## Vocabulary:

Divine Principle  
+ the Words of Dr. Moon

Like Jesus teaching was called "The Way"  
So "the Principle" is eternal divine spiritual  
Truths and Laws ("the Way")  
that can set man free from Original Sin  
and become the Divine Physical/Spiritual  
being intended at the beginning of Creation.  
The goal of all Humans Physical & Spiritual life!

Love is restored by separating from Satan and by fulfilling man's portion of responsibility that was lost because of him.

Satan cannot invade those who love their enemies and love their enemies' countries.

But that does not work with self-centered love.

1985.12.24

Restoration through indemnity cannot be avoided.

Why do we have to go the course of restoration through indemnity?

Why do we need to separate from Satan?

It is because we need to fulfill the original portion of responsibility and build the foundation for a free environment.

Then, Satan cannot accuse us and we will come to stand upon a base where Satan cannot have any relationship with us.

Is the body important or the mind?  
The mind is important,  
and the body is also important.

However, much more significant is  
unity between our mind and body.  
That is more important.

Those who cannot accomplish this unity  
will be in the  
wrong even if the world is fully unified.

# The Root of Sin

New DP Red Colour Slides

This explanation of the human Fall will clarify these issues.

# 1.5 The Root of Sin

**First human  
ancestors**

**Angel**

Illicit sexual relationship

The root of sin is that the first human ancestors had an illicit sexual relationship with an angel symbolized by a serpent (p. 61).

# **Section 2**

## **The Motivation**

### **and Process of the Fall**

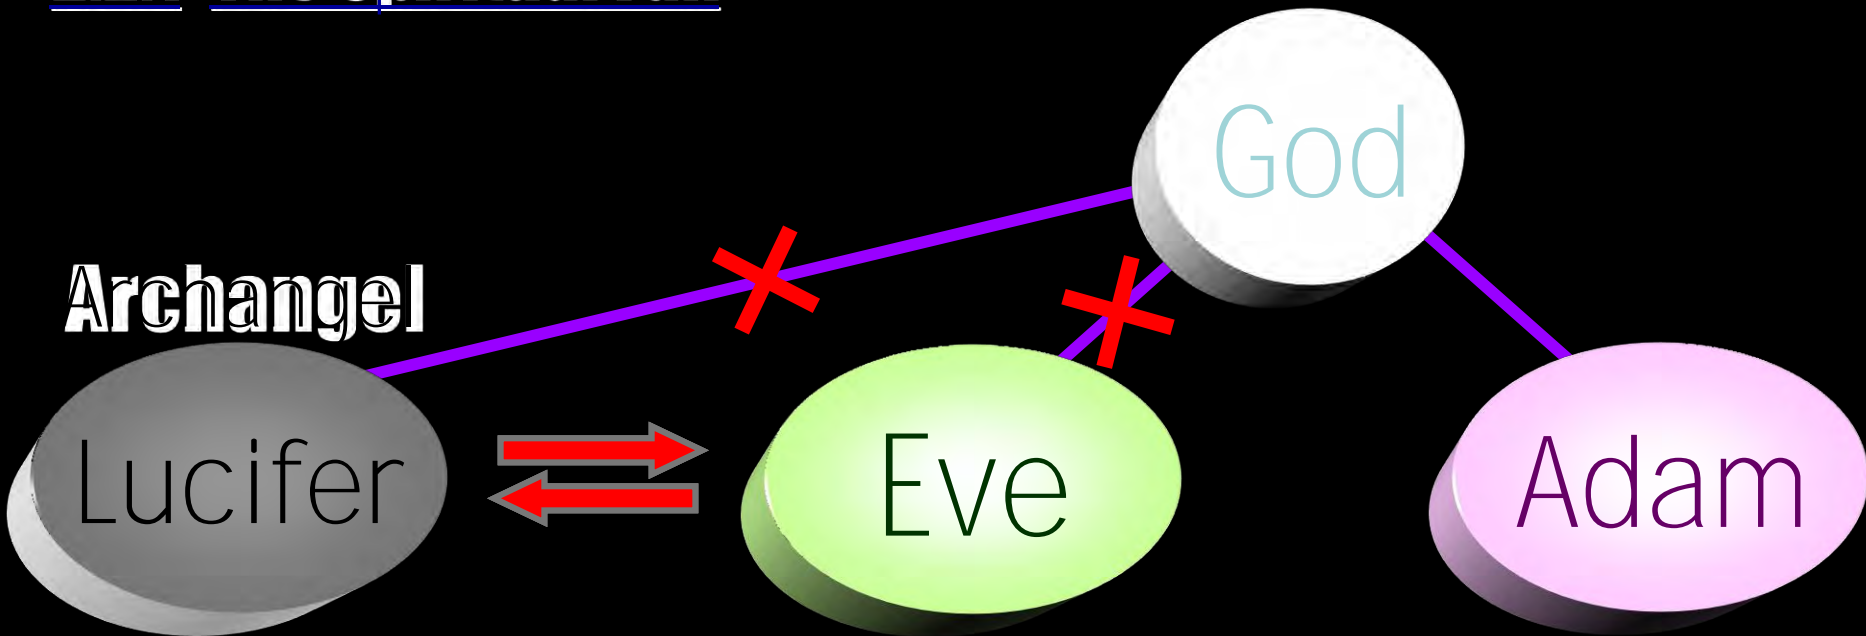

## 2.2 The Spiritual Fall and the Physical Fall

The fall which took place through the sexual relationship between the angel and Eve was the spiritual fall, while the fall which occurred through the sexual relationship between Eve and Adam was the physical fall.

