Divine Spirits
v2.2

Introduction Divine Spirits

The spirit can grow only while it abides in the flesh.

Thus, the relationship between
the physical self and the spirit self
is similar to that between a tree and its fruit.

Introduction Divine Spirits

When the physical mind obeys the spirit mind and the physical self acts according to the good purpose of the spirit mind, the physical self receives living spirit elements from the spirit self and becomes wholesome. In return, the physical self provides good vitality elements to the spirit self, which enable the spirit self to grow properly in the direction of goodness.

Harmony

Give - Receive

Spiritual and **Physical Self**

Introduction

It can be inferred from the above that the spirit self can attain perfection only during a person's earthly life. The spirit mind guides the spirit self as it grows in the soil of the physical self.

The growth of the spirit self toward perfection progresses through the three orderly stages ordained by the Principle of Creation.

A spirit in the formation stage of life is called a *form spirit*; in the growth stage, a *life spirit*; and in the completion stage, a *divine spirit*.

Introduction

A spirit fully matures as a divine spirit when the person's spirit self and physical self unite through perfect give and take action centered on God and form the four position foundation.

A divine spirit can accurately feel and perceive every reality in the spirit world. As these spiritual realities resonate through the body and manifest themselves as physiological phenomena, they can be recognized through the five physical senses.

Introduction

People of divine spirit, who thus resonate with the spirit world, build the Kingdom of Heaven on earth.

When they shed their physical bodies, they will make a smooth transition into the Kingdom of Heaven in the spirit world.

For this reason, the Kingdom of Heaven in heaven will be realized only after the Kingdom of Heaven on earth has been established.

Jesus said:

But I want you to know that

the Son of Man (*Divine Spirit*)

So he (Jesus) said to the (paralyzed) man,

"I tell you, get up, take your mat and go home."

He got up, took his mat and walked out in full view of them all.

This amazed everyone and they praised God, saying,

"We have never seen anything like this!"

Then what is salvation?

Since the family was destroyed, it must be restored.

Then why must humankind restore the family?

Why did Jesus have to come to establish his family?

Because the original family had been destroyed.

people are fallen and must be restored.

The Unification Church and The Spirit World

The official name of our church is "Holy Spirit Association for the Unification of World Christianity."

What is meant by "the Unification of World Christianity" is that its destiny is to unify the Christian churches throughout the world; next, there is "holy spirit" in the part, "the Holy Spirit Association," and this Holy Spirit refers not to the human world, but to the spirit world.

The Unification Church and The Spirit World

It means that on the foundation of having unified world Christianity, works of the Holy Spirit will take place.

Through the holy spiritual phenomena, we are trying to bring the world into one.

Therefore, if this divine spirit is left out, then what would it become?

It will be the same as the Christian churches.

It will be reduced to nothing if the divine spirit was left out.

The Unification Church and The Spirit World

What are we going to bring about the unification with?
[With the divine spirit] We are to bring the unification
through the **divine spirit**, and we are to bring the
unification through the divine spirit of the
father and son relationship.

What is this Holy Spirit?

The divine spirit is something that can bring harmony between the spirit world centered on love and the human world. Do you understand?

Hak Ja Han

Now that Father has ascended, we need to remember that our Unification Church originated from divine spirit and the truth.

In the beginning, when Father was carrying out his ministry, once members came to the church, they never wanted to leave.

Forgive, Love and Unite 2015

True Parents

They wanted to stay with Father, even if it meant staying up all night.

If there was anything Father wanted done, those members wanted to do it for him, voluntarily and willingly.

The life of faith our members led at the time was like that. So, though ours was a small church, it was overflowing with love, and we united and overcame the most difficult of times

Forgive, Love and Unite 2015

Christ at the Second Advent brings the new truth with which to fulfill the promises of the Old and New Testaments; it may be called the Completed Testament.

Believing in this truth, people are to serve and attend the Lord on the earth, that they may fulfill their responsibility for the providence and be justified before God.

