*So this Spirit World is not  
a mysterious world  
this is a world of PRINCIPLE

## Purpose and Way of Returning Resurrection

We call this process returning resurrection (DP96 p.145).

# The Providence of Resurrection for People on Earth

Upon their death, the believers of **this era** will enter and abide in the Kingdom of Heaven in heaven, which is the divine-spirit level of the spirit world (DP96 p. 140).

## 16. Abraham Lincoln

*(Sixteenth President of the United States,  
preserved the Union  
through victory in the Civil War,  
and issued the Proclamation of Emancipation,  
1861-1865.)*

“People of America, I wish for you to constantly go the way of obedience, aligned with the teachings of True Parents.”

Rev. Sun Myung Moon, Eternal Victory!  
Returning Lord and Messiah, Eternal Victory!  
True Parents of humanity, Eternal Victory!

I, Abraham Lincoln, have experienced incredibly wondrous and exciting moments, but I am saddened that there is no communication, or crossing back and forth, between the earthly and spiritual worlds.

Without doubt, Rev. Sun Myung Moon is the True Parent of humanity.

He shows us how to love one another and brings us together as one, with no discrimination among religions or races.

He is accomplishing feats on many levels that would be utterly impossible if it were not for True Parents' teachings.

People of America, do you think you can bring peace through war and military force?

God has appeared before humankind as our parent. While I was listening to the Divine Principle lectures, I had a vision.

In this vision, all the souls in this place, including black people, yellow people, and white people, and including Christians, Buddhists, Confucianists, and Muslims, all came together and danced for joy.

Then I saw a bright light, that is, the brilliant light of God, and in that instant, I, Abraham Lincoln, wanted to also jump in among them and begin to dance.

People of America, people of the world!  
Black people are children of God, as are white people.

At some time, all of you will have to gather here in the spirit world and walk side by side and live together.

I simply came here and experienced this fact before you.

I am making a request to the people of America because I love you with an earnest heart.

Rev. Sun Myung Moon has appeared as the Messiah and the True Parent of humankind.

I hope that you will attend the Messiah and constantly walk the path of obedience based on True Parents' teachings.

War and military force will only serve to create another human hell.

Is it not time for the earthly world  
to declare an end to hell?

A philosophy of peace for humankind comes from  
the Messiah.

The life that you now live in the earthly world is only a  
fleeting and incomplete life.

If you are to live in the eternal world with eternal happiness,  
you must above all else awaken to the truth of  
the Divine Principle and Unification Thought.

This is my solemn request.

Rev. Sun Myung Moon, I respect you.

I thank you very much for all you have done.

I will attend you resolutely as the Messiah and returning Lord,  
tear down the walls between races and religious groups,  
and participate actively in True Parents'  
Unification Movement.

## 32. Harry Truman

*(Thirty-third President of the United States, 1945-1953.)*

*US President during the Korean War 1950-53.*

"God is my parent, I am God's child."  
This is my favorite motto.

As one in a line of successive American presidents, I want to declare from the spirit world a shocking truth before not only the American people, but also the whole of humankind, including all those connected to the United Nations.

It is the amazing fact that  
“God is the parent of humankind.”

Until today, all humankind has not been able to become one,  
and people are still suffering from **war, disease and poverty**.

The advanced nations have too many resources,  
while the people of the third world are dying of starvation.

In the Divine Principle,

I discovered the fundamental solution  
to the problems of war, disease, and poverty.

the disparity between the rich and poor,  
and the problem of human rights.

Why did the suffering and unhappiness of human beings begin?

It was because the start of human history was wrong, because their master and center changed.

The fact that human history is a false history might sound strange to those who are not interested in the view of Christian history according to God's providence.

What sort of existence is God in relation to humankind?  
God was the parent of humankind from the very beginning.

But after God created Adam and Eve, it was the Archangel Lucifer who took care of them.

However, **the archangel Lucifer tempted them and established an immoral relationship of love with Eve while she was in the period of growth.**

He acted as though he were their master and parent and he came to control this earth.

Unfortunately, human history started from this immoral, sinful blood lineage. This sinful blood lineage has been passed down from generation to generation throughout human history.

And the result of this was that human society became **an unprincipled society** that God never wanted.

From the very beginning, **humankind lost** the ideal world of God's creation which was to center on God's love.

