**The Principle** = Content of the Early Revelation 1935-44  
**Divine Principle**  
+ the Speeches of Dr. Moon 1956-2012

Like Jesus teaching was called "The Way"  
So "the Principle" is eternal divine spiritual  
Truths and Laws ("the Way") that can set man  
free from **Original Sin** and become  
the **Divine Physical/Spiritual** being intended  
at the beginning of Creation.

The goal of all humans Physical & Spiritual life!

Man fell by the false word of satan, a fallen angel.

Man will be restored to holyness again by believeng in the true word of God and Power of Messiah – True Parents.

Similar process – opposite direction by FAITH!

Man fell into **IGNORANCE** by the  
false word of satan, a fallen angel!

We remain entirely ignorant of the answers:

What is the original mind,  
the wellspring of good desires?

What is the origin of the evil mind that incites  
evil desires in opposition to the original mind?

What is the root cause of the contradiction that  
brings people to ruin?

Internal ignorance and external ignorance.

HakJaHan Moon 2012:

God's providence never develops without going through indemnity.

Those who studied the Divine Principle know it well.

'Indemnity' does not necessarily means something bad.  
It could give you a promise for the future.

Rev. Moon has unfolded God's providence on earth during this really difficult time.

Let's think of the Israelite from 2,000 years ago.

It was the Messiah that they, under Roman dominion, were waiting for with the pride that they were chosen people.

They believed that once the Messiah came, they would be liberated from everything and stand out in the world. However, providential history does not develop in such a fancy way.

They did not know 'indemnity.'

Consequently, they killed the only begotten-son of God. Then what happened to the Israelite?

They became a people who were exiled for 2,000 years.

/endquote

Paying Indemnity is like paddling upstream  
the river of Sin.

Once you stop paddling (= stop paying indemnity)  
and the “stream” will take you backwards.

**People take-up the word "blessing" so easily, but they forget that behind this blessing is a great journey of suffering and hardship.**

# Look at Mans situation and the World

- Many illiterate, Unemployment, Poverty,
- Conflicts, War
- Sickness, Spiritual Possession
- Alienation Man-Man, Man-Woman
- Illicit sexuality
- ...

A robber killed the original father and raped the mother.  
Fallen human beings today are in the position of children  
who were born from that relationship.

Who is Satan?

He is the enemy of God's love.

Satan is the adulterer who violated the children of God,  
so even the God of love cannot forgive him.

There is no way to forgive the adulterer of love.

Others can be forgiven, but Satan cannot.

**If he is forgiven, the heavenly law will break down.**

“Although the average person knows a lot about exercise, diet, supplements and the like, more than 70 percent of all cancers, greater than 80 percent of all heart disease, and over 90 percent of type 2 diabetes are related to unhealthy lifestyles. (violating 1<sup>st</sup> Blessing)

Borysenko, the author of 13 books, states that the gap between what we know and how that translates into taking care of our health has its origin in our sorry emotional state.

The three most predominant emotions which have a large impact on both our physiology and health are depression, anxiety, and chronic anger.”

## Faith and Reality: Sun Myung Moon

Unhappiness, depression and despair will be produced whenever we fail to maintain the proper relationship with our object. (God)

In order for us to continue living it is absolutely necessary to have a continuous and positive objective stimulus.

All the elements of success and failure develop around this relationship.

## Faith and Reality: Sun Myung Moon

Up to now Satan and his following have been the dominating forces on earth.

Now we must establish the sovereignty of good.

New generations, a New age, a New civilization will be created, and very soon we will have the Kingdom of God on Earth.

In the past, ideological systems ended up with only ideals. But now our belief system will bear fruit in actual reality.

## Depressed World:

Economic depression, environmental pollution, political irregularity, racial and religious strife, the decay of ethics and morality, the collapse of the sense of values: is there anyone who can fundamentally solve these many evils and problems?

It has not been possible through human wisdom or effort.

We have not been able to find a solution to these problems by mobilizing economic power or governmental power; rather, the evils of humankind are gradually becoming worse.

Depression:

***Voice of heaven***

Now humanity has to humbly listen to the voice of heaven and find the road of resolution directed by God.

This country and its people must accept my teachings.

This is not because I am trying to raise myself up, but because it is the will of God.

God has revealed the principles of heaven through me, and He has given me the answers to the fundamental problems of humankind.

/SMM 27 Aug 1992

By having  
unchangeable faith,  
a united mind and body,  
and being with God,  
we can establish the Kingdom of Heaven.

If these standards are changed,  
then Satan comes in.

Satan has changeable, unstable elements.  
When our faith waivers, he tempts us with his  
changeable nature. (Root of depression)

What is sin?

Sin is anything which makes a condition through which Satan can accuse man.

Through the family Satan has had the condition to accuse man, but when all the evil conditions are eliminated on the family foundation,  
the Kingdom of Heaven can begin.

What is sin?

Sin is anything which makes a condition through which Satan can accuse man.

Through the family Satan has had the condition to accuse man, but when all the evil conditions are eliminated on the family foundation, the Kingdom of Heaven can begin.

Through the multiplication of this basic family of goodness, a tribe, society, nation and world of goodness can come about.

We must not only talk about the Kingdom of Heaven; we must establish it.

Un- or Happy Future ?

In the USA the percentage of marriages ending in divorce varies from around 55% of all U.S. marriages to 50% of first marriages and 60% of second marriages.

In the UK, marriages ending in divorce after 15 years in England and Wales rose from just under 1 in 4 (22%) of all marriages in 1970 to a third (33%) of all marriages in 1995.

## The Reality of Marriage under Satan

The purpose of marriage is to bring one man and one woman together in order to establish a God-centered family and become a true resemblance of God.

## The Reality of Marriage under Satan

The Bible says that a man and a woman will become one flesh (cf. Gen. 2: 24).

## The Reality of Marriage under Satan

The purpose of marriage is to bring one man and one woman together in order to establish a God-centered family and become a true resemblance of God.

The Bible says that a man and a woman will become one flesh (cf. Gen. 2: 24).

The reality is that in marriages contracted in the satanic realm, a man and a woman rarely become one flesh at all.

## **The Reality of Marriage under Satan**

**“A man will feel more connected to his car than to his wife.”**

## The Reality of Marriage under Satan

“A man will feel more connected to his car than to his wife.”

To all the married male readers: Have you ever felt pain because your wife banged her leg against a chair though she could still walk?

You probably felt bad that it happened, but did you feel her pain in you?

## **The Reality of Marriage under Satan**

How about this:

Have you ever driven your car into a pothole and felt pain when the tire hit that pothole, though the car continued to ride smoothly?

## The Reality of Marriage under Satan

How about this:

Have you ever driven your car into a pothole and felt pain when the tire hit that pothole, though the car continued to ride smoothly?

Marriage is in a different sphere.

Even those who date or do not want to marry know that marriage is a very serious commitment.

“Till death do us part,” which is sometimes spelled out as “As long as we both shall live.”

This is the reality of marriage as disfigured by Satan.

## **The Reality of Marriage under Satan**

They married under Lucifer's guidance.

## The Reality of Marriage under Satan

They married under Lucifer's guidance.

Hence, the institution of marriage has been in turmoil and confusion because it started and expanded under Satan.

## **The Reality of Marriage under Satan**

Satan wants people to consummate their sexual love before marriage, for doing so will continually compromise the realization of God's will.

## **The Reality of Marriage under Satan**

Satan wants people to consummate their sexual love before marriage, for doing so will continually compromise the realization of God's will.

