Most highly esteemed stone in China throughout recorded history, and was valued for its beauty and powers of healing, protection and metaphysical properties.

The Story of the Nam Pyung Moons

In the 15th year of the reign of King Jabi (reportedly 172 A.D.), the king and his ministers of government saw a purple hue in the sky.

Thinking it to be a sign of the birth of a wise man, he sent people to find where this would take place.

It was the head of one province who eventually found the location after a year had passed.

While out on a lake the governor saw a purple cloud gather over a big rock in the middle of the water.
He heard the sound of a baby crying.

Upon climbing to the top, he found a box made of stone.

Inside was a baby boy.

On the box, the Chinese character "Moon" was
chiseled and colored red.

As a baby, he had large eyes and long ear lobes
(which signify good fortune).

The governor was very happy, feeling that the baby must
be very special.

He took the baby and raised him devotedly.

King Jabi came to know of the child, and he summoned the child to come to him.

Upon seeing the child, the king thought heaven had sent a wise man.

He (the King) decided to raise the child himself, and gave him the family name Moon, according to the inscription on the box in which he had been found.

The child was named Da Seong, which means "having many thoughts," since he was very intelligent and thoughtful.

He proved to have remarkable intellectual gifts and a great natural courtesy even at a young age, and later married a princess.

Moon Am Kak is the home of the Moon Am rock, where the baby was found.

Introduction

For the last twenty years I have immersed myself in the many books of prophecy found in Korea. These books of prophecy, some thirty in number, appeared five hundred to one thousand years ago.

In a sense it is not an exaggeration to call Korea a nation of prophecies.

Often called secret communications, prophecies have their human authors.

Nonetheless, as we delve more and more deeply into these texts, we come to realize that they are not created through individual decisions.

Rather, they are messages revealing the plans of the Creator, transmitted to the earth through living human beings.

In this book, I have selected seven major prophecies and treated as concisely as possible those parts relating directly to Korea and Japan.

This is a perilous time of great change on the earth,
a time unprecedented since the universe came to be.
At this time I pray deeply that we will avoid the path of
death and find the path of life, entering into Heaven on
earth and coming into the realm of protection of the
heavenly God/Buddha.

The Messiah. Then who is he?
When heaven sent him down to earth in secret,
his surname was Moon.

Born north of the 38th parallel, going through the
suffering of prison life, receiving ridicule and rejection
and giving matchings and the blessing of marriage to
those who believe in God.

Who is he? Is he not the Reverend Sun Myung Moon,
whom all humankind is to attend as the True Parents?
All secret messages and prophecies are meant to testify
to this very moment and to this hitherto hidden heavenly
secret.

Oh, God! Oh, our protector!
Thank you, we can only thank you!
The Lord's Prayer...

The Book of Prophecy

Do not ever doubt that the heavenly Holy One will descend from Heaven in the east.

If the east fails to recognize the Holy One, he will come to be known through newly educated western people.

If both east and west are unable to discern the Holy One who is to come, both east and west will be discarded and new humankind will emerge. What can we do?

*Those who are blinded by the desire for gold cannot escape.
Look at the secret message sent to South Korea;
everything is hidden in that secret message.*

You will find a way of surviving in that white cross.

*When you come across difficulties,

"Do you believe in the Second Coming of

he asked unexpectedly. "I most certainly do."

"Well, does my church believe it?"

"They have it in their creeds."

"They don't preach it," he said.

Sun Myung Moon, behind a spiritually inspired painting of the New Buddha to Come!

His mission is as a Teacher, a Revealer.

At the end of an age always there must be a few, sometimes even one, who will become the voice of this Intelligence - Creative Mind - which you call God.

"It is necessary (he is the voice of inspiration, guidance) to restore to mankind an understanding of his full nature and his relationship to God." /Fletcher Spir. Wrld

**Newsweek International
Interviews Sun Myung Moon
June 14, 1976**

'God Speaks Through Me'

Recently, Rev. Sun Myung Moon gave a rare interview, his first in three years, to Newsweek International's Executive Editor :

Q. How was God's will revealed to you?

A. At the age of 16, I had a very spiritual, deep experience encountering Jesus Christ in the Korean countryside. That was the beginning of the revelations.

