# Divine Principle Life & Death

To the Reader.

Thank you for your great interest, - Thank you all!  
It surely fuels my effort to convey the highest spiritual truth  
Divine Principle. 😊

I often update (even within days) older slides.

So welcome back and see what new have been added.

On the first page, right corner of each slide-set  
there is a small version-info.

I get much inspiration from my weekly meetings with a young local Christian Minister here.

Many of our discussions end up as slide-inspirations here. 😊

If you like to support me, please  for him - name Jouni – to deeply understand DP,TP and the Value of Blessing.

Power of Prayer - Thank you.

The Principle is eternal Spiritual Truth like the Bible.  
Its not a Book for the bookshelf,  
but daily LIFE for the Coming New Divine Age.

## The Biblical Concepts of Life and Death

When a follower asked Jesus if he could go home to bury his deceased father, Jesus said,

"Leave the dead to bury their own dead." (Luke 9:60)CEV|KJ|NI

From these words of Jesus, it is clear that the Bible contains two different concepts of life and death.

## The Biblical Concepts of Life and Death

The first concept of life and death concerns physical life. Here, "death" means the end of physical life, as was the case of the disciple's deceased father who was to be buried.

"Life" in that sense means the state in which the physical self maintains its physiological functions.

EXPOSITION OF THE  
DIVINE  
PRINCIPLE

THE HOLY SPIRIT ASSOCIATION FOR THE  
UNBROKEN OF WORLD CHRISTIANITY

The second concept of life and death concerns those living people who had gathered to bury the deceased man, those whom Jesus called "**the dead.**"

Why did Jesus refer to people whose bodies were alive and active as the dead?

He meant that since they had not accepted Jesus, they were far removed from the love of God and were dwelling in the realm of Satan's dominion (= Dead).

This second concept of death does not refer to the expiration of physical life.

It means leaving the bosom of God's love and falling under the dominion of Satan.

The corresponding concept of life refers to the state of living in accordance with God's Will, within the dominion of God's infinite love.

Therefore, even if a person's physical self is alive, if he **dwells apart from God's dominion and is in servitude to Satan**, he is dead as judged by the original standard of value.

A similar conclusion can be drawn from the Lord's words of judgment upon the faithless people of the church in Sardis:

"You have the name of being alive, and you are dead."

(Rev. 3:1)CEV|KJ|NI

The Gospel of John reports Jesus teaching his disciples that  
"He who believes in me, though he die, yet shall he live"

/Jn 11:25

For all these Biblical writers death also is a spiritual state,  
a state of the heart.

It is characterized by feelings of despair, lack of love and  
separation from God, the Source of life.

By contrast, one who possesses spiritual life is empowered  
by his relationship with God to feel hope and express love.

He is a person who is reconciled with God and with himself and who can share the life he has found with others in need.

In the words of Paul Tillich, he is a new being.

"Resurrection...is the power of the New Being to create life out of death, here and now, today and tomorrow..."

Out of **disintegration and death** something is born of eternal significance!"

**Divine Principle** assumes that since resurrection does not involve bringing corpses back to life, there were in fact no **physical bodies that arose** from the grave at the time of the crucifixion.

Rather, the spirit selves of the deceased saints were seen at that time, such as Moses and Elijah were seen with Jesus on the Mount of Transfiguration.

It must be recalled here that in addition to a physical body, each person possesses a corresponding spiritual form that he continues to inhabit eternally.

For this reason, Moses and Elijah were recognizably themselves  
when they appeared with Jesus centuries after their deaths.

Sang Chul (David) Kim

After Jesus' resurrection, this witness or revelation was given of the resurrection of spirit-saints in the spirit-world:

"And, behold, the veil of the temple was rent in twain from the top to the bottom; and the earth did quake, and the rocks rent;

And the graves were opened; and many bodies of the saints which slept arose,

And came out of the graves after his resurrection, and went into the holy city, and appeared unto many.

Matt. 27:51-53

"This was the resurrection or promotion of the saints who had died, from the Old Testament Age, who were in a lower stage, the Form Spirit Stage.

