HOLY BIBLE

Mark 16:17 King James Version (KJV)

**17** And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues;

## Acts 8:5-8

5 Then Philip went down to the city of Samaria, and preached Christ unto them.

6 And the people with one accord gave heed unto those things which Philip spake, hearing and seeing the miracles which he did.

7 For unclean spirits, crying with loud voice, came out of many that were possessed with them: and many taken with palsies, and that were lame, were healed.

8 And there was great joy in that city.

## 2.2 The Spiritual Fall and the Physical Fall

God created human beings with two components: the spiritual self and the physical self. The human Fall likewise took place in two dimensions: the spiritual and the physical.

Satan is constantly accusing all people before God, as he did Job, in order to drag them into hell.<sup>51</sup>(Job 1:9-11)[CEV](#)[KJ](#)[NI](#)

However, even Satan cannot perpetrate his evil activity unless he first finds an object partner with whom he can form a common base and engage in give and take action. Satan's object partners are evil spirits in the spirit world.

DIVINE  
PRINCIPLE

The object partners to these evil spirits are the spirit selves of evil people on the earth, and the vehicles through which these evil spirit selves act are their physical selves. Accordingly, the power of Satan is conveyed through evil spirits and is manifested in the activities of earthly people

## 4.4 The Works of Good Spirits and Evil Spirits

We use "good spirits" as a general term for God, spirits on the side of God, and good angels.

The general term for Satan and spirits on his side is "evil spirits."

The works of good spirits and evil spirits, as in the case of good and evil acts generally, have a similar appearance at the outset but pursue contrary purposes.

Over time, the works of a good spirit will increase a person's sense of peace and righteousness and even improve his health.

The works of evil spirits, on the contrary, will gradually lead to an increase of anxiety, fear and selfishness and cause his health to deteriorate.

It may be difficult for someone who does not know the Principle to discern the works of spirits, but eventually, often belatedly, he will recognize the nature of the spirits by the fruits they bear.

Since a fallen person stands in the midway position between God and Satan and relates with both of them, the works of a good spirit may be accompanied by the subtle influences of an **evil spirit**.

In other cases, phenomena which begin as the works of evil spirits may, as time passes, merge with the works of good spirits.

Discerning the spirits is thus very difficult for those who do not understand the Principle

DIVINE  
PRINCIPLE

In the present era, spiritual phenomena are becoming ever more prevalent.

Unless religious leaders can correctly distinguish the works of good spirits from the works of evil spirits, they cannot properly instruct and guide those who experience spiritual phenomena.

## 2.2 The Spiritual Fall and the Physical Fall

The fall which took place through the sexual relationship between the angel and Eve was the spiritual fall, while the fall which occurred through the sexual relationship between Eve and Adam was the physical fall.

## 2.2.1 The Spiritual Fall

After the creation of human beings, Lucifer, feeling as though he were receiving less love than he deserved, wanted to grasp the same central position in human society as he enjoyed in the angelic world, as the channel of God's love.

## 2.2.1 The Spiritual Fall

**This was why he seduced Eve, and this was the motivation of the spiritual fall.**

## 2.2.1 The Spiritual Fall

Lucifer, who left his proper position due to his excessive desire, and Eve, who wanted to open her eyes and become like God before the time was ripe, formed a common base and began give and take action, which led them to consummate an illicit sexual relationship on the spiritual plane.

## 2.2.1 The Spiritual Fall

**Fallen Eve then seduced Adam with the hope that by uniting with him, she could rid herself of the dread and once again stand before God. This was Eve's motivation which led to the physical fall.**

## 2.2.2 The Physical Fall

Adam responded and formed a common base with Eve, standing in the position of Archangel, and they began give and take action with each other, which brought them together in an illicit physical relationship of sexual love.

<sup>31</sup> Now is the judgment of this world; now the ruler of this world will be cast out.

