Divine Principle & 4th Adam & Eve

The Arrival of the Era of the Fourth Adam's Realm

Upon the restoration of the three Adams' eras,
(1st Adam. 2nd Adam/Jesus, 3rd Adam/SMM)
I established the realm of blessing all the way
to the infant stage.

This is where the 4th Adam's era begins.

/SMM October 24, 1999

Today is October 10, the 10th day of the 10th month of 1999. It is the day when the number 10 in heaven and the number 10 on earth become one. Therefore, when you pray, you should now pray in your own name. I declared this on September 14.

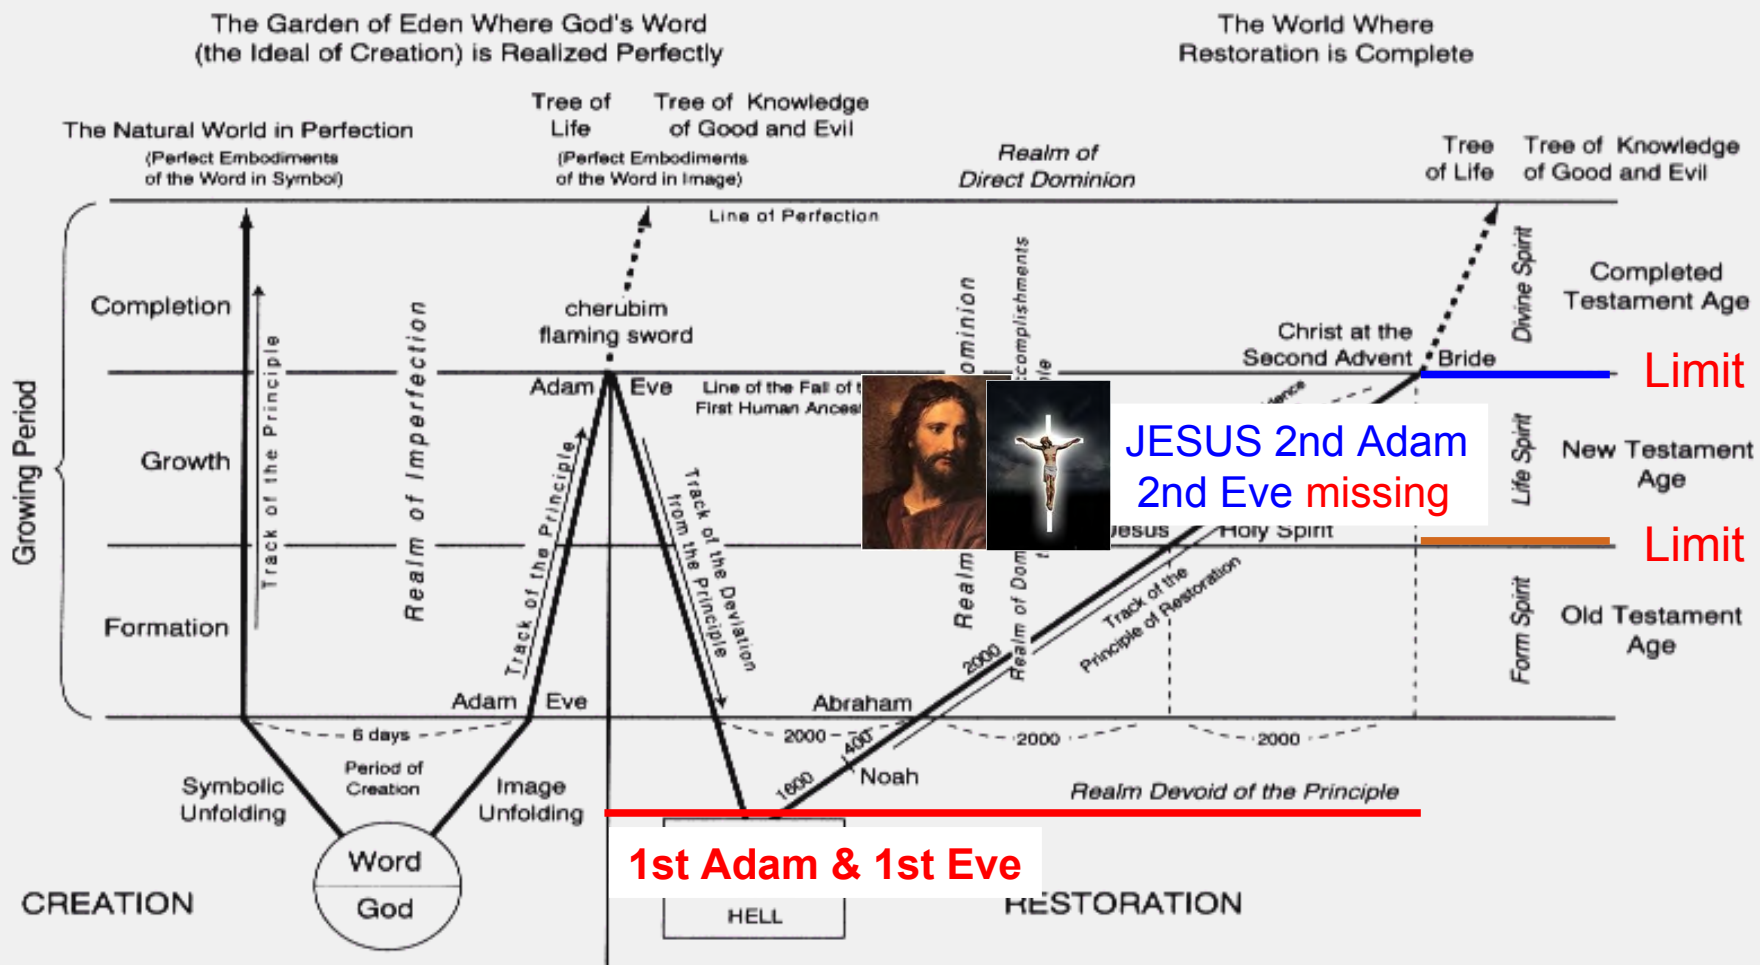

What this means is that we are now beyond the realm of indemnity. Hence, you should now give the Blessing to your own sons and daughters. You need to do so.

Praying in your own name means that you are now able to give the blessing to your own children. Your faith may not be deep enough; you may not meet the requisite conditions.

However, because you are now able to give the Blessing to your sons and daughters, you are entering the realm of the Fourth Adam.

3rd Adam

Spiritual “Firefighter and Doctor”

3rd Adam

The spirit world could not function until the appearance of Unification Church. Why?

Because there was no handle to grab; no rapport was established.

There was no love between the races.

There was no one who could prepare the base so that God could really bring down His hosts of angels.

But now the Unification Church represents that base, so God can bring down any number of angels or spirit men He wishes.

3rd Adam

So far, there have been many, many evil spiritual phenomena. There are many evil, lost spirits haunting people.

Spirits can also actually cause diseases and accidents.

What is the difference between evil spirits and good spirits?

When an evil spirit approaches, you somehow feel fearful and uncertain and very unstable.

A satanic spirit is like the winter wind, making you shiver.

3rd Adam

But when some good spirit is trying to embrace you,
you feel so good without reason!
You'll be walking on Cloud 9!

A heavenly spirit is like spring. It melts you, relaxes you,
and gives you the warmth of love and comfort.

You should feel that in the Unification Church.

3rd Adam

I have been conducting the program of the spirit world for everything.

I do not talk about how heaven is or how heavenly father is, and so forth.

I do not talk about them carelessly.

I only talk about them after I have digested them with the truth and can explain them in some systematic manner.

