

HTM - Heavenly Tribal messiahs

Introduction

Introduction

1993

"Ladies and gentlemen, it is my great privilege to announce to you the establishment of the first True Family. Reverend and Mrs. Sun Myung Moon ... have achieved, on the family level, the central root, the central trunk, and the central bud of the Tree of Life mentioned in the Bible."

/May 13 1993

and thirteen of their sons, daughters, and sons and daughters-in-law

Introduction

This marks the beginning of the Completed Testament Age.

At the dawn of the Completed Testament Age, the time has come for each family to take up the messianic mission of completing the work of salvation all over the world.

After restoring your family, the next step is to restore your community, tribe, and nation.

We call this process tribal messiahship."

Introduction

Tribal messiahship is the fulfillment of the biblical vision of "a chosen race, a royal priesthood, a holy nation" (1 Peter 2:9).

This race, however, is the "love race," including all people in one global family.

In fact, the Reverend Moon calls us to become "a royal family of God."

Introduction

Tribal messiahs also answer Jesus' call for the "faithful and wise steward" (Luke 12:42), trusted by his master with all the goods of his household. God has indeed bestowed upon us the goods of this earth.

Tribal messiahship requires wisdom in responsible care for the creation, based upon faith in the master who created it.

Introduction

Tribal messiahs also inherit the commission given by Jesus to evangelize and teach (Matthew 28:19-20).

To live for the sake of others means not only to serve others spiritually and physically, but to teach others the word which gives life, God has revealed His word progressively according to man's ability to receive it.

Today marks the opening of the Completed Testament Age, in which God's word is made flesh as husband and wife, parents and children. It is the responsibility of tribal messiahs to witness to this truth, to teach it and to live it.

Due to Adam and Eve's fall, the elder brother was positioned on **satan's side**. This should be reversed.

This reversal of dominion has reached the summit of the world.

The **satanic world** has developed until now centering upon the nation.

That is why the Messiah cannot come unless there is a rational level of unity between Cain and Abel. Cain and Abel must unite in order to prepare a firm foundation for the tribal messiah to stand on.

Jesus came to earth 4,000 biblical years later than Cain and Abel. What did he seek? He came to look for a Judaism united with the nation of Israel, which were in a Cain and Abel relationship with each other. Nothing is possible without considering Cain and Abel's story.

The returning Messiah must deal with the blood relationship. The Messiah is in Adam's position. That is why a parent is restored through Abel, as the Principle makes clear.

© Kent Olsson Foto

What should Abel do? Abel should make Cain surrender at the national level.

The nation of Israel is Cain while Judaism is Abel, so Judaism should control the Israel nation.

On that foundation, Judaism was supposed to become one with Jesus.

If John the Baptist had become one with Jesus
Judaism would have been one with Jesus.

I have exceeded Adam's and Jesus' vertical foundation.

I have successfully established all the eight levels of the vertical foundation.

You are supposed to lay the horizontal foundation.

The eight horizontal foundations -- individual, family, tribe, race, nation, world, cosmos and God -- are to be focused on one point.

Everything is to be connected centering upon the family.

You are to be successful in winning both the vertical and horizontal victories on the worldwide level.

The people of Israel longed to meet the Messiah for 4000 years.

That very Messiah came into your own tribe.

What does that mean?

You are to indemnify Judaism and the Christian cultural realm, which nobly worked in order to meet the Messiah for thousands of years and which have been the mainstream of religion since the generation of Adam.

The cherished wishes of Adam, Noah, Abraham, Isaac, Moses, Jesus, myself and God are to be fulfilled.

Why do we need tribal messiahs? We are not born of heavenly parents.

Our hometown is not a heavenly hometown and our parents are not heavenly parents.

Only when we set up heavenly parents and a heavenly hometown can all humankind become the people of the heavenly nation and go back to the original position, inheriting the heavenly blood lineage.

The Kingdom of Heaven on earth can then be established.

You should think of Cain and Abel when talking about tribal messiah. After the restoration of the birthright -- the elder sonship, what comes next? [The restoration of parentship.]

Adam and Eve's blood became **contaminated**.

The root is planted incorrectly, so you are to be blessed with and engrafted to True Parents' blood lineage.

We all then get to come to one root which leads kings to be established

What is the mission of tribal messiahs?

It is to restore elder sonship. God, centering upon the religious dominion, has been working ceaselessly to restore elder sonship for several millions of years.