They were resurrected to the Growth Stage or New Testament Age through Jesus' ministry.

Resurrected of those past saints to a higher level in the spirit-world was accomplished by their cooperation through descending to saints on earth in Jesus' Day.

Only the spirits were resurrected (raised) to Paradise, not the physical bodies.

If the physical bodies had appeared, everyone would have believed in Jesus' resurrection and His teachings and would have no doubt as to the physical resurrection of Jesus or these dead saints.

There would have been no persecution of the followers of Christ, but this phenomena was seen only by spiritually gifted persons at that time.

### 3. Life Spirits to Divine Spirit Stage

The resurrection of the second stage Life Spirits in the spirit-world to the third stage of Perfection, Divine Spirit, or luminous beings, will be during the ministry of the Second Coming.

We apply the same theory to the resurrection of second stage Life Spirits to Divine Spirit -- or the Perfection Stage, as we have just used for the resurrection of Old Testament saints -- Form Spirits to Paradise and Life Spirit.

All the Life Spirit saints in Paradise shall descend to men on earth who will complete their spiritual growth to Divine Spirit while on earth by ministering unto the Lord of the Second Coming.

Later when those saints on earth die (leave the physical body) they go to the Heavenly Kingdom as a perfect spirit-saint, a Divine Spirit.

The Life Spirit saints living in the spirit-world, who cooperate with the followers of the Second Coming on earth will be resurrected to the number one Heavenly Kingdom.

Thus, by cooperation they may complete their resurrection from Life Spirit to Divine Spirit, but only through the Second Coming Ministry.      Jude 1:14, Matt. 18:18

## 2. The Returning Resurrection of Spirit Men in History

Resurrection involves close cooperation between Physical and Spiritual Worlds

## The Day You Eat Of It

A further assertion made by many faithful is that had our first progenitors not separated themselves from God none of us would have ever known physical death.

In support of such a tenet, these believers cite Genesis 2:17, where the author quotes God as forbidding Adam and Eve to eat of the Fruit of the tree of knowledge for, as the Lord says, "in the DAY you eat of it you shall die."

## The Day You Eat Of It

If they had been obedient, the argument runs, they and all their descendants would have lived eternally.

Divine Principle teaches that such an interpretation is incorrect. It was never God's intention that man would live eternally on earth.

**Our physical bodies are destined inevitably to age, to die and return to the soil.**

## The Day You Eat Of It

Indeed, Divine Principle points out that if God had intended us to live eternally in our physical bodies He would have had no reason to create the spiritual world for our spiritual selves to go to.

Rather than being the product of some retrospective thinking on the part of God, the spiritual world was created from the beginning to receive our spiritual selves.

# The Day You Eat Of It

The death that Adam and Eve inherited as  
a result of the Fall  
was thus not physical in nature, but, again, spiritual.

Spiritual Death = separation from God, goodness,  
Spiritual World.

# The Day You Eat Of It

## King James Bible

But of the tree of the knowledge of good and evil,  
thou shalt not eat of it:  
for IN THE DAY that thou eatest thereof thou shalt surely die.

## ON THE DAY...

It does not say, 600, or 900 years later... you will die.

Jesus said to him, "**Let the dead bury their own dead!**"

True, Jesus does not refer directly to the fall of man here,  
still he refers to 2 clearly different deaths.

## The Day You Eat Of It

Why call it death (the first), if they were alive physically  
(dead spiritually)

My clear BIBLICAL conclusion...death at the fall is SPIRITUAL,  
not start of PHYSICAL death.

The resurrection means SPIRITUAL resurrection,  
still with physical death as the most  
natural ending of mans life on earth  
even after the Second Coming, and final resurrection.

## The Day You Eat Of It

**Jesus:**

was clearly aging; Birth from Mary,  
12 years old in the Temple  
30,31,32 years old proclaiming Messiahship

Aging = Cell decay, reproduction of new cells; normal AGING.