Therefore, this era is called the age of justification by attendance.

By **believing** in and **serving** the Lord and **devoting themselves** to his work, people of this era are to be fully resurrected both spiritually and physically, become divine spirits, and live in the Kingdom of Heaven on earth.

When they shed their physical bodies, as spirits they will enter and abide in the Kingdom of Heaven in heaven, which is the divine-spirit level of the spirit world.

Is Jesus God

On the grounds of all these Biblical verses, many Christians have hitherto believed that Jesus is God Himself, the Creator.

As demonstrated above, Jesus, as a man having fulfilled the purpose of creation, is one body with God.

So, in light of his deity, he may well be called God. Nevertheless, he can by no means be God Himself.

The relationship between God and Jesus can be compared to that between the mind and body.

The body, as the substantial object which resembles the mind, is one body with the mind, so it may be called a second mind (image of the mind), but the body can by no means be the mind itself.

In like manner, Jesus, being one body with God, may be called a second God (image of God), but he can by no means be God Himself.

It is true that he who has seen Jesus has seen God (John 14:9-10); but Jesus did not say this to indicate that he was God Himself.

It is written (John 1:14) that Jesus is the Word made flesh.

This means that Jesus is the substantiation of the Word; that is, the incarnation of the Word.

Then, it is written (John 1:3) that all things were made through the Word, and again (John 1:10), that the world was made through Jesus; naturally, Jesus may be called the Creator.

According to the principle of creation, the world of creation is the substantial development of the character and form of a man of perfected individuality.

So, a man who has fulfilled the purpose of creation is the substantial encapsulation of the entire cosmos, and the center of harmony in the whole creation.

In that sense, it may also be said that the world was created by a man of perfection.

God intended to have man,
after his perfection through the fulfillment of his own
portion of responsibility,
stand in the position of the creator over all things,
by giving him even His own creative nature.

Seen from this perspective, we can understand that the Bible (John 1:10) only clarifies the fact that Jesus was a man who had perfected the purpose of creation, and **does not signify that he was the Creator Himself.**

Jesus was a descendant of Abraham; but since he came as the human ancestor giving rebirth to all mankind, he would become the forefather of Abraham, in light of the providence of restoration.

This is why Jesus said (John 8:58), "... before Abraham was, I am."

We must understand that **this also does not signify that Jesus was God Himself.**

Jesus, on earth, was a man no different from us except for the fact that he was without original sin.

Even in the spirit world after his resurrection,
he lives as a spirit man with his disciples.

The only difference between them is that Jesus abides
as a spirit man of the divine spirit stage, emitting brilliant
light, while his disciples are the objects who reflect this light.

Meanwhile, Jesus has been interceding for us before God even in the spirit world after his resurrection (Rom. 8:34), just as he did on earth. If Jesus is God Himself, how could he intercede for us before Himself?

Comment:

"For there is one God, and one mediator between God and men, the man Christ Jesus" 1 Tim. 2:5

Mediator is between 2 parties.

Like Jesus mediates for man between God and satan.

You can not mediate if you are God.

That's like being both defender and Judge in the court

Moreover, we see that Jesus also called upon "God" or "Father" for help, which is good evidence that **he is not God Himself** (Matt. 27:46, John 17:1)

If Jesus was God Himself, how could God have been tempted by Satan, and finally crucified by the evil force?

Furthermore, when we find that Jesus said on the cross, "My God, my God, why hast thou forsaken me?" it becomes clear that **Jesus is not God Himself.**

While on earth, Jesus was a man no different from any of us except for the fact that he was without **the original sin**.

Even in the spirit world, where he has abided since his resurrection, Jesus lives as **a spirit**, as do his disciples.

The only difference between them is that Jesus abides as a divine spirit, emitting brilliant rays of light, while his disciples, as **life spirits**, reflect that light.

1965

The Jesus of Galilee **will not return** - it is not necessary.