Elder sonship has not been restored, because nobody knew how to do it.

Due to my appearance, the restoration of elder sonship is possible for the first time in history.

What comes after restoration of elder sonship? Restoration of parentship. After combining elder sonship and parentship, kingship has to be restored.

Where is Jesus now?

Is he in the Kingdom of Heaven or in Paradise? [Paradise.]

You will end up being in Paradise, if you do not fulfill your responsibility as tribal messiahs.

If you cannot establish the Kingdom of Heaven on earth, you cannot go to the Kingdom of Heaven in heaven.

There is no such word like "tribal messiah" in the Bible, but it is very essential in our vocabulary.

From now on it will be the time of the worldwide level. I have indemnified the national level time period centering upon Jesus, and we are now liberated from it.

You can become tribal messiahs on the worldwide level where there is no more persecution.

From now on, when you are united with your spiritual children and restore your tribal messiahship, even other tribes in the spirit world will support you. A united front line will then take place.

/SMM 1990,2.11

Chapter 2 - The Messiah and True Parents

It is said that "The Messiah comes! The Lord comes!"

What is the Lord going to do when he comes?

He is to rule the nation and the world.

The Lord will go around the world with his people according to his will and govern the world.

The world that the Messiah wants to create is the world that God loves to be in. It is also the world that our conscience, which originates from God, longs to see.

It is the day of the Second Coming of the Messiah, according to the Christian concept.

(1969.6.15. Ex-headquarters Church)

When the time and the environment are dreary, Heaven sends somebody who can take care of mankind in the Last Days. Such a person is the Messiah.

The Messiah that our Unification Church is talking about is not one of the great masters of history.

The Messiah is a father. What kind of father is he?

God is the internal father and the coming Messiah is the external father. (1963.10.18. Kwang Ju Church)

Because we human beings received **satan's blood lineage**, we cannot go back to God by ourselves.

The Messiah must absolutely restore the blood lineage contaminated by Satan.

In order to change the contaminated blood lineage, the Messiah must come.

Because **the satanic world** is composed of societies and nations centering upon couples, the Messiah alone cannot become a true olive tree.

Only when a true olive tree of the Messiah and a true olive tree of the Messiah's spouse become one, can the true olive tree fulfill its mission. Then it can bear fruit.

What does the Bible teach us?

The 66 books of the Old and New Testaments teach us the key point to accomplish God's will.

The Bible should teach us the key point of God's desire, the ideal world of love -the key point of human desire, and the direct road to the Kingdom of Heaven.

The key point is to look for True Parents

The Messiah should act as the True Parent when he comes on the earth.

Then what is the True Parent? He is a horizontal parent centering upon horizontal true love, representing the vertical True Parent. (God)

Christianity says that the Messiah is God and God is the Messiah. This is wrong.

God is the vertical True Father. He is the only one vertical Father. There is no other.

The Messiah is the horizontal True Parent.

(1989.1.24. Ilhwa Yong-In Factory)

This is the Last Judgment.

When does this judgment take place? It happens when the root and all the side branches of **the satanic world** are cut off.

Only the mainstream who connect to the original root can inherit the position of heir to receive God's love.

The Unification Church follows the heartistic way of truth by working to connect the trunk, the branches and the leaves which originate from the root of love to mankind in order to resurrect the world.

For that reason, True Parents and their love are absolutely needed, (1987.5.10. Pusan Church)

The Kingdom of Heaven is the place where the husband and wife -a family -and furthermore, the whole tribe, the whole nation and the whole world are to go together.

The place where the whole group can go together is the Kingdom of Heaven. This is the way of the Unification Church.

Our mass wedding ceremony takes place according to this principle.

The mission of True Parents is to indemnify, even conditionally, all the blocked realms of the spirit world from the very bottom of the earth.

They must go through the course of indemnifying the entire history of mankind.

Centering upon the conditional nucleus that can connect the vertical eight stages into the horizontal eight stages, they are to indemnify history.