Ever since that particular encounter, I have been in constant communication with the living God and the living saints in the spirit world, including Jesus, in my own search for truth.

This cannot be explained in words too well.

Q. Why did God speak to you?

A. In accordance with God's timetable,
God has ordained or handpicked me. But why?
We must ask God that question.
I know just one thing: that mission came to me.

Q. You are obviously saying that you are a prophet,
but do you also consider yourself the new Messiah?

A. We are in a new messianic age.

But 2.000 years ago Jesus Christ never spoke of himself
as a Messiah, knowing that would not serve his purpose.

I am not saying, "I am the Messiah."

I am faithfully fulfilling God's instructions.

Q. But you don't rule out the possibility that you are the Messiah?

A. Let God answer you, let God answer the world.

Sontag: What problems do you see for the church and this work when you are no longer alive to lead it?

Sontag: What problems do you see for the church and its mission when you are no longer in life to lead it?

Moon: I have consummated my personal mission here on earth.

Therefore, whether I remain here on earth or whether I am taken to the spirit world doesn't make any difference.

Moon: Our movement has laid a firm foundation.
It exists here in the human level, but it is spiritually established; its root is God and the spirit world.

On this foundation the movement will never fail.
It will go on without me and the kingdom of God shall become a reality here on earth.

The Life & Death of Sun Myung Moon

Worthy to open...

I saw in the right hand of him who was seated on the throne a scroll written within and on the back, sealed with seven seals. (Rev. 5:1)

On this very scroll were the words the Lord is to give us in the Last Days. - Divine Principle

Thus, the day must come when Christ will open the sealed scroll, which has long remained a secret to mankind, and reveal the new truth to all the saints. - Divine Principle

Worthy to open...

Therefore, it is said,

"You must again prophesy about many peoples and nations and tongues and kings." (Rev. 10:11).

Worthy to open...

And in the last days it shall be, God declares,
that I will pour out my Spirit upon all flesh,
and your sons and your daughters shall prophesy,
and your young men shall see visions,
and your old men shall dream dreams;
yea, and on my menservants and my maidservants
in those days I will pour out my Spirit;
and they shall prophesy.

- Jesus Death and Ressionction

- True Fathers 7 Close Deaths and Ressionctions

As a Messiah, to accomplish resurrection is an extremely meaningful accomplishment.

We were created by God but then,
because of the Fall, we fell away from God.

So for us, returning back to God's direct dominion that is resurrection.

Jesus came in order to recreate mankind back into the state of being in God's direct dominion.

But Jesus was not able to accomplish that completely because he went the way of the cross.

He did manage to accomplish the spiritual resurrection
but the physical body remained in the realm of Satan.

So Jesus died once, was resurrected once, spiritually.
and forty days after, he reappeared to mankind and was able to establish a very huge Christian church foundation based on that one resurrection.

True Parents have **faced death seven times** and been resurrected seven times, not only spiritually, but spiritually and physically.

This means that True Parents have an extremely huge gift to give to mankind because of the victory of those resurrections.

That's the grace of the seven deaths and resurrections.

True Parents have also discussed that we need to go through eight stages of horizontal [resurrection].

We have to accomplish victories at the individual, family, tribal, race, nation, world, cosmic levels.

1. The first resurrection was in the prison at Gyeonggi do.
Father was imprisoned in October 1944.
He was imprisoned for about 4 months until February 1945.
2. The second death and resurrection was at the Jeongju police station in North Korea. He was imprisoned for about a week during October of 1945.
2. The third time Father was imprisoned was by the internal security forces in 1946.

4. Hungnam death camp 1948-1950

*Father was able to witness and gain 12 disciples,
12 people who devoted themselves to Father at the risk
of their own lives. /WonPihlKim*

Korean War 1950-53, to Liberate True Father.