The Christ who manifested through him is the Eternal –
he will manifest again. (New Adam)

Mr. Moon in deep meditation can project himself
and be seen just as Jesus has been able to project
himself and be seen by the saints.

This is one of the marks - of the messiahs always.

This is the end of an age, and the battle that is raging is really Armageddon.

It's a battle between the selfish, brutal men who do not think in terms of God or things which are associated with that word - against those peoples who will be the harbingers of the New Age.

You are now in the new Age - and old things are being destroyed - and new things - which are eternal but which are new only because mankind has now reached the point where it is able to recognize them and use them.

'From the days of John the Baptist until now the kingdom of heaven suffers violence, and violent men take it by force. /Mathew 11:12

The revelators seldom live to see their revelations widely accepted. But they do always draw to them – and leave behind them – a group who continue the revelation.

But it is not likely that everyone will accept it, because it needs education and it will take time.

Nobody can give away perfection.

Perfection was the ideal, and perfection was mans goal from the beginning, but man choose himself to loose that perfection, and she must now choose to return to it.

But you cannot expect the message to be accepted immediately by vast numbers of people only those who are ready and who are willing to listen and to whom this particular message seems to be right and meaningful.

That is the way that all the world teachers have had to go.

And remember one thing only, that if it is of God, it can not fail.

And it is of God.

Divine Principle

The Fruit of Life and the Divine Spirit

Sun Myung Moon November 8, 1970

The Unification Church must bear fruit. Starting from its establishment until now, our church has undergone acute hardships and ordeals while advancing toward its fruition. The critical issue here is the quality of the fruit it will bear. From this perspective, you should be able to check whether you have indeed experienced a normal spring, normal summer, and normal autumn and whether you can bear a fully ripe fruit.

The Fruit of Life and the Divine Spirit

Sun Myung Moon November 8, 1970

While the fruit is growing, its essential elements should never be severed.

It should be left undisturbed to grow continuously.

From the day its life began until the time it is harvested by the owner and kept in storage, the essential elements should never be disconnected, not even once.

Whether it is windy – or worse still, stormy, they must not be disconnected no matter what hardships may come.

These essential elements must be retained without interruption, from beginning to end.

The Fruit of Life and the Divine Spirit

Sun Myung Moon November 8, 1970

From this perspective, after venturing on the path of faith, you must have all felt new life, new ecstasy, and new hope springing up within yourselves.

From the day you resolve to become such trees, or people of such character, all the inner essential elements that are being prepared for the harvest season in autumn must be retained without interruption.

Without a process to solidify and add something as the days go by, a fully ripened fruit cannot emerge.

The Kingdom of Heaven and Paradise

Some Christians have been unclear in their concepts of the Kingdom of Heaven and Paradise because they lack a full understanding of the Principle.

Had Jesus completed his mission as the Messiah on earth, the Kingdom of Heaven on earth would have been established in his day.

The Kingdom of Heaven in heaven would also have been realized at that time, once people of perfect character living in the Kingdom of Heaven on earth had passed into the spirit world as **divine spirits**.

Divine Principle

However, because Jesus died on the cross, the Kingdom of Heaven on earth was not realized.

The earth never saw the appearance of people who had reached the level of **a divine spirit**.

No one has ever become a citizen of the Kingdom of Heaven in the spirit world, which was created as the home of divine spirits.

Therefore, the Kingdom of Heaven in heaven remains empty and incomplete.

Divine Principle First Resurrection

The hope of all Christians is to participate in the first resurrection.

But who in fact shall participate?

It will be those who are the first to believe in, serve and follow Christ at the Second Advent.

Divine Principle First Resurrection

They will assist him in fulfilling all the indemnity conditions worldwide and in accomplishing the providence of restoration.

In the process, they will be the first to have their original sin removed, become divine spirits, and fulfill the purpose of creation.

Comment: It is crucial for the understanding of the Divine Blessing = Salvation , removal of **Original Sin** to understand that a New Adam with Sinless PHYSICAL BODY together with Holy Bride Eve, **True Parents** are needed.