Father has been doing this for forty years. (1987.5.14. Korea)

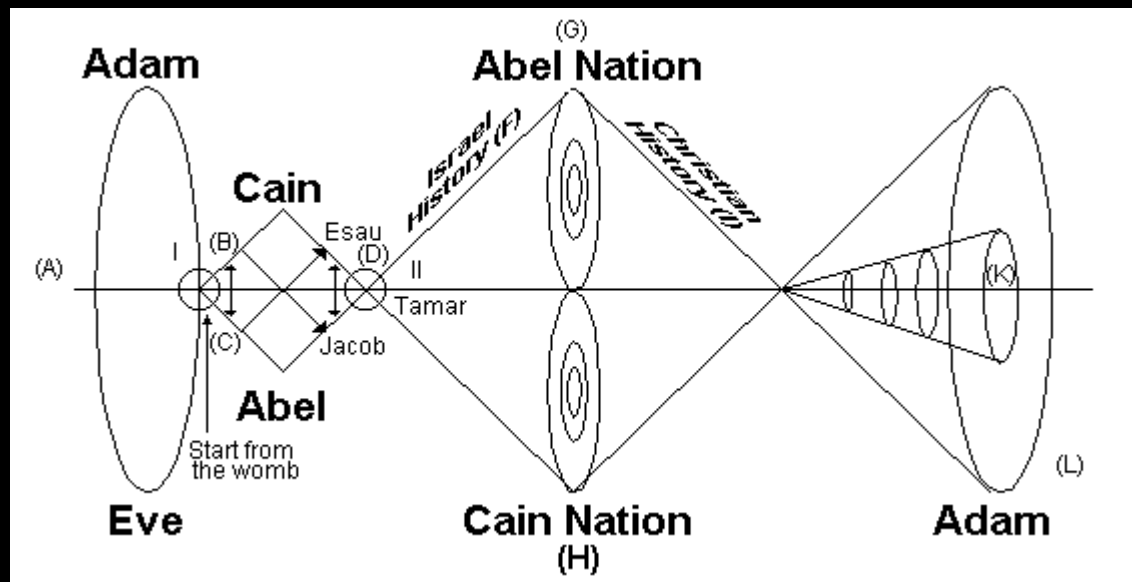

Because True Parents are proclaimed, Korea will not perish.
All nations, including the Soviet Union and the whole world,
will not perish.

If there had been True Parents in the Garden of Eden, **satan**
would have never existed there.

Because your ancestors went to spirit world earlier than you
and they are in the position of the archangel, you are to
precede them. (1990.6.26. Kwang Ju Church)

Chapter 3 - The Essential Restoration and the Establishment of Elder Sonship

Because the distance was too far when the brothers were of different ages, God started to look for brothers much closer in age.

In other words, God wanted to lead this providence of restoration toward a standard much closer to the origin.

The best way is to push Cain and Abel back into their mother's womb, but this is physically impossible.

This is like overlapping at the center.

I coincides with II. The part of I is repeated in the realm of II.

So God's providence proceeded through the twin brothers, Jacob and Esau. The same principle applies to them.

Jacob should take his elder brother Esau's position, and Esau should go down to his younger brother Jacob's position

"Two nations are in your womb, and two people from within you will be separated; one person will be stronger than the other, and the older will serve the younger."

Jacob was setting up the condition not to be accused by **satan**.

He could buy the birthright from Esau with bread and lentils, so **satan** could not accuse him even though he stole the birthright from Esau.

The birthright was restored and their father's blessing was given to Jacob; but Esau was extremely angry and he wanted to kill Jacob, just like Cain killed Abel

God's providence is to reach the peak of completion with True Parents as absolute subject united with an absolute object.

Because Jesus was crucified on the cross, the True Parents in a physical form could not be actualized at that time. In other words, God's blood lineage was established, but the substantial True Parents with both a spirit and a physical body were not actualized.

Christian history, I in the diagram, is limited to the spirit world and spiritual salvation, and the physical salvation -- physical redemption -- was not realized

Circle L in the diagram shows **the satanic world**. Once the heavenly nation is restored, it will expand to two, three and four sovereignties, and ultimately will continue to expand until it covers the whole world.

The people who belong to the heavenly nation will automatically restore everything, Until we restore such a heavenly authority, we must go through a course that is like climbing up to the summit

The resurrection and new life mentioned in Christianity have to do with such a pattern of unity.

At the point E in the diagram, the restoration of blood lineage was established through the mother, so the sinful blood lineage was restored to the heavenly blood lineage.

The complete and the essential rebirth is to be established through the True Father.

From that time of the new creation, the complete salvation of receiving both spiritual and physical redemption is possible.

Our children can then go to the Kingdom of Heaven without going through the process of salvation.