As Adam and Eve-Messiahs, the True Parents have astablished a platform of restoration upon which friendship can be restored to its original state.

## The Reality of Marriage under Satan

Some people do not like the notion of marriage because they do not see it fulfilling anything.

Some people even call it a man-made prison.

This is because most of the marriages we see and are familiar with in this world have the form of God-planned marriage but the content of Satan-centered marriage.

Messiahs: Families (2012)

Christian Nseka

*Born in Kinshasa, Zaire (the country currently known as the Democratic Republic of Congo), Christian Nseka joined the Unification Church in 1987 in his homeland and thereafter became a lecturer of the Divine Principle, the main teaching of the Unification Church.*

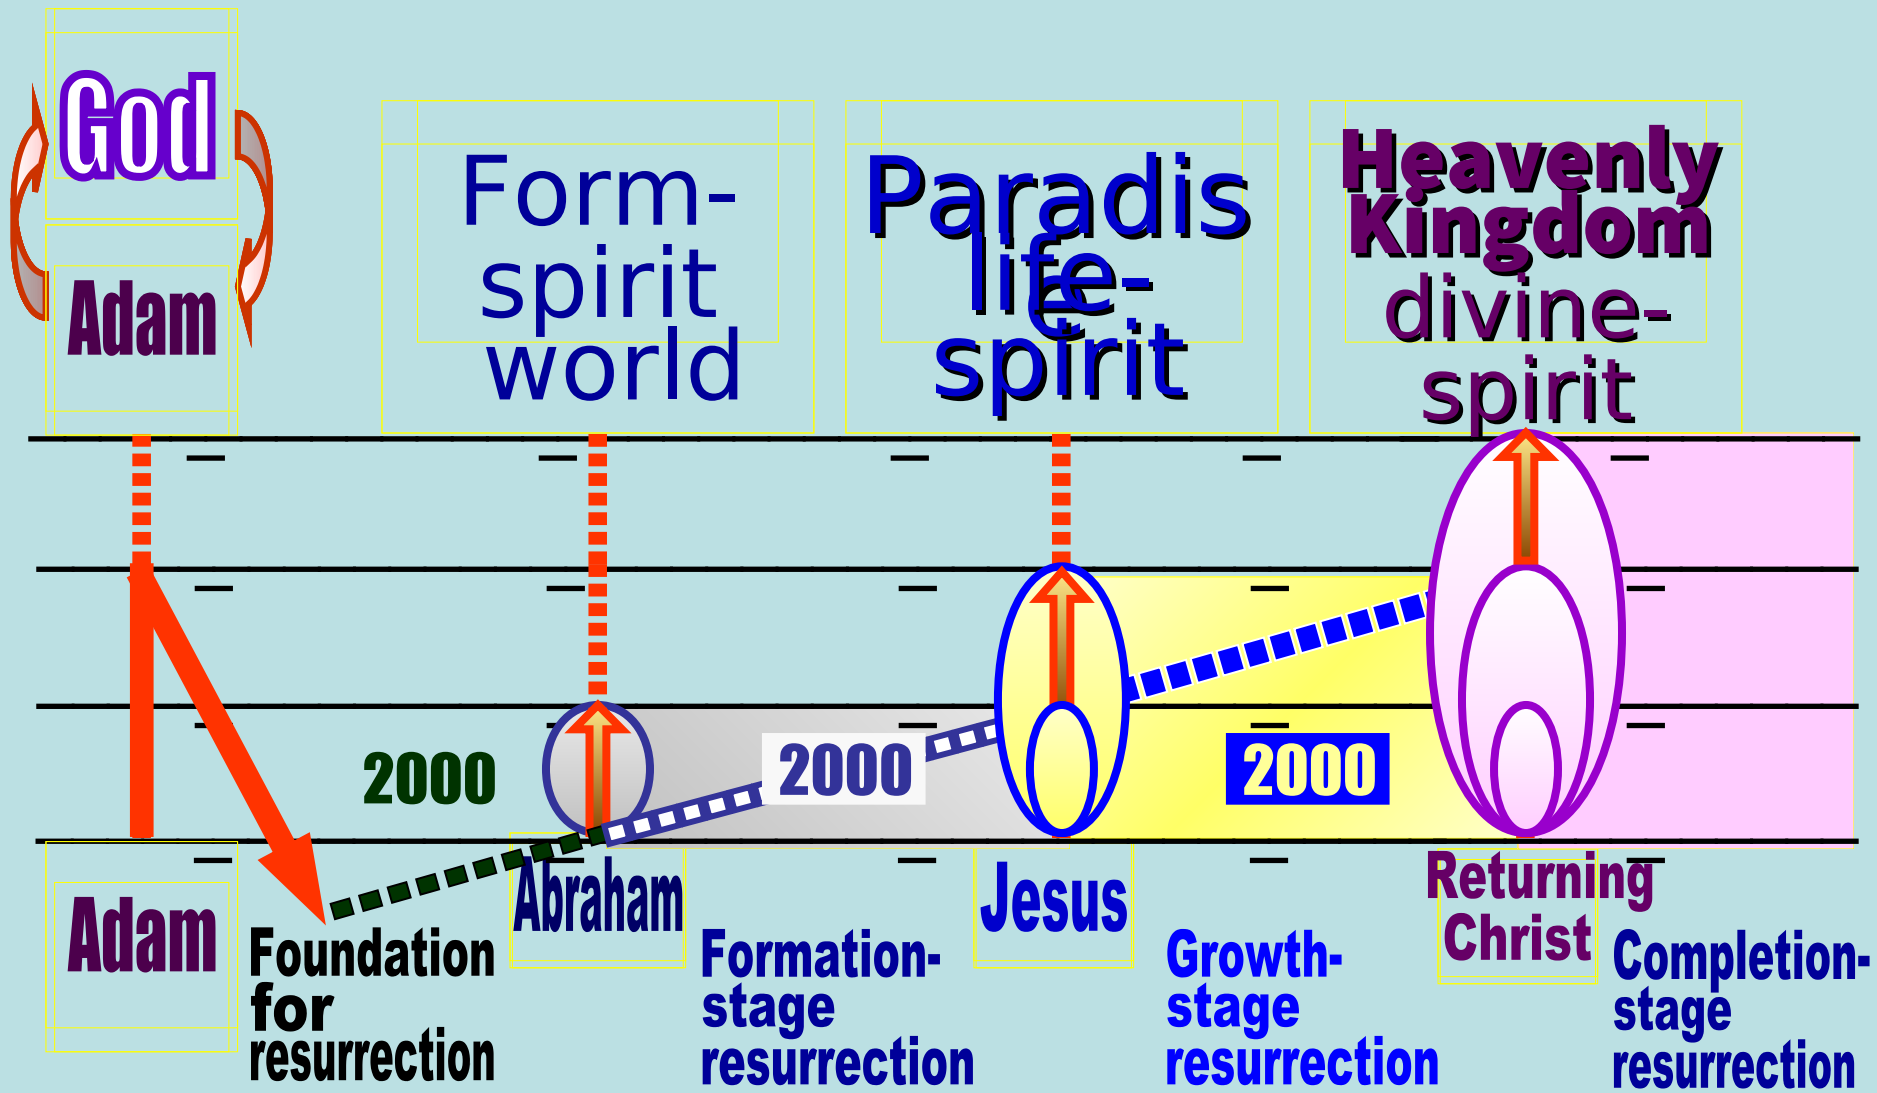

The physical Body is the vessel to bring you to the Destination = Gods Divine Kingdom of Heaven and Earth.