5. After Hungnam, Father was imprisoned again in Seodaemun prison in 1955.

6. The sixth resurrection was when Father was held in Danbury from July 20, 1984 until July 4 1985.

7. The seventh resurrection was 2008 the “helicopter accident”.

If we compare Jesus' resurrection and Father's resurrection,
True Parents were substantially resurrected.
Jesus shed blood on the cross.

True Parents were resurrected without shedding blood.
Jesus died alone and had to go and re-gather his disciples
when he was in spiritual form.

True Parents were not alone.

They had their followers with them in the helicopter and their followers saved them.

Jesus had to witness to himself as the Messiah after his resurrection.

But there were many, many people to witness to True Parents as the Messiah.

They did not have to do it themselves.

Imagine now, True Parents have been resurrected seven times,
physically and spiritually.

So at this time, we need to believe in True Parents and
lead a clean and holy life.

We need to become one with True Parents.

We need to live for others.

We have to throw away all our old habits and become a model family following True Parents.

We are the people who should be following those eight stages of resurrection.

We need to clean ourselves internally and join with True Parents.

We are the people who should be following those seven stages of resurrection.

We need to clean ourselves internally
and join with True Parents.

If you believe that the Messiah will literally descend to earth from the clouds, as a fantastical being surrounded by platoons of angels blowing their trumpets, when the dead people will literally rise up from their graves, and we who are alive will be literally caught up on the clouds, then, definitely, Reverend Moon is not the one.

However, if you believe that Christ's return will be manifested through another person born on earth, then this makes sense that Unificationists believe that Reverend Moon is the one.

When I give lectures about the Second Coming, people asked me, "Where would Jesus be in this equation?" Jesus will be working with this anointed person to carry out his mission.

That anointed person is the returning Christ. Of course, you are well aware that the word "Christ" is not Jesus' last name. Christ or "Christos" in Greek means, "the anointed one."

/Nelson Mira

Is Jesus God Himself!

No, the Principle states clearly;

It is written that since his resurrection, Jesus has been interceding for us before God^{19(Rom. 8:34)} as he did while he was on earth.^{20(Luke 23:34)} If Jesus were God, how could he intercede for us before Himself?

Jesus called God "Father," thus acknowledging that he was not God Himself.^{21(John 17:1)}

If Jesus were God, how could He be tempted by Satan, as Jesus was?

We can conclude with finality that Jesus was not God Himself from the words he uttered on the cross,
"My God, my God, why hast thou forsaken me?"

Is **Sun Myung Moon** God Himself!

No, from the Arthur Ford sitting;

Fletcher: ...even Sun Myung Moon has not exhausted the possibilities of the Divine Mind.

He is, and - as long as he lives will continue to be, a channel for revelation.

The channel never ceases to flow; the fountain never dries up.... Always it will be the Spirit of Truth, who is not limited in any direction by either a group, a man, or anyone else – he uses one man or he may use a million men, but he is never limited.

The Spirit of Truth, like the sun, will light the whole world.

1920 - 2012

“There is no death anymore, and if I were to suddenly die I would continue to work in the same way in the spirit world.”

After my death millions of people in the spirit world and here on earth will testify to my deeds, and to what I have done in history.

This may not come in my own lifetime, but in eternity I know that my deeds will shine.“

Theological Meaning of date, time and age of True Father's Passing

/120914 by Tongil Group Newsletter

Part I.

- The DP (Divine Principle) specifies the number 12 as significant for Adam to reach perfection
- Each of the four positions must pass through the three stages of the growing period, making a total of twelve
- Each of the four positions must accomplish the “three object purpose by taking three object partners” which makes a total of twelve object partners

- Central significance for both the Principle of Creation and the Principle of Restoration is the number 10 as it represents unity with God attained by passing through the nine levels of the Indirect Dominion and reaching the 10th level of the Direct Dominion.
- The number 144 derived from the Biblical reference to the 144,000 who comprise the "first resurrection."
- Christ at the Second Advent must restore through indemnity in his lifetime, both spiritually and physically, the long providential course since the First Coming of Christ. To accomplish this, he must find a required number of believers, corresponding to the number 144 the multiple of 12 x 12.