(1972.4.1. Paris Church)

The older brother Zerah put out his hand first, and a midwife tied Zerah's wrist with a scarlet thread. This gives an advance notice that communism will surely appear in later history. Perez, who was to restore the older son's authority, drew Zerah back into the womb and he came out first. Here, finally, the restoration of the birthright took place in the mother's womb,

In the history of Rebecca and Tamar, we see how the first and second sons fought with each other in order to accomplish the change of blood lineage. When in Tamar's womb the first son became the second and the second became the first, then the birthright was restored for the first time in history. (1986.1.31. Hannam-dong House)

In the original world, only the first son is supposed to receive the blessing. Because **satan** rules the whole world, which is in the position of the first son due to the fall, there is no way for Abel to win back the first son's position unless he wins a battle against **the satanic world** and brings back the gifts of the victorious champion.

That is why the battles of the individual Cain and Abel, of the family level Cain and Abel, and of the tribal, national and worldwide level Cain and Abel have been inevitably developing in order to restore history through indemnity.

Many religious people have been sacrificed in this restoration process, but until now, no one understood why this was happening. (1984.5.1. World Mission Center)

According to God's law of love, the second son is not supposed to go directly to his parents; instead he is supposed to make his first brother represent him.

Because the first son committed sin, he pushes his younger brother to represent him in front of their parents. That is why the second son goes to the parents, instead of the first son.

Even though the older brother came before the younger brother, the younger brother is more advanced.

The second son receives the blessing in the Bible because he gets persecution. (1986.11.17. Little Angels Art Building)

Without love, you cannot make **satan** surrender to you. In order to become a family qualified to enter the Kingdom of Heaven, there must be the conditions that God loved the fallen archangel and that the family of God's children also loved **satan**.

You must also set up a condition to make **the satanic world** surrender with love after going out and fighting with them.

You must be able to say, "I did not destroy the enemy by force; instead I restored the birthright by winning the natural surrender of the enemy."

Chapter 4 - What is a Tribal Messiah?

What is a tribal messiah? He is the master of true love.

To be a master of true love was the hope of Jesus, the hope of Adam and Eve, and the hope of God?

Thus everybody has to become a master of true love and march on. If that happens, everything will be finished.

Telling you to become a tribal messiah means telling you to become a tribal ancestor. (1989.1.3. Hannam-dong House)

In this vertical position, I have come to the physical world as the representative of God in heaven, and dispatched tribal messiahs on this earth horizontally at this time.

Even if I die now, tribal messiahs will inevitably be grafted into this domain that is prepared in the world, connecting through this iron bar to the vertical world.

Tribal messiahship is what I hand down as the definitive core.

Through it we can indemnify all the mistakes of Judaism and Christianity, and with victorious authority become the place where the blessings that Buddhism, Confucianism and all religions want to receive are combined. That is the tribal messiah. You do not have to worry about the nation. You do not have to worry about the world.

All you have to worry about is your extended family.

(1990.2.4. Headquarters Church)

Originally, the ancestor of mankind was supposed to have his/her internal mind and external body united in an exactly perpendicular ninety-degree angle.

Our original parent was to unite horizontally in a perfect ninety degree angle with God's vertical love.

On the national level, I have established the standard of restoration through indemnity and prepared a foundation that can connect things, but I cannot make your own tribal foundation, right?

That is the responsibility of each tribal messiah.

In order for an individual to find peace, he needs a family; thus the Unification Church has been fighting to establish true families. In the same way, a family cannot find peace without a tribe.

Your tribe serves as a fence to protect you and your family from the blowing wind. Without connecting to your tribe, you cannot exist in a peaceful family.

Why did I send you out as tribal messiahs?

Two thousands years ago, Jesus was sent to this physical world from the spiritual world through a vertical course.

Today Reverend Moon, in the position of God and representing heaven, is sending out thousands of messiah-type families who can represent their tribe. Now we cannot perish.

I proclaimed tribal messiah this year January 3rd,
at 2:30 p.m. (1989.1.8. Headquarters Church)

I have prepared everything for you also to become a national messiah, world messiah and cosmic messiah.

I have prepared treasures that are as large as a mountain. If you can become a messiah, you will be able to inherit all this.

It will be as if a pipe is connected to you, and like flowing water, all that treasure will be handed down to you,

You must follow my way. You must walk the same road that I walked in the past.

After that, you can have freedom, then the new Heaven and earth will unfold. We desire freedom.