Jesus would surely have died a “normal” Physical death  
Had he lived on, married, had children, grandchildren ...  
a new Sinless Lineage.

The Earth is eternal green-house for new humans  
to be born, live, age and physically die;  
=> the fruit; **Spirit self** living in Eternal Spirit world.

Two people in one

Mind is the internal nature and body is the external form.  
 Mind and body are two correlative aspects of a human being;  
 hence, the body may be understood as a second mind. /EDP

Physical death does not bury who we are,  
or even change who we are.  
Rather, it carries us to the next stage of  
discovering who we are

# 1

We are the combination of both who God designed us to be and who we have practically fashioned ourselves to be.

We are given the opportunity to create ourselves, our own characters and personalities, during the course of our lives on earth.

Thus, God has created us as co-creators of our own spirits.

This is who we ARE.

## 2

Secondly, we are in our essence  
NOT the physical body  
(with potential limitations=handicaps)  
that we inhabited while living on earth.

We are in our *original* essence the character  
God designed us to have and be - a character  
of unlimited love and goodness.

/Life In Eternity:

Human Beings In the Spirit World

by Kerry Pobanz

“Every human being is struggling to attain life-long happiness and overcome misfortune”.

/First sentens in Divine Principle

1. First, there is no freedom outside the Principle.  
Freedom requires both free will and the free actions  
pursuant to that will

2. Second, there is no freedom without responsibility. Human beings, created according to the Principle, can reach perfection only by fulfilling their responsibility based on their free will.

EXPOSITION OF THE  
DIVINE  
PRINCIPLE

THE HOLY SPIRIT ASSOCIATION FOR THE  
UNBROKEN OF WORLD CHRISTIANITY

3. Third, there is no freedom without accomplishment. When human beings exercise freedom and carry out their responsibility, they strive to accomplish results which complete the purpose of creation and bring joy to God.

Why did restoration through indemnity come about?  
For what purpose did it appear after the Fall occurred?

If there were no portion of responsibility, then there  
would be no need for the term  
"restoration **through indemnity**."

In what position did human beings fall?  
They fell during the course of fulfilling their  
portion of responsibility.

At that time, human beings handed over the realm of  
the portion of responsibility to Satan.

**It was taken by Satan.**

Therefore, we must regain the realm of the portion of  
responsibility. 1986.3.16 CSG Book 8 5:1

What is true love?

It requires an investment of more than all of one's life.

True love cannot exist where such investment is not made. It materializes from a place where an investment greater than one's life is made.

Without true love coming into being, eternal life cannot exist.

This is because you were all born from satanic blood, from Satan's lineage.

Hence the biblical injunction,

“You shall love the Lord your God with all your heart and with all your soul and with all your mind.

This is the greatest and first commandment.”

What does this mean?

It means to love with all your heart and with all your will and with all your life. This is the First Commandment.

The Second Commandment is,

“You shall love your neighbor as yourself.”

What does it mean to love your neighbor as yourself?

It means to love with your life.

You have to invest your whole life.

You have to invest your whole life because otherwise,

first, you would not be able to make Satan surrender and second, you would not be able to free yourself from satanic circumstances and third, you would not be able to rid yourself of the satanic lineage.

Even if you are able to free yourself from satanic circumstances, there is nothing you can do about the satanic lineage.

True love goes beyond life.

What kind of weapons did Satan use?

He used an airborne weapon: that is smoking.

Next, the liquid weapon is liquor;  
and then the solid weapon is drugs.

Through these means,

everything including your spirit is made to rot.

He makes everything rot – your body and spirit, and everything from the nostrils to the lungs.

So we do not drink liquor or smoke cigarettes.

These are the weapons Satan uses to destroy human beings.

These three things, which are elements that prevent one's spirit from communicating with God, are the enemy's best weapons.

What comes next?