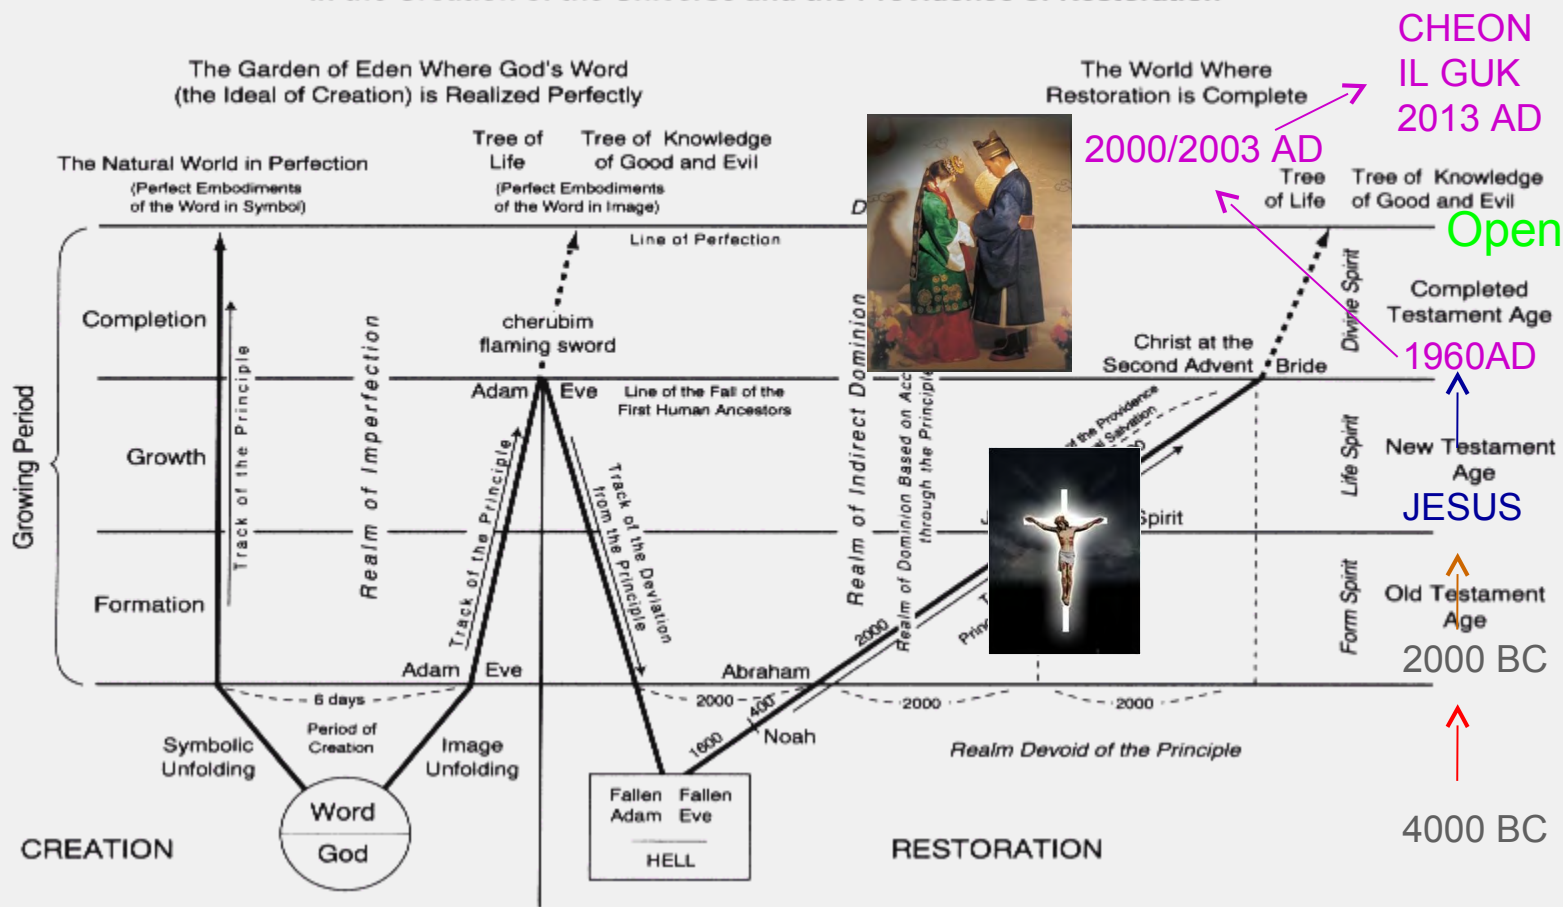

Do you think that I simply listen to the words of some women or grandmothers, or some spiritual medium? No way.

They are ignorant.

They know how to testify to the present, but they do not know how things operate.

Therefore, when you go to the spiritual world

the essence of being human
is to live for the sake of others.

Earthly Life and the Spirit World, Vol. II

“Every human being is struggling to attain life-long happiness and overcome misfortune.

/DP Introduction

From the commonplace affairs of individuals to the great events that shape the course of history, each is at root an expression of the human aspiration for ever greater happiness.