We are the tribe of love, right? [Yes.] I believe in the tribe of love. I love the tribe of love. I want to guard and protect the tribe of love. I am proud of you who are in the tribe of love. The tribe of love can only go one way, not two.

This time, without fail, everyone with the responsibility of tribal messiah should return to his or her hometown and proudly say, "I have returned as a tribal messiah."

This is for you and for your descendants. It is similar to the time when land was allotted to each of the twelve tribes of Israel. Now we have entered Canaan.

When you see this from the Divine Principle point of view, if the family is the formation level, the tribe would be the growth level, and the nation, perfection.

If you look centering on the nation, the nation would be the formation level, the world would be the growth level, and the cosmos, perfection.

If you look centering on the world, the world is the formation level; Heaven and earth are the growth level, and God Himself is the perfection stage.

They are combined by love.

You must know the serious fact that you can now inherit the foundation of Israel through three ages. We should not forget that we can inherit the victory of Israel.

Do you understand how fearful are the words "tribal messiah"?

If the messiah does not fulfill his responsibility, he has to die. He cannot return before he dies.

This is the mission of the messiah.

Chapter 5 - Activity of Tribal Messiahs

Prayer:

Even though we have not yet accomplished it, I give them the name of tribal messiah. With warm love, please give them great support and help them expand the realm of the restoration of their tribes so that they can achieve the standard of Heaven and advance to the world of the unification of north and south.

Please allow them to connect to Asia, the world and finally to the liberation of Heaven. All this I proclaim in the name of True Parents. Amen! Amen! Amen!

(1989.1.3. Hannam-dong House;
1989.1.8. Headquarters Church)

Take responsibility for your tribe. Save your tribe. Take on this great tribal messiah responsibility. Risk your life and go.

Adam's fall threw mankind into chaos. Jesus has to restore this. The fall cannot be restored without parents' healing efforts.

True Parents have to do this. Would they have to restore the three billion people of the world? No.

Their filial sons and daughters, the loyal men and women who have done their filial duty to their Parents, go out in the name of True Parents and as the representatives of True Parents, restore them all.

By giving your love to your hometown with your blood, sweat and tears, you can make it your place of origin, where you can settle down.

You are becoming the ancestor. You are the founder, the originator. It is the original ancestors responsibility to help refugees from the fallen world. You are to be like a true original ancestor.

Without having the heart of an original ancestor, you cannot spread God's truth in your hometown.

This is the teaching of the Divine Principle.

(1988.6.1 Headquarters Church)

Because your good ancestors will be surrounding you, they will create a realm where evil and **satan** cannot invade. As you make a foundation centering on that standard of original heart, you inherit the position of the original true ancestor.

Then through your heartistic connections with your clan -- your grandfather, grandmother and everybody else -- will be moved to bow down to you.

Thus you should live for their sake. Do many activities for their sake. Representing your clan, fulfill the mission of tribal messiah and thereby resurrect your clan.

Those older than twenty are like your elder brother, and those below twenty are like your younger brother. They will naturally unite with you. Those people who are slightly younger or older than twenty should respond to you. If there is a problem, they will follow you.

Since that kind of environment awaits you, where will you go? Will you just stay here or will you go away to your hometown? [Go to hometown.] This is the only way to become their true ancestor. This is an incredibly tremendous truth. Unification Church members are entering that stage all over the world.

Moreover, since you are blessed families, satan cannot accuse you. Thus you must be bold and strong.

You must go back to your hometown before I do. In the process of restoration, parents do not go first. Abel must be restored first.

If the Unification Church is Abel, the established churches and the people are Cain. They must be united and go back to hometown, What do you do in your hometown?

You as an Abel must completely embrace the realm of Cain.

However, you are not yet at the perfection level of the growth stage. You are marching to **the satanic world** centering on the connection of shimjung in which you serve God at the perfection level of the perfection stage.

Thus, if you have faith and if husband and wife unite, everyone will be easily won over, including the father-in-law.

You must have such a faith. You must bear the responsibility of Abel. You must fulfill the mission of the family level Abel.

Where do Cain and Abel go after they are restored?
They must restore the parents.

The Principle is that you restore the outside Cain and Abel and then your own brothers and sisters.

Thus, if externally our foundation can connect with the nation now, then you are responsible to restore your own brothers and sisters and parents internally. From now on, you must concentrate on this.

Love starts at my home.

