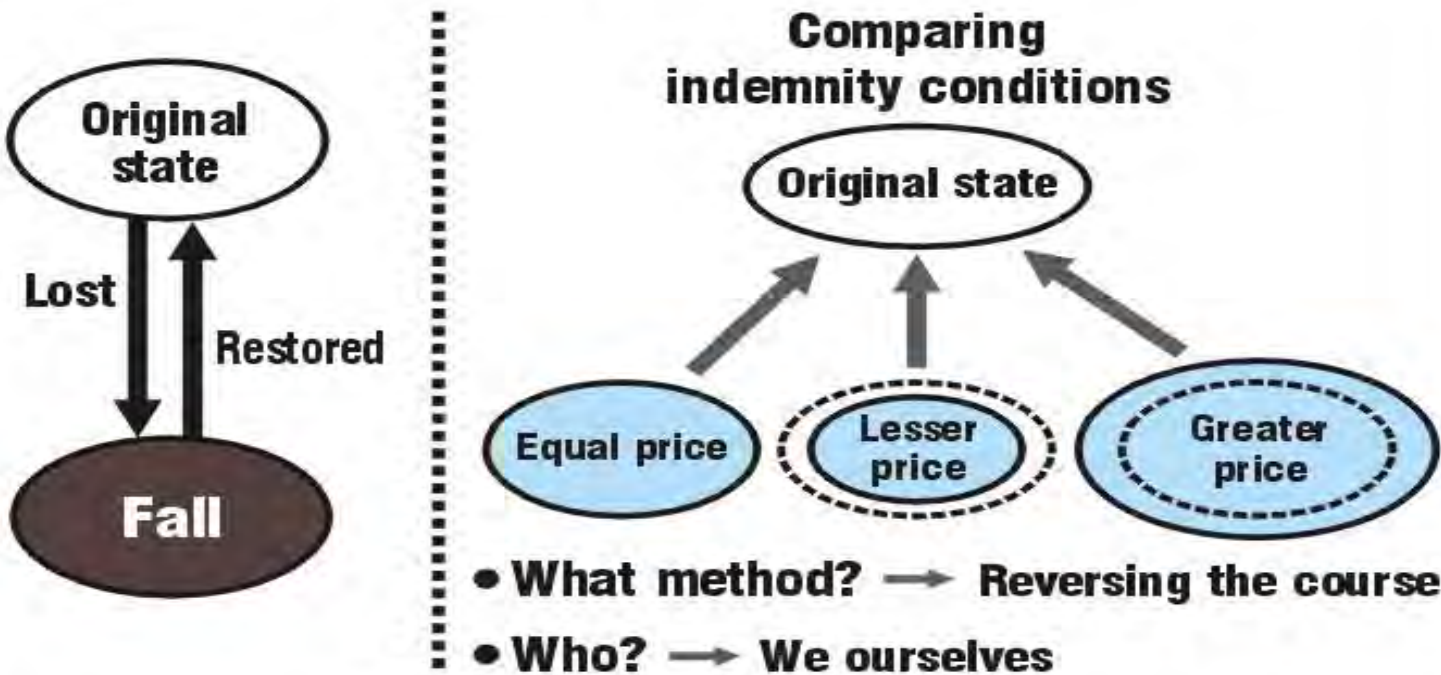

## Establishing indemnity conditions

## Comparing indemnity conditions

- When someone has lost his original position or state, he must make some condition to be restored to it.
- The making of such conditions of restitution is called indemnity.
- How does a condition of indemnity compare with the value of what was lost?

## Establishing indemnity conditions

- An indemnity condition can be made at a price equal to, less than, or greater than the value of what was lost.
- As for the method, an indemnity condition is made by reversing the course through which the original state was lost.
- It is we ourselves who must fulfill the necessary indemnity conditions as our portion of responsibility.

# **The foundation for the Messiah**

## **How Adam failed to achieve the purpose of creation**

- For us, fallen people, to receive the Messiah, we must establish the foundation for the Messiah.
- To establish this foundation, since an indemnity condition is established through a reverse course of the failure, we must know how Adam failed to achieve the purpose of creation.

# The foundation for the Messiah

## How Adam failed to achieve the purpose of creation

- First, Adam should have established the foundation of faith by keeping strictly God's commandment and passing through a set growing period.
- Second, Adam should have established the foundation of substance: after establishing an unshakable foundation of faith, he was then to become one with God, thereby becoming a perfect incarnation of the Word and attaining individual perfection.

# The foundation for the Messiah

## How Adam failed to achieve the purpose of creation

**X** Purpose of creation realized

- However, Adam failed to establish these conditions and thus failed to achieve the purpose of creation.

## How we can lay the foundation for the Messiah

### Foundation for the Messiah

||

Foundation  
of  
substance

+

Foundation  
of  
faith

- Therefore, in order to receive the Messiah and complete the purpose of creation, we must restore the foundation of faith and foundation of substance and thereby the foundation for the Messiah.

