# Divine Principle

## The Gospel of Gospels

What Jesus would say, was he back again  
on Earth in the flesh!

The Principle is extremely comprehensive.

There is nothing that cannot be resolved with the Principle. It is like an encyclopedia containing everything about the world.

It is like a formula that is based on the fundamental bond with heaven.

That is why the Principle can be applied to everything. It is also consistent with modern philosophy and psychology, and conforms with all the principles of the natural world.

If we wish to develop a business, there must be unity among three primary elements; operations, technical know-how, and management.

This is in accord with the Principle, which states that everything resembles human beings with their three attributes of emotion, intellect and will.

/SMM 1969.10.25

I've taught you wonderful words, haven't I?  
I have taught you the Divine Principle.  
It is not some ordinary principle  
but the Divine Principle that I am teaching you.

Yes, this is The Principle, which is overriding, all-law.  
If we study the Divine Principle, we can solve everything.  
Nothing is too complicated (not) to be solved  
by the Divine Principle.

Looking through the glass of the Divine Principle,  
all the complicated situations of the satanic world will become  
simple and clear. The same is true for all the problems  
within the heavenly world.

Through the Divine Principle, we can solve everything.

Once someone studies the Divine Principle they can turn completely around in only three days. Its power is much stronger than economic power. But you foolish people don't know what a strong armament you have. /SMM 910728

What is the tradition of Unification Church?

The tradition of Unification Church is Divine Principle.

Of course, the Divine principle book itself is not our tradition, the tradition is represented by Divine Principle that is everything that is behind the Divine Principle book, which is heart.

/SMM 911229

The issue for us as human beings is how to attain the highest ideal of conjugal love.

Not all the principles I discovered are from the Bible;  
I found out many things from nature.

## **How Did Father Discover the Divine Principle?** *Peter Steeghs February 13, 1999*

Father was asked the following question by an aide close to L. Farrakhan:

"Reverend Moon, did you discover the Divine Principle all at once, or gradually?"

Father evidently replied: "Initially the Divine Principle was revealed to me all at once.

However, then it was lost, and I had to rediscover all over again gradually as I went on". /end

Comment: The earliest manuscript of the Divine Principle was lost in North Korea during the Korean War.

What do the words  
“Principle of the Unification Church” mean?

Why is it called the Principle?

The purpose of the Principle is to show clearly  
the borderline between the realm of dominion  
based upon  
accomplishments through the Principle  
and the realm of (Gods) direct dominion.

The Unification Principle connects everything  
by the laws of nature.

That is why it is called the Principle.  
It is Heavens Principle.

That is to say, it is the eternally unchanging Principle.  
The Principle is **not a doctrine**.  
It is not a doctrine of the Unification Church.  
It is not a doctrine taught by True Parents.

The Principle is Heavens Law.

Adam and Eve, as firstborn children,  
had to grow through the stages of  
formation, growth and completion.

**This is the way of the Principle.**

Even within the realm of indirect dominion,  
human beings must fulfill their portion of  
responsibility if they are to perfect themselves.

It means that **until you reach maturity you should never have a love relationship.**

Father once taught us what the four most important points of the Principle are;

- The first point is the true relationship between God and man
- the second point is the relationship between the spiritual world and the physical world
- the third point is mans/womens portion of responsibility;
- the fourth point is the problem of Cain and Abel.

Without understanding the problem of Cain and Abel, we cannot understand the problems or the goal of history. And through understanding all four points, we can connect with God.

## A View of God's Story by Gerry Servito 2016

Unification Thought Theory of Education teaches that education of the heart is the most important education and that it comes through grasping three states of God's heart —

the heart of hope (or expectation),  
the heart of sorrow (or grief) and  
the heart of pain (or suffering).

These three correspond to  
the Principle of Creation,  
the Human Fall and  
the History of Restoration.

Awareness of this grew within me and transformed my understanding of **the Divine Principle** from an intellectual one to an emotional one.

**The Divine Principle** to me is the greatest epic saga in the universe.

It explains one person's hopes, dreams and everything he lived and longed for, followed by an account of the calamitous tragedy that devastated it all.

Perhaps that was the first time anyone had asked me to verbalize what I had come to feel about the Principle. This had built up inside me, until I finally understood “**God’s story.**”

First picture: We have a glider, not an airplane, no Boeing, no Cessna, nothing with a motor — just a glider.

Okay?

Good.

This glider needs external help to "soar the skies". It usually is brought up in the air with the help of an airplane and a rope, and having reached the acquired heights, the rope is let loose and the glider moves by itself.

Second picture: The inevitable happened — a storm brews up, a storm and heavy rains — forces too strong to handle for our glider — throw him on the ground, and there he is — taken out of the sky and smashed to pieces.