If I have received love from my parents, I must love them back. This is the heavenly way.

The fundamental source of heart is the relationship of father and son. This is planted in the villages.

Due to the fall, all this got overturned. This must be resolved on earth. You must go back to the village and become a better filial son and daughter than those who love their parents on **satan's** side. Only then can good ancestors come down to earth. Spirits, who can move horizontally, then bring the name of the beloved one from their hometown and come and support you.

This way you expand your horizontal base.

This is restoration. (1988.4.6. Hannam-dong House)

God was trying to send the Messiah in the Old Testament era. He was trying to do everything in this way through the vertical path. During this Completed Testament era, we are to send the messiah to the four directions on the earth centering on me, and I am centering on the earth and God.

Whose responsibility is the messiah supposed to fulfill?
He must restore the failures of Jesus. Did Jesus get married or not? [He did not.] Did you get married or not? [We did.]

Centering on this issue of marriage, who is better? How did you get married? Was it done randomly or casually; how did you do it? Your blood lineage was transferred through True Parents. Your bloodline has undergone a transformation.

Chapter 6

The Restoration Of Kingship And Registration In The Hometown

You should go to completely educate the fallen world, the ignorant people. You are to go in order to complete the ideology of three subjects centering on the three loves.

Who is the unity of the three subjects? It is God.
Isn't God the Owner of owners? God is the Parent of parents.
He is the root. God is the Teacher of teachers...

The ideology of three subjects centering on the ideal of creation and love is the ideology of owner, then the ideology of parents, and then the ideology of teacher.

You cannot overcome **satan** if you cannot completely deny yourself. Therefore, you must go through suffering for three and a half years.

You should start from the position of a beggar and a slave of slaves, and then rise up.

From a slave of slaves to a slave, adopted son, illegitimate son, child in direct lineage, next mother, father, God -- this makes eight stages vertically.

There are also eight stages horizontally:
individual, family, tribe, race, nation, world, universe and God.

In this way, there are eight stages horizontally and eight stages vertically.

This is the Principle point of view. These are not my words

I have proclaimed the Pal-Chung ceremony in Alaska on August 31, 1989. The result of this is that no more indemnity for mankind or the world has to be paid. This means that wherever I or members of the Unification Church go in this world, persecution will no longer be present.

No matter what we do now, whether we build the Kingdom of Heaven or do some other similar things, no one can make accusations against us.

The Pal-Chung ceremony is the occasion when we make the foundation for this. On the foundation of the Pal-Chung base, I proclaimed the ideology of Heavenly Father on September 1, 1989.

Adam and Eve were to be kings on the individual level, on the family level, tribal level, people level, national level and world level.

Because now the time has come when we can step beyond the national level, we can establish the kingship of the heavenly world after going beyond all the **satanic kingships**.

This date is March 27, 1990. Consequently, the world will move according to Rev. Moon's guidance.

(1990.3.27. Belvedere)

You are destined to damnation if you do not understand the value of the heavenly blessing that can establish your birthplace as the original hometown by restoring the parental realm centering on the tribal messiahs.

I am not talking to you as though I am just some stranger speaking casually as I walk past you.

I am saying these things with the authority of the head of a family and nation, and as the central being of Heaven and earth, utilizing my spiritual sensitivity.

Why am I sending you to your hometown? You are supposed to climb over the mountain together with your parents. Do you understand? [Yes.] This is love.

The unified tribe will be formed physically and spiritually only when you go to your hometown to move the people with the help of the ancestors. (1988.7.22. Hannam-dong House)

As you mingle with the families of the same clan, you are to become their parents. Only after linking themselves to you in the position of the parent of your family and tribe can they start out fresh to reach the national and world levels and return to the heavenly world.

When the restoration of the tribe is completed, then the era of the formation of faiths will come. Do you understand?

If Korea becomes united now, new tribes will be formed in the name of God. Jesus could not form tribes centering on the twelve disciples. (1989.2.5. Headquarters Church)

As the spring dawns upon the earth and the fresh green leaves of tribal messiahs sprout everywhere, the spirit world of that nation will come to our side.

The time of registration centering on heaven will come. They say that twelve tribes and 144,000 will enter. Do you know what the number 144,000 signifies? The time of registration is approaching. Your tribe must all stand in the same position in order to register as citizens of the heavenly kingdom.

I am not talking about individuals. Do you understand?
The time of individual salvation will pass behind us.