Free sex that destroys the order of love. (- Spiritual)

# The reasons for this can all be found in Divine Principle explanation of Fall of Man.

## Chapter 2

# The Human Fall

All people have an original mind which inclines them to reject evil and pursue goodness. Yet, even without our being aware of it, we are driven by evil forces to abandon the goodness which our original mind desires and to perform evil deeds which, in our innermost heart, we do not want to do. As long as these evil forces assail us, the sinful history of humanity will continue unabated. In Christianity, the master of these evil forces is known as Satan. We have been utterly unable to liquidate the forces of Satan because we have not understood Satan's identity or how he came to exist. To extirpate evil by its root, and thereby end sinful history and usher in an era of goodness, we must first expose the motivation and origin of Satan and recognize the destruction he has wrought in human life. This explanation of the human Fall will clarify these issues.

### SECTION 1

#### THE ROOT OF SIN

No one has known the root of sin, which lies deep within and ceaselessly drives people toward the way of evil. On the basis of the Bible, Christians have held to a vague belief that Adam and Eve's eating the fruit of the tree of the knowledge of good and evil was the root of sin. Some Christians believe that the fruit of the tree of the knowledge of good and evil was the fruit of an actual tree, while others believe that

Quote:

“Years ago, when he lived in a miserable shack that he himself had built in Pusan, Korea, he conceived the plan to send missionaries to every nation on earth.

Even when he held rallies in various American cities, he constantly bore in mind to continue his desire to hold the biggest rally of them all – the one which he would like to hold in Moscow sometime in the future.

Some of his ideas are so contrary to common sense or so far above the understanding of the common man that he must take his time before publicly announcing them.

Without even considering his religious faith, one is bound to acknowledge the fact that Reverend Moon always speaks, practices and lives a sound philosophy of existence and value.

He distinguishes between good and evil, righteousness and unrighteousness.

## Help from Spirit World

Missionary work  
behind the Communist Iron Curtain:

... In the summer of 1976, I went to Prague to visit Marta. We wanted to join a labour brigade to go picking strawberries. Our mistake was to talk in detail about it on the telephone which, alas, was bugged.

At the railway station I saw a man who raised my suspicions. Intuitively, I heard a spirit say, "Return to your dormitory and hide the literature which you left there!"

Bury it deep into the ground!"

Suddenly I felt so anxious that I rushed back to the student hostel, grabbed the material in question and buried the whole lot at a suitable place nearby.

## Help from Spirit World

When I returned to the station my train to Prague had already left so I had to wait for the next one.

But my 'shadow' was still there and he followed me into that train. I was alarmed and kept thinking to myself, "If he needed to go to Prague too, why hadn't he taken the first train?"

He must be an agent who is following me - what shall I do?" I was so tense and it felt like being in the middle in a thriller movie.

...

## Help from Spirit World

At that time miniature Bibles, the size of a wafer biscuit, were being produced by the Christian churches and smuggled into the East in specially prepared suitcases.

The majority of Bible societies used that method as it was about the only way of getting such material through the Iron Curtain undetected.

We followed suit by having **the Principle** translated into Russian and then printing it in a tiny format.

## Help from Spirit World

In our camper van, we concealed our literature in a specially adapted refrigerator and within the seating.

The selection of such hiding places came about as a result of spiritual guidance.

There were various possibilities available in the vehicle and, on one occasion, I selected a hiding-place **but then changed my mind** and hid the things elsewhere.

# Help from Spirit World

That first choice of hidingplace **was completely taken apart** when we reached our second border crossing.

An inner voice had advised me against using it.

Heung Jin Moon - from the book The Victory Of Love

Preface: One day in the beginning of 1984, on a somewhat chilly morning in Cairo, Egypt, I was having breakfast with Rev. Walter Gottesman. At the time, I was the International Itinerary Worker in Africa.

Rev. Gottesman, an 1800 Couple, who was the missionary to Egypt, and I were seated at a table which was covered by very thick glass. All of a sudden, one corner of this glass cover cracked, and the line of the crack formed a small letter "h".

1984

We had not put any hot dish on that corner; in fact, all the food we were eating for breakfast was cold. But when I touched the place where the glass cracked, it was very hot.

Both Walter and I were certain that it was some kind of spiritual phenomenon.