Third picture: By a sheer miracle the pilot isn't dead, he is badly wounded, immobile, but his sharp ears mark clearly the sounds of coming salvation: the approaching helicopter.

Fourth picture: The pilot is whisked off to the nearest hospital by the helicopter, and we have all kinds of vehicles — ambulances, 55 police cars, clean-up crews, they all go to work and the whole place is a big mess.

Fifth picture: The pilot is getting his long-awaited and rightly deserved vacation on a beautiful South Sea island — with a deep blue sea and a pristine white beach.

# Both Adams knew Gods will as opposed by most people

- Jesus said: John 8:44  
You are of your father the devil, and the lusts of your father you will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaks a lie, he speaks of his own: for he is a liar, and the father of it.

- He archangel's mission must be fulfilled first, since God created the archangelic world first.

Next must be the accomplishment of the purpose of Adam, who should stand in the position of God's objective being.

If he stands as the perfected being of God's ideal, the ideal of vertical love can be developed horizontally.

This is the objective world of creation which is the Heavenly Kingdom centered upon God.

## Introduction *Divine Principle*

- Principles of Indemnity  
(Original, Collective, Ancestral, Personal Sin)

Due to the fall of man, Satan trampled on humankind and is dominating all over the land.

To reverse this, we must rely upon the principles of indemnity. Because humankind was trodden on by Satan, even if Jesus does not help and the Holy Spirit and God do not help, humankind must subjugate Satan with their own hands.

Sitting with medium Arthur Ford 1965:

Col. Pak: You are speaking of New Revelation: that means you are speaking of - you refer to the Divine Principles brought by Sun Myung Moon?

Fletcher: That's a part of it, yes, but even Sun Myung Moon has not exhausted the possibilities of the Divine Mind.

He is, and - as long as he lives will continue to be, a channel for revelation.

Sitting with medium Arthur Ford 1965

Col. Pak: The channel never ceases to flow;  
the fountain never dries up....

Always it will be the Spirit of Truth, who is not limited in any direction by either a group, a man, or anyone else – he uses one man or he may use a million men, but he is never limited.

The Spirit of Truth, like the sun, will light the whole world.

Sitting with medium Arthur Ford 1965:

Fletcher: You are in the process now.  
But before Jesus became manifest  
there were people who had been prepared -  
John the Baptist came prepared.

But the world has grown and multiplied -  
the means of communication have become simpler  
and easier. It takes not one man in a little country  
to be a John the Baptist, but many men in many  
countries to herald the coming.

## Introduction

- This life that you have been experiencing is not real life. You can't see clearly from the spiritual perspective. You are such incredible people. You haven't even scratched the surface of the Principle of Creation about who you are. (Crying)
- Even our True Father is not at his full potential. He grew up in this evil world. He was completely surrounded in an environment of evil all his life. He could be ten times greater than he is if he hadn't grown up in this world. And every one of you has that potential now, too. Heavenly Father made you in His image. Oh, you don't know what that is. You haven't been able to experience God.

Centered upon that, everyone who participates in that is restored back to Heaven, because **in the very beginning the wrong marriage was the cause of all misery.** Now, in order to repair that, it is necessary to go through the right marriage ceremony. Do you follow?

Restoration through indemnity **is not conditional restoration.**  
You must understand that indemnity is real.

This is not written in the Divine Principle.

It is probably the first time that you are hearing that conditional indemnity is actually real indemnity.

Therefore, when you think about the course of restoration until now, God raised from the satanic world one person who was the most conscientious.

Noah was exactly that kind of a person.

Because there was no handle to grab;

**Chart 1: The Unfolding Manifestation of God's Word  
in the Creation of the Universe and the Providence of Restoration**

I guided and taught Eu Hyo-won in such a way that he was able to systematize the entire contents of the book into the form of *Expositional of the Divine Principle*.

The Divine Principle book is fearsome.  
Many people make light of it, saying it is a book written  
by President Eu.

If I had written this book, what would happen?  
All those who might make light of it would be in trouble.  
You could go to the spirit world and see.

Even if some mistakes appear in the book,  
you should not be contemptuous of it.  
If you do, you will be accused.  
You must be aware of why it was written in that way.

The difficulties in completing the Divine Principle book  
The Divine Principle will not change even after a thousand years.

If I were required to write it myself, I would write several books based on knowledge that I alone have, which for others would be difficult to understand even after thousands of years had passed.

I would like to leave behind some written works, investing all my prayer and heart. Why?

I would like to leave behind great descendants whose sincere hearts permeate their bones.

When I wrote *Wolli Wonbon*, I sometimes made drastic jumps in logic and wrote the content in a condensed form.

Eu Hyo-won was given a copy of the manuscript before he joined the church.

As he read it, he cried and cried.