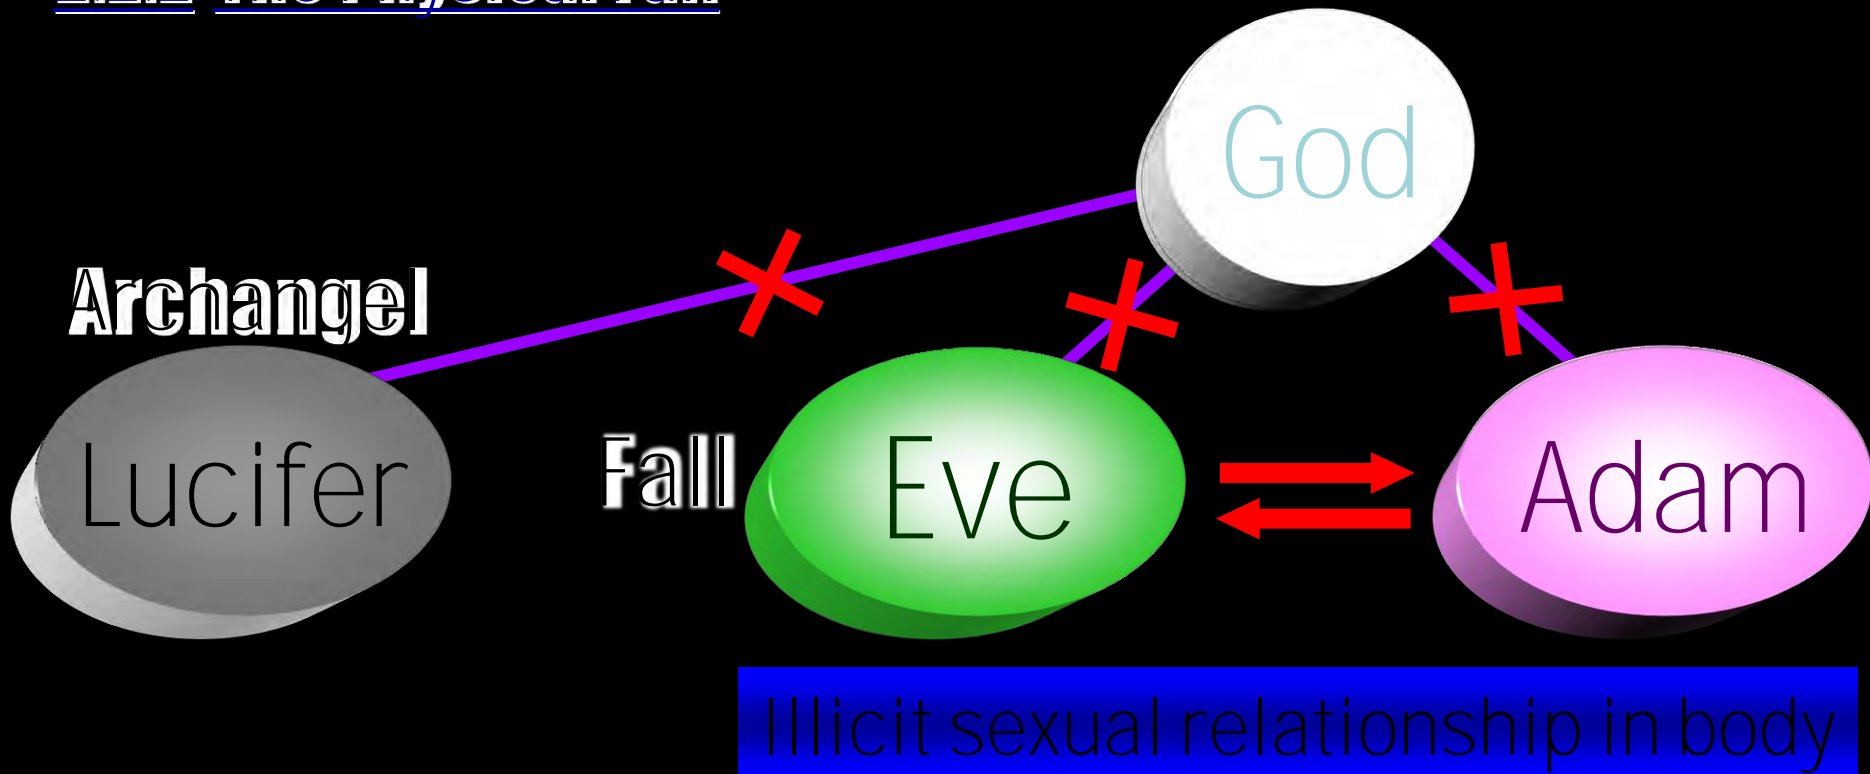

## 2.2.1 The Spiritual Fall

Illicit sexual relationship  
in spirit bodies

Lucifer, who left his proper position due to his excessive desire, and Eve, who wanted to open her eyes and become like God before the time was ripe, formed a common base and began give and take action, which led them to consummate an illicit sexual relationship on the spiritual plane.

## 2.2.2 The Physical Fall

Adam responded and formed a common base with Eve, standing in the position of Archangel, and they began give and take action with each other, which brought them together in an illicit physical relationship of sexual love.

# William Branham

**William Branham** USA had been hearing voices since he was seven years old. Finally, in May of 1946, Branham was **commissioned by an angel from God to be the forerunner of the Second Coming of Christ.**

(1909-1965)

One of the more radical beliefs of the group is that of **Serpent Seed** which states that **the first sin committed occurred when Eve engaged in sexual activities with the Serpent in the Garden of Eden thus causing "the fall of man."**

*“What did he do? **He begin making love to Eve.***

***And he lived with her as a husband.***

*And she saw it was pleasant, so she went and told her husband; but **she was already pregnant by Satan.***

*And she brought forth her first son whose name was Cain, the son of Satan.*

My comment: In June 1946 TF went to Pyong Yang to search for the prepared Spir. groups.

Seams like that Heavenly mission "spilled over" to US.

"*Genesis* is deeply symbolic, and cannot be grasped by a literal interpretation," he explained. "Its 'tree of life' is the human body."

The spinal cord is like an upturned tree, with man's hair as its roots, and afferent (ingoing) and efferent (outgoing) nerves as branches.

The tree of the nervous system bears many enjoyable fruits, or sensations of sight, sound, smell, taste, and touch. In these, man may rightfully indulge; but he was forbidden the experience of sex, the 'apple' at the center of the bodily garden.

"The 'serpent' represents the coiled-up spinal energy which stimulates the sex nerves.

'Adam' is reason, and 'Eve' is feeling.

When the emotion or Eve-consciousness in any human being is overpowered by the sex impulse, his reason or Adam also succumbs (collapses).

Tertullian calls these fallen angels "desertores Dei, amatores feminarum", and uses this example to warn women against cosmetics and bewitching finery.

Julius Africanus took the "daughters of men" to be the "daughters of the race of Cain".

As in exegesis of the Eden story, so here there was a readiness to see **w o m e n** as especially connected with the origin of sin and evil.

Lactantius explained that there were two kinds of demons; the first were spiritual creatures only, fallen from heaven; the others were the **descendants of the perverse sexual union mentioned in Genesis VI.**"

Since there are moral connections between all people, it follows that the effects of sin are not shut up within the individual but are passed down through the human race.

"If we are units," Bushnell wrote, "so also are we a race, and the race is one — one family, an organic whole; such that the fall of the head involves the fall of all the members."

## C. G. Jung, Man and his Symbols

Every culture has a mythological story about a fall from grace –  
Alienating Common symbols - from Mankind's common  
"Collective Subconscious" symbols indicate a sexual guilt!

The English poet John Milton wrote in 1667:

After eating the fruit, then Adam and Eve had pleasurable sex, and only Adam is convinced that Eve was right when she thought that eating the fruit would be beneficial.

However, they soon fall asleep and have terrible nightmares, and after they woke up, they experience guilt and shame for the first time.

Realizing that they have committed a terrible act against God, and begin to accuse each other.

**Graham Greene** in an interview in 1949:

“I've always been interested in the mystery of sin.  
It is always the foundation of my books.

Since publication of the first, I've had an audience ready to receive the message and be sensitive to this issue.