Through the above words of Jesus, we understand that Satan is the ruler of this world. His evil empire stretches to all the four corners of the world. He works evil by influencing human minds to commit the act of evil through his angels, the devils. p.3

## Dae Mo Nim's Work to Separate Earthbound Spirits

- In the mid-1980s, Rev. Sun Myung Moon recognized a need to address the debilitating phenomenon of attached earthbound spirits on the population of the world, especially beginning with the members of the Unification Church.

For this purpose he chose Soon Ae Hong, the mother of his wife Hak Ja Han Moon.

See <http://journals.uts.edu/volume-ix-2008>

## A Comparison of William Baldwin's "Spirit Releasement Therapy" and Dae Mo Nim's Ancestor Liberation

Both Baldwin and Dr. Shakuntala Modi, through their depossession practices, have discovered that somewhere between 80% and 90% of their clients' debilitating symptoms were caused by possessing human and demon entities, and that removing these attached spirits for the most part permanently removed their patients' symptoms.

Furthermore, in 1991, Baldwin publicly declared that

“spirit attachment is almost universal in the human population”

and, for this reason, mental health professionals and clergy should be “trained to use the appropriate techniques to relieve this affliction.”

As if to answer this call, Dae Mo Nim has appeared in our time as a providential healer, whose depossession techniques serve humanity as a whole:

There is another enormous pollution yet unknown to humanity, and this is the spiritual pollution.

Few people know that the invisible spiritual pollution is more dangerous than the visible pollution.

The Chung Pyung Spiritual Training Center is a place of recycling evil spirits into absolutely good spirits (ABS).

It creates a miracle of giving rebirth to the spiritual selves degraded like useless garbage and transforming them into God's children with cosmic value.

Quote SMM 1965: "We should realize that the World of Spirit is also a Creation of GOD - and God created the Spirit World in his PRINCIPLES so this Spirit World is not a mysterious world – this is a world of PRINCIPLE.

Earthly Life and the Spirit World, Vol. II

## Angels and DP

Jesus died on the cross, but **he did not die in the son's position.**

If Jesus died in the son's position, then he was a victorious offering to God and does not need to come again.

## Angels and DP

But he could not be offered wholly.

He lost his physical body and only offered his spirit.

This is equal to the angel's offering in the spiritual world.

That is why Christians go to paradise instead of heaven in the spiritual world.

## Angels and DP

In other words, the spiritual world, dominated by the archangel, is the realm of the archangel.

To go beyond that realm, victory must be won on earth in the physical world.

That is the will of God.

That is the meaning of Jesus' presence on the earth and the spiritual world.

Earthly Life and the Spirit World, Vol. II

“Every human being is struggling to attain life-long happiness and overcome misfortune.

/DP Introduction

From the commonplace affairs of individuals to the great events that shape the course of history, each is at root an expression of the human aspiration for ever greater happiness.

*Comment: the essence of being human is to live for the sake of others.*

/DP Introduction

There is a saying that the habit of a three-year-old continues until he turns eighty. Inborn personality is hard to change. Hence, spirit people cannot live very differently from the way they lived on earth.

After all, the inhabitants of the spirit world are the souls of people who formerly lived on earth.

From this perspective, the spirit world is not so different from the physical world.

/SMM 2 March 1986

After all earthly people are restored,  
it will take a long time for the spirit world to be  
completely restored because there are so very  
many spirits who must be restored through the  
principle of resurrection through people on earth.

/SMM 1965:4

It will be much faster for earthly people to be restored.  
The number of spirits is very great.

And they must go through the resurrection in an indirect way.

/SMM 1965:4

*Comment: Indirect = Vitality Elements needed from physical human body = physical people on Earth.*

# The Providence of Resurrection for People on Earth

Upon their death, the believers of this era will enter and abide in the Kingdom of Heaven in heaven, which is the divine-spirit level of the spirit world (p. 140).

**Me!**

The first resurrection is the resurrection enabling the accomplishment of the purpose of creation for the first time since the commencement of the history of God's providence of restoration.