Comment: the essence of being human is to live for the sake of others.

/DP Introduction

There is a saying that the habit of a three-year-old continues until he turns eighty. Inborn personality is hard to change. Hence, spirit people cannot live very differently from the way they lived on earth.

After all, the inhabitants of the spirit world are the souls of people who formerly lived on earth.

From this perspective, the spirit world is not so different from the physical world.

/SMM 2 March 1986

After all earthly people are restored,
it will take a long time for the spirit world to be
completely restored because there are so very
many spirits who must be restored through the
principle of resurrection through people on earth.

/SMM 1965:4

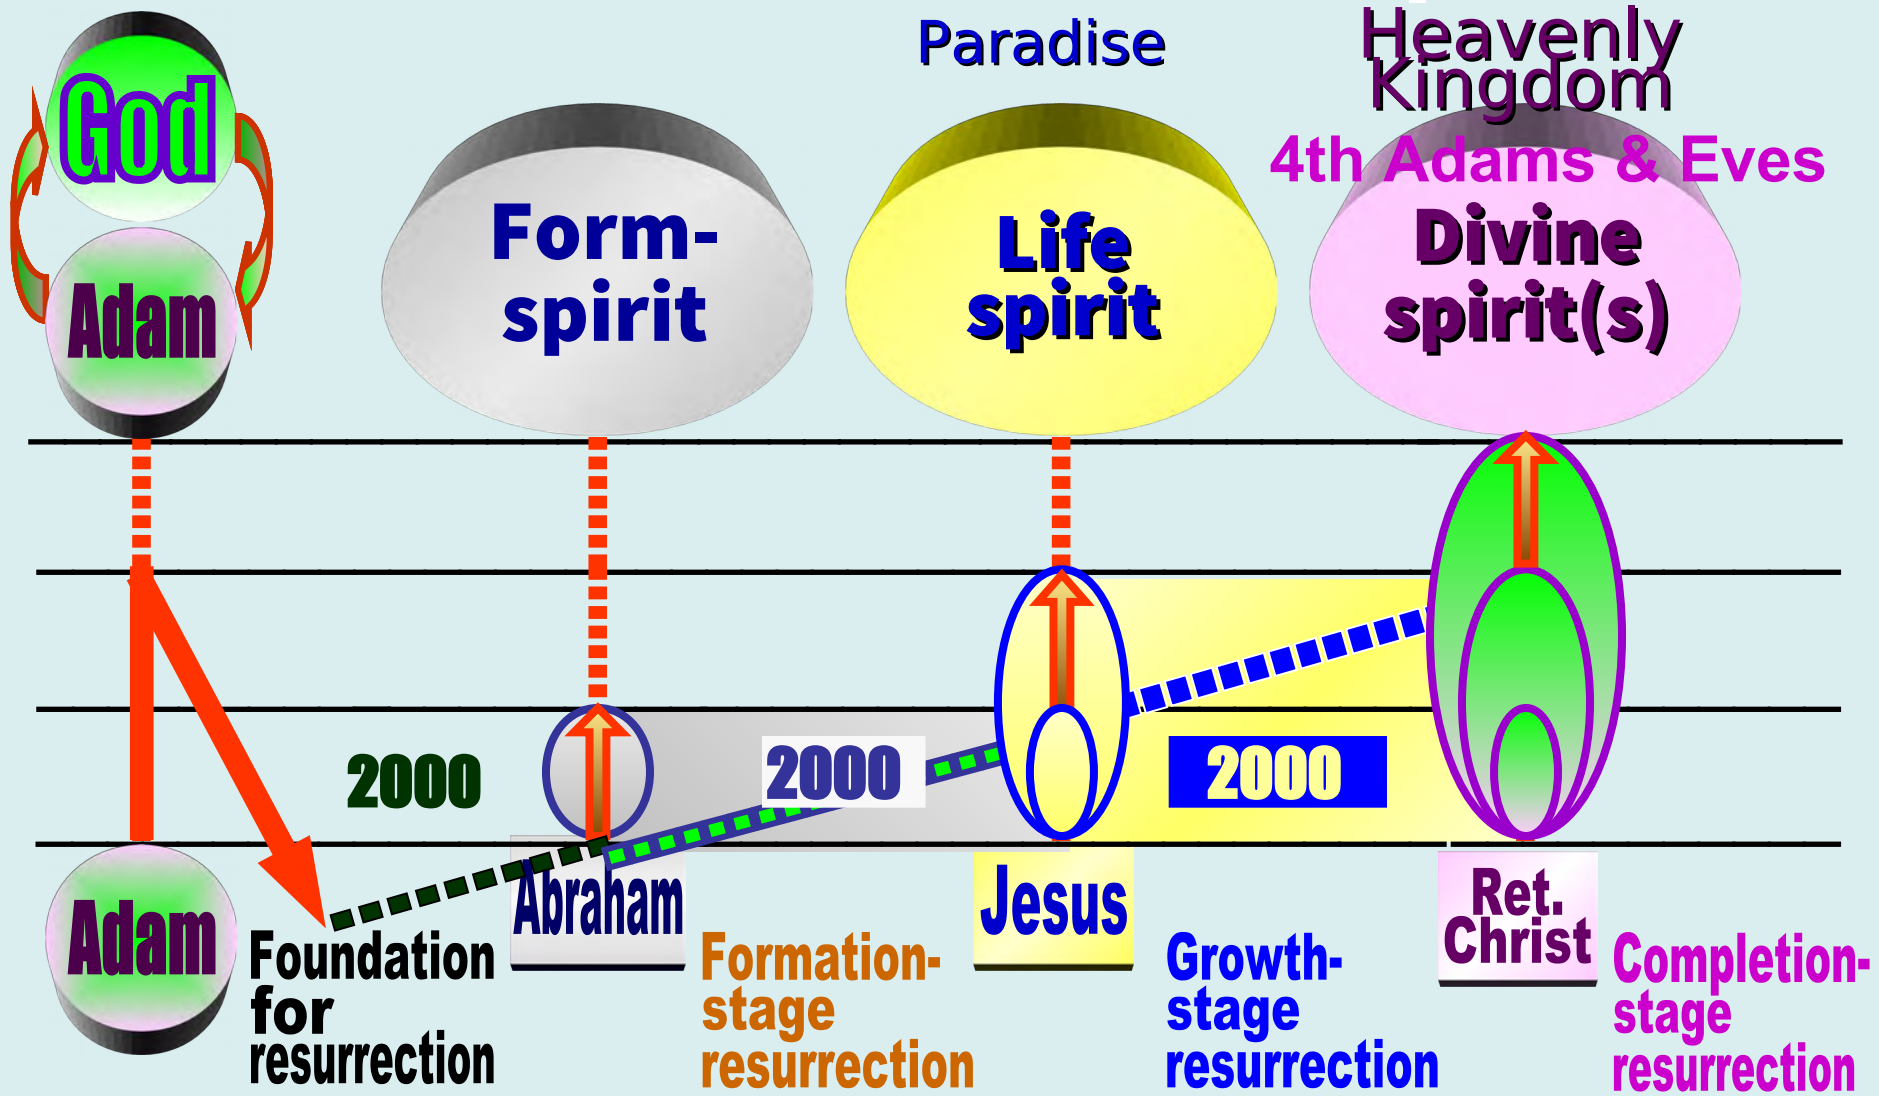

It will be much faster for earthly people to be restored.
The number of spirits is very great.

And they must go through the resurrection in an indirect way.

//SMM 1965:4

Comment: Indirect = Vitality Elements needed from physical human body = physical people on Earth.

The Providence of Resurrection for People on Earth

Upon their death, the believers of this era will enter and abide in the Kingdom of Heaven in heaven, which is the divine-spirit level of the spirit world (p. 140).

Original
Self = seed
from God

Created
Self =
by My
Own Life

Me!

The first resurrection is the resurrection enabling the accomplishment of the purpose of creation for the first time since the commencement of the history of God's providence of restoration.

The original self will be restored by removing man's original sin through the Second Advent of the Lord.

Comment: True Parents needed

Before creating man, God made all things in the image and likeness of man's character and form.

Therefore, man is the encapsulation of all things.

(Comment: Physical and Spiritual Worlds)

With man as the visible object
in the image of God and the universe
as the symbolic object in His indirect image,
man's love and the beauty of creation perform
give and take action to form
one body in unity centering on God

Since the universe was created after the model of man, who is in the image and likeness of God's dual essentialities, every existence, without exception, takes after man's basic form, which consists of mind and body.