The resurrected and transformed body of Jesus Christ do forgive sins, as 2000 year of Christianity teach but not the **Original Sin**.
(Jesus physical body missing)

A new PHYSICAL CHRIST BODY is needed for that.

Holy True Parents

Why is PHYSICAL body so important.

Because thats where satan has the claim on us:

- Fallen Blood Lineage

Jesus said:

You wish is to do your FATHERS will...

You brood (offspring) of vipers (satan).

Mans eternal spirit is more/most important

but it grows like a fruit on a tree = the physical body

No divine sinless physical body = no divine eternal
sinless spirit

That's why Christianity and most religions teach **chastity** (reversing root to fall of man) - monks/nuns **controlling eating** through fasting
controlling sleeping through no laziness –
HARD WORK (M Luther)

With returning Christs Divine PHYSICAL & SPIRITUAL
body there is a new path...
open door = Blessing to become eternal **Divine Spirit.**

Divine Principle Completion-Stage Returning Resurrection

The spirits of people who believed in Jesus while they lived on earth during the New Testament Age became **life spirits** and entered Paradise after death.

After the Second Advent, these spirits will all return to the earth to help faithful people believe in and attend the returning Christ.

By thus helping people on earth to attain the level of divine spirit, they too will receive the same benefit and become divine spirits.

Divine Principle

The Unification of Christianity through Returning Resurrection

At the time of the Second Advent, **all life spirits who dwell in Paradise** descend to the people on earth who, by believing in and attending the Lord, can attain the level of divine spirit.

By cooperating with these people to fulfill God's Will for the providence of restoration, the spirits can share the same benefit and enter the Kingdom of Heaven.

Accordingly, all the spirits will descend from Paradise in that day and assist the believers on the earth.

Jesus Resurrection

Celebrated: 3 Days after Crucifixion

It was the night before Easter in the year I turned sixteen. I was praying all night and begging God in tears for answers. Why had He created a world so filled with sorrow and despair?

My encounter with Jesus changed my life completely. His sorrowful expression was etched into my heart as if it had been branded there, and I could not think of anything else.

From that day on, I immersed myself completely in the Word of God.

One of its foremost challenges is the way its members come to view the person of its founder, who does not claim to avoid being controversial.

At a meeting held in the eastern part of the United States on the occasion of his first visit to the U.S.A., a questioner bluntly asked him: "Are you Christ?"

In reply Sun Myung Moon raised his hand and pointed to various members of the audience in turn, saying:

"and so are you... and you... and you also, if you can accept it."

On another occasion a translation of what he said in the Korean language was given as follows:

"This is God's world and it has no boundaries.
It is one.

Your life is one of universal significance and I call upon you to share my mission.

Be urgently concerned for the world and know, feel and act in accordance with the Divine Will.

The purpose of the coming Lord is that some day all shall be like him - like Christ.“ (=Divine Spirit)

It seems to me that because Sun Myung Moon is incarnate upon the earth at this time and has a particular link with the Christ Ray, he make an indispensable bridge for many people who are being given exceptional and life changing experiences by taking his powerful name into their meditations.

"Sun Myung Moon is direct link with Ashtar Command. Through him the forces are dispersed where necessary. These forces are not of one planet alone. They are gathered from many and are the chosen ones for this work for their knowledge and for their great love for the universal God."

What is the Spirit? Some Physics of Spiritual Existence

David Burton 2007

Ref: www.tparents.org/Library/Unification/Publications/JUS-8-2007/JUS-8-2007-7.htm

Spiritual Existence

According to the **Divine Principle**,
the created cosmos consists of a spiritual realm and
a physical realm created after the pattern of the human being.

Human beings are then seen to consist of a **spiritual self** and a **physical self**, where the **spiritual self** and **physical self** **both have mind and body.**

This gives us a fundamental structure of four components to human existence:
spirit mind, physical mind, spirit body and physical body.

