The way of indemnity is necessary for us.
In order to save this world, you walk the way of indemnity.

The way of indemnity is necessary for us.

In order to save this world, you walk the way of indemnity.

Even though Jesus was born as the original son of God, he still needed to go the way of indemnity in order to save this world.

The Unification Church is 95 to 98 percent to do with the life of faith. Since human beings lost 95 percent of what God created, our re-creation takes place only after we complete 95 percent.

The Unification Church is 95 to 98 percent to do with the life of faith. Since human beings lost 95 percent of what God created, our re-creation takes place only after we complete 95 percent.

Once that is done, we must fulfill the remaining 5 percent.
How difficult that is!...

If the Fall had not occurred, Heaven would have done 95 percent and we would only have to do five percent.

But due to the Fall, God cannot do that for us again.
We must accomplish re-creation.

That means **we must do 95 percent plus 5 percent.**
Therefore, we must **be ready to die.**

We must be prepared for sacrifice.

Don't think of comfort until we have completed the worldwide course of restoration...

(142-84, 1986.3.1)

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

Restoration through indemnity is the way to attain completion (perfection).

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

Restoration through indemnity is the way to attain completion (perfection).

Only after indemnity can restoration take place; then we can go the path of perfection.

Thus, you can consider that
indemnity and restoration are one.

Thus, you can consider that indemnity and restoration are one.

Perfection cannot be attained automatically; it is attained through indemnity.

Therefore, human beings living in the fallen world cannot reach completions (perfection) unless they set up conditions of indemnity.

I. It is We who created you and gave you shape; then We bade the angels, “Bow down to Adam,” and they bowed down; **not so Iblis, he refused to be of those who bow down.** [God] said, “What prevented you from bowing down when I commanded you?” **He said, “I am better than he; You created me from fire, and him from clay.”** God said, “Get down from this place; it is not for you to be arrogant here; get out, for you are of the meanest of creatures.”

III. During the (Blessing) ceremony, the officiator, Rev. Moon, suddenly changed into the shape in which God had appeared in the Garden of Eden before the human fall; God's rays spun in splendid and enrapturing colors and circled around Rev. Moon, whereupon he assumed God's body.

III. Then, the whole scene of the Blessing ceremony was showered with brilliant light, as if floodlights of thousands of volts had been turned on in a dark room. In this ceremony, God's light touched each and every couple. At this time, my wife was on earth and I was, of course, in the spiritual world.

From Lucifer to True Parents:

I am offering this to True Parents. Since all people call you True Parents, I call you True Parents. I am very sorry that I gave you an extremely huge difficulty to straighten out the countless aspects of evil history of sin that I committed.

What word would I have to tell you?

Once, I, undeserving and selfish, desired to receive the blessing. I am very sorry for this.

If it is possible, I ask for your generous punishment, as you are the parents of humankind.

*As I see the countless ways of **evil and sin**, the ways of indemnity, even with my eyes, I can see that the only way of my return is the way of bloody bruises. However, if it is the last way of suffering to go to God and True Parents, I will follow obeying.*

*True Parents, Parents of humankind,
Lucifer is very sorry.
I am truly sorry.*

The Meaning of Freedom from the Viewpoint of the Principle

1. First, there is no freedom outside the Principle.

Freedom requires both free will and the free actions
pursuant to that will

2. Second, there is no freedom without responsibility. Human beings, created according to the Principle, can reach perfection only by fulfilling their responsibility based on their free will.

Freedom from the portion of responsibility in relation to restoration

If Adam and Eve had fulfilled their portion of responsibility their descendants would not have been burdened with the responsibility for restoration.

They would have entered into an era of family ethics that would have been like sovereign law.

Until today, although God could move through 360 degrees on that same level plane, He could not teach us directly and we have been waiting for the emergence of a central figure (3rd Adam). That is why difficulties arose.

(136-316, 1985.12.29)

True Parents had to pass through an indemnity course on the level of the individual, family, tribe, people, nation, world and cosmos.

Love is restored by separating from Satan and by fulfilling man's portion of responsibility that was lost because of him.

Satan cannot invade those who love their enemies and love their enemies' countries.

The Internal Meaning of Sin and the Fall
by Sun Myung Moon

www.euro-tongil.org/swedish/csg/eng/

Comparison Jesus Life & Death
and
The Life & Death of Sun Myung Moon

- Jesus Death and Ressionction

- True Fathers 7 Close Deaths and Ressionctions

As a Messiah, to accomplish resurrection is an extremely meaningful accomplishment.

We were created by God but then,
because of the Fall, we fell away from God.

So for us, returning back to God's direct dominion that is resurrection.

Jesus came in order to recreate mankind back into the state of being in God's direct dominion.

But Jesus was not able to accomplish that completely because he went the way of the cross.

He did manage to accomplish the spiritual resurrection but the physical body remained in the realm of Satan.

So Jesus died once, was resurrected once, spiritually.

And forty days after, he reappeared to mankind and was able to establish a very huge Christian church foundation based on that one resurrection.

True Parents have **faced death seven times** and been resurrected seven times, not only spiritually, but spiritually and physically.

