

Divine Principle & 2nd,3rd,4th... Generation

Introduction

- February 9, 2013 the founding day of *Cheon II Guk*
- DP: <u>Jesus' words to his disciples</u> meant that they should become citizens of the Heavenly Kingdom, <u>after having been</u> <u>restored as men who have fulfilled the purpose of creation</u>.

DP: Such a man would become one body with God, inseparable from Him, living in accordance with God's will. <u>Feeling exactly what God feels, he would possess deity</u>.

This man is <u>not in need of redemption or of a savior</u>, nor does he need the life of prayer and faith required by fallen men, <u>because he is without original sin</u>.

DP: Such a man, <u>being himself without original sin</u>, <u>comes to multiply children of goodness without</u> <u>original sin</u>; in consequence, <u>his children are not in need of a savior for the</u> <u>redemption of their sins</u>.

/Divine Principle 1973, Advent of the Messiah

Now old and new church members are in the same position.

You must inherit the historical foundation.

<u>Three generations must inherit it and to do this</u> <u>they should be ready to overcome persecution</u> <u>from the whole world</u>.

<u>Go beyond national borders and build a realm of 3 generations through your sons and daughters.</u>

First generation of the Unification Church members should become an axis. That should be your determination as you follow me.

God is first generation, I am the second generation, so how do we establish the third generation? We cross this ridge by Blessing marriages of our children.

Why do you care for all these famous universities like Yeonsei, Seoul or Harvard?

- These things shall pass.
- But people will not pass, so you have to embrace them and raise them.
- Second generation, your children are so important. To me they are the third generation. I want to entrust everything to the third generation.

If only you <u>establish the realm of 3 generations</u>, <u>the history of God's Will will develop by itself</u>.

All tribal Messiah work as <u>an extension</u> of the love in a home of three generations.

As it is with the principles through which God created, the family consists of three levels of upper, middle and lower, which pertain to <u>the grandparents</u>, <u>parents and children</u>.

This means that three levels are necessary to create harmony in the family.

Normally, three points are needed in order to create harmony.

Two points would only constitute a line. You cannot discuss harmony based on just a straight line.

Harmony can be created only when three or more points are connected together.

By the same token, there are three levels in a household.

When three generations live together in harmony as one, that household takes on a form of a true family, which Heaven desires.

Because of the false lineage, everything is in the world of lamentation.

So we need to liberate all things, the world, spirit world, man and woman, mind and body, children, including 3 generations.

So we have to create the family representing the world, so that's why I am mixing these families worldwide

We are not living for ourselves or by ourselves. We have our ancestors and descendants with us. So three generations should live there.

Absolute obedience, faith and love for True Father. Then you will be connected to the true lineage. If you do not so your best you will be thrown out, cut off

God needs 3 generations to be truly liberated. Three is the number of liberation. /SMM 010101

We have to complete our responsibility for the total sacrificial living offering. If you don't, you cannot own the blessing. Upon receiving the blessing you have to have your children establish the four position foundation and have the true seed go down at least 3 generations. /SMM 020201

777 Blessing October 22, 1978

Jesus was crucified on the cross. Now True Parents are on the earth to bring this path to heaven, centering on 3 generations, spiritual body, father and son. /SMM 031221

"We will become the family of the loyal son and patriot representing the elder sons which inherits the kingship of the Cosmic Parents, the Parents of Heaven and Earth and the Parents of Heaven, Earth and Humankind. With this we will become the family that can carefully transmit the kingship of 3 generations to our coming generations." /SMM 040308

Mobilization of 3 generations in Parents' family set up a condition.

Message 4 mentions that the Blessing is complete based on the condition laid out by True Parents' family.

Now that the law is established everyone must follow the law of the Heavenly Kingdom. Do you understand?

Parents gave first 6 Messages describing causes of the Fall.

Second part of the Peace Scripture was given on the basis of unity of 3 generations.

This means that you need to establish a true family wherein the stem of true love emerges from the root of true love and bears the fruit of true love.

In this manner, the three generations of true grandparents, true parents, and true children should live together as one family and serve the eternal God.

God desires to see such families, and it is your responsibility as tribal messiahs and Ambassadors for Peace to seek after and establish them – families of the kingdom of God.

By following God's commandment to uphold absolute sexual morality, let us establish exemplary families, inherit True Parents' victory of restoring through indemnity the realm of three generations, and perfect the world as it would have been without the Fall!. The Peace Message must be completed. Messages from the 1st to the 3rd are concerned with foundation of True Parents' family and three object purposes, with 3 generations which include grandparents and parents. /SMM 080105