This idea of a spirit body is significantly different to traditional Western thought that limits bodily manifestation, with its attributes of quantity, divisibility and extension in space, to the physical realm.

Indeed, the Divine Principle is quite serious about the notion of a spirit body, even ascribing to it five spiritual senses with which to perceive an embodied spiritual realm.

There are four kinds of sungsang and hyungsang in human nature.

First each human being is a substantial image integrating all things.

We contain in our sungsang and hyungsang not only the sungsang-hyungsang elements of the animal kingdom, plant kingdom, and mineral kingdom, but also the sungsang-hyungsang elements unique to human beings, namely **the spirit mind and the spirit body**.

Second each person is a being of united mind and body.

And third, each human being is a being with a dual mind consisting of a spirit mind and a physical mind.

In the human mind the faculties of intellect, emotion and will of both the spirit mind and the physical mind are unified, and intellect, emotion, and will are also unified.

Andrew Wilson's Ten Characteristics of Spiritual Existence

1. People in the spirit world live as embodied forms and carry on all major life activities.
2. Energy in the spirit world flows directly from God, shining as the sun of love to illuminate and govern
3. Spirit world is a world of thought; communication occurs through thought, and thoughts can immediately induce movement or the materialization of things.
4. In the spirit world form is not fixed, but is far more plastic, reflecting the spirit's inward character

Andrew Wilson's Ten Characteristics of Spiritual Existence

5. Human beings and angels exist for eternity, rooted in their unchanging essence
6. The spirit body that forms an envelope around the spirit may be of various levels of denseness, according to the realm in which the spirit exists. In general, the spirit body is composed of elements fitting for the realm in which it dwells.
There seems to be a correlation between the spirit body and the surroundings environment.

Andrew Wilson's Ten Characteristics of Spiritual Existence

7. There is no multiplication in the spirit world.
8. Human beings are co-creators of the environment in the spirit world.
9. Animals, plants and inanimate objects exist, not eternally, but only insofar as there are humans who treasure them.
10. Due to the Fall spirit world is divided into various realms, arranged in concentric circles "above" and "below" the earth

Spiritual Body and Energy

The attributes of bodies -- spatial extension, quantity and divisibility -- are also to be applied to spiritual existence.

In other words, we are led to postulate the existence of matter in the spiritual realm.

The first conclusion is that this energy must be associated with, or actually is, some kind of particle or particles, and those particles are probably of a different type to those currently known to science.

Secondly, if energy is associated with spiritual existence, we would expect there to be some observable consequences for the physical realm.

Since energy and mass are equivalent, energy in the spirit realm will have a mass equivalence, and we should expect as a minimum to see some gravitational effects in the cosmology of the physical realm.

Normal matter that we commonly know only comprises about 5% of the energy density in the observable universe.

The other 95% is divided between dark energy and dark matter.

The word “dark” is used because physicists do not know what they are, although they can indirectly observe their effects.

Dark energy is responsible for an accelerating expansion of the physical universe.

It is currently thought to account for about 70% of the energy in the universe.

Dark matter is required from the observed clumpiness of the universe and the observed motions of galaxies. It accounts for about 25% of the energy in the universe.

Its distribution in the universe can be mapped by inference from the observed motions of stars, galaxies and galaxy clusters.

In particular each galaxy is thought to be embedded in an “halo” or sphere of dark matter with filaments of dark matter connecting galaxies and galactic clusters to give a large scale “web” connecting all the matter in the universe (see Figure 1).

Fig.1 Thus we are completely surrounded by dark matter, but it is invisible.

Mark 5:1-20

King James Version (KJV)

5 And they came over unto the other side of the sea, into the country of the Gadarenes.

² And when he was come out of the ship,

immediately there met him out of the tombs a man with an unclean spirit,

³ Who had his dwelling among the tombs; and no man could bind him, no, not with chains:

⁴ Because that he had been often bound with fetters and chains, and the chains had been plucked asunder by him, and the fetters broken in pieces: neither could any man tame him.