This means that True Parents have an extremely huge gift to give to mankind because of the victory of those resurrections.

That's the grace of the seven deaths and resurrections.

True Parents have also discussed that we need to go through eight stages of horizontal [resurrection].

We have to accomplish victories at the individual, family, tribal, race, nation, world, cosmic levels.

1. The first resurrection was in the prison at Gyeonggi do.
Father was imprisoned in October 1944.
He was imprisoned for about 4 months until February 1945.
2. The second death and resurrection was at the Jeongju police station in North Korea. He was imprisoned for about a week during October of 1945.
3. The third time Father was imprisoned was by the internal security forces in 1946.

4. Hungnam death camp 1948-1950
*Father was able to witness and gain 12 disciples,
12 people who devoted themselves to Father at the risk
of their own lives. /WonPihlKim*
Korean War 1950-53, to Liberate True Father.
5. After Hungnam, Father was imprisoned again in
Seodaemun prison in 1955.
6. The sixth resurrection was when Father was held in
Danbury from July 20, 1984 until July 4 1985.
7. The seventh resurrection was 2008
the “helicopter accident”.

If we compare Jesus' resurrection and Father's resurrection,
True Parents were substantially resurrected.

Jesus shed blood on the cross.

True Parents were resurrected without shedding blood.

Jesus died alone and had to go and re-gather his disciples
when he was in spiritual form.

True Parents were not alone.

They had their followers with them in the helicopter and their followers saved them.

Jesus had to witness to himself as the Messiah after his resurrection.

But there were many, many people to witness to True Parents as the Messiah. They did not have to do it themselves.

Imagine now, True Parents have been resurrected seven times,
physically and spiritually.

So at this time, we need to believe in True Parents and
lead a clean and holy life.

We need to become one with True Parents.

We need to live for others.

We have to throw away all our old habits and become a model family following True Parents.

We are the people who should be following those eight stages of resurrection.

We need to clean ourselves internally and join with True Parents.

We are the people who should be following those seven stages of resurrection.

We need to clean ourselves internally and join with True Parents.

The Decline of Violence

I presented several kinds of evidence that violence had declined over time.

Then in 2007, through a quirky chain of events, I was contacted by scholars in a number of fields who informed me there was far more evidence for a decline in violence than I had realized.

More independent references to a sexual root in Fall of Man

William Branham

William Branham USA had been hearing voices since he was seven years old. Finally, in May of 1946, Branham was **commissioned by an angel from God to be the forerunner of the Second Coming of Christ.**

(1909-1965)

One of the more radical beliefs of the group is that of Serpent Seed which states that the first sin committed occurred when Eve engaged in sexual activities with the Serpent in the Garden of Eden thus causing "the fall of man."

*“What did he do? **He begin making love to Eve.***

And he lived with her as a husband.

*And she saw it was pleasant, so she went and told her husband; but **she was already pregnant by Satan.***

And she brought forth her first son whose name was Cain, the son of Satan.

My comment: In June 1946 TF went to Pyong Yang to search for the prepared Spir. groups.

Seams like that Heavenly mission "spilled over" to US.

"Genesis is deeply symbolic, and cannot be grasped by a literal interpretation," he explained. "Its 'tree of life' is the human body."

The spinal cord is like an upturned tree, with man's hair as its roots, and afferent (ingoing) and efferent (outgoing) nerves as branches.

The tree of the nervous system bears many enjoyable fruits, or sensations of sight, sound, smell, taste, and touch. In these, man may rightfully indulge; but he was forbidden the experience of sex, the 'apple' at the center of the bodily garden.

"The 'serpent' represents the coiled-up spinal energy which stimulates the sex nerves.

'Adam' is reason, and 'Eve' is feeling.

When the emotion or Eve-consciousness in any human being is overpowered by the sex impulse, his reason or Adam also succumbs (collapses).

Comment: "The interpretation of the text, which understood it to refer to a miscegenation between fallen angels and w o m e n , was given additional emphasis by a variant reading of the text of the Septuagint Greek translation of the Old Testament in verses 2 and 4.

Instead of reading "hoi huoi tou Theou" this variant gave "fioi angeloι tou Theou" - that is, it was directly stated in this variant that it was "the angels of God" w h o went in to the daughters of men.

This variant reading was for long the most widely accepted in the early Church.

The Apologists of the second century found no difficulty in accepting the notion of commerce between angelic spirits and women.

For example St, Justin Martyr dearly knows the text of the Book of Enoch and the Book of jubilees, and explains that the offspring of this unnatural union were the demons who tempt and prey upon men (Apologia II.5).

The same tradition is continued by Athenagoras, Irenaeus, and Clement of Alexandria, who held that although the angels took part of the spiritual world, they were capable of being attracted to a lower beauty.

Likewise Tertullian calls these fallen angels "desertores Dei, amatores feminarum", and uses this example to warn women against cosmetics and bewitching finery.

Julius Africanus took the "daughters of men" to be the "daughters of the race of Cain".

The Clementine apocrypha of the third century explained that after falling from their high estate into an illicit union with w o m e n the wicked spirits revealed to w o m e n evil arts.

