Spiritual
DNA

The physical self consists of the dual characteristics of **the physical mind (subject partner) and the physical body (object partner)**.

The physical mind directs the physical body to maintain the functions necessary for its survival, protection and reproduction.

For the physical self to grow in good health, it must have proper nourishment. It must absorb air and sunlight, which are intangible, yang types of nourishment, and must eat and drink food and water, which are tangible, yin types of nourishment.

The body has give and take with this nourishment through its digestive and circulatory systems.

Good or evil in the conduct of the physical self is the main determinant of whether the spirit self becomes good or evil.

This is because the physical self provides a certain element, which we call the vitality element, to the spirit self.

In our everyday experience, our mind rejoices when our physical self performs good deeds but feels anxiety after evil conduct.

This is because vitality elements, which can be good or evil according to the deeds of the physical self, are infused into our spirit self.

Our spirit self, or spirit, is a substantial yet incorporeal reality which can be apprehended only through the spiritual senses. It is the subject partner to our physical self.

Our spirit can communicate directly with God and is meant to govern the incorporeal world, including the angels.

In appearance our spirit self matches our physical self.

After we shed the physical self, we enter the spirit world and live there for eternity.

The reason we desire an eternal life is because our innermost self is the spirit self which has an eternal nature.

Our spirit self consists of the dual characteristics of spirit mind (subject partner) and spirit body (object partner).

The spirit mind is the center of the spirit self, and it is where God dwells.

The spirit grows through give and take action between two types of nourishment: life elements of a yang type that come from God, and vitality elements of a yin type that come from the physical self.

The spirit self not only receives vitality elements from the physical self; it also returns an element to the physical self which we call the living spirit element.

When people receive grace from a heavenly spirit, they undergo many positive changes in their physical self; they feel infinite joy and new strength welling up in them which can even drive away illness.

Such phenomena occur because the physical self receives living spirit elements from the spirit self.

The spirit can grow only while it abides in the flesh. Thus, the relationship between the physical self and the spirit self is similar to that between a tree and its fruit. When the physical mind obeys the spirit mind and the physical self acts according to the good purpose of the spirit mind, the physical self receives living spirit elements from the spirit self and becomes wholesome.

In return, the physical self provides good vitality elements to the spirit self, which enable the spirit self to grow properly in the direction of goodness.

Comment: The Fall of Man changed the Spiritual DNA so that we got a distorted personality, where satan, satanic angels and fallen spirits – Daemons strongly disturbs human life.

Sickness, misfortune **all have their root in this susceptibility to evil influence.**

SMM spoke crystal clear PLAIN TRUTH;

An **ILLICIT SEXUAL FALL** =
Lucifer \leftrightarrow **Eve** \Rightarrow **Eve** \leftrightarrow **Adam**

Root of Sin

First human
ancestors

Angel

Illicit sexual relationship

The root of sin is that the first human ancestors had an illicit sexual relationship with an angel symbolized by a serpent (p. 61).

The Spiritual Fall and the Physical Fall

The fall which took place through the sexual relationship between the angel and Eve was the spiritual fall, while the fall which occurred through the sexual relationship between Eve and Adam was the physical fall.