T.S. Elliot argues that

before 1930 authors had no sense of original sin.

But that situation has changed, especially after the war.

An example of a drug addict's death experience

People who die as an alcoholic can hover around people on earth who drink too much, crave alcohol still unable to break the habit bands that bound them to their physical bodies.

Same with heavy smoking or drug use, there or here, or sex maniacs who exploit others in order to appease the bodily desire for intercourse.

To escape the ... we must break ties,  
the shackles that bind us to satisfy the physical body.

So try to break the bad habits of the earth.  
It is clearly easier to SOLVE them on earth.

Those who do not drink or smoke or use drugs or  
lust for sex will be free from these shackles  
on the other side.

It is easier to break these shackles while in physical form  
than to undo them on the other side,  
there are no temptations in our way (in spir. world).

Thus, there is no reward for behaving correctly here in spirit,  
because there is nothing to tempt us with.

The hard school is in the physical, and it is there that we must  
face and overcome temptation.

Mathew 8:18 Verily I say unto you,  
Whatsoever ye shall bind on earth (with your physical body)  
shall be bound in heaven (life in spirit world):  
and whatsoever ye shall loose on earth (remove all evil)  
shall be loosed in heaven.

Mathew 5:48 Be ye therefore **perfect**, even as **your**  
Father which is in heaven is **perfect**. (100% without Sin)

DIVINE  
PRINCIPLE

“Every human being is struggling to attain life-long happiness and overcome misfortune”.

/First sentens in Divine Principle

1. First, there is no freedom outside the Principle.  
Freedom requires both free will and the free actions  
pursuant to that will

2. Second, there is no freedom without responsibility. Human beings, created according to the Principle, can reach perfection only by fulfilling their responsibility based on their free will.

3. Third, there is no freedom without accomplishment. When human beings exercise freedom and carry out their responsibility, they strive to accomplish results which complete the purpose of creation and bring joy to God.

Billy Graham:

As Christians we have 3 enemies

- The World – Fallen evil traditions
- The Devil – Fallen Archangel, Fallen Nature
- The Flesh – Original Sin

There are two deaths:

- One Physical
- One Spiritual

Mankind is walking the “death” that Adam and Eve experienced AFTER dying the death promised by God if Falling.

Dead in Spirit, being controlled by wicked forces:

We fight “not against flesh and blood but against principalities and power, against the rulers of the world of this darkness, against the spirits of wickedness” (Eph 6:12). /St. Paul

One of Satan’s greatest assets is his camouflage, the belief that he doesn’t exist.

But of the tree of the knowledge of good and evil,  
thou shalt not eat of it: **for in the day that thou eatest  
thereof thou shalt surely die. /KJV Gen 1.**

Whenever the spirit of a fallen man or woman unites with the thoughts or activities of evil spirits he or she multiplies the power of Satan and evil in the world.

(I.e. Masturbation, Pornography, Rape, Illicit love ...)

You are of your father the devil, and the lusts of your father you will do.

He was a murderer from the beginning,  
and abode not in the truth, because there is no truth in him.

When he speaks a lie, he speaks of his own:  
for he is a liar, and the father of it.      /John 8:44

And the serpent said unto the woman, You shall not surely die.  
/Genesis 3:4

Jesus: And you shall know the truth,  
and the truth shall make you free.  
Jesus saves and is the Messiah.

## ROOT OF EVIL — IMMORAL SEX

The Bible teaches us that although it is necessary for man to multiply, for those who can, it is best to be celibate.

This was to be an indemnity payment for the Fall and implies that marriage has not had the complete sanction of God.

The Bible emphasizes not getting married.

In First Corinthians 7:38 we read,

“So that he who marries his betrothed does well; but he who refrains from marriage will do better.”

Celibacy is encouraged because God’s ideal was lost due to the misuse of love.

- Recreation is Mans respons-ability

Indemnity is needed:

1. To Give Inviolability and Perfection to the Principle

God is perfect, therefore His Principle should also be perfect.

God created the Principle first, in the beginning. According to the Principle of Creation, God is to control perfected man through His love.

He cannot control an immature or unperfected being.

Indemnity is needed:

2. To make God Alone the Creator

God controls or intervenes only in things which are created by Him.

Indemnity is needed:

3. To Give Man the Qualification to be the  
Lord of all Creation

Emanuel Swedenborg made the unique discovery that we each have *three* kinds or levels of blood—the red blood, the middle blood or Animal Spirit, and a higher blood fashioned from the human Soul.

The red blood maintains and grows a person's *physical body*, but the other two—from their purification—build and maintain a person's spiritual body, which houses the soul after death.

Sun Myung Moon: "Your body inherited **Satan's blood** lineage through his love.

**Satan's blood has controlled you by the realm of power in order to trample upon your personality.**"

**Summary:** **The Fall of Humankind** is the story in the Bible of how sin and evil came into the world.

It was an event which was not simply the eating of a literal fruit, but was rather

the disobedience of Adam and Eve of God's commandment not to partake of sexual love until they were mature and could be

blessed by God in Holy Matrimony. (2<sup>nd</sup> Bible Blessing)

## The Works of Good Spirits and Evil Spirits

We use "good spirits" as a general term for God, spirits on the side of God, and good angels.

The general term for Satan and spirits on his side is "evil spirits."

The works of good spirits and evil spirits, as in the case of good and evil acts generally, have a similar appearance at the outset but pursue contrary purposes.

Over time, the works of a good spirit will  
increase a person's sense of peace and  
righteousness and even improve his health.

The works of evil spirits, on the contrary,  
will gradually lead to an increase of anxiety,  
fear and selfishness and cause his health to  
deteriorate.

It may be difficult for someone who does not know  
the Principle to discern the works of spirits,  
but eventually, often belatedly, he will recognize  
the nature of the spirits by the fruits they bear.

THIRTY YEARS  
Among the Dead

The change called “death,” - the word is a misnomer – universally regarded with gloomy fear, occurs so naturally and simply that the greater number, after passing out of the physical are not aware that the transition has been made, and having no knowledge of a spiritual life

they are totally unconscious of having passed into another state of being.

THIRTY YEARS  
Among the Dead

Deprived of their physical sense organs,  
they are shut out from the physical light,  
and lacking, a mental perception of the high purpose of  
existence,  
these individuals are spiritually blind and find  
themselves in a twilight condition - the “outer darkness”  
mentioned in the Bible –  
and linger in the realm known as the Earth Sphere.

THIRTY YEARS  
Among the Dead

Humanity is surrounded by the thought influence of millions of discarnate beings, who have not yet arrived at a full realization of life's higher purposes. A recognition of this fact accounts for a great portion of unbidden thoughts, emotions, strange forebodings, gloomy moods, irritabilities, unreasonable impulses, irrational outbursts of temper, uncontrollable infatuations and countless other mental vagaries.

While most doctors agree that our emotional state affects our physical health, few would give credence to "spiritual influences".