The original self will be restored by removing man's original sin through the Second Advent of the Lord

Before creating man, God made all things in the image and likeness of man's character and form.

Therefore, man is the encapsulation of all things.  
(*Comment: Physical and Spiritual Wolds*)

With man as the visible object  
in the image of God and the universe  
as the symbolic object in His indirect image,  
man's love and the beauty of creation perform  
give and take action to form  
one body in unity centering on God

Since the universe was created after the model of man, who is in the image and likeness of God's dual essentialities, every existence, without exception, takes after man's basic form, which consists of mind and body.

Thus, in the universe there exists not only the visible substantial world, which resembles the human body,

but also the invisible substantial world, which is modelled after the human mind.

/Divine Principle Ch.1

“What is the Unification Church?  
It means the place of unification  
of the mind and body  
and the place of study of the Divine Principle.

This teaching instructs clearly how to unify  
the mind and body,  
man and woman,  
parents and children centered upon True Love,  
True Life and True Lineage.

/SMM 960505

If you could go to the spirit world, you would see that all people constitute the body of one Person.

Saints and holy men may perform the role of the eyes or the ears, but even though they have important roles, they are still only components of that one macrocosmic Person

/SMM 1997

Each community (in Spirit World) is an image of the whole [Universal Human], since any completely harmonious entity is made up of a number of images of itself.

I have from time to time talked with members of communities where I had been sent, who belonged to the province of the lungs, heart, face, tongue, ear, or eye, and with members of the province of the nose.

/Emanuel Swedenborg, *Arcana Coelestia*

In the sight of God each individual is like a cell of that giant human.

In the sight of God each individual is like a cell of that giant human.

Each one of you is a cell, yet however small you are, every other cell is still connected to your life.

When you look at a little cell on the tip of your finger you are a giant in comparison to it, yet you still deal with that one cell on a one-to-one basis.

In the sight of God each individual is like a cell of that giant human.

Each one of you is a cell, yet however small you are, every other cell is still connected to your life.

When you look at a little cell on the tip of your finger you are a giant in comparison to it, yet you still deal with that one cell on a one-to-one basis.

You are like one tiny cell, only one portion of the entire universal body, yet when you deal with the universe you are on a one-to-one basis and you can claim your rightful vote.

## Power of Prayer

- In July 1995, back when AIDS was still a death sentence, psychiatrist Elisabeth Targ and her co-researchers enrolled 20 patients with advanced AIDS in a randomized, double-blind pilot study.
- Psychic healers prayed for the 10 in the treatment group. The healers lived an average of 1,500 miles away from the patients.
- Six-month study - four of the patients died in the control group
- All 10 who were prayed for were still alive.

## Diary of Pope John the 23rd

### ***PREDICTIONS FROM THE DIARY OF POPE JOHN THE 23rd***

The world will suffer through a painful period of violent wars, deadly famine, and destructive natural disasters over the next eight years.

But that nightmare will be followed by a lengthily stretch of love and harmony, a beautiful serene heaven on earth.

Those startling predictions come from the sensational lost diary of Pope John the 23rd, the beloved Pontiff who died June 23, 1963.

The dusty, leather bound diary containing hand written predictions was found by a Vatican cleaning woman who was sorting through boxes stacked in a little used storage room.

The entries clearly spell out the assassination of John F. Kennedy, the Vietnam war, the unrest in the Middle East, and the fall of communism years before they took place.

# **Prolegomena To A Philosophical Inquiry Into The Spirit World**

***Claude Perrottet***

## Prologue:

According to the views of Unification Thought and even according to common sense, the spirit world amounts to half of reality (not in the sense of a precise 50%, but in the sense of being one of two "worlds" constituting the universe).

## Prologue:

According to the views of Unification Thought and even according to common sense, the spirit world amounts to half of reality (not in the sense of a precise 50%, but in the sense of being one of two "worlds" constituting the universe).