In the future, as long as the president of a nation joins the church and makes the pledge, the people will also become a part of the heavenly household, and as long as they perform the ceremonies that the church sets forth, they can all escape from **the satanic world**. Victory!

Since human beings fell while at the top of the growth stage of the growing period, we cannot go directly to the completion stage.

What this means is that people at the top of the growth stage can rid themselves of original sin through the Blessing.

They can then rise to the level above the point where the first ancestors fell.

Therefore, you must realize that the position you have acquired today through receiving the Blessing is **not that of the top** of the completion stage but the top of the growth stage. /SMM 1970.10.19

CSG v.2006 Book 1 Chapt3.1

Those families who have received the Blessing must bear in mind that until they cross over from this fallen realm, **they are only in the realm of conditional perfection.**

They are not in the realm of the perfected Kingdom of Heaven. (yet)

Since they are only living in that conditional realm of perfection, once they pass on to the spirit world, they need to go through certain formalities.

Only after they go through due formalities and reach complete perfection can they receive their passports and enter the Kingdom of Heaven.

(1978.10.9)

CSG 2006 Book 1 Chapt 3.1

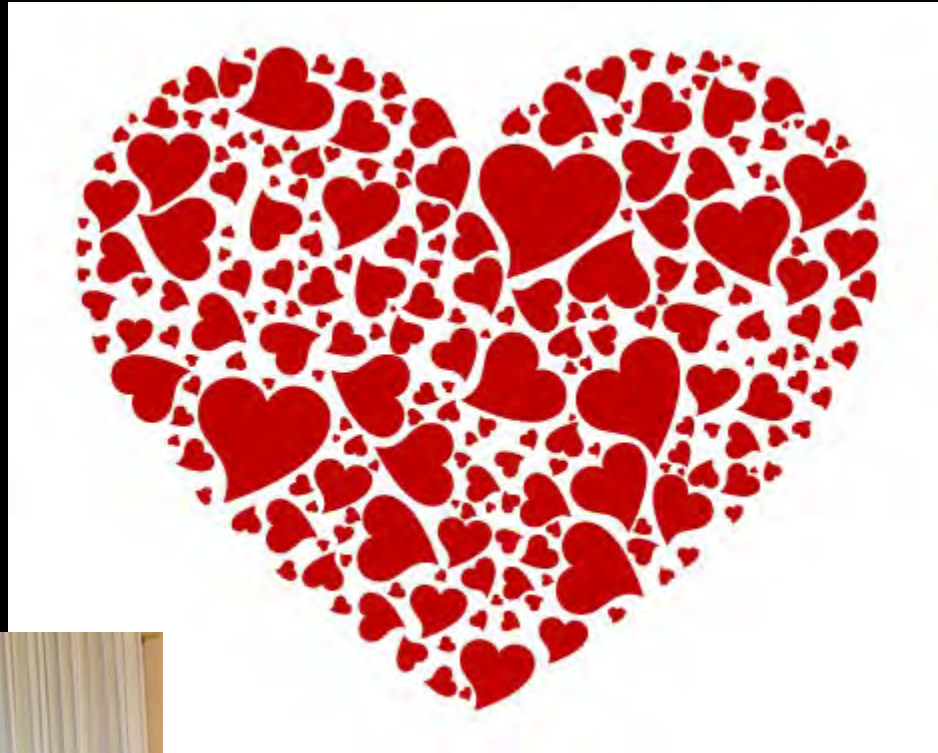

You must restore the three archangels and the eight family members who stood before Adam.

By establishing three central children, that is, three spiritual children, when they marry this makes a total of eight family members. /SMM 1983.4.10

Though your lineages and backgrounds are different, if you want to take after True Parents you must first be engrafted to them. You must do a complete turnaround and be engrafted.

To do this, you must complete the course of indemnity that you are undertaking. Since that course was begun through the True Parents, it can only be completed through the True Parents.

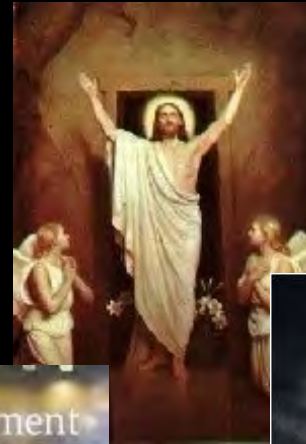

That is why you must be engrafted to True Parents.