If your vessel sinks on the way – due to Sin you need a new Vessel = own Physical Body = or Returning Resurrection

# The Providence of Resurrection for People on Earth

Upon their death, the believers of this era will enter and abide in the Kingdom of Heaven in heaven, which is the divine-spirit level of the spirit world (p. 140).

## ***FOUR ESOTERIC ACCOUNTS OF CAIN AND ABEL***

### **1. The Zohar Account:**

"For two beings had intercourse with Eve, and she conceived from both and bore two children. Each followed one of the male parents, and their spirits parted, one to this side and one to the other, and similarly their characters.

## ***FOUR ESOTERIC ACCOUNTS OF CAIN AND ABEL***

On the side of Cain are all the haunts of the evil species from which come evil spirits and demons and necromancers. From the side of Abel comes a more merciful [Adam-like] class -- yet not wholly beneficial -- good wine mixed with bad. The right kind was not produced until Seth came, who is the first ancestor of all the generations of the righteous."  
(Bereshith 36b-37a)

## 2. The Gnostic Christian Account:

"Then the [divine] authorities [i.e., Elohim]. . . sent seven [fallen] archangels to see what happened. They came to Adam. When they saw Eve speaking with him, they said to one another . . . 'let us seize her and let us cast our seed on her, so that . . . those whom she begets will serve us.' [Eve] conceived . . . and she bore the rest of the sons from the seven . . . angels." (On the Origins of the World, II:5)

### **3. The Islamic Account:**

Allah's Apostle said, "Tonight two (visitors) came to me (in my dream) and took me to a town built with gold bricks and silver bricks. There we met men who, half of their bodies, look like the most-handsome human beings you have ever seen, and the other half, the ugliest human beings you have ever seen. Those two visitors said to those men, 'Go and dip yourselves in that river.

### **3. The Islamic Account:**

So they dipped themselves therein and then came to us, their ugliness having disappeared and they were in the most-handsome shape. The visitors said, 'The first is the Garden of Eden and that is your dwelling place.' Then they added, 'As for those people who were half ugly and half handsome, they were those who mixed good deeds and bad deeds, but Allah forgave them.' (Sahih Bukhari Hadith: Volume 6, Book 60, Number 196)

#### 4. The Rev. Moon Unificationism Account:

"Lucifer dared to seduce Eve at the risk of his life . . .  
and [they] had sexual intercourse with each other. . .  
Eve joined with Adam after she had the illicit relationship  
with the archangel [Satan] . . .  
and [Satan's and Adam's] elements were then transmitted  
to their descendants . . .  
and mankind has multiplied sin to the present day,  
thus perpetuating the lineage of Satan."  
(Divine Principle I.2.2.2)

Thus, we see virtually the same mixed-paternal parentage  
attributed to Cain and Abel in all four scriptural accounts.

Emanuel Swedenborg

## Heaven and Hell

### Description of Spiritual World

- ALL men (Good/Bad)  
100% survives physical death
- We create our own destiny in spiritual world  
= Absolute Spiritual Laws are at work  
“You reap Good/Bad what you sow Good/Bad!”
- 3 levels of Spir. World    Heaven – Medium – Hell  
...man takes with him all his memory and nothing can be hidden in the world so that it does not become manifest after death, and this in many people's presence”

Swedenborg offers this general commentary on the sexual organs in the Universal Human:

But I have not been allowed to know the identity and nature of the communities that belong to the specific organs of generation.

Swedenborg offers this general commentary on the sexual organs in the Universal Human:

But I have not been allowed to know the identity and nature of the communities that belong to the specific organs of generation.

They are actually **too inward for anyone in a lower sphere to understand**. They relate to uses of those organs that are deeply hidden and far removed from knowledge. The **reason is providential**—to prevent things that are intrinsically most heavenly from damage by foul thoughts, which involve lewdness, promiscuity, and adultery.

/Emanuel Swedenborg, *Arcana Coelestia*

- Sex is not same as evil.
- Within Blessed Marriage it is the Holy of Holiest
- Most people have unconscious bad feeling about “sex” as dirty and low.
- This is all due to Fall of Man = Illicit Love
- Sex became animalistic and often brutal
- Abuse of wimen, Rape, Agressiveness, Hate, Murder...all have the same root
- “Free Sex” root = Fall of Man = Illicit Love

All across America we hear of babies being dumped in trash cans, schoolchildren shooting their classmates, and AIDS and other sexually transmitted diseases running rampant.

Among the seven sins in Dante's *The Divine Comedy*, this "scarlet sin" is said to be the worst.

God considers adulterous love to be the most serious of all sins, and He will never condone it.

*Come now, and let us reason together, says the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. Isaiah 1:18*

*Fletcher: "Nobody can give away perfection. Perfection was the ideal, and perfection was mans goal from the beginning, but man choose himself to loose that perfection, and she must now choose to return to it. But it is really true that no one can return to his homeland which he has forgotten, if not someone gives him a map or leads him along that road."*

If you make a wrong start, you will end up in the wrong place. That is why when a ship sets out into the great ocean, it should chart out the course and follow the compass carefully from the moment it first sets sail from port.

Then, what is the port of departure for human life? People do not know. Where can we find the direction, the compass guiding us to reach our destination in the world beyond?

Human beings have not been able to find this, so they have been wandering about to and fro. No matter how they have tried, they have not been able to overcome their human limitations. /SMM 1988.1.3

These days, everyone fears cancer. In its early stages a person may not realize that he is ill.

He only recognizes that he has the disease when it becomes painful, but by then the cancer has progressed to a lethal stage. Still, at least a cancer victim knows he has the disease before he dies.

When man sins, an alien spirit enters and starts dragging its victim downward.

For this reason, in his ministry of exorcism, Jesus always distinguished between the possessing demons and the persons harboring them.

Satan holds people captive against their will, even if originally they were responsible for inviting the demons in.

Therefore Jesus' mission was two-fold:  
to battle against Satan (Prosecutor) and  
to fight for man (Defense attorney/Defender).

## The Lucifer effect

Whatever one construes the biblical passages of the Fall, it is a powerful narrative which poses a number of questions. Phillip Zimbardo, for example, a Stanford professor of social psychology, published *The Lucifer Effect* (2007), in which he gives a reflective account of the notorious Stanford Prison Experiment he conducted in 1971.

In a mock prison at the psychology department at Stanford University, he witnessed the rapid transformation of good, mentally healthy, intelligent college students into abusive ones in a matter of days.

## The Lucifer effect

Zimbardo, was deeply puzzled by the narrative of the Fall at the Garden of Eden.

By referring to the transformation of Lucifer to Satan in the Foreword of his book, he notes **the magnitude of this narrative, in contrast any other transformation of good to evil:**

That is the most extreme arc of transformation imaginable, and so sets the context for my investigations into lesser human trans-formations of good, ordinary people, not angels, into perpetrators of evil in response to the corrosive influence of powerful situational forces

Looking at the history of the providence of restoration, there were four thousand years from Adam's family through Noah's, Abraham's and Moses' families down to Jesus' family.

Here, however, what led to their failures did not occur over the span of, say, a year.

In Adam's family, the Fall of Adam and Eve was not something planned out and put into action over the span of a year or a decade or even several decades.

Their **mistake happened in a flash**, and when we think about how that failure of one moment has been perpetuated over eons of time, we can understand the fearfulness and dreadfulness of that instant.