Unification Thought holds this notion is common with the general understandings prevalent in most cultures.

If that is the case, and if we additionally assume (again, according to Unification Thought and to vague notions floating in consciousness at large) that the "half" of reality represented by spirit world is the dominant though largely unknown half, it is surely an understatement to say that taking it seriously into account revolutionizes all aspects of philosophical inquiry.  
.endprologue

- In Unification Thought terminology, we would say that the *hyungsang* part of the spirit (the spirit body) is the external appearance of the *sungsang* part (the spirit mind), and thus has its qualities.

- When trying to describe the spiritual realm from a Unification Thought perspective, a perspective that is in keeping with Swedenborg and others with personal experience of spirit, the expression that first comes to mind is total freedom, freedom from the constraints of physical existence.

- But this "dream world" does follow laws of its own that are by all accounts even stricter than those of the physical world. Free movement, change and development are possible only to the extent that these laws are respected and practiced.

Rev. Moon has taught that it is much better and wiser to fulfil God's will while we are in our own physical bodies on earth.

The reason?

It takes much longer and much more effort to achieve resurrection of our spirit selves in the spiritual realm than when we are on earth and in the driver's seat, so to speak, of our own physical lives.

## Pledge 5

### Reaching to the Spirit World

천일국 주인 우리 가정은 참사랑을 중심하고 매일 주체적  
천상세계와 대상적 지상세계의 통일을 향해 전진적 발전을  
촉진화할 것을 맹세하나이다.

*Our family, the owner Cheon Il Guk, pledges to strive every  
day to advance the unification of the spirit world and the  
physical world as subject and object partners, by centering  
on true love.*

The fifth pledge discusses the role of the spirit world in human life.

Having been given dominion over the creation, human beings are the lords of both the spiritual and physical worlds.

The human mind connects with the spirit world and the human body interacts with the physical world.

In a real sense, our mind and body constitute the microcosm that controls the macrocosm — the spirit world and physical world — through its resonance with them.

The key lies within us.

When we align ourselves properly, we can tap into the inexhaustible power of the spirit world to bring us prosperity and victory.

Furthermore, since our ultimate destiny is to live eternally in the spirit world, we should use our time on earth to prepare for life in that world.

**Six spheres of intelligent being,

and the more particular abode

**/The Harmonial Philosophy

**FIGURE 8: THE STRUCTURE OF THE SPIRIT WORLD**

## The Non-Principled Spirit World

Our tour beings with the Non-Principled Spirit World, which is populated by the vast majority of people who ever lived, who did not establish true families while on earth.

People on earth vary widely according to the degree of their love and to what extent they lived a life of goodness.

Though they co-mingle during earthly life, in the spirit world they separate.

According to the various qualities of earthly people's inner, spiritual lives, they come to reside in a place within one of three major levels of the Non-Principled Spirit World: Hell, Lower Heaven, and Paradise.

## *The Transitional Spirit World*

In addition, there is an intermediate realm, the Transitional Spirit World, which serves as a way-station on a spirit's journey to his or her final abode.

This is the realm closest to the earth, where spirit persons stay temporarily when they first enter the spirit world.

After a stay lasting from a few days to a few years, spirits journey either downward to hell or upward to one of the heavenly realms at their own volition.

Within a few days after death, spirits are led to this realm, guided by angels and spirits of the departed.

The trip is like being lifted in an elevator or like passing through a gate.

On arrival, the newcomers may experience the warm, comforting embrace of a transcendental being of white light.

Their relatives, intimates and acquaintances may welcome them and remain with them for a time before returning to their own places.

When a spirit arrives at the Transitional Spirit World, his speech and actions become totally unconstrained.

He can express in words whatever he thinks and do whatever he wants. Having shed his physical body, he suddenly realizes that he has profound wisdom, as if his intellect had grown fifty-fold.

Although the newcomer may cling to his old habits for a while, before long he accustoms himself to the laws of spirit world.

