# Your **Ego** Is the Starting Point of Your Heavenly Pilgrimage

Sun Myung Moon July 18, 1971

There are very few who are without a standard of judging good and evil. Also there are not so many persons who take the lead in trying to be the good.

It is almost impossible to find a person intending to lead in the way of goodness and to exceed any existing standard of goodness.

This is because it calls for more courage than any other hero to take the lead.

If goodness is to be connected with eternity and human beings, it will surely take our lifetimes to achieve goodness.

Regardless of how long you have been wrong it is possible for you to find the turning point to goodness.

On the other hand no matter how long you have been good,  
you can easily be pulled down in a moment.

Goodness can grow higher and broader each day, month, or  
year; coming to be connected the new world.

If we try to be good, we will be sure to find nothing but great  
gladness as time goes by.

Einstein – was he a man of Perfection?

Einstein – surely a most Brilliant World Scientist! - a Genius.

Still the Principle is clear – he like all Mankind had/has  
Fallen Nature, Original Sin

in need of True Parents Blessing and Ancestor Liberation.

Unification quote;

The fact that **Evil exists** can be observed readily.

Therefore, the pertinent question is to find how **Satan** exercises such a terrible influence on mankind.

An influence so diabolical that **Satan** was able to tempt the Son of God by offering him the kingdoms of this Earth.

Let us think logically; this would not be a temptation unless the kingdoms were his to offer.

The Divine Principle shows that there is another entity other than God that seeks to govern the minds of man.

It was man's satanic attitude that murdered Jesus -- the man satan hated most,

Man turned on and killed the very man who would have led them to a true spiritual freedom.

If we are to preserve our civilization then we had better understand how the forces that oppose the growth of man operate.

/Quote from a member 1970

Physical Body still under satanic influence and dominion.

St Paul; Who will deliver me from this body of death?

We know that we are of God, and the whole world  
lieth in wickedness. - 1 John 5:19

Destroy this Temple,  
and in three days I will raise it up again. - John 2:19

Jesus resurrected both his own spiritual body,  
and his followers ....2000 years of "Spiritual body of Christ"

For as the body is one, and hath many members,  
and all the members of that one body, being many,  
are one body: so also is Christ.

For the body is not one member, but many. - 1 Chor 12:12,14

What is it that you Unification Church members should do?

Although you cannot become world messiahs, you should at least become tribal messiahs

▪  
If you cannot become tribal messiahs, you should at least become John the Baptists.

This is why I am raising the matter of Home Church (today's Tribal Messiahship).

Someone had to be the pioneer to pave that (Suffering) path,  
and it was I who did it.

All you need to do is accomplish a course of indemnity  
by following the formula. /SMM - CSG 1978.09.25

Christ with many JtheB

An individual cannot attain perfection by knowledge, power or money.

Rather, perfection is realized through love -- not vulgar love, but the original love.

By this love everything is perfected.

We all have five senses:  
sight, hearing, taste, touch and smell.

These five senses should begin from the foundation of perfected love and **function centering on perfected love.**

Every sensation of one's eyes, ears, nose, mouth, hands, and so forth, should be perfected centering on love.

Ideally, we should experience the objective world through out five senses when they have become one centering on love.

This means, in short, that we would live in ecstasy.

In this state, enraptured by our surroundings, we would lovingly take in the world around us.

One cannot abide in that state by oneself.

One must be relating ever more closely with a counterpart.

Such is heavenly love.

To create such a world of love is indeed the ideal of God.

/SMM Blessing And Ideal Family

If I speak in the tongues of men and of angels, but have not love,  
I am a noisy gong or a clanging cymbal.

And if I have prophetic powers, and understand all mysteries and  
all knowledge, and if I have all faith, so as to remove mountains,  
but have not love, I am nothing.

If I give away all I have, and if I deliver up my body to be burned,  
but have not love, I gain nothing.

/Bible 1 Chor 13

**God, True Parents, and each of us** are absolutely necessary to the completion of restoration.

The first human ancestors should have become True Parents centered on God, but **they fell**.

Now, in order to overcome the motivation behind the Fall, the three must find a meeting point. God's Will, True Parents' will and our will must concur.

The purpose of humankind is fulfilled when the Lord of the Second Advent comes as the Parent of humankind, reaches the standard of a perfected human being, and unites humankind with God's purpose of creation.

Then, through the unity of the parents and the children, the original garden of God's Will is established.

When the parents and children forge an eternal, unbreakable family bond in that place, they will accomplish God's Will for the first time.

/SMM 1969.07.20 CSG Book 8 Ch3:5