- DP also explains the significance of the numbers 7 and 21 which is important to comprehend the significance of the Heavenly Calendar date of True Father's Passing

Part II. The Correspondence Between The Providential Numbers and the Time of True Father's Passing:

- The date of True Father's Passing is September 3, 2012 or 9/3/12.
- The sum of 9 plus 3 is 12.
- the sum of the month and day (9/3), 12 and the year (12) when multiplied by each other (12x12) yield the total of 144

Part II. The Correspondence Between The Providential Numbers and the Time of True Father's Passing:

- True Father passed on 3.7.17 according to the Heavenly Calendar and also fulfilled the numbers 21 and 7 as well as 12.
- The sum of the day and month (7/17) adds to 24 or 2×12 . Multiplying Cheon-gi year 3 to the month 7 yields the total of 21.
As elaborated above, the Divine Principle understands 7 as the number representing the perfection attained when one achieves the 4 position foundation by passing through the three stages of growth.

Part II. The Correspondence Between The Providential Numbers and the Time of True Father's Passing:

- Further, the number 21 represents the 7 year period for each of the Three Stages of Growth.
- True Father passed in the morning at 1:54.
The sum of those three numbers (1+5+4) is 10.
As was previously explained, the number 10 signifies unity with God that is achieved on the basis of proceeding through the 9 levels of growth of the Indirect Dominion and entering the 10th level of the Direct Dominion.

Part II. The Correspondence Between The Providential Numbers and the Time of True Father's Passing:

- Thus when we look at the day, month, year as well as hour and minute of our True Father's Passing we come to realize that they proclaim the victory of True Father's mission on the earth after having achieved oneness with God, the four Position Foundation and the requisite number of believers.
- We can appreciate that 1:54am on 3.7.17 (9/3/12) was the appointed time by God for True Father's Passing so that True Father may carry on his victorious earthly mission in the Spirit World.

Part III: The meaning of the Number of days that Abonim Passed Before Foundation Day:

- The first human ancestors had to pass through a course of growth that fulfilled the number forty which is the multiple of 10 and 4 (derived from the 10 levels including Direct Dominion and the number 4 of the four position foundation)
- Each central figure must restore the number forty:
“Each position of the four position foundation should fulfill the indemnity period to restore the number forty, yielding an indemnity period to restore the number 160.

Part III: The meaning of the Number of days that Abonim Passed Before Foundation Day:

- True Father passed 172 days before Foundation Day; the number 172 is comprised of $160+12$.
The number 12 symbolizes that True Father has achieved perfection and established successfully the 4 position foundation passing through the three stages of growth and attained oneness with God.
- The 160 is the indemnity course that “fallen people were to fulfill.”

Part III: The meaning of the Number of days that Abonim Passed Before Foundation Day:

- Conclusion:

True Father from the Spirit World and True Mother on the earth will cooperate to guide us to fulfill the condition to restore the indemnity period of 160.

True Father in the Spirit World and True Mother will fulfill the Foundation Day Holy Wedding of True Parents of Heaven, Earth and Humankind and dispense this final Re-Blessing to all Blessed families on the same day!

How is restoration through indemnity possible without knowing the Principle clearly?

The messiah as the *tribal messiah*
does not come automatically.

You need to know clearly about Cain and Abel.

Cain and Abel must unite in order to prepare a firm foundation for the tribal messiah to stand on.

I have indemnified the national level time period centering upon Jesus, and **we are now liberated from it.**

You can become tribal messiahs on the worldwide level where there is no more persecution.

From now on, when you are united with your spiritual children and restore your tribal messiahship, even other tribes in the spirit world will support you.

A united front line will then take place.