**People lost their own humanity.**

The archangel Lucifer disguised himself as God,  
and has been controlling human history until today.

Accordingly, human society is full of all kinds of sin and evil,  
and things reached such a state that materialistic communism  
even declared that there was no God.

The original world of peace and love that God had intended has become **a world where sin and evil are rampant.**

It is an unprincipled world with **unceasing poverty, disease, conflict, struggle and war.**

This is the reality of the world today.

Today, humankind must clear up this unfortunate history and live together as brothers and sisters attending God as their parent. When this happens, then for the first time humankind will be able to be freed from disease, struggle, war and so on.

This is the kind of world that God had planned at the beginning of creation.

It took a long time for me to realize this fact.  
I cannot emphasize enough the truth and  
greatness of Rev. Moon's Divine Principle.

The Divine Principle contains God's ideal of  
creation and the blueprint for a world of peace.

In short, the Divine Principle is the unique truth of humankind

It is the guidebook for a true life.

The more you research the Divine Principle,  
the more you come to feel new life and new inspiration.

Today, the final goal of humankind is to reveal day by day more about **Satan's evil** and to completely clear up the inheritance of sin and evil. When this is done, then for the first time a world of peace will be built centered on God's true love.

And an ideal world of the Garden of Eden where all people live as brothers and sisters will be able to be realized.

People of the world!  
Brothers and sisters!

Let us, centering on our True Parents,  
take part in the Unification Movement,  
spreading it to the whole cosmos.

Let all humankind attend Rev. Sun Myung Moon as our True Parent and let us become the central people to build a world without poverty, or war and the like.

Let us work to build the Kingdom of Heaven, the eternal world of peace, freedom and love.

Then God's glory will become even more visible.

The American people in particular should try harder than any other nation to comfort God's heart when he looks at all his children **suffering in sin and evil.**

“God is our parent, we are God's children.”  
I want to suggest to all humankind that we take this to be our motto.

This is both God's hope and our hope.

I sincerely hope that the intelligentsia will not be lazy in studying the Divine Principle.

/Harry Truman, July 28, 2003

## **34. John Fitzgerald Kennedy**

*(Thirty-fifth President of the United States, 1961-1963.)*

### **A Message to the United Nations**

Those of you at the United Nations, I am John Kennedy!

I want to declare an extremely important thing to you today. The fact that Kennedy is sending a message from the spiritual world to the United Nations is something that cannot be imagined in your world, and it is very significant news.

Through attending lectures of the new truth,  
Divine Principle and Unification Thought  
here in the spirit world, I have understood the direction  
and goal that the world must take today.

I want to let the UN know the following.  
The people of the world today must live as brothers and  
sisters, helping and depending upon each other.

This is the most urgent and universal value.

I want to convey to those of you at the UN this strong message showing our resolution and will, hoping that you will put it into practice. I declare the following:

1. God is the parent of humankind and truly does exist.
2. After people finish their life on earth, their soul continues on to live in the eternal world, namely the incorporeal world (spirit world) which is a reality.

3. Rev. Sun Myung Moon is the Messiah, the Savior and the True Parent of humankind.

4. All of humankind and the UN have to understand the ideology and works of Rev. Sun Myung Moon and they have to accept his leadership and guidance.

5. The realization of an eternal world of peace is only possible when we put into practice the ideology of the True Parents and practice love on the supra-religious, supra-national, and supra-racial levels. A world of peace cannot be realized through wars or through force.

6. The whole of creation, including humankind, exists in reciprocal relationships, namely, both internal nature and external form, and plus and minus (male and female).

7. The beginning of human history went wrong and this has to be restored according to the providence of restoration.

8. We have to clearly know the true identity of Satan (Lucifer) who left a huge stain on the beginning of human history.

9. The gap between the rich and poor is becoming more serious on the earth. The cause of ignorance, sickness, poverty and war has to be completely eradicated.

10. The Divine Principle and Unification Thought are the unique textbooks that can free humankind from suffering and unhappiness.

I sincerely hope that those of you at the UN keep these ten points in mind and in your own countries fulfill your responsibility in this age to lead humankind into a new future.

Members of the United Nations, don't ask what the United Nations can do for you, ask what you can do for the realization of the eternal world of peace (the original founding purpose of the UN).

I feel sorry to God that during my short term as president the UN did not fulfill its responsibility and, with a heart asking for forgiveness, I send this message.