Due to the failure of that one moment, so many people who walked the path of righteousness in the course of history had to undergo untold suffering, and many races that could not follow the Will fell into the abyss of destruction.

All these became the origin of a tremendous offering of indemnity.

When we understand this, a single hour that we ordinarily live so casually in our daily life becomes fearful; but even more, we have to feel **how fearful a moment is**, even one second of one hour that goes by as the clock steadily ticks.

Today, what believers should dread is not the visitation of judgment in the Last Days but the question of how they will harmonize their daily activities and face life's crossroads in alignment with God's will. /SMM 1970.12.27

Everything will be recorded through the physical body  
If more than two-thirds of your life have been unspeakably  
miserable, could you erase that?

You cannot. These experiences stay with you.

/SMM 1970.8.30

We need indemnity for restoration.

Restoration is also re-creation.

You should leave behind a life of value.

Have you ever thought that you would be inspected  
by a system like an X-ray machine when you go to  
the spirit world?

God also needs people who have passed through the filter.

## F-S-S

Satan has three main gates,  
and the first gate is **eating**.

This wretched mouth eats and eats and eats,  
and still demands better food.  
It keeps doing this.

The second gate is **resting**.

If you just sleep, you always want to rest.  
Isn't that so? You don't want to work.

What is the third gate? **Lust**.

People have a tendency to be unfaithful to  
their spouses.

## Comment: From Rudolf Steiners "Cosmic Memory"

The longing for knowledge is produced by the fact that the soul develops inner organs, the brain and so forth, by means of which it gains possession of knowledge. This is a consequence of the circumstance that a part of the energy of the soul is no longer directed toward the outside, but toward the inside.

The superhuman beings however, which have not carried out this separation of their spiritual forces, direct all the energy of their soul toward the outside.

Therefore that force is also available to them externally for fructification by the spirit, which “man” turns inward for the development of the organs of cognition...

Now that force by means of which one human being turns toward the outside in order to act together with *another* is *love*. The superhuman beings directed all their love outward in order to let universal wisdom flow into their soul.

“Man” however can only direct a part of it outward.

“Man” became sensual, and thereby his love became sensual.

He draws away from the outside world that part of his nature which he directs toward his inner development.

And thus that arises which one calls *selfishness*.

When he became man or woman in the physical body, “man” could surrender himself with only a part of his being; with the other part he separated himself from the world around him.

He became selfish. And his action toward the outside became selfish; his striving after inner development also became selfish.

# Old Test. Offering

Abraham  
Isaak

The significance of making the offering is to cut the parts in two, so that one is under God's claim and the other under Satan's claim.

In that case both the offering and the man who offered the sacrifice must become entirely one.

The man who offers the sacrifice is in the subjective position, while the offering is in the objective position!

Without these two united into one,  
the purpose of the offering cannot be attained.  
The offering being in the objective position to man as  
the subject, it can represent the person's flesh-body.  
The thing being offered (i.e., the animal) has to shed  
blood in place of sinful man.

In other words, the offering is in place of man -- representing man.

Adam fell due to his disbelief.

Disbelief was the primary reason.

Next, Adam fell because he asserted himself.

He put himself, his ego in the center of everything.

Adam fell because he took a self-centered position.

Next, Adam demanded a realm of self-centered love.

These are the three major elements of the Fall:

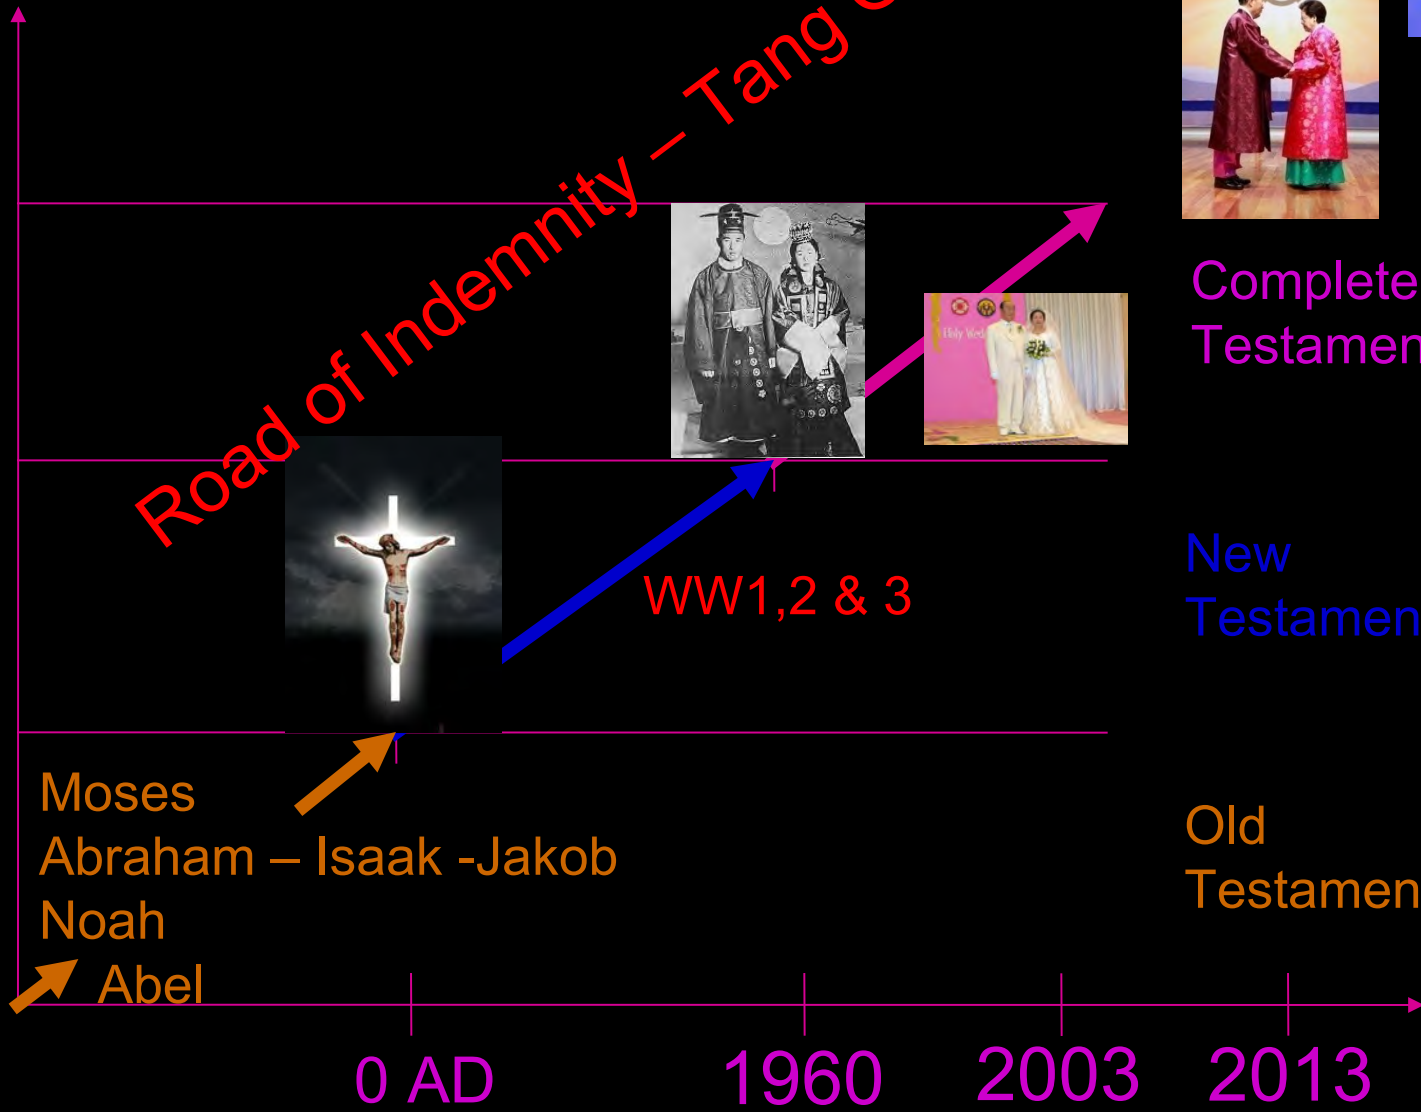

disbelief, self-assertion or self-centeredness,

and finally dreams of self-centered love.