## How we can lay the foundation for the Messiah

### Foundation for the Messiah

- In order to restore the foundation of faith, first there must be a central figure. Second, a condition must be offered. Third, a numerical period of indemnity must be completed.
- In order to lay the foundation of substance, we must make the indemnity condition to remove the fallen nature.

That is why the path of salvation which Unification Thought is teaching is not individual salvation.

O.T.= Offering – Symbolic salvation

N.T.= Individual Salvation

C.T.= Family Salvation

If the family is not saved then nothing can be saved.

It is the salvation of couples and children.

If we are not able to save our children then we must wait in the spiritual world.

Thus in the spirit world the educational law is established.

Everyone must go to the spirit world in a single line.  
Do you understand?

In the spirit world there is an educational system,  
and all the things which were not able to be accomplished  
on the earth are educated and everyone  
must cross (pass?) over together.

We believe for the sake of family salvation.

Do you understand? [Yes.]

The works of re-creation follow the course of re-storation through indemnity; indemnity is carried out through the works of re-creation.

Therefore, re-creation can only come about when you invest yourself (100%).

The works of re-creation follow the course of re-restoration through indemnity; indemnity is carried out through the works of re-creation.

For this reason, it is a reasonable conclusion to say that sacrifice is inevitable.

How did Adam fall? He fell due to his disbelief.

These are the footholds of Satan.  
The fallen angels were like this.

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

Restoration through indemnity is the way to attain completion (perfection).

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

Restoration through indemnity is the way to attain completion (perfection).

Only after indemnity can restoration take place; then we can go the path of perfection.

Thus, you can consider that  
indemnity and restoration are one.

Thus, you can consider that indemnity and restoration are one.

Perfection cannot be attained automatically; it is attained through indemnity.

Therefore, human beings living in the fallen world cannot reach completions (perfection) unless they set up conditions of indemnity.

I. It is We who created you and gave you shape; then We bade the angels, “Bow down to Adam,” and they bowed down; **not so Iblis, he refused to be of those who bow down.** [God] said, “What prevented you from bowing down when I commanded you?” **He said, “I am better than he; You created me from fire, and him from clay.”** God said, “Get down from this place; it is not for you to be arrogant here; get out, for you are of the meanest of creatures.”

III. During the (Blessing) ceremony, the officiator, Rev. Moon, suddenly changed into the shape in which God had appeared in the Garden of Eden before the human fall; God's rays spun in splendid and enrapturing colors and circled around Rev. Moon, whereupon he assumed God's body.

III. Then, the whole scene of the Blessing ceremony was showered with brilliant light, as if floodlights of thousands of volts had been turned on in a dark room. In this ceremony, God's light touched each and every couple. At this time, my wife was on earth and I was, of course, in the spiritual world.

# Freedom and the Human Fall

## The Meaning of Freedom from the Viewpoint of the Principle

1. First, there is no freedom outside the Principle.  
Freedom requires both free will and the free actions  
pursuant to that will

# Freedom and the Human Fall

## The Meaning of Freedom from the Viewpoint of the Principle

2. Second, there is no freedom without responsibility. Human beings, created according to the Principle, can reach perfection only by fulfilling their responsibility based on their free will.

## Freedom and the Human Fall

### The Meaning of Freedom from the Viewpoint of the Principle

3. Third, there is no freedom without accomplishment.  
When human beings exercise freedom and carry out their responsibility, they strive to accomplish results which complete the purpose of creation and bring joy to God.

“Every human being is struggling to attain life-long happiness and overcome misfortune”.

## Freedom from the portion of responsibility in relation to restoration

If Adam and Eve had fulfilled their portion of responsibility their descendants would not have been burdened with the responsibility for restoration.

They would have entered into an era of family ethics that would have been like sovereign law.

Until today, although God could move through 360 degrees on that same level plane, He could not teach us directly and we have been waiting for the emergence of a central figure (3<sup>rd</sup> Adam). That is why difficulties arose.

(136-316, 1985.12.29)

True Parents had to pass through an indemnity course on the level of the individual, family, tribe, people, nation, world and cosmos.

Love is restored by separating from Satan and by fulfilling man's portion of responsibility that was lost because of him.

Satan cannot invade those who love their enemies and love their enemies' countries.

# The Decline of Violence

# The Decline of Violence

*What led you to write a book on violence?*

As I explain in the Preface, it was an interest in human nature and its moral and political implications, carried over from my earlier books.

In *How the Mind Works* (518–519) and *The Blank Slate* (166–169, 320, 330–336), I presented several kinds of evidence that violence had declined over time.

Then in 2007, through a quirky chain of events, I was contacted by scholars in a number of fields who informed me there was far more evidence for a decline in violence than I had realized.

More independent references to a sexual root in Fall of Man

# William Branham

**William Branham** USA had been hearing voices since he was seven years old. Finally, in May of 1946, Branham was **commissioned by an angel from God to be the forerunner of the Second Coming of Christ.**

(1909-1965)

One of the more radical beliefs of the group is that of **Serpent Seed** which states that **the first sin committed occurred when Eve engaged in sexual activities with the Serpent in the Garden of Eden thus causing "the fall of man."**

*“What did he do? He begin making love to Eve.*

*And he lived with her as a husband.*

*And she saw it was pleasant, so she went and told her husband; but she was already pregnant by Satan.*

*And she brought forth her first son whose name was Cain, the son of Satan.*

My comment: In June 1946 TF went to Pyong Yang to search for the prepared Spir. groups.