Soon after that, we received the sorrowful news of Heung Jin Nim's Seung Hwa.

What will you do in your life?

Leave a tomb of love behind.

Let us leave a tomb of love behind!

If you live inside a tomb of love, you will feel no bitter sorrow.

You may get tired of living in a place like a tomb,  
but will feel no bitter sorrow if you live in love.

If we leave a tomb of love behind in our lifetime,  
our life will be a success for eternity.

If you live like that and die, God will bring His sons and daughters to welcome you in the spirit world.

If there's no ring on your hand, God will put a diamond ring of the Kingdom of Heaven on your finger.

If you're not well-dressed, God will dress you in the richest apparel fit for the royalty of the Kingdom of Heaven.

/SMM 1978.3.12

Proprietary rights in the spirit world are determined through witnessing

Your proprietary rights in the spirit world will be determined by the number of citizens you have brought into the Kingdom of Heaven.

They will be your assets, your eternal assets.

Now the time has come to take stock of this.

The time will come when millions of people will be witnessed to in a day.

/SMM 1991.8.19

Heaven is an infinite world requiring bridges linking up with the heart of love.

Thus, the more the people you witnessed to spread over the world, the more extensively you will be able to get around in the spirit world.

Everyone will want to link up with you.

Thus, unless people become linked to eternal life, everything is in vain. It is not over after they have heard God's Word.

Keep encouraging them in order to bring them to the Blessing. They must receive it.

If they do and start witnessing, a connection will be made naturally.

If they can overcome persecution in the difficult circumstances of the satanic world, they are already on the path of life.

When they receive the Blessing, your job is done.

You enter the spirit world without money.  
Take care of Satan's children.  
Each of you is to look after more than 120 people.  
The Kingdom of Heaven lost all its citizens.  
By engrafting them, we establish a condition for them  
not to be lost.

In order to go through the twelve pearly gates in the  
spirit world, you must, while on earth, recover the citizens  
of heaven from Satan.

To do so, you must shed tears, sweat and blood.

With the heart of true love for re-creation, invest your heart more than that of the fathers and mothers, husbands and wives, and sons and daughters of the satanic world, and bring about that transitional process by shedding your tears, sweat and blood.

Without doing so, you cannot claim any heavenly citizens as your own.

In proportion to this number, the conditions for your position of glory and your proximity to God in the other world will be established.

/SMM 1991.1.1

Power is unnecessary in the other world.

What is needed there is love-centered harmonizing power,  
love-centered influential power.

Therefore, people lacking that love-centered influential power are intrinsically unable to harmonize with the original world which moves by the influence of love. If they should arrive there, they are repelled and end up in hell.

So, the satanic world is now promoting birth control, but it should not be practiced in the Unification Church.

I underwent hardships for God's will, but did not die of starvation.

Even if I went into a famine-stricken area, I could survive because I am trained to survive.

When we sacrifice everything for the sake of absolute love, we can control God, the satanic world, and heavenly fortune.

What do I mean by control?

It means that God will follow us.

God, this world, and heavenly fortune will follow us.

/SMM 1990.3.27)

Then, why do we die?

To what end?

To live.

There is some purpose to live for.

People live for different purposes.

For what are you asked to “love the Lord your God with all your heart, and with all your soul, and with all your mind”?

To become God’s son (& daughter).

It means to offer your head to love God – you have but one – but you must offer it to Him.

Where are we to go and die?

In the highest position rather than the lowest.

Thus, we should die for the Kingdom of Heaven.  
It is greater than any nation in this world.

We must die in God's Kingdom, the only one in heaven  
and on earth.

Where shall we die? - That is the question.

Even in dying, there is a way.

There is a proper position in which to die.  
Don't die in the ordinary Korean way.  
If you do, however many times you die, it won't count.

Die in the highest position for the nation of God's heart,  
at the heart of the heavenly kingdom – the best place to die.

Your death should inspire everyone in the universe to  
raise a flag and welcome you. /SMM 1970.9.6

All the things of this world will pass away.