- Then said Jesus unto his disciples, If any man will come after me, let him deny himself, and take up his cross, (fallen human body) and follow me. Math 16:24
- Hardship itself isn't a bad thing.
The cross you carry isn't bad.
The true path of the cross will lead you to the true path of love. Parents walk willingly the path of the cross for they love their children. Isn't this right? So, the true path of the cross will lead you to the true path of love.

/SMM Life with the Physical Body is Very Short 1972

At present, the most likely means through which Rev. Moon might enjoy a successful returning resurrection seems to be through Unificationist spiritualism.

In this, the Unificationist experience offers another parallel with a potent detail of Franciscan history: *The Little Flowers of St. Francis* came about partly as the result of spiritualist experiences among devout Spiritual Franciscans of the fourteenth century.

Moon's own shamanic communion with the "spirit world" was at the core of his religious experience, and underlies the foundation of *Divine Principle*, his systematic theological system.

The early years of the Movement in Korea was a time rich in passionate religious experience of many kinds, including spiritualistic manifestations.

Unificationist Theology in the 13th Century?

2016-1975

During a trying time as one of the original 1975 missionaries to Uganda, Hideaki Kamiyoshi recalls, “As I walked along the street, I had a vision of Father as he was in his early thirties.

I felt as if he were with me.
I could not stop adoring him.

2016-1975

I was drawn to incorporate in my world the intensity and the perceptive heart Father had found in his youth.

Because of this experience, I feel that whenever we face our limitation, the best way to overcome it is to think of Father.”

2016-1980s

Beyond members

Many Unificationists have had dreams or visions of True Parents.

Some had these before they had even met the church.

Philip Burley is one of the earliest American members.

He received the blessing on February 28, 1969 in a group of thirteen couples.

In the mid-1980s, he described experiences he had had before joining our movement.

2016-1980s

Jesus appeared in a dream,
letting me know how much he loved me,
how he was a man of flesh as any other man,
and that as much as he had tried and desired,
he could not complete his work.

For this he was most sad and in a way broken.
I shall never forget his personal love and kindness
in this dream.

2016-1980s

Jesus appeared to me again for a last time.

I was in a place not unlike heaven in the spirit world. Jesus appeared in the distance and began approaching me.

At one point, he stopped and gave me an ancient salutation.

2016-1980s

As he did so, a voice spoke and all around me
the atmosphere rumbled with the sound.
It was like the voice of God and it said,

“This is Jesus, the Christ.”

2016-1980s

Another man dressed in Oriental garb appeared beside Jesus — it was **Father (SunMyungMoon)**.

They then became one and Father went inside of Jesus, and Jesus' face became magnificently radiant as he continued to walk toward me.

He took both of my hands in his, and I felt tears running down my cheeks.

2016-1980s

Satan appeared in the dream, accusing me of my past sins.

Jesus only became more compassionate.

I spoke, saying, “I have waited all of my life to meet Jesus.”

Jesus spoke to me from his mind, “I understand.”

Conclusion:

The Jews are still waiting for their Messiah,
coming in Jerusalem.

Most Christians await Jesus Second Coming in Jerusalem

What a novel idea by a young korean,
that the Second coming of Jesus is third Coming of
pure Adam and Eve,
and the descent of a Holy Spiritual Jerusalem
upon a united Holy Korea.

See Divine Principle & Jerusalem

Conclusion:

There are 4 cornerstones supporting the coming of a New Sinless Adam in physical form, in a new prepared country;

1. The 3 Blessings Gen. 1:28, remains unfulfilled; even though Jesus qualifies for the First Blessing – he became fully fruitful - a Divine human being. To fulfill the remaining Blessings, Christ need a Physical Body to create a new eternal Sinless Family, offspring and a Blessed (forgiven) following.

Conclusion:

2. Jesus disqualified Israel as the landing site for this (Physical) Second Coming, by his words in the parallels of the vineyard.
3. Rev. sais a women gave birth to a MALE child – Christ at the Second Coming.
4. He will have a name only known to himself – truly a NEW Adam