Thus, in the universe there exists
not only the visible substantial world,
which resembles the human body,

but also the invisible substantial world,
which is modelled after the human mind.

/Divine Principle 73 Ch.1

“What is the Unification Church?

It means the place of unification
of the mind and body

and the place of study of the Divine Principle.

This teaching instructs clearly how to unify
the mind and body,

man and woman,

parents and children centered upon True Love,
True Life and True Lineage.

/SMM 960505

If you could go to the spirit world, you would see that all people constitute the body of one Person.

Saints and holy men may perform the role of the eyes or the ears, but even though they have important roles, they are still only components of that one macrocosmic Person

/SMM 1997

Each community (in Spirit World) is an image of the whole [Universal Human], since any completely harmonious entity is made up of a number of images of itself.

I have from time to time talked with members of communities where I had been sent, who belonged to the province of the lungs, heart, face, tongue, ear, or eye, and with members of the province of the nose.

/Emanuel Swedenborg, *Arcana Coelestia*

In the sight of God each individual is like a cell of that giant human.

In the sight of God each individual is like a cell of that giant human.

Each one of you is a cell, yet however small you are, every other cell is still connected to your life.

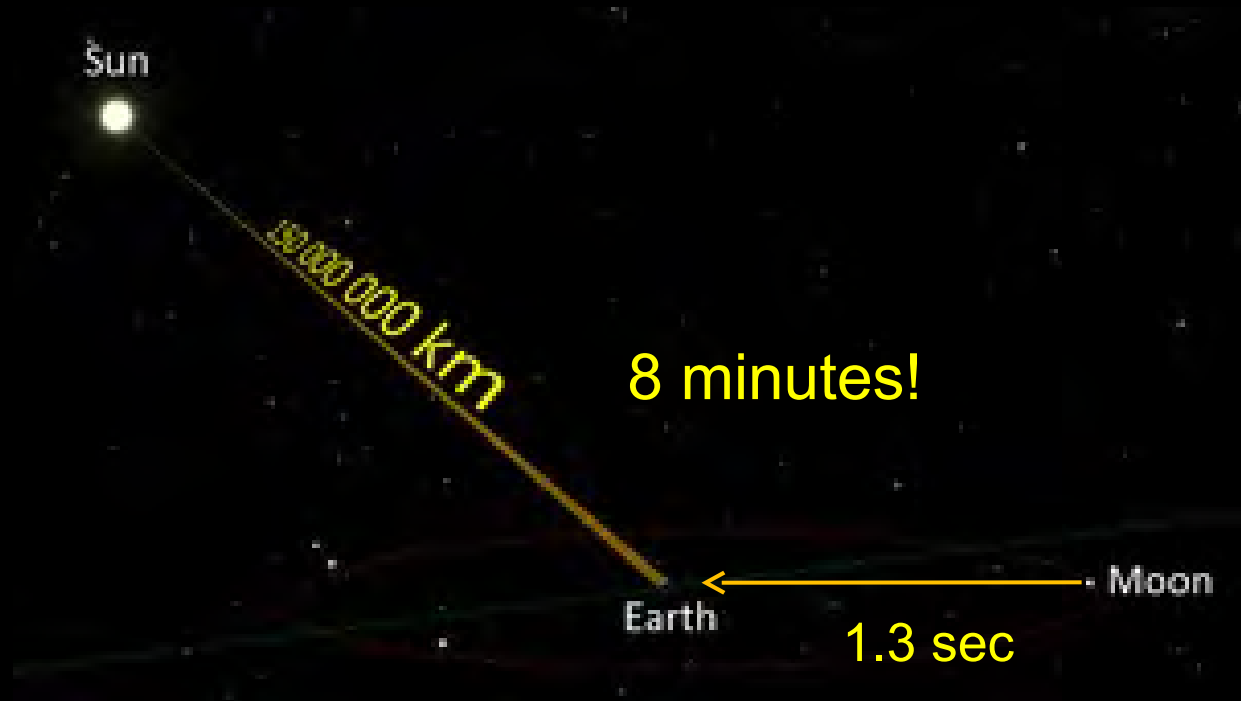

When you look at a little cell on the tip of your finger you are a giant in comparison to it, yet you still deal with that one cell on a one-to-one basis.