⁵ And always, night and day, he was in the mountains, and in the tombs, crying, and cutting himself

⁶ But when he saw Jesus afar off, he ran and worshipped him,
⁷ And cried with a loud voice, and said, What have I to do with thee, Jesus, thou Son of the most high God?

I adjure thee by God, that thou torment me not.

⁸ For he said unto him, Come out of the man, thou unclean spirit.

⁹ And he asked him, What is thy name? And he answered, saying,

My name is Legion: for we are many.

¹³ And forthwith Jesus gave them leave.

And the unclean spirits went out,

and entered into the swine:

and the herd ran violently down a steep place into the sea,

(they were about two thousand;)

and were choked in the sea.

3rd Powerful Adam

3rd Adam

The spirit world could not function until the appearance of Unification Church. Why?

Because there was no handle to grab;
no rapport was established.

There was no love between the races.

There was no one who could prepare the base so that God could really bring down His hosts of angels.

But now the Unification Church represents that base, so God can bring down any number of angels or spirit men He wishes.

3rd Adam

So far, there have been many, many evil spiritual phenomena. There are many evil, lost spirits haunting people.

Spirits can also actually cause diseases and accidents.

What is the difference between evil spirits and good spirits?

When an evil spirit approaches, you somehow feel fearful and uncertain and very unstable.

A satanic spirit is like the winter wind, making you shiver.

3rd Adam

But when some good spirit is trying to embrace you,
you feel so good without reason!
You'll be walking on Cloud 9!

A heavenly spirit is like spring. It melts you, relaxes you,
and gives you the warmth of love and comfort.

You should feel that in the Unification Church.

3rd Adam

I have been conducting the program of the spirit world for everything.

I do not talk about how heaven is or how heavenly father is, and so forth.

I do not talk about them carelessly.

I only talk about them after I have digested them with the truth and can explain them in some systematic manner.

3rd Adam

Do you think that I simply listen to the words of some women or grandmothers, or some spiritual medium? No way. They are ignorant.

They know how to testify to the present, but they do not know how things operate. /SMM (68-276)

Words by Sun Myung Moon

The three major aspects of our lives

1: Attitude towards God: vertical/first blessing/
foundation of faith (internal)

a: Prayer (internal) through sincere personal prayer life,
earnest sharing/talking with God -- Spiritual aspect

b: God's words (external) always study God's words and
check own motivations- Intellectual aspect

2: Physical power: Unity between mind and body – horizontal/foundation of substance (external)

3: Sensitivity toward the mission:
Substantial application of both internal as well as external ways in the unified fashion.

Cultivation sensitivity toward God's love

Cultivating your heart into one with God's heart

Absolute oneness with god in heart - Divine spirit

Perfection of love = relationships - perfect personality
- Matthew 5:48

Personality of absolutely living for the sake of others

Divine Family

An electric bulb has a filament inside, and the more crooked it is the brighter light it will give; a straight filament will give only weak light.

A man who is sturdy in the love of God may look unattractive, but once the switch is on he will light up the entire world.

Light is the important thing.

When you become a divine spirit you no longer see the physical body; in spirit world the intensity of brightness of a person's spirit will determine his attractiveness, not his external appearance.

The men who are pursuing God's ideology and trying to obtain the true love of God are the noble men.

/SMM March 28, 1979

You all disliked offering your family, however.
Without becoming a sacrificial offering as a four-position foundation for the Son's sake and God's sake, no one can go beyond the indirect dominion.

In order to enter the direct dominion, you have to gain the victory by offering your sons and daughters.
This is the formula for entering the direct dominion.
Do you understand?

*/The Meaning Of The Day Of Victory Of Love
Reverend Sun Myung Moon
January 2, 1997 São Paulo, Brazil*

You learn in Divine Principle that we grow through stages.
There is no ugliness in the perfection stage,
and every divine spirit is a shining beauty.