As in exegesis of the Eden story, so here there was a readiness to see **w o m e n** as especially connected with the origin of sin and evil.

Lactantius explained that there were two kinds of demons; the first were spiritual creatures only, fallen from heaven; the others were the descendants of the perverse sexual union mentioned in Genesis VI."

Since there are moral connections between all people, it follows that the effects of sin are not shut up within the individual but are passed down through the human race.

"If we are units," Bushnell wrote, "so also are we a race, and the race is one — one family, an organic whole; such that the fall of the head involves the fall of all the members."

C. G. Jung, Man and his Symbols

Every culture has a mythological story about a fall from grace –
Alienating Common symbols - from Mankind's common
"Collective Subconscious" symbols indicate a sexual guilt!

The English poet John Milton wrote in 1667:

After eating the fruit, then Adam and Eve had pleasurable sex, and only Adam is convinced that Eve was right when she thought that eating the fruit would be beneficial.

However, they soon fall asleep and have terrible nightmares, and after they woke up, they experience guilt and shame for the first time.

Realizing that they have committed a terrible act against God, and begin to accuse each other.

Graham Greene in an interview in 1949:

“I've always been interested in the mystery of sin. It is always the foundation of my books.

Since publication of the first, I've had an audience ready to receive the message and be sensitive to this issue.

T.S. Elliot argues that

before 1930 had authors no sense of original sin.

But that situation has changed, especially after the war.

Comment: 1935 SMM mission to the principles reveal the true origin of sin = Illicit sexual union between Eve - Lucifer and then Eve – Adam producing
Original sin, Ancestral, Collective and Personal Sin.

Ruth Montgomery, spiritual medium
An example of a drug addict's death experience

People who die as an alcoholic can hover around people on earth who drink too much, crave alcohol still unable to break the habit bands that bound them to their physical bodies.

Same with heavy smoking or drug use, there or here, or sex maniacs who exploit others in order to appease the bodily desire for intercourse.

To escape the ... we must break ties,
the shackles that bind us to satisfy the physical body.

So try to break the bad habits of the earth.
It is clearly easier to SOLVE them on earth.

Those who do not drink or smoke or use drugs or
lust for sex will be free from these shackles
on the other side.

It is easier to break these shackles while in physical form
than to undo them on the other side,
there are no temptations in our way (in spir. world).

Thus, there is no reward for behaving correctly here in spirit,
because there is something to tempt us with.

The hard school is in the physical, and it is there that we must
face and overcome temptation.

“You have to be carefully taught to hate and fear.”
People’s insecurities allow them to uplift themselves as long as they think they are better than someone else. Thus, we have the slave system that existed in the American South, the caste system in India, Shiites versus Sunnis in the Middle East, Jews in Israel and Palestinians in the West Bank and Gaza.

We can go back through time to Vietnam, Korea, World Wars I and II, the Russian Revolution, the Crimean War, the Spanish-American War, the Crusades, and all the religious wars through the historical tribal warfare all the way back to Adam and Eve.

Dylan's is an art in which sins are laid bare (and resisted), virtues are valued (and manifested), and the graces brought home.

2004

The seven deadly sins, the four cardinal virtues (harder to remember?), and the three heavenly graces: these make up everybody's world, but Dylan's in particular.

Or rather, his worlds, since human dealings of every kind are his for the artistic seizing.

Summary:

- John the Baptist did witness to Jesus as Messiah, at Baptism
But then failed to follow Jesus, recognize himself as Elijah
and lay a physical and spiritual protective foundation.
- Jesus crucifixion was murder and hindered Jesus to fulfill the ultimate messianic mission of removing Original Sin.
- The removal of Original sin will open a door of Salvation
and ultimately lead to the removal of all sins
(**Original**, Collective, Ancestral, and Personal)

Summary:

- The one and only reason for Jesus to promise his return is to repeat and fulfill the messianic mission, of physical and spiritual salvation = removal of Original Sin
- This will be done by a messianic new birth on Earth and a Holy Marriage of the Lamb.

Summary:

- Biblical support:

But first he must suffer many things and be rejected by this generation. -*Luke 17:25*

And she brought forth a male child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne. - *Revelation 12:5*

His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself.

Summary:

High -Noon

"Before you desire to have dominion over the universe, you must first have dominion over yourself."

Your conscience knows everything about you. It knows them even better than God knows.

So if you place your conscience in God's position over your life, and go the way of absolute obedience, of "high-noon settlement", it is certain that you will establish a realm of resonance between your mind and body and perfect their unity.

The kingdom of heaven in heaven is the world of "high noon", where God and man can meet without any shadow in a total union filled with brightness. /SMM 2 Jan. 1983

Anyone else being surpriced over the amount of sexual harassments news popping up daily in media. (2017...) #Me too went viral on social media some time ago.

Yesterday (Jan 2018) the women World Olympic Champion in Gymnastics, McKayla Maroney says sexual abuse by her team doctor started when she was 13. – terrible!

It seams like all sexual harassments are suddenly (?) coming up, like nothing can be hidden any more. - High noon!

Especially sexual abuse so deeply rooted in the Fall of Man.