## The Gospel

Jesus said

fasting indemnifies the forces of Satan

and

prayer calls on the power of God.

Even though Jesus was born as the original son of God, he still needed to go the way of indemnity in order to save this world. (Compare O.T. blood, burnt offerings.)

Comment: Jesus surely knew the Law of Indemnity  
(Tang Gam, Korean).

His sacrifice of his Holy Body postponed the final Physical  
Salvation,

But it also opened the way for 2000 years of Spiritual Salvation,  
through Jesus voluntary blood sacrifice.  
Compare O.T. blood offerings.

You must know that the bitter term  
**“restoration through indemnity”**  
emerged due to human beings being unable to fulfill  
their portion of responsibility. / SMM 1983.3.1

The way of indemnity is necessary for us.

In order to save this world, you walk the way of indemnity. Even though Jesus was born as the original son of God, he still needed to go the way of indemnity in order to save this world.

Since the world could not do so, and since **the people who were supposed to go the way of indemnity opposed him, Jesus himself had to walk that path and had no choice but to take responsibility.** /SMM 1984.7.8

Jesus Christ came for the will of God, to transmit God's will to the chosen nation of Israel. God was moving in a certain direction and Jesus Christ was moving parallel to that direction, so certainly the people of Israel were supposed to move in a way parallel to Jesus.

If all three had been moving parallel in one direction, God's ultimate will could have been fulfilled in that nation. God and Jesus were united and all that was needed was to have the people of Israel unite with Jesus.

After man's having fulfilled on the national level, expansion of that fulfillment to the worldwide level would have been assured. /SMM 761225

So it is that the human race, which has broken its original relationship to God, must restore the foundations on which to build a new relationship.

What Unificationists call an "indemnity condition" achieves the restoration of a lost state by reversing the process which led to the loss in the first place.