Dr. Modi discovered that during hypnotic therapy **many patients claimed to have 'entities' attached to them, living in their energy fields and affecting their behavior.**

This book demonstrates the technique which she developed to "clear" these energy fields.

## My Revelation

I (Bengt) had one night 03 AM  
about the Messiah and the 4 Sins

- As there are 4 Sins, so there are 4 Indemnities to be paid
- **The Original Sin**  
Only the Messiah has the Spiritual purity  
to pay off this Indemnity, be personal  
Sinless suffering for Mankind.

- Collective, Ancestral and Personal Sin.
- The other 3 Sins must be paid  
by Mankind, since the Indemnity  
amounted would physically risk  
the life of the Messiah.

A Balanced Personality

# Un-balanced Personality

The five personality distortions are as follows:

- **Schizoid** - Birth
- **Oral** - Infancy
- **Psychopath** - Early childhood
- **Masochist** - Time of potty training
- **Rigid** - Inner being is being threatened

The schizoid develop when trauma is present in the womb, at birth, or short thereafter.

The oral develops when the child feels in some abandoned during the infancy stage of total dependence.

Psychopath emerges when a real or perceived experience betrayal in early childhood is present.

The masochist appear about the time of potty training, when the development dependence and independence overlap, but are stagnated.

Last; the rigid develops when the child becomes aware that his or her inner being is being threatened.

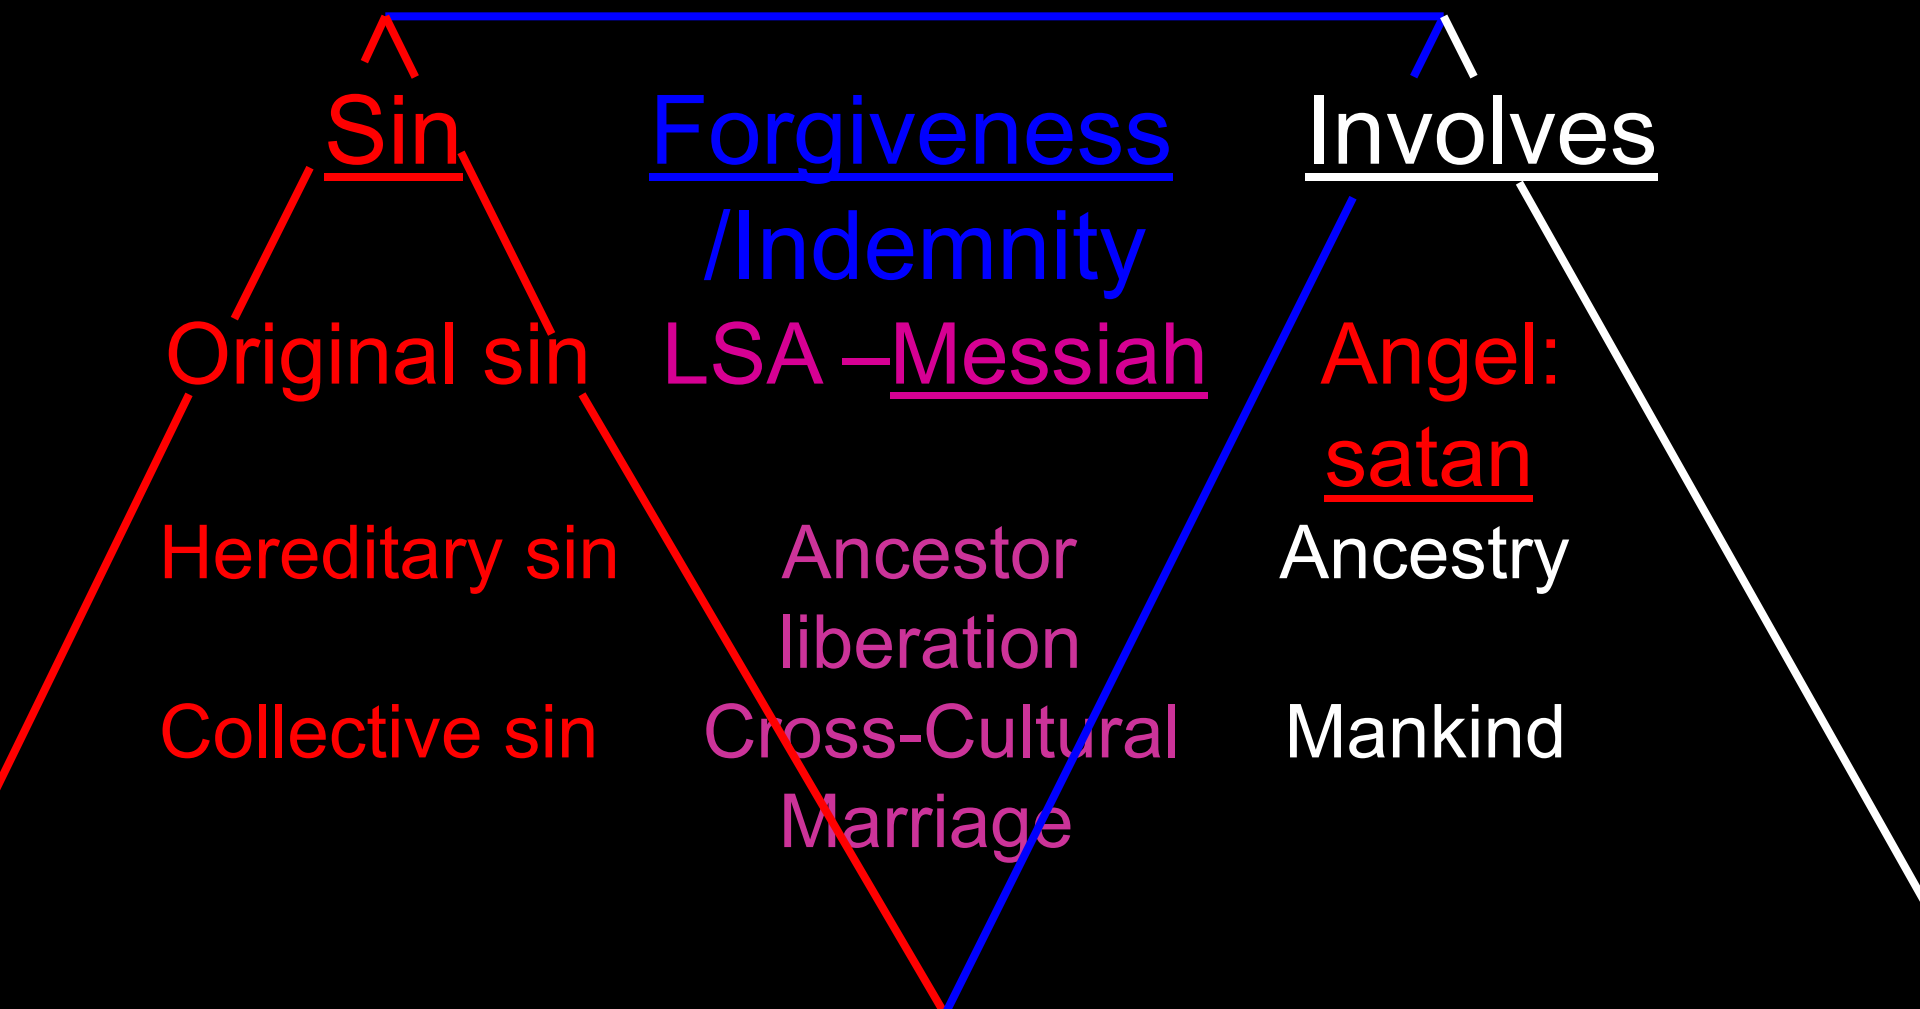

In reality, people are generally a combination of different personality distortions.