You have a body and a mind.

Everything in the cosmos connects with that body and mind.

Spirit world contacts your mind and the physical world contacts your body, and a vertical line is formed in the center.

In the Orient there is a saying that a righteous person has a straight mind. It means that a person has a central vertical line where mind and body meet.

If such a person commits himself to something then he will fulfill it.

Thought and action meet at that one line.

Even when you go to the next world,
you still have to deal with all those things you did wrong
during your life...

You also have to supplement or add more to the life you are living now, moving towards the goals you have not yet accomplished in your path towards God -- the path you are walking from the formation stage, through the growth and completion stages, towards God.

One problem or task each day, one problem or task each year...
you have to enact goodness in what you do, to make up for
what you hadn't accomplished.

That's why no one can afford to have blockages, and why this path must be made flat and straight, like a freeway.

If you look at the history of restoration through indemnity, the Old Testament era is the world of the form spirit level, the New Testament era is the world of the life spirit level.

And that is how the spirit world is.

Next, we have the world of the divine spirit level.

However, we need to remove all these things, **all which has developed limited** to the form of these kinds of stages.

SMM

Since I am in a solemn position of having to fulfill the task I am called to do, which is to perfect that kingdom in accordance with the law,

I cannot do or think as I please.

I have come here today not thinking of myself as the founder of the Unification Church, the Messiah or the Lord at his second coming.

I should peel off the layers of indemnity.

The layers covering the world of form spirits, the Old Testament Age, must be uncovered and removed, as must the layers over the world of the life spirits, (the New Testament) and those covering the world of divine spirits.

You need to have the single-mindedness of the mother and father, of the son, of the husband and wife, of the children, of the siblings of your grandfather, of the siblings of your mother and father, and of your own siblings.

When all siblings achieve oneness, the unity of the four great realms of heart can begin.

There are four figures -- one from the Old Testament Age, one from the New Testament Age, one from the Completed Testament Age, and one from the era of the realm of the heart of the fourth Adam.

The age of the right of inheritance has begun.

In this age, the prince and kingship of liberation and complete freedom that unites heaven and earth with the tens of thousands of religions in the realms of the form spirits, life spirits, divine spirits, and the resurrected world of the realm of heart can be extolled for eternity.

Please do not forget this.

The Registration of Divine Spirits

What is the Fall?

It is to be separated from the word,
the substance, and heart.

Therefore, you should first learn the word
and live substantiating it.

In order to substantiate it,
we should have a parental heart.

Only those who went through substantial actions for the resolution of aggrivement, for restoration through indemnity, can give blessings. It should not be only words. Then, you become a life spirit.

There are form spirits, life spirits, and divine spirits, in the spirit world. Then, what level are we in there? We are like divine spirits, and the course of restoration is to find our own position after being registered on that level.

Therefore, from now on, you should be registered.

That is why the Bible states: "Those who want to die will live, and those who want to live will die."

Such a paradoxical theory can be logical. Only when you are willing to die, you shall live.

For this, you must invest all of your life.

By so doing, you should launder everything.

In other words,

everything should be restored through indemnity.

Such a process is absolutely required.

After Liberation Ceremony and the Spirit World Workshop

After you register for the ancestor liberation ceremony, Dae Mo Nim looks through the list of ancestors and mobilizes angels and Absolute Good Spirits to seek them out in the spirit world.

Sometimes the spirits are found dwelling in the physical bodies of people on the earth
Sometimes they are simply staying somewhere in the spirit world.

During the ancestor liberation ceremony the ancestor first wait to meet with their descendants on the earth. Then a shaft of light shines down on them from Heaven and they ascend to the spirit, guided up that beam of light by angels.