In the sight of God each individual is like a cell of that giant human.

Each one of you is a cell, yet however small you are, every other cell is still connected to your life.

When you look at a little cell on the tip of your finger you are a giant in comparison to it, yet you still deal with that one cell on a one-to-one basis.

You are like one tiny cell, only one portion of the entire universal body, yet when you deal with the universe you are on a one-to-one basis and you can claim your rightful vote.

We can not denote the fact that many spiritual signs regarding the Lord coming again in Korea are appearing like mushrooms after a rain.

God's word of promise that He will pour down His Spirit upon all flesh (Acts 2:17)
is being realized among the Korean people today.

Therefore, countless men of religion are receiving very clear revelations concerning the Lord's Second Coming in Korea in many different ways, but contacting many spirit men of various levels; from the realm of miscellaneous spirits to the realm of the paradise level spirits.

The Arrival of the Era of the Fourth Adam's Realm

October 24, 1999

Upon the restoration of the three Adams' eras,
I established the realm of blessing all the way
to the infant stage.

This is where the 4th Adam's era begins.

Not God, but only True Parents can declare this.

This is because we are in the position to liberate God.

To liberate the parents with unfilial children requires more than just filial piety.

Once we reach this completion of the restoration of the three Adams, we will continue to go up, centering on the centerline, the movement will continue for eternity.

1st
Adam
& Eve

No wife

The first marriage was false (*satans seed*), opposed by God, but this is the true marriage, approved by God, going up on all eight levels.

Jesus died at age 33, but by adding 10, 10 and 13, we reach 33, which is the restoration of Jesus Christ and the start of the 4th Adam era.

In America, 13 is a bad luck number.

The 13th was the day of **Jesus Christ's crucifixion**, but 13 has been completely restored, the unification of the physical world and spirit world, and east and west, and north and south.

All those blessed couples in the world are in the position not just as restored Adam's family without fall, but connected to thousands of years of history being restored. (4th Adams&Eves)

Satan is completely taken care of.

So liberation is accomplished and I declared the 9.9 day and 3.10 day.

By doing so, all these things are completed.

So in the 4th Adam era we pray in our own name.

In Eden there was no religion;
we are entering into that era.

That's why the Unification Church sign came down.
We transcended it with the Family Federation.

There is only one thing of which we can be proud,
and that is
the liberated, completed, God-centered families.

Originally (*after the Fall*) mind and body were divided, but here in the 4th Adam's era it is all united.

The 4th Adam's realm begins here (pointing to diagram). Once we reach the completion of the individual level it equals the completion of the world level, and of the family level, cosmic level.

Each completion has the same value.

This is the territory of true love, the Kingdom of Heaven on Earth and in heaven. True love territory, I made up that term.

Whose territory is it? [God's.]

No, no - mine.

The individual sacrifices for the tribe,
and so forth until you get to the point of sacrificing
for the sake of cosmos and God.

God is for the sake of whom? Me.

This is all one. God is mine.

The history of restoration was there for my sake,
not Jesus'.

For myself. So therefore it is the realm of liberation.

Centering on True Parents and God,
the 4th Adam era started and the realm of liberation
is there.

My family represents God, heaven and earth.
We act on behalf of God, loving all things.
January 1, 2000 the 7th millennium begins there.

So we have to liberate all things, the world and spirit world.
We need to liberate all things, the world, spirit world,
man and woman, mind and body, children,
including 3 generations.

So we have to create the family representing the world,
so that's why I am mixing these families worldwide.

You can build brother-sister, parent-child relations wherever you go.

We can be totally free.

So keep the tradition of the Father and Mother nations and practice it as elder brother.

The 4th Adam era is that in which we can love our own people, tribe and nation.

Until now, in the course of restoration we had to love **the satanic world**, but now we can offer our love to our immediate family members to begin with, and our relatives and tribe.

That's the meaning of the 4th Adam era.

We have
blessed

They all represent Adam's position.

so far, about 430 million
couples in the world.

They each should bring at least one unmarried candidate
to the next blessing.

Thus the blessing will be done not by True Parents,
but by our own blessed couples. /SMM 1999