# The Position of Fallen Human Beings

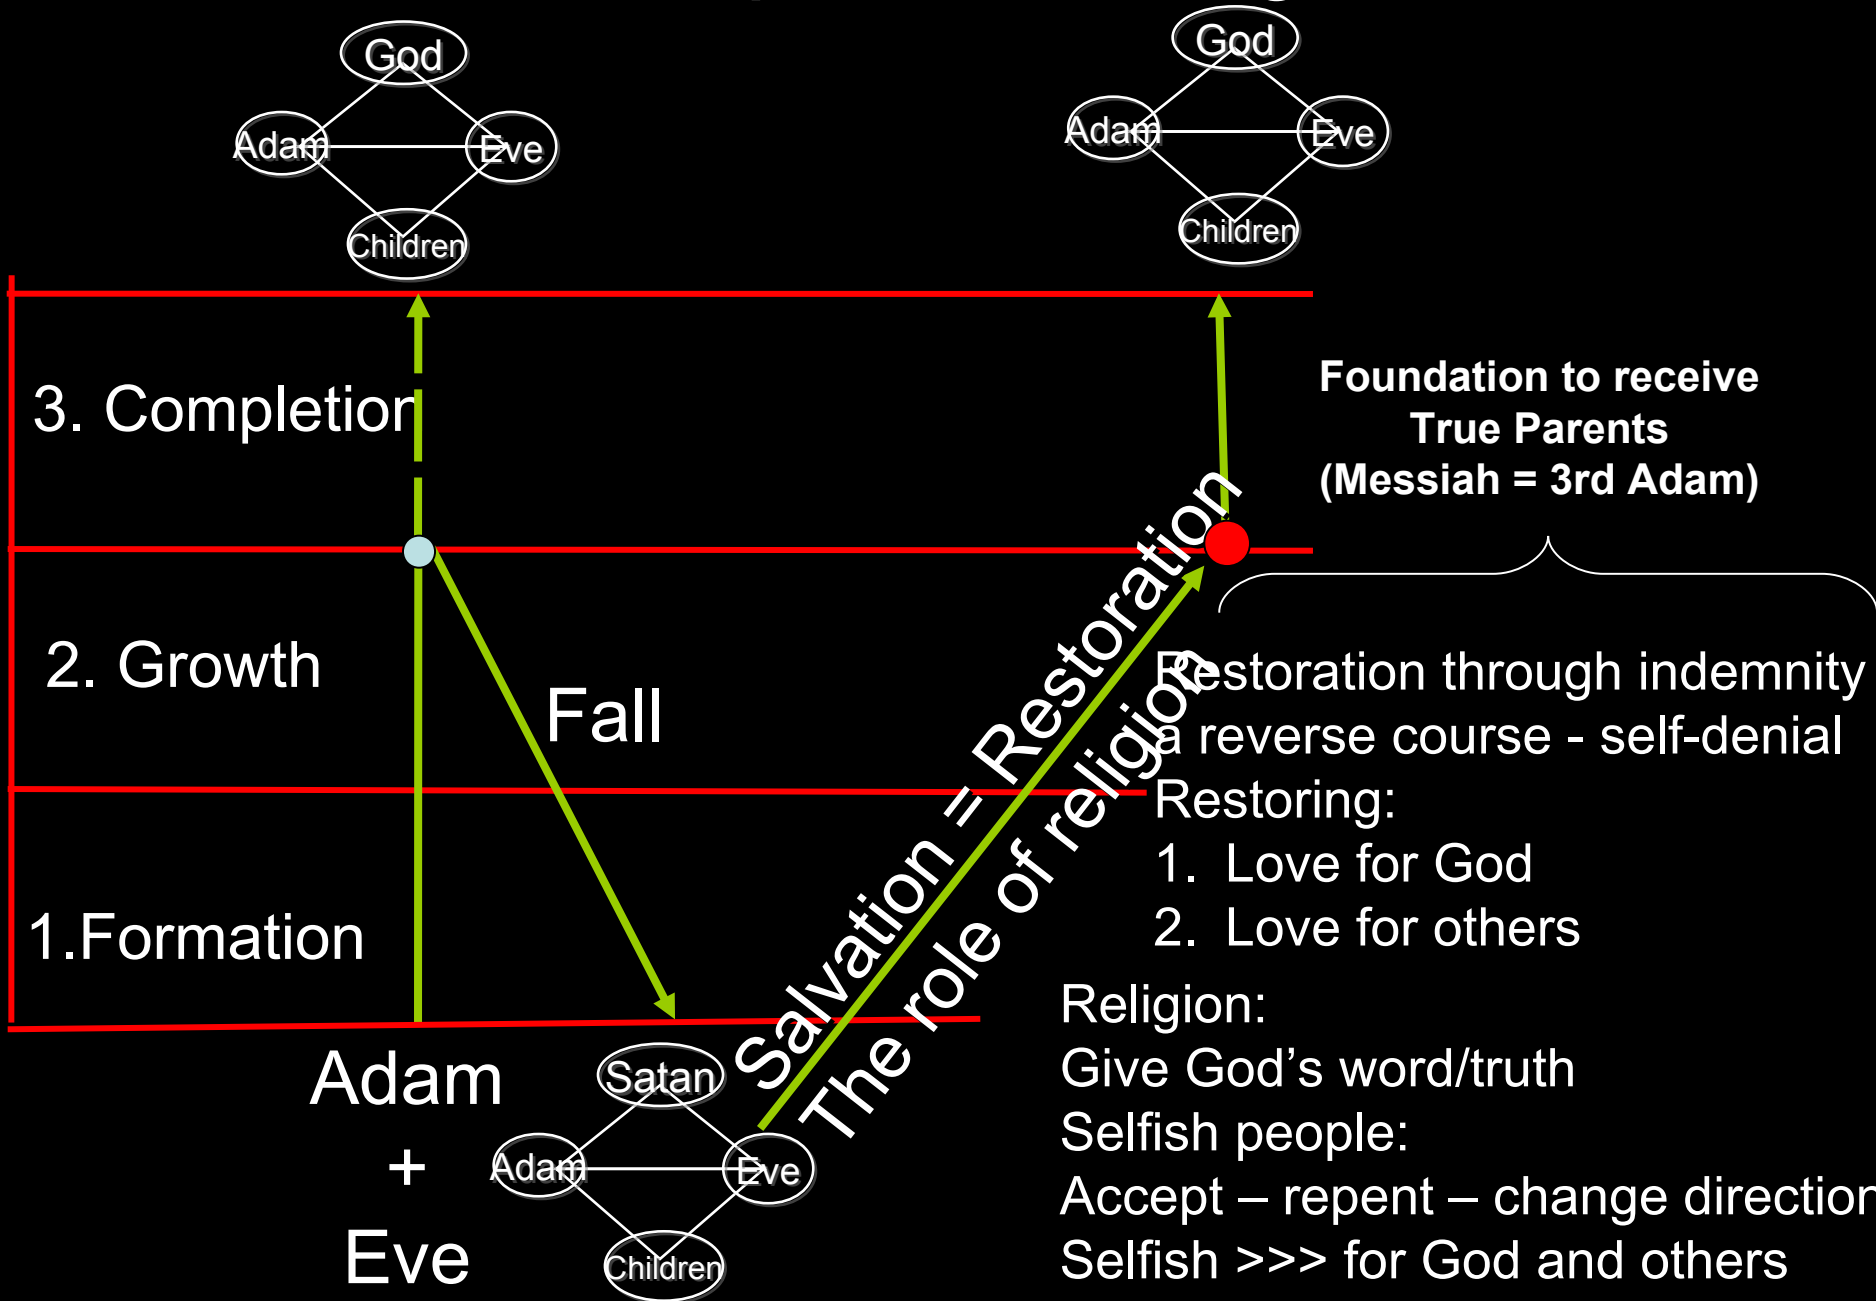

**The role of religion: strengthen the mind (heart and conscience)  
to regain control over the body**

# Human History from the Perspective of God's Providence

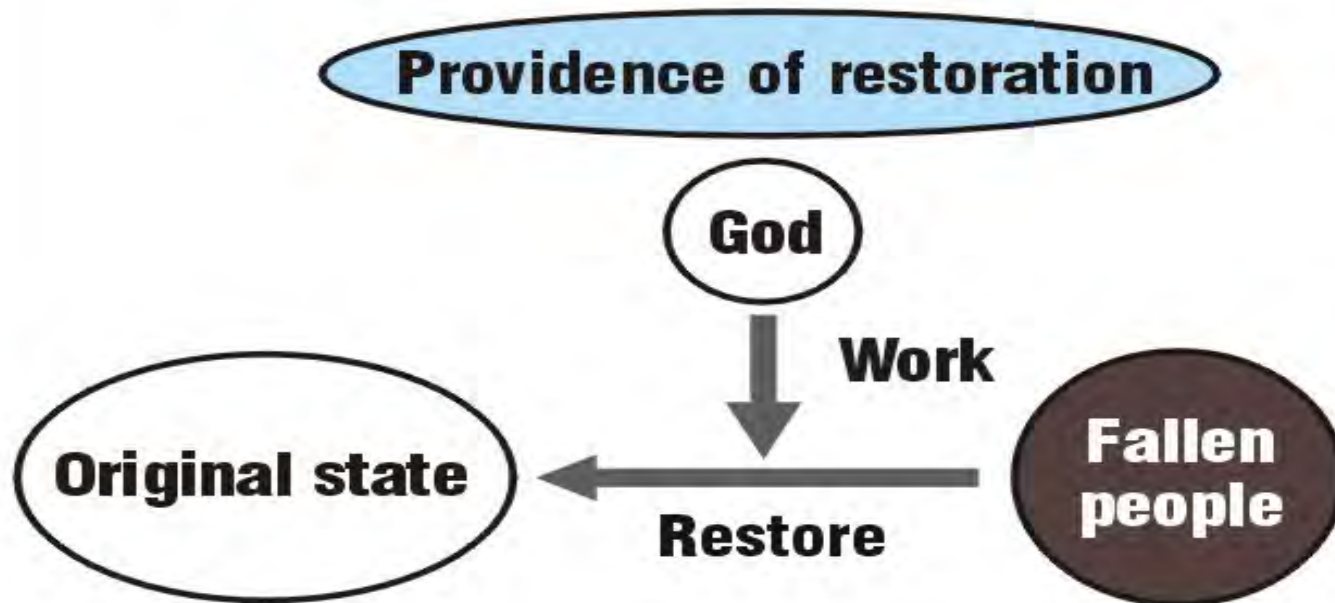

God's Heart and Will = Unchanging/absolute = To realise the purpose of creation

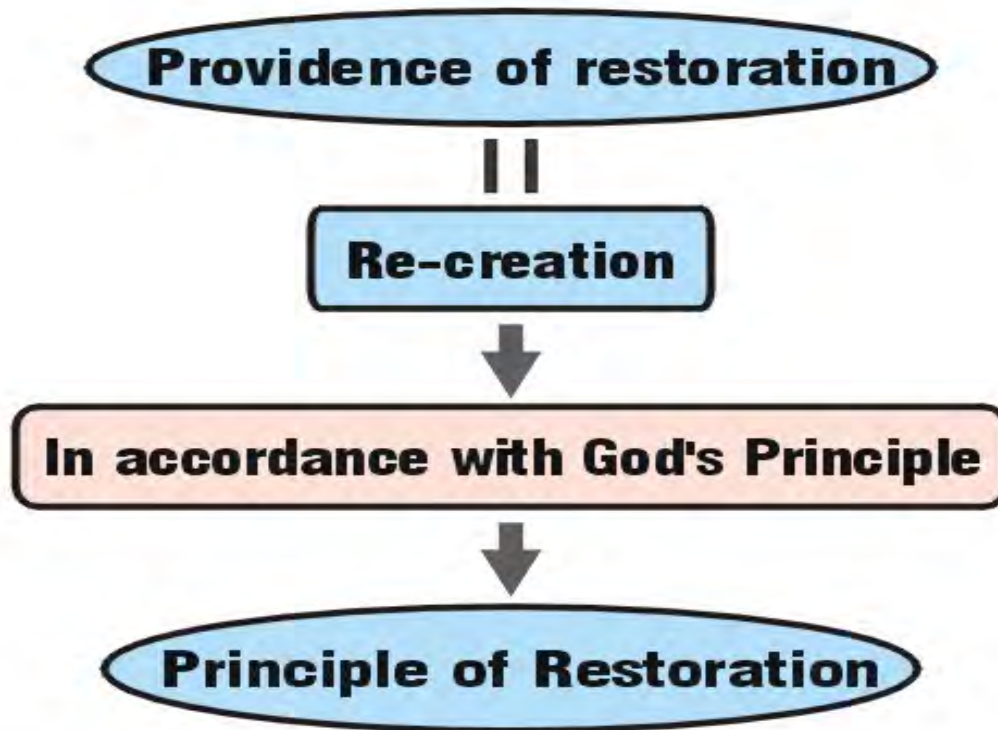

# The Purpose of Religion

# *Introduction to restoration*

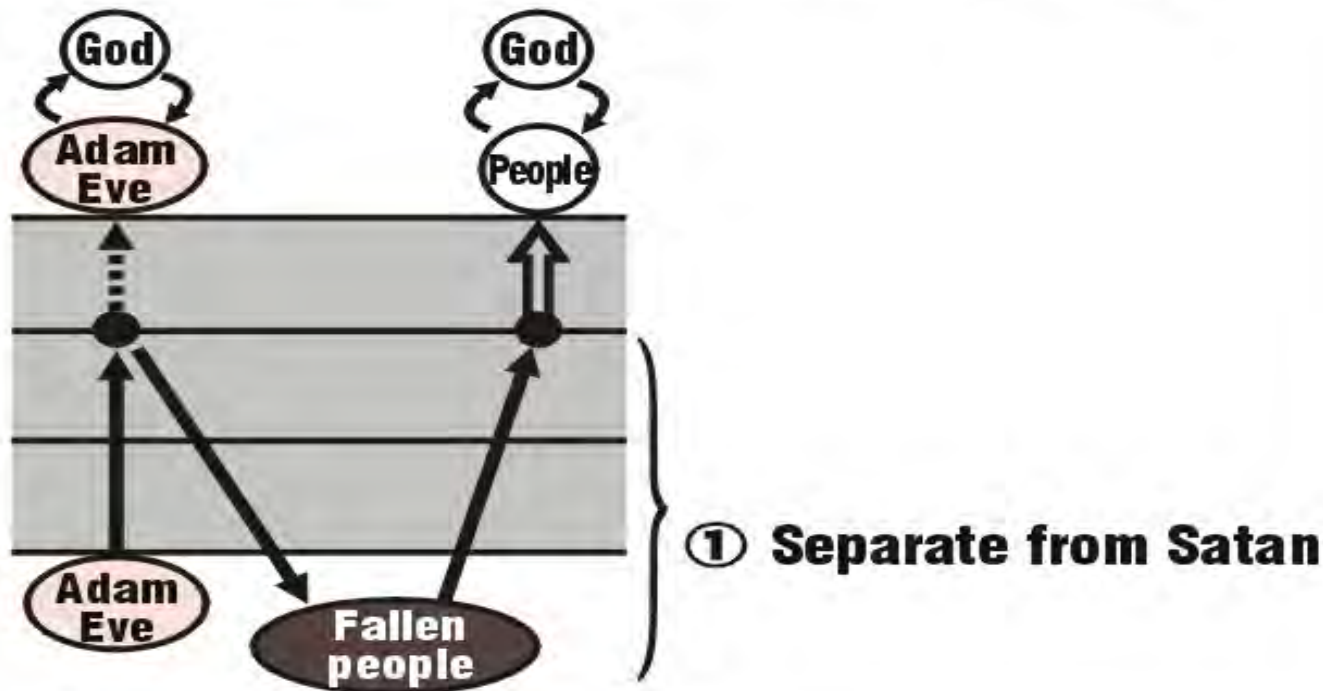

- The providence of restoration refers to God's work to restore the fallen people to their original, unfallen state so that they may fulfill the purpose of creation.

- Since the providence of restoration is God's work of re-creation, which has as its goal the fulfillment of the purpose of creation, God works this providence in accordance with His Principle. In the course of the providence of restoration, this principle is called the Principle of Restoration.