In November of 2010, due to extenuating circumstances in our church community the Executive Vice President of the Family Federation for World Peace, Joshua Cotter, was asked to tour The United States giving a presentation entitled "A Period of Great Transition in History."

In that presentation he clarified the existence of a fifth fallen nature, "shifting the blame."

## Mark 5:1-20

King James Version (KJV)

5 And they came over unto the other side of the sea, into the country of the Gadarenes.

2 And when he was come out of the ship,

**immediately there met him out of the tombs a man with an unclean spirit,**

3 Who had his dwelling among the tombs; and no man could bind him, no, not with chains:

4 Because that he had been often bound with fetters and chains, and the chains had been plucked asunder by him, and the fetters broken in pieces: neither could any man tame him.

5 And always, night and day, he was in the mountains, and in the tombs, crying, and cutting himself

<sup>6</sup> But when he saw Jesus afar off, he ran and worshipped him,

<sup>7</sup> And cried with a loud voice, and said, What have I to do with thee, Jesus, thou Son of the most high God?

I adjure thee by God, that thou torment me not.

<sup>8</sup> For he said unto him, Come out of the man, thou unclean spirit.

<sup>9</sup> And he asked him, What is thy name? And he answered, saying,

**My name is Legion: for we are many.**

<sup>10</sup> And he besought him much that he would not send them away out of the country.

<sup>11</sup> Now there was there nigh unto the mountains a great herd of swine feeding.

<sup>12</sup> And all the devils besought him, saying, Send us into the swine, that we may enter into them.

<sup>13</sup> And forthwith **Jesus gave them leave.**

**And the unclean spirits went out,**

**and entered into the swine:**

**and the herd ran violently down a steep place into the sea,**

(they were about two thousand;)

and were choked in the sea.

The spirit world could not function until the appearance of Unification Church. Why?

Because there was no handle to grab;  
no rapport was established.

There was no love between the races.

There was no one who could prepare the base so that  
God could really bring down His hosts of angels.

But now the Unification Church represents that base,  
so God can bring down any number of angels or spirit  
men He wishes.

3<sup>rd</sup> Adam

So far, there have been many, many evil spiritual phenomena. There are many evil, lost spirits haunting people.

Spirits can also actually cause diseases and accidents.

What is the difference between evil spirits and good spirits?

When an evil spirit approaches, you somehow feel fearful and uncertain and very unstable.

A satanic spirit is like the winter wind, making you shiver.

3<sup>rd</sup> Adam

But when some good spirit is trying to embrace you,  
you feel so good without reason!  
You'll be walking on Cloud 9!

A heavenly spirit is like spring. It melts you, relaxes you,  
and gives you the warmth of love and comfort.

You should feel that in the Unification Church.

I have been conducting the program of the spirit world 3<sup>rd</sup> Adam for everything.

I do not talk about how heaven is or how heavenly father is, and so forth.

I do not talk about them carelessly.

I only talk about them after I have digested them with the truth and can explain them in some systematic manner.

Do you think that I simply listen to the words of some women or grandmothers, or some spiritual medium? No way.

They are ignorant.

They know how to testify to the present, but they do not know how things operate.

So it is that the human race, which has broken its original relationship to God, must restore the foundations on which to build a new relationship.

Answer: During the time when children are growing, they do not know love.

These days, children see through TV and through parents, they see the love affair before they really mature and sense by themselves.

In Adam and Eve's case, they had nothing to see. They did not know about sexual love.

As long as they didn't know anything about it, God could not teach them. God had to wait until they matured and knew something about it before they could come under His Direct Dominion.

Until that time, God could not tell them, "Don't do this.  
Don't have a sexual relationship with Lucifer".

Through natural growth and development, they would have matured and learned to know of love.

## ***The Influence of Good and Evil Spirits*** (Essentials Of The Unification Principle)

The struggle between the original mind and the evil mind is greatly exacerbated by the intervention of spirit men and women in the affairs of people on earth.

Good spirits, that is those close to God, have a beneficial influence on the spirits of men and women on earth.

However, evil spirits, who are close to Satan in character and direction, have a bad influence on the spirits of people on earth.

Because of the dislocation of spirit and body brought about by the fall, fallen individuals are generally unaware of the influence of good and evil spirits in their lives.

They tend to attribute fallen spiritual influences to their own moods, sentiments and inspirations.

Whenever the spirit of a fallen man or woman unites with the thoughts or activities of evil spirits he or she multiplies the power of Satan and evil in the world.

# *Introduction to restoration*

- The providence of restoration refers to God's work to restore the fallen people to their original, unfallen state so that they may fulfill the purpose of creation.

- Since the providence of restoration is God's work of re-creation, which has as its goal the fulfillment of the purpose of creation, God works this providence in accordance with His Principle. In the course of the providence of restoration, this principle is called the Principle of Restoration.

## The restoration and perfection of fallen people

- Human beings fell from the top of the growth stage and have been held under Satan's dominion.
- To be restored, we, fallen people:
  - ① First need to go through a course to separate Satan from ourselves in order to restore ourselves in form to the spiritual level which Adam and Eve had reached before the Fall—the top of the growth stage.

## The restoration and perfection of fallen people

② On this foundation, we are to receive the Messiah and be reborn, remove our original sin, and thereby be fully restored to the original state of human beings before the Fall.

③ Finally, by following the Messiah, we should continue our growth to maturity,

④ Where we can fulfill the purpose of creation.

# The Principle of restoration through indemnity

## Where do human beings stand after the Fall?

**Relate only with God**

- If the first human ancestors had reached perfection, they would have lived relating only with God.

# The Principle of restoration through indemnity

## Where do human beings stand after the Fall?

- However, due to their Fall, they joined in a kinship of blood with Satan. Hence, immediately after the Fall, they found themselves in the midway position between God and Satan, where they were relating with both.
- A fallen person will go to God's side if he makes good conditions and to Satan's side if he makes evil conditions.

## Establishing indemnity conditions

## Comparing indemnity conditions

- When someone has lost his original position or state, he must make some condition to be restored to it.
- The making of such conditions of restitution is called indemnity.
- How does a condition of indemnity compare with the value of what was lost?