I believe that he is the first person in our church's history who was so moved after reading the Principle that he immediately wanted to become my disciple.

This happened when he read *Wolli Wonbon*, which was even before he ever met me in person.

He wrote a letter to me with the vow,  
"Based on the words I read in Wolli Wonbon,  
I will become your disciple and serve you for eternity."

Moved by his letter I traveled from Seoul to Yeongdo  
Church in Busan and held a 21-day workshop,  
in which he participated.

I was told before the workshop that he was anxious,  
wondering what it would be like to meet me in person  
for the first time.

But when we met, he openly shared with me all of his  
past life, which was filled with many serious stories,  
some of which I still cannot forget even to this day.

During the workshop In Yeongdo all the participants had spiritual experiences.

So after the workshop they felt so transformed that when they returned to the reality of their everyday lives they marveled.

"I just experienced a completely different world, which I never imagined could exist!"

For this reason, in *Wolli Wonbon*, the meaning of "object partner" or "the value of the object partner" is presented as an entirely new concept.

Once you give and receive you come to have a reciprocal relationship.

The more you give and receive with your counterpart, the better the relationship you will cultivate.

Hence, you will eventually become an object partner with him or her.

For this reason, if your activity centers on God, goodness or truth, it will surely last.

Reverend Moon's first manuscript of the Divine Principle is titled *Wolli Wonbon* ( 원리원본 ) or *The Original Text of the Divine Principle*. Apr 1951-May 10,1952.

Despite the historical importance of this work, to date it has not been published, either in Korean or in English. Difficulties in understanding its condensed and complex thought, as well as deciphering the script which in some places is faded and in other places covered with corrections, has made the publication of *Wolli Wonbon* a forbidding task.

The Unification Theological Seminary library was able to obtain a photocopy of the original manuscript, written in Rev. Moon's own handwriting and consisting of some 695 pages.

We also obtained a photocopy of the handwritten copy made by Won Pil Kim.

Efforts to transcribe and translate these manuscripts began in 2003 and are ongoing.

It is evident that *Wolli Wonbon* is not merely an early draft of *Exposition of the Divine Principle* but a far greater work. Much of it is concerned with the Principle of Creation, or as it phrases it, “the Principle of the Ideal.”

*Wolli Wonbon* spends nearly 20 pages discussing universal prime energy, in contrast to *Exposition* which devotes only one paragraph to its description and less than a page to explaining its action.

Another topic elucidated in great detail is the **Principle of the Object Partner**, which *Exposition* condenses into one short paragraph about the Three Object Purpose.

Then there are scientific topics, including evolution, gravitation, electricity, and magnetism.

Also, there is considerable emphasis on the genders within God and God's position as Heavenly Parent — Heavenly Mother as well as Heavenly Father.

  - When we know God and attend Him as our Father, and likewise when we know God and attend Her as our Mother, that is the time when the ideal of re-creation will commence on earth. We must know when this time is. We must have the experience of finding our Father and Mother once and for all. (55-56)

- True Father was aware of this issue: *Wolli Wonbon*
  - Throughout human history we have related to God only as our Father and not as our Mother. We have not even thought about why God had to become the Father, but not the Mother. Further, we have not even considered that the fundamental meaning of God is as our Parent—our Father and Mother. *How can we even fathom the pain and bitterness of God...* (278)

There is no insinuation of "Divine-ness" implied in the Korean word; only the conviction that a human being must live according to what is best and highest if he is to be just.

As the Truth of the Divine Principle seeped into his original heart and mind, he felt a change within himself which naturally resulted in what we used to call "Chapter 13".

There were 12 chapters in the Divine Principle book in those days and Chapter 13 was the first attempt to apply Divine Principle.

This meant short hair and a shaven face for men and no mini-skirts and less or no make-up for women.

There were only two editions of Mrs. Choi's translation, both published in 1973.

The first edition was printed only once, a thick black book of 643 pages.

There were many printings of the second edition, some brown, some black; some hardcover, some paperback.

However, for some reason, each new printing of the second edition was called a new "edition" on its title page.

- Second editions are always 536 pages long.

It was during these final stages of the editorial process that Father called me to Upshur House and gave me a remarkable instruction.

Father then drew lines through them and said to me, “These paragraphs, take out!” This was the section that explains that Korean must be the language of the unified world.

Understanding God and True Parents' shimjung through **Hoon Dok Hwe**

Hon Dok Hae - Daily Reading of Holy Texts

Where is the origin of human love and life?

Doesn't it lie within God?

He is the Subject Being with harmonized dual characteristics and at the same time is the source of love.

It should be added in the Divine Principle that

**God is the source of true love.**

It should be clear that nobody but myself can amend the Divine Principle.