## The restoration and perfection of fallen people

- Human beings fell from the top of the growth stage and have been held under Satan's dominion.
- To be restored, we, fallen people:
  - ① First need to go through a course to separate Satan from ourselves in order to restore ourselves in form to the spiritual level which Adam and Eve had reached before the Fall—the top of the growth stage.

## The restoration and perfection of fallen people

② On this foundation, we are to receive the Messiah and be reborn, remove our original sin, and thereby be fully restored to the original state of human beings before the Fall.

③ Finally, by following the Messiah, we should continue our growth to maturity,

④ Where we can fulfill the purpose of creation.

# The Principle of restoration through indemnity

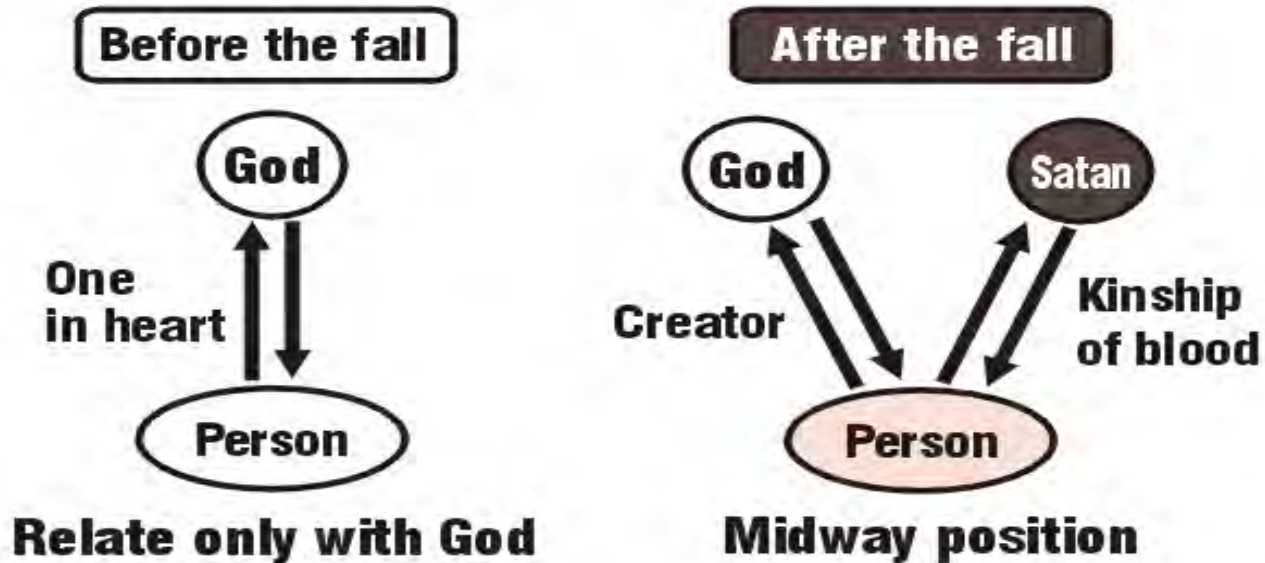

## Where do human beings stand after the Fall?

- If the first human ancestors had reached perfection, they would have lived relating only with God.