Then the evil spritis who were separated during the 2-day workshop and the ancestors liberated through the ceremony go together to Heung Jin Nims training center In the spirit word where they will attend training. (and become Absolute Good Spirits – AGS)

Theological Meaning of date, time and age of True Father's Passing

/120914 by Tongil Group Newsletter

- The DP (Divine Principle) specifies the number 12 as significant for Adam to reach perfection
- Each of the four positions must pass through the three stages of the growing period, making a total of twelve
- Each of the four positions must accomplish the “three object purpose by taking three object partners” which makes a total of twelve object partners

- Central significance for both the Principle of Creation and the Principle of Restoration is the number 10 as it represents unity with God attained by passing through the nine levels of the Indirect Dominion and reaching the 10th level of the Direct Dominion.
- The number 144 derived from the Biblical reference to the 144,000 who comprise the "first resurrection."
- Christ at the Second Advent must restore through indemnity in his lifetime, both spiritually and physically, the long providential course since the First Coming of Christ. To accomplish this, he must find a required number of believers, corresponding to the number 144 the multiple of 12 x 12.

- DP also explains the significance of the numbers 7 and 21 which is important to comprehend the significance of the Heavenly Calendar date of True Father's Passing

Part II. The Correspondence Between The Providential Numbers and the Time of True Father's Passing:

- The date of True Father's Passing is September 3, 2012 or 9/3/12.
- The sum of 9 plus 3 is 12.
- the sum of the month and day (9/3), 12 and the year (12) when multiplied by each other (12X12) yield the total of 144

Part II. The Correspondence Between The Providential Numbers and the Time of True Father's Passing:

- True Father passed on 3.7.17 according to the Heavenly Calendar and also fulfilled the numbers 21 and 7 as well as 12.
- The sum of the day and month (7/17) adds to 24 or 2×12 . Multiplying Cheon-gi year 3 to the month 7 yields the total of 21.
As elaborated above, the Divine Principle understands 7 as the number representing the perfection attained when one achieves the 4 position foundation by passing through the three stages of growth.

Part II. The Correspondence Between The Providential Numbers and the Time of True Father's Passing:

- Further, the number 21 represents the 7 year period for each of the Three Stages of Growth.
- True Father passed in the morning at 1:54.
The sum of those three numbers (1+5+4) is 10.
As was previously explained, the number 10 signifies unity with God that is achieved on the basis of proceeding through the 9 levels of growth of the Indirect Dominion and entering the 10th level of the Direct Dominion.

Part II. The Correspondence Between The Providential Numbers and the Time of True Father's Passing:

- Thus when we look at the day, month, year as well as hour and minute of our True Father's Passing we come to realize that they proclaim the victory of True Father's mission on the earth after having achieved oneness with God, the four Position Foundation and the requisite number of believers.
- We can appreciate that 1:54am on 3.7.17 (9/3/12) was the appointed time by God for True Father's Passing so that True Father may carry on his victorious earthly mission in the Spirit World.

III: The meaning of the Number of days that Abonim Passed Before Foundation Day:

- The first human ancestors had to pass through a course of growth that fulfilled the number forty which is the multiple of 10 and 4 (derived from the 10 levels including Direct Dominion and the number 4 of the four position foundation)
- each central figure must restore the number forty:
“Each position of the four position foundation should fulfill the indemnity period to restore the number forty, yielding an indemnity period to restore the number 160.

III: The meaning of the Number of days that Abonim Passed Before Foundation Day:

- True Father passed 172 days before Foundation Day; the number 172 is comprised of $160+12$.
The number 12 symbolizes that True Father has achieved perfection and established successfully the 4 position foundation passing through the three stages of growth and attained oneness with God.
- The 160 is the indemnity course that “fallen people were to fulfill.”

III: The meaning of the Number of days that Abonim Passed Before Foundation Day:

- Conclusion:
True Father from the Spirit World and True Mother on the earth will cooperate to guide us to fulfill the condition to restore the indemnity period of 160.

True Father in the Spirit World and True Mother will fulfill the Foundation Day Holy Wedding of True Parents of Heaven, Earth and Humankind and dispense this final Re-Blessing to all Blessed families on the same day!