## Establishing indemnity conditions

- An indemnity condition can be made at a price equal to, less than, or greater than the value of what was lost.
- As for the method, an indemnity condition is made by reversing the course through which the original state was lost.
- It is we ourselves who must fulfill the necessary indemnity conditions as our portion of responsibility.

# **The foundation for the Messiah**

## **How Adam failed to achieve the purpose of creation**

- For us, fallen people, to receive the Messiah, we must establish the foundation for the Messiah.
- To establish this foundation, since an indemnity condition is established through a reverse course of the failure, we must know how Adam failed to achieve the purpose of creation.

# The foundation for the Messiah

## How Adam failed to achieve the purpose of creation

- First, Adam should have established the foundation of faith by keeping strictly God's commandment and passing through a set growing period.
- Second, Adam should have established the foundation of substance: after establishing an unshakable foundation of faith, he was then to become one with God, thereby becoming a perfect incarnation of the Word and attaining individual perfection.

# The foundation for the Messiah

## How Adam failed to achieve the purpose of creation

**X** Purpose of creation realized

- However, Adam failed to establish these conditions and thus failed to achieve the purpose of creation.

## How we can lay the foundation for the Messiah

### Foundation for the Messiah

||

Foundation  
of  
substance

+

Foundation  
of  
faith

- Therefore, in order to receive the Messiah and complete the purpose of creation, we must restore the foundation of faith and foundation of substance and thereby the foundation for the Messiah.

## How we can lay the foundation for the Messiah

### Foundation for the Messiah

- In order to restore the foundation of faith, first there must be a central figure. Second, a condition must be offered. Third, a numerical period of indemnity must be completed.
- In order to lay the foundation of substance, we must make the indemnity condition to remove the fallen nature.

That is why the path of salvation which Unification Thought is teaching is not individual salvation.

O.T.= Offering – Symbolic salvation

N.T.= Individual Salvation

C.T.= Family Salvation

If the family is not saved then nothing can be saved.

It is the salvation of couples and children.

If we are not able to save our children then we must wait in the spiritual world.

Thus in the spirit world the educational law is established.

Everyone must go to the spirit world in a single line.  
Do you understand?

In the spirit world there is an educational system,  
and all the things which were not able to be accomplished  
on the earth are educated and everyone  
must cross (pass?) over together.

We believe for the sake of family salvation.

Do you understand? [Yes.]

For this reason, it is a reasonable conclusion to say that sacrifice is inevitable.

(82-240, 1976.1.31)

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

Restoration through indemnity is the way to attain completion (perfection).

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

Restoration through indemnity is the way to attain completion (perfection).

Only after indemnity can restoration take place; then we can go the path of perfection.

Thus, you can consider that

Thus, you can consider that indemnity and restoration are one.

Perfection cannot be attained automatically; it is attained through indemnity.

Therefore, human beings living in the fallen world cannot reach completions (perfection) unless they set up conditions of indemnity.

*The Providence  
of Resurrection*

## 2.2 The Providence of Resurrection for People on Earth

Upon their death, the believers of **this era** will enter and abide in the Kingdom of Heaven in heaven, which is the divine-spirit level of the spirit world (p. 140).

## 2.3 The Providence of Resurrection for Spirits

### 2.3.1 Purpose and Way of Returning Resurrection

The spirits of people who died before they could reach perfection during their earthly life can be resurrected only by returning to earth and completing their unaccomplished responsibility through cooperation with earthly people (p. 144).

## 2.3 The Providence of Resurrection for Spirits

### 2.3.1 Purpose and Way of Returning Resurrection

We call this process returning resurrection (p. 145).

## 2.3.2 The Returning Resurrection of the Spirits of Israelites and Christians

After the advent of Jesus, the form spirits of the Old Testament age (▲) all returned to earth and assisted faithful people on earth (■) to attain the level of life spirit.

## 2.3.2 The Returning Resurrection of the Spirits of Israelites and Christians

By this, they too received the same benefit: they entered Paradise together. We call this growth-stage-returning resurrection.

## 2.3.2 The Returning Resurrection of the Spirits of Israelites and Christians

After the Second Advent, the life spirits of the New Testament Age ( ■ ) will all return to the earth to help faithful people on earth ( ■ ) to attain the level of divine spirit.

## 2.3.2 The Returning Resurrection of the Spirits of Israelites and Christians

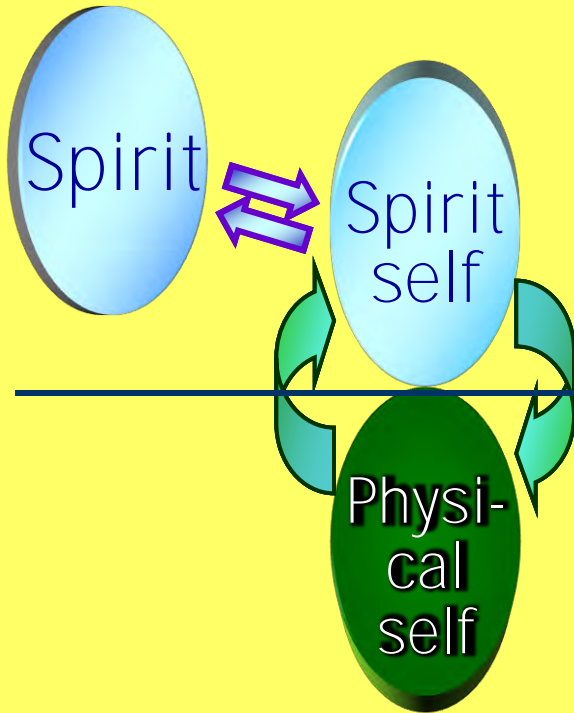

By this, they too will receive the same benefit and enter the heavenly kingdom together. We call this completion-stage-returning resurrection (p. 146).