# The Principle of restoration through indemnity

## Where do human beings stand after the Fall?

- However, due to their Fall, they joined in a kinship of blood with Satan. Hence, immediately after the Fall, they found themselves in the midway position between God and Satan, where they were relating with both.
- A fallen person will go to God's side if he makes good conditions and to Satan's side if he makes evil conditions.

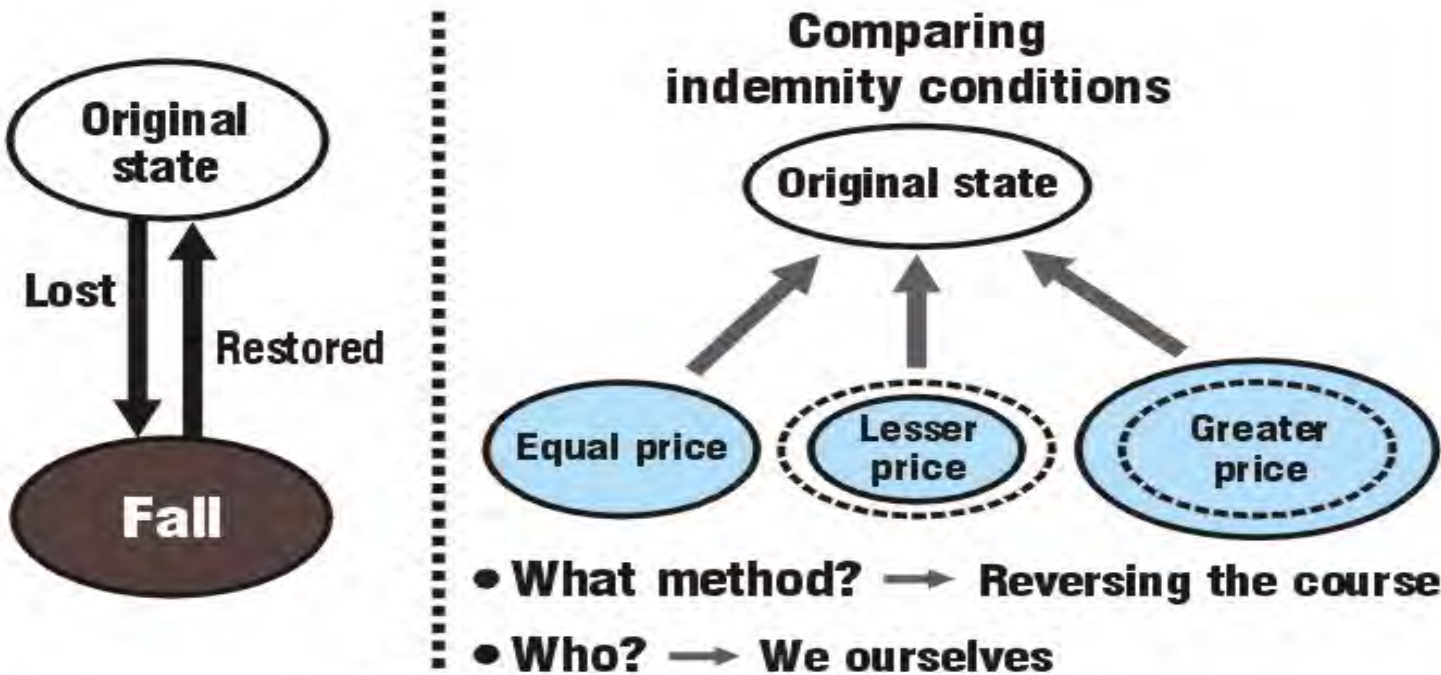

## Establishing indemnity conditions

## Comparing indemnity conditions

- When someone has lost his original position or state, he must make some condition to be restored to it.
- The making of such conditions of restitution is called indemnity.
- How does a condition of indemnity compare with the value of what was lost?

## Establishing indemnity conditions

- An indemnity condition can be made at a price equal to, less than, or greater than the value of what was lost.
- As for the method, an indemnity condition is made by reversing the course through which the original state was lost.
- It is we ourselves who must fulfill the necessary indemnity conditions as our portion of responsibility.

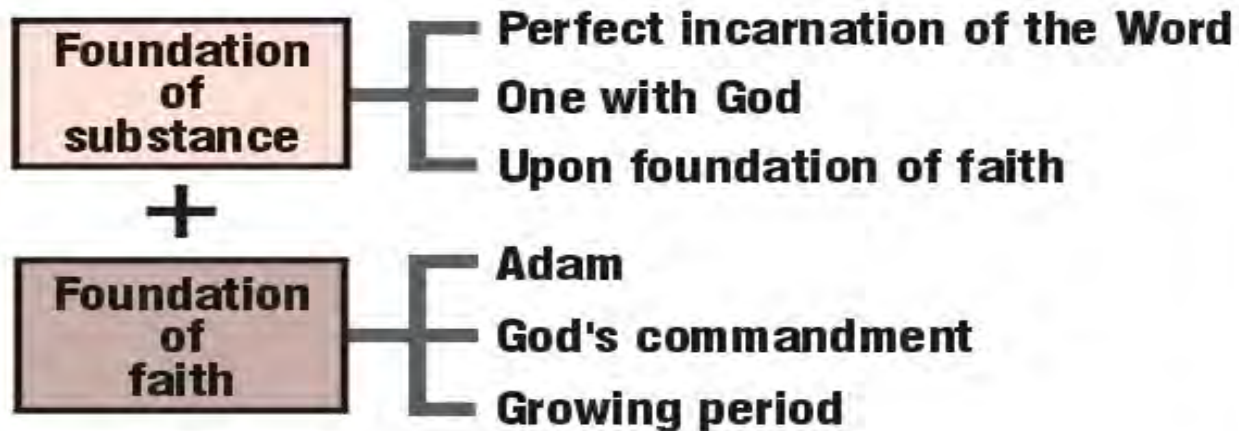

# **The foundation for the Messiah**

## **How Adam failed to achieve the purpose of creation**

- For us, fallen people, to receive the Messiah, we must establish the foundation for the Messiah.
- To establish this foundation, since an indemnity condition is established through a reverse course of the failure, we must know how Adam failed to achieve the purpose of creation.

# The foundation for the Messiah

## How Adam failed to achieve the purpose of creation

- First, Adam should have established the foundation of faith by keeping strictly God's commandment and passing through a set growing period.
- Second, Adam should have established the foundation of substance: after establishing an unshakable foundation of faith, he was then to become one with God, thereby becoming a perfect incarnation of the Word and attaining individual perfection.

# The foundation for the Messiah

## How Adam failed to achieve the purpose of creation

**X** Purpose of creation realized

- However, Adam failed to establish these conditions and thus failed to achieve the purpose of creation.

## How we can lay the foundation for the Messiah

### Foundation for the Messiah

||

Foundation  
of  
substance

+

Foundation  
of  
faith

- Therefore, in order to receive the Messiah and complete the purpose of creation, we must restore the foundation of faith and foundation of substance and thereby the foundation for the Messiah.

## How we can lay the foundation for the Messiah

### Foundation for the Messiah

- In order to restore the foundation of faith, first there must be a central figure. Second, a condition must be offered. Third, a numerical period of indemnity must be completed.
- In order to lay the foundation of substance, we must make the indemnity condition to remove the fallen nature.