Your beloved parents, spouses and everything that you love will all pass away, and you will eventually face death.

Even so, only those possessed of the victorious hope that lets even death go past can stand before Heaven.

People living on earth today do not desire the path of **suffering and sorrow**.

The passing of joyous occasions evokes nostalgia in them.  
Such is human nature.

This world we live in is mixed with sadness and joy.  
All the happiness we are experiencing will disappear with death and cannot remain beyond it.

Our heart seeks happiness, longs for better things, and yearns for the eternal world.

If sorrow and joy disappear with death, then does our heart also finish with death? No.

The fact that our hearts and minds move in that direction is proof that such a world actually exists.

“For whoever wants to save his life will lose it,  
but whoever loses his life for me and for the gospel  
will save it.”

What do those words mean?

Those placed in the position to die for God’s will must die.

Then what happens when we die?  
Before we die, we belong to ourselves,  
but after we die, we belong to God.

That is because **we inherited the fallen lineage.**

Thus, **our lives cannot be freed from satanic bondage before we die,** but we bond together with God after death.

Which is stronger: life or death?

Is life stronger than death or is death stronger than life?

Death is stronger than life in the satanic world.

Therefore, after coming to know God's will, do not hate death when you are in the position of having to die.

You have to die anyway in the satanic world.

Unless you die, you cannot resurrect.

Unless we pass through one age, we cannot welcome another.

What kind of death is the Bible referring to?  
It does not end the life that God has eternally,  
but **that life which inherited the fallen lineage  
of the satanic world.**

Thus, those who seek to die for the Will shall live.

These words sound paradoxical, but from what we understand about the Fall and restoration, restoration cannot be achieved unless that is done.

This is the normal logic of restoration.

Because I had to fight the worldwide Communist Party from that time on, I went to North Korea.

I entered the nation of the implacable foe, fully prepared to be chained in irons and imprisoned.

Despite the atrocious ordeals that were imposed upon me, I never surrendered.

I never lost God's dignity even at the point of extreme starvation.

No matter how constricted my living conditions were, I never violated heavenly law.

The Unification Church did not start from the place of seeking life but that of seeking death.

Yet were you resolved to die after you came to know the purpose of the Unification Church?

Die without enemies.

If you are to die anyway, die after planting something, and without making any enemies.

Be resolved to die while loving the enemy as a friend rather than otherwise.

Jesus' prayer on the cross for his enemies was great in this way.

At the time of impending death Success or failure in life is not decided over decades, but in a moment.

Compared to a human lifespan, birth occurs in but a brief moment.

Of course, we spent ten months in our mother's womb leading up to our birth, but that was a period of preparing for that one moment of birth.

Ultimately, no matter how good the preparations may have been during those ten months, **if the baby does not pass through the decisive moment successfully, it meets a tragic fate.**

Those ten months of constant nurturing and safeguarding are designed for celebrating the moment of birth. In other words, that period serves the purpose of bringing about that moment of birth. Notwithstanding the greatness of the gestation period, an error at the moment of delivery can cause tragic consequences.

When a nation is faced with intractable problems at a time of misery and cruelty, and a person takes responsibility for solving those problems at the risk of his or her life, that moment becomes the unforgettable moment in a life story.

If your life up to now has been a life of giving,  
there should be no fear on the path of death.

If you give everything for others, sacrifice for others,  
shed tears for others while leading a life close to the truth,  
invest your life for others, find your desires in others,  
and concentrate all the life force flowing from your pulse  
and invest it for others, **your past will become a shining past.**

The path of saints and sages and the path of ordinary people are different.

The saints and the sages are those who sought to live for history, the world, and the future.

Ordinary people, however, are those who sought to live for themselves and to make the world serve them.

A photograph of a church with a snow-covered roof and a tall steeple, illuminated at night. The church is set against a dark sky with a vibrant aurora borealis (Northern Lights) in shades of green and purple. The foreground is a snowy field with several evergreen trees. The overall scene is serene and magical.