## Cham Bumo Gyeong is Published in Three Languages

There was great rejoicing on September 1, 2015 in Cheong Pyeong, Korea, with the successful publication of the Cham Bumo Gyeong in Korean, English and Japanese.

The Essence of Divine Principle is:

**Live a life for Others!**

Jesus teaching

You shall love the Lord your God with all your heart,  
and with all your soul, and with all your mind.

You shall love your neighbor as yourself.

After the lecture a woman came to me in tears and said,  
"Seriously I have learned this evening more than I have  
in the past 35 years."

This proves the greatness of the Divine Principles.  
We who possess the Divine Principles are the happiest  
ones in the world.

Heavenly Father, Principle of the Principles,  
I am truly thankful to you.

Because of the fact that I serve you,  
even if I were to die now, I would have no other desire,  
because I have you!

Links /Bo Hi Pak 1963  
Messiah I & II 2000  
Testimony 2013

I have stressed many times what I call "Internal Principle." What is external and what is internal? I will give one example. In explaining the fall, we can say simply that when the archangel seduced Eve, they engaged in the spiritual fall. This is the Principle, but only an external or superficial understanding of it. If you only give this kind of explanation, people cannot cry. Unless people cry, they cannot understand Heavenly Father's heart.

When Heavenly Father saw Lucifer seducing Eve, when they became nearer and nearer, how difficult it was for Him, how sorrowful it was! We must understand this, what I call the internal Principle. Blessed members especially must understand the internal Principle. Adam and Eve did something wrong and as a result we have fallen nature -- everybody knows this, even the new members can understand it -- but this will not sufficiently prepare us for the Blessing and blessed life. /Zin Moon Kim

You must know that among the audience, there are people who would feel like objecting to what you are saying.

Don't wait until that person raises questions and shouts and screams and goes against you, and break the atmosphere.

Before he does that, you must attack him by giving your own testimony or another's testimony, by saying

"When I first came to this movement,  
I was skeptical of this point, that point, etc.

...then the thought came into my mind that such and such thing really happened, and I was so moved to tears that I had a revelation," and so on.

That can stop a person from questioning.  
You will see his eyes change.

The spiritual war is won by the skill of the lecturer.

The most important thing is for you to realize that  
you are the mediator between God and the audience.  
You must be able to relay what they are to God.

You must let them know that the center of this truth is Master.  
The center of the truth and Master is, in turn, God.  
You have to introduce God there; God is everything.

*"At a meeting held in the eastern part of the United States on the occasion of his first visit to the U.S.A. (1965), a questioner bluntly asked him: **Are you Christ?**"*

*In reply Sun Myung Moon raised his hand and pointed to various members of the audience in turn, saying: "and so are you... and you... and you also, if you can accept it."*

*On another occasion a translation of what he said in the Korean language was given as follows:*

*"This is God's world and it has no boundaries. It is one.*

*Your life is one of universal significance and I call upon you to share my mission.*

*Be urgently concerned for the world and know, feel and act in accordance with the Divine Will.*

*The purpose of the coming Lord is that some day  
all shall be like him - like Christ."*

## Sample of text: ChamBumo Gyeong

*Exposition of Divine Principle* is not all I have to say.

Before I would be able to say more,  
first you would need to know what I have said and  
where I said it, and  
put it into practise,  
but you are not even doing that.

*Exposition of Divine Principle* does not speak of me.  
What *Exposition of Divine Principle* explains is  
only things up until Jesus.

It focuses on Jesus.

And yet you think that the only thing you need to place importance on is *Exposition of Divine Principle*.

With all their hearts, members of the Unification Church should follow what I say, empathize with me, and be so moved by my life that they fulfill their responsibility as the standard-bearers who create tomorrows history.

If you lack such a heart, you will not develop.

Cheon Seong Gyeong has been compiled based on 400 volumes of my sermons which make up only one third of 1,200 volumes.

The Cheon Seong Gyeong contents have been extracted from only one third of published volumes.

Two or three times more contents must be published.

When I finish making the highway straight you can go as fast as you want to if you are grafted to me.  
The road of indemnity to escape hell will become a super highway.

God took 6,000 biblical years to restore Adam and Eve, but in physical terms it totals tens of thousands of years.

The restoration of just two individuals was that difficult, so how much more difficult would it be to restore a family?

In the Unification Church family I must harmonize all five races and make them into one race.

If I couldn't accomplish that then the blessing would be only a dream, but after doing the necessary things I could establish the blessing. (1960)

To achieve this under the fierce opposition of the satanic world is not anything less than leaping to the moon, or even the sun, and coming back again.

It can only be compared to going that distance. If you were to try to do it all by yourself, it would take you many millions of years and without knowing these rules and laws I am applying now you still could not do it. How grateful you must be that it is now possible.