Seams like that Heavenly mission "spilled over" to US.

"*Genesis* is deeply symbolic, and cannot be grasped by a literal interpretation," he explained. "Its 'tree of life' is the human body."

The spinal cord is like an upturned tree, with man's hair as its roots, and afferent (ingoing) and efferent (outgoing) nerves as branches.

The tree of the nervous system bears many enjoyable fruits, or sensations of sight, sound, smell, taste, and touch. In these, man may rightfully indulge; but he was forbidden the experience of sex, the 'apple' at the center of the bodily garden.

"The 'serpent' represents the coiled-up spinal energy which stimulates the sex nerves.

'Adam' is reason, and 'Eve' is feeling.

When the emotion or Eve-consciousness in any human being is overpowered by the sex impulse, his reason or Adam also succumbs (collapses).

Comment: "The interpretation of the text, which understood it to refer to a miscegenation between fallen angels and w o m e n , was given additional emphasis by a variant reading of the text of the Septuagint Greek translation of the Old Testament in verses 2 and 4.

Instead of reading "hoi huoi tou Theou" this variant gave "fioi angeloι tou Theou" - that is, it was directly stated in this variant that it was "the angels of God" w h o went in to the daughters of men.

This variant reading was for long the most widely accepted in the early Church.

The Apologists of the second century found no difficulty in accepting the notion of commerce between angelic spirits and women.

For example St, Justin Martyr dearly knows the text of the Book of Enoch and the Book of jubilees, and explains that the offspring of this unnatural union were the demons who tempt and prey upon men (Apologia II.5).

The same tradition is continued by Athenagoras, Irenaeus, and Clement of Alexandria, who held that although the angels took part of the spiritual world, they were capable of being attracted to a lower beauty.

Likewise Tertullian calls these fallen angels "desertores Dei, amatores feminarum", and uses this example to warn women against cosmetics and bewitching finery.

Julius Africanus took the "daughters of men" to be the "daughters of the race of Cain".

The Clementine apocrypha of the third century explained that after falling from their high estate into an illicit union with women the wicked spirits revealed to women evil arts.

As in exegesis of the Eden story, so here there was a readiness to see **w o m e n** as especially connected with the origin of sin and evil.

Lactantius explained that there were two kinds of demons; the first were spiritual creatures only, fallen from heaven; the others were the **descendants of the perverse sexual union mentioned in Genesis VI.**"

EDITED BY HERBERT RICHARDSON

PUBLISHED BY THE UNIFICATION CHURCH, 1000 WASHINGTON STREET, SEATTLE, WASHINGTON, U.S.A.

Since there are moral connections between all people, it follows that the effects of sin are not shut up within the individual but are passed down through the human race.

"If we are units," Bushnell wrote, "so also are we a race, and the race is one — one family, an organic whole; such that the fall of the head involves the fall of all the members."

## C. G. Jung, Man and his Symbols

Every culture has a mythological story about a fall from grace –  
Alienating Common symbols - from Mankind's common  
"Collective Subconscious" symbols indicate a sexual guilt!

The English poet John Milton wrote in 1667:

After eating the fruit, then Adam and Eve had pleasurable sex, and only Adam is convinced that Eve was right when she thought that eating the fruit would be beneficial.

However, they soon fall asleep and have terrible nightmares, and after they woke up, they experience guilt and shame for the first time.

Realizing that they have committed a terrible act against God, and begin to accuse each other.

**Graham Greene** in an interview in 1949:

“I've always been interested in the mystery of sin.  
It is always the foundation of my books.

Since publication of the first, I've had an audience ready to receive the message and be sensitive to this issue.

T.S. Elliot argues that

before 1930 had authors no sense of original sin.

But that situation has changed, especially after the war.

Comment: *1935 SMM mission to the principles reveal the true origin of sin = Illicit sexual union between Eve - Lucifer and then Eve – Adam producing Original sin, Ancestral, Collective and Personal Sin.*

Ruth Montgomery, spiritual medium  
An example of a drug addict's death experience

People who die as an alcoholic can hover around people on earth who drink too much, crave alcohol still unable to break the habit bands that bound them to their physical bodies.

Same with heavy smoking or drug use, there or here, or sex maniacs who exploit others in order to appease the bodily desire for intercourse.

To escape the ... we must break ties,  
the shackles that bind us to satisfy the physical body.

So try to break the bad habits of the earth.  
It is clearly easier to SOLVE them on earth.

Those who do not drink or smoke or use drugs or  
lust for sex will be free from these shackles  
on the other side.

It is easier to break these shackles while in physical form  
than to undo them on the other side,  
there are no temptations in our way (in spir. world).

Thus, there is no reward for behaving correctly here in spirit,  
because there is something to tempt us with.

The hard school is in the physical, and it is there that we must  
face and overcome temptation.