## 2.3.3 The Returning Resurrection of Spirits

### Who Abide Outside of Paradise

Spirits of other religions

People of the same religion

**A spirit who believed in religions other than Christianity during his lifetime **seeks a counterpart** among the earthly people of the same religion as he believed during his earthly life. He descends to the person of his choice and guides him.**

## 2.3.3 The Returning Resurrection of Spirits

### Who Abide Outside of Paradise

Spirits of other religions

People of the same religion

**When he helps that person fulfill the purpose of the providence of restoration, they both receive the same benefit (p. 147).**

## 2.3.3 The Returning Resurrection of Spirits

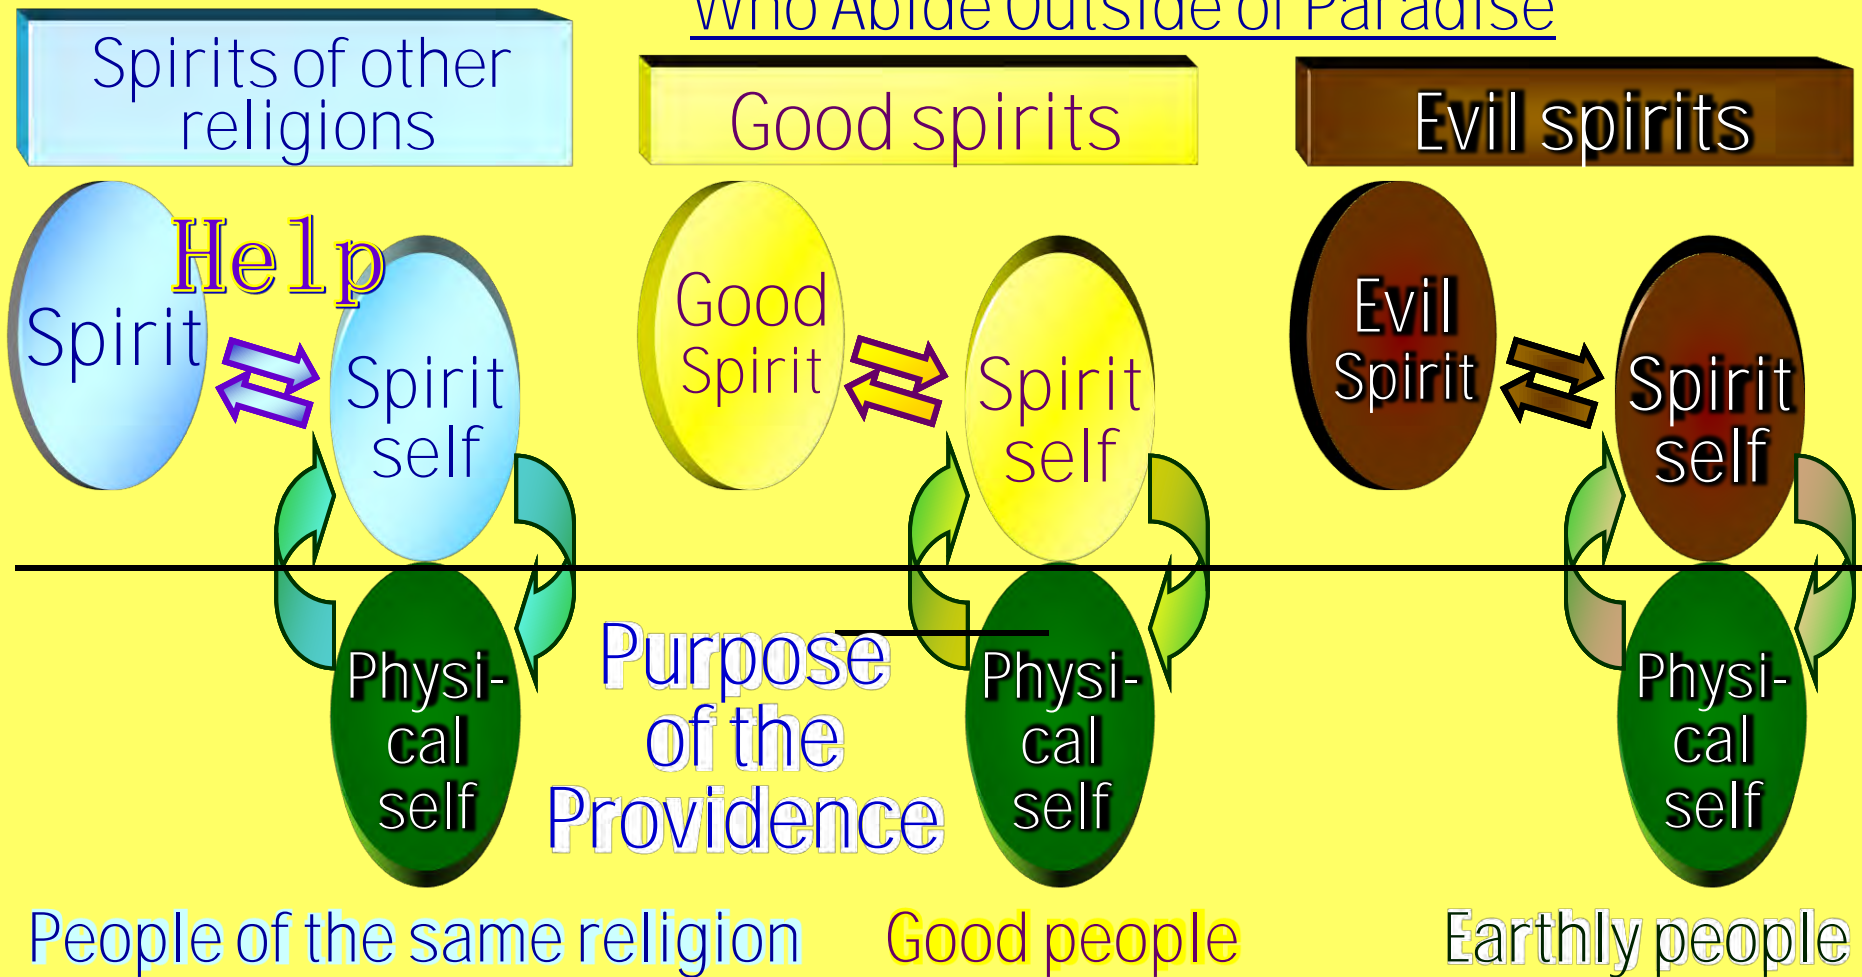

### Who Abide Outside of Paradise

**Good spirits who lived a conscientious life descend to good people on earth and cooperate with them. In the process, the spirits receive the same benefits as the people they have helped.**