Earthly honor, knowledge, position, property and wealth are of no use.

## *Hell*

Hell is populated by people who lived predominantly selfcentered lives while on earth.

(Reflexion of satans lineage)

They pursued only their own interests while committing falsehoods, deceptions, injustice, and crime.

Even if outwardly they led respectable lives, their hearts festered with jealousy, hatred, avarice, lust, anger and complaint.

After they pass over into the transitional spirit world, fellow spirits of Hell who witness the newcomer's past in the mirror of judgment lead him to their infernal dwelling-place.

*Hell*

Lee's description of the hells is reminiscent of Dante Alighieri's *Divine Comedy*.

*Dante's depiction of hell, The Inferno, depicts 9 levels, each darker and bleaker than the last.*

*Dante's Paradiso depicts 10 heavens of ever-increasing brightness and glory.*

On May 5, 2004, Father Moon announced the 쌍합 십승일 (雙合十勝日, *Ssang Hab Shib Seung Il*), *the “Day of Double 5 and Victory of the Number 10,”* which marked the beginning of the “Age After the Coming of Heaven.”

It opened the era for cleansing the evil satanic kingdom and manifesting the kingdom of true love on earth and in heaven.

## ***Lower Heaven***

Conscientious people, the charitable, patriots, educators, the virtuous, truth-seekers, etc., people who made efforts to do right while on earth, dwell in Lower Heaven.

Whether or not they believed in religion, they sought to live a life of goodness according to their conscience.

## ***Paradise***

Beyond Lower Heaven lies Paradise.

(Luke 23:43, 2 Cor. 12:3)

It is far brighter and more splendid, with magnificent mountains, azure rivers, fields of flowers with sweet fragrance, and lovely music rejoicing the mind and heart.

In its upper levels people live in a state of ecstasy, totally immersed in all the beauty that surrounds them.

## **The Principled Spirit World**

God's original intention for the spirit world was that it would consist of only one realm, the Kingdom of God in heaven.

Spirit persons who have perfected the Four Position Foundation on earth pass over into this realm.

Today, with the appearance of people who have received the Blessing and who are on the way to establishing true families, the threshold level of the Kingdom of Heaven has been newly opened.

It is called the Principled spirit world.

This realm is above even the highest level of Paradise and is incredibly beautiful.

## *The Subjective Role of the Spirit World*

One reason to learn about the spirit world is to better understand how spirits affect life here on earth.

Spiritual influences can bring luck or cause misfortune.

Indeed, diverse bands of spirits descend to give invisible influence to the earthly world—some for good and some for evil.

An amazing stroke of fortune or a crushing blow can occur seemingly without reason, but psychics who have access to the spirit world can clearly know its cause.

## **Destiny and Responsibility**

People often misunderstand the subjective role of the spirit world, particularly when it comes to the question of fortune and destiny.

Many people believe that every person has a foreordained destiny written in the stars, stored up in the spirit world.

Are the important events in our life—the day of one's death, for example — predestined?

It is said that plans unfold in the spirit world years before they bear fruit on earth. Thinking in this way, we may consult fortune tellers for advice about our lives, believing they can give us a glimpse into the future.

The Divine Principle, however, clearly presents only one sort of predestination for human beings:

God's predestination of prosperity and success for the person who fulfills his portion of responsibility.

## ***Uniting the Spirit World and Physical World***

Many people are aware of the higher power of divine providence that guides our lives.

We have felt God's guidance leading us on through dark and despairing times into new situations with fruitful paths of action.

When we rely on providence, amazing things can and do happen, for we place ourselves in a position to receive spiritual help.

As Jesus said, those who seek for God's kingdom and God's righteousness will find that every good thing is provided for them. (Matt. 6:33)

## Three Keys to Mobilizing the Spirit World

At the center of unity between the spirit world and the physical world stands the human being, who joins the two worlds in the circuit of give-and-take action.