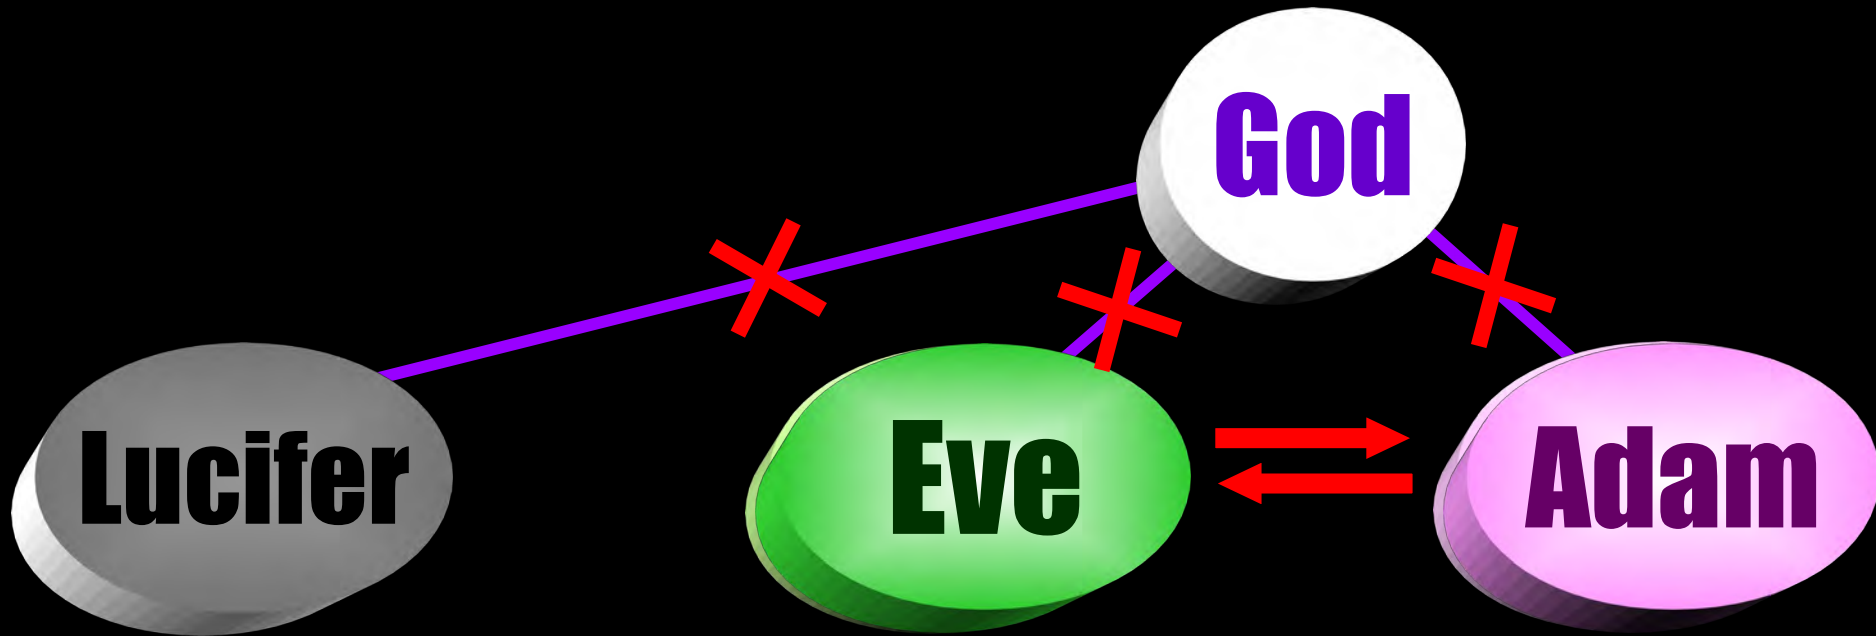

The Spiritual Fall

Illicit sexual relationship in body

Eve responded and formed a common base with Lucifer, the Archangel, and they began give and take action with each other, which brought them together in an illicit spiritual relationship of sexual love.

The Physical Fall

Illicit sexual relationship in body

Adam responded and formed a common base with Eve, standing in the position of Archangel, and they began give and take action with each other, which brought them together in an illicit physical relationship of sexual love.

The Fall of Man was first vertical Evil – Lucifer ⇔ Eve
then Eve ⇔ Adam spread it like a fountain horizontally over Earth.

Wilson van Dusen M.D.:

Present day psychosis always involves some degree of self pride (spiritual madness) but the hallucinated aspect looks most like what Swedenborg described under the general headings of obsessions (to be caught in false ideas) and possession to have alien spirits acting into one's thought, feelings, or even into one's own **bodily acts.**

And the LORD God said unto the serpent,
Because you have done this, you are cursed above
all cattle, and above every beast of the field;
upon your belly shall you go,
and **dust shall you eat** all the days of your life - Gen. 3:14

Comment: “Dust” = evil vitality elements

“Evil inspiration” = evil Spirit elements

Good is related to original value, the originally intended value.

Goodness always brings protection to that original form.

What is evil?

Evil is the power which tries to obstruct and destroy
the original form. /SMM 830220

In the Garden of Eden Lucifer left God's side and abandoned the heavenly path.

For this reason, he became prisoner to insecurity, fear, hatred, envy, jealousy and desire.

They come from sin.

ROOT OF EVIL — IMMORAL SEX

The Bible teaches us that although it is necessary for man to multiply, for those who can, it is best to be celibate (live single).

This was to be an indemnity payment for the Fall and implies that marriage has not had the complete sanction of God.

The Bible emphasizes not getting married.

In First Corinthians 7:38 we read,

“So that he who marries his betrothed does well; but he who refrains from marriage will do better.”

Celibacy is encouraged because God’s ideal was lost due to the misuse of love.

Comment:

How we can see that the Root of Human Fall
is Spiritual:

Bible:

“But of the tree of the knowledge of good and evil,
you shall not eat of it: for in the day that you eat
thereof you shall **surely die.**” /Gen. 2:17

Did they die Physically on that day

No!

They died Spiritually – Spiritual Death and Fall!
Involved Fallen Angel!

Life

-

Death

Same lamp, glass, filament –
"same human bodies after the Fall"
But **no life** – "no spiritual Divine current" – **Dead Lamp**

...in the day that you eat thereof you shall
surely die - spiritually switched off!

Life

Will turn on the Divine Spiritual Light again