## 2.3.3 The Returning Resurrection of Spirits

### Who Abide Outside of Paradise

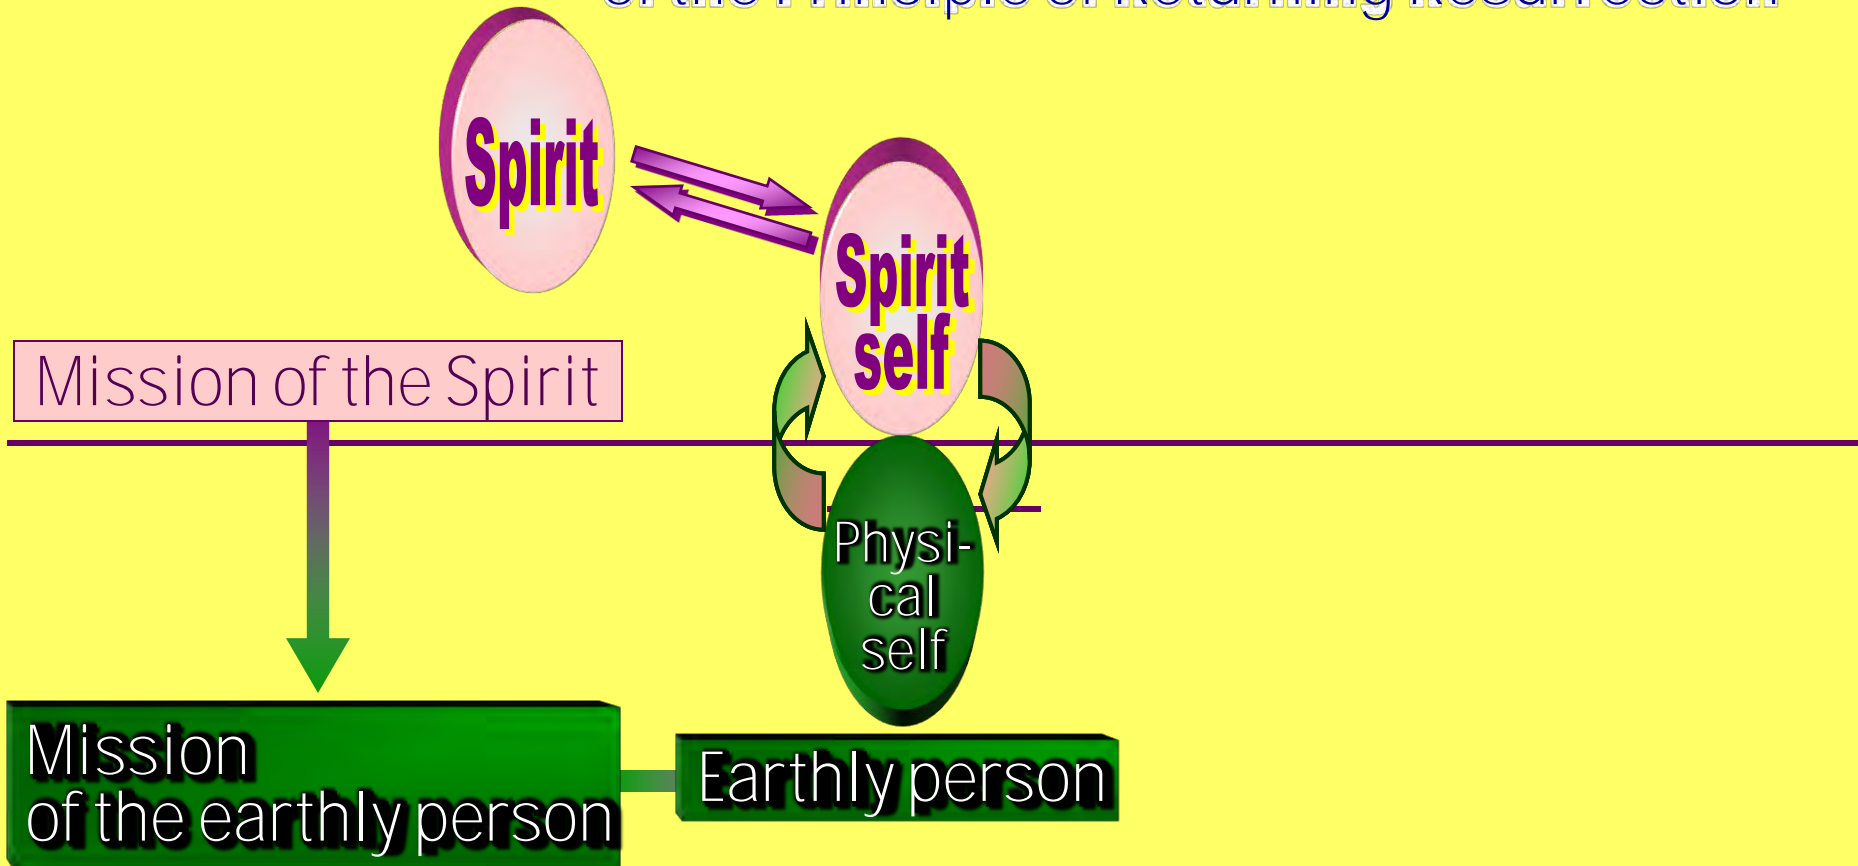

In order for evil spirits to receive the benefit of returning resurrection, their works must have the effect of punishing earthly people to help them make conditions to indemnify their failures, which have frustrated God's past efforts to cleanse them of their sins (p. 148).

## 2.4 The Theory of Reincarnation Examined in Light of the Principle of Returning Resurrection

**Spirits who could not complete their missions during their earthly life must return to people on earth who share the same type of mission as they had during their lifetime (p. 149).**

## 2.4 The Theory of Reincarnation Examined in Light of the Principle of Returning Resurrection

**When a spirit assists an **earthly** person to fulfill God's Will, the person will fulfill not only his own mission, but also the mission of the spirit who has helped him.**

## 2.4 The Theory of Reincarnation Examined in Light of the Principle of Returning Resurrection

Hence this earthly person may sometimes be called by the spirit's name (second coming of the spirit) and appear to be the reincarnation of that spirit.

## Summary:

- John the Baptist did witness to Jesus as Messiah, at Baptism  
But then failed to follow Jesus, recognize himself as Elijah  
and lay a physical and spiritual protective foundation.
- Jesus crucifixion was murder and hindered Jesus to fulfill the ultimate messianic mission of removing Original Sin.
- The removal of original sin will open a door of Salvation  
and ultimately lead to the removal of all sins  
(**Original, Collective, Ancestral, and Personal**)

## Summary:

- The one and only reason for Jesus to promise his return is to repeat and fulfill the messianic mission, of physical and spiritual salvation = removal of Original Sin
- This will be done by a messianic new birth on Earth and a Holy Marriage of the Lamb.

## Summary:

- Biblical support:

But first he must suffer many things and be rejected by this generation. -*Luke 17:25*

And she brought forth a male child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne. - *Revelation 12:5*

His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself.

## Summary:

- A new Adam & Eve, supported by a national foundation (Korea) that Jesus lacked (Israel) and making a new start for Sinless Mankind by Holy Blessing them.

Final  
Solution!

What is the reason that we need a Messiah?  
Because of the fall, we have false parents. ‘  
Parents united with God were forfeited.  
It is the Messiah who erects the position in which  
one is able to realize oneness with God.

This is the first reason.

The second reason is that the Messiah will give birth to us again.

Because Satan's blood flows within our bodies, the Messiah will give birth to us again by engrafting us into himself so that through the removal of Satan's blood we should no longer be Satan's children.

The third reason is that the Messiah enables us to keep Satan as a servant.

That is, the Messiah comes and makes us qualified for subjugating Satan, keeping Satan as a servant, and being able to judge Satan.

Because of the fall, first, human beings could not have True Parents.

Second, human beings inherited Satan's blood.

Third, human beings came to be subjugated by Satan.

Accordingly, to recover we have to walk a course which is the reversal of that.

The Divine Principle teaches the Foundation of Faith and the Foundation of Substance, and that only when we have established these foundations can we attend the Messiah whom is to come.

This is God's principle.