There are three keys to completing this circuit, and thereby to receiving spiritual help.

First, a person affirms his or her heartfelt dedication to God and determination to do God's will; therefore mobilizing the spirit world to give inspiration, guidance and support.

Second, the person establishes good unity between mind and body, and hence is able to act on this inspiration.

Third, the person has laid a practical foundation on the earth, that his actions might carry weight and be effective.

## FIGURE 9: THE UNIFICATION OF THE SPIRIT WORLD AND PHYSICAL WORLD

## The Liberation of Hell

The saint and the sinner are both God's children. Therefore, we who would draw close to God must love our brothers and sisters who suffer the pain of a bitter or resentful spirit.

The Divine Principle explains that Abel cannot enter heaven without saving Cain.

Possessing spirits, who penetrate the body and attach themselves to the psyche, afflict people without their knowledge.

They can enter the body in a moment of weakness; shock, a fainting spell or a high fever.

Alcohol or drugs provide ready opportunities for possessing spirits.

These spirits cloud the mind and induce obsessive or even psychotic behavior.

Even many physical illnesses have possessing spirits as a contributing cause.

The common denominator of all these evil spiritual influences is inherited sin.

## **St Augustine on Blessing Ceremony in the Spiritual World**

I am living in incredible truth and boundless grace, which I could never imagine in the physical world.

Having attained freedom in this truth and grace, I am living a happy life here every day.

What is more amazing, however, is the Blessing ceremony in which those people who had left their physical bodies and come to the spiritual world participated.

During the ceremony, the officiator, Rev. Moon, suddenly changed into the shape in which God had appeared in the Garden of Eden before the human fall;

God's rays spun in splendid and enrapturing colors and circled around Rev. Moon, whereupon he assumed God's body.

St. Augustine's Confessions

Singhwa Publishing Co., LTD

Then, the whole scene of the Blessing ceremony  
was showered with brilliant light,  
as if floodlights of housands of volts  
had been turned on in a dark room.

In this ceremony, God's light touched each and every couple.  
At this time, my wife was on earth and I was, of course,  
in the spiritual world.

An earthly person would not understand what this means, but at one word from Rev. Moon, the ceremony site changed colors and structures, and the couples' ceremonial dresses changed.

God's light touched all the people, and their spirits became consecrated, after which their forms became different from those of the spectators.

The Blessing is a ceremony through which God brings together an Adam and an Eve in the Garden of Eden when they become fully mature. I believe it because I have seen it clearly with my own eyes. I firmly believe that Rev. Moon is marrying honorable men and women as an officiator in God's body.

How many!

## ***A small test to finish off***

### ***Are you Psychic? - A Test of Awareness***

Count the number of yes answers.

The following questions should be answered truthfully in order that the degree of psychic sensitivity can be established.

1. Have you ever had a dream which later occurred?
2. Have you ever thought of a friend that you had not seen or heard from for many years, only to have them contact you?
3. Have you ever had a feeling of foreboding before something has happened, either globally, nationally or at a personal level?
4. Do you sometimes know who is ringing you?
5. Have you ever been aware of another person's thoughts?

6. Have you ever held a closed box, or package, and known what was inside?
7. Have you ever made the same statement at the same time as a partner or a close friend?
8. Have you walked into a room and sensed from the atmosphere that an argument had taken place?
9. Have you ever entered the nursery to find your baby needed you and there had been no indication of such need?
10. Have you ever felt the presence of a person behind you before you were aware anyone was there?

11. Have you ever been humming the same song as your partner or close friend?
12. Have you ever picked up emotions and pains from others?
13. Have you ever turned up for a meeting with a friend wearing the same colours on more than one occasion?
14. Have you ever exchanged identical Christmas cards with a friend?
15. Have you ever known the sex of a friend's unborn baby?
16. Have you ever achieved 'over the odds' marks in an ESP Test?

The number of yes shows how psychic we are –  
and how common contact with Psychic and Spiritual World is.
