Who?

When!

How!

Where!

Blessing of all mankind into New lineage without Original sin!

God created a man and women – Gen.1

Why should Jesus remain alone single and die as single!
- if he was Gods New creation of man...

Instead a couple Messiah; Jesus and his Holy bride
with forgiven original sin,
would produce children without Original sin and
a New eternal lineage of Mankind without Original sin,
being able to bless all mankind into similar Holy Marriages.

Sitting with Arthur Ford, November 2, 1964

*Arthur Ford (1896-1971) was one of Americas most famous mediums.
Fletcher is Fords contact in the Spir. World.*

A meeting was arranged with SunMyungMoon during his 1964/65 USA visit.

Fletcher: **The Jesus of Galilee will not return –
it is not necessary.**

The Christ who manifested through him is
the Eternal – he will manifest again.

From Brookes book TOWARDS HUMAN UNITY:

At a meeting held in the eastern part of the United States on the occasion of his first visit to the U.S.A., a questioner bluntly asked him (SMM):
"Are you Christ?"

In reply Sun Myung Moon raised his hand and pointed to various members of the audience in turn, saying:
"and so are you... and you... and you also, if you can accept it."

The Arrival of the Era of the Fourth Adam's Realm

Upon the restoration of the three Adams' eras,
(1st Adam. 2nd Adam/Jesus, 3rd Adam/SMM)
I established the realm of blessing all the way
to the infant stage.

This is where the 4th Adam's era begins.

Gamaliel's Principle

The new testament tells of how, after the apostles were imprisoned in Jerusalem, they were brought before the council of high priests, who questioned them about why they had disobeyed the order to stop preaching the word of Jesus. Peter's response was "We ought to obey God rather than men. The God of our fathers raised up Jesus, whom ye slew and hanged on a tree". This explanation apparently didn't appease the high priests, so they "took counsel to slay them [the apostles]".

Then stood there up one in the council, named Gamaliel, a doctor of the law, high in reputation among all the people, and he said unto them:

Take heed of yourselves what ye intend to do as touching these men.

For before these days rose up Theudas, boasting himself to be somebody; to whom a number of men, about four hundred, joined themselves; he was slain, and all, as many as obeyed him, were scattered and brought to nought.

After this rose up Judas of Galilee in the days of the taxing, and drew away much people after him; he also perished, and all, even as many as obeyed him, were dispersed

And now I say unto you, refrain from these men, and let them alone, for if this counsel or this work be of men, it will come to nought: but if it be of God, ye cannot overthrow it, lest haply ye be found even to fight against God. (Acts 5:34)

But you cannot expect the message to be accepted immediately by vast numbers of people only those who are ready and who are willing to listen and to whom this particular message seems to be right and meaningful. That is the way that all the world teachers have had to go.

And remember one thing only, that if it is of God, it can not fail.

And it is of God.

The Early Years (in Korea), 1920-53, by Michael Breen

In one sermon, Moon taught that Korea was the second Israel and **that the return of Jesus would take place in Korea**. But, he said, the return would not happen in either the spiritual or supernatural way that Christians tended to expect. He said that, just as the mission of the Old Testament prophet Elijah passed in the time of Jesus to John the Baptist, so the mission of Jesus would pass to another. After this sermon, In-ju prayed to ask God where in Korea the Lord would come. In her prayer she had a vision. Jesus appeared, walked into the room and bowed his head and began to pray: "This daughter of yours has to go a very long and difficult way. Let her complete this journey without going astray."

The voice was Moon's. As Jesus finished praying and said "Amen," she looked up but it was no longer Jesus. The face had changed to Moon's. She felt the answer to her prayer had been given. **Moon was the Christ.**

1952

"He began teaching her about the "Last Days of the World" and the "Second Advent of the Messiah." He explained that the Messiah would not come on the clouds as she had been taught; but he would come as a physical man to their own Korea."

As he spoke, Mrs. Kang thought to herself, "Well, that would certainly be nice, but the things he says are impossible."

"He told her that in 1950 Jesus had appeared in the skies of North Korea, and during the Korean War an airline pilot saw Jesus very clearly in the sky. The South Korean newspapers even printed articles about it."

50s: Dr Young Oon Kim

After arriving in Korea, I had become quite ill from the water and living conditions in Pusan, flooded as it was with war refugees. A year later Ewha University returned to its old campus in Seoul and I moved along with it. I remained ill and worsened to the point where I thought I was to die. During this time I heard a voice that said, "This is a spiritual crisis". After a few days, a woman came and told me that the Lord of the Second Advent had appeared in Korea and that I should study the new truth that he brought. I laughed. This was so shocking! But I felt curious and wanted to investigate, knowing that if it were false I could quickly dismiss it, but that if it were true, it was a matter of life and death! Soon I became terribly ill, and Dr. Helen Kim sent for an ambulance, which took me to the university hospital.

After returning home I visited the house where Reverend Moon was teaching and heard lectures on Divine Principle. On the third day **I was completely healed of my lingering illness**. The night before my healing, the inner voice of God had spoken again: "It was I who led you to Jesus., it was I who led you to Swedenborg; it was I who led you here".

50s: Dr Young Oon Kim
from Blessing Quarterly Winter 1987, page 27

"During the 4 years that I lived in Seoul church, under the same roof as Sun Myung Moon. At one point I went back to clean my own home for a week. One day when I brushing the entrance, he revealed himself, he suddenly came in spirit form, Full-size in front of my door. I had never seen such a vibrant spirit earlier. He told me that he woke up every morning and looked over the Han river, and longed for me to return. He missed me and wanted me back to life in the church, even though I only been gone a week. "

Rev. Paul Werner 1963

Right from the beginning my spiritual eyes opened up, and I began to see things spiritually, that I had never seen before. I designated one room in my house as a prayer room.

Whenever I sat down to pray, the room was filled with people, spirits.

I could see them, and the room was filled with light.

5. Testimonies of Divine Power

Rev. Paul Werner 1963

I was drawn magnetically into that room at all hours.

Many times I saw beautiful colors in there: pink, white, royal blue, much gold and a beautiful light green.

It was such a wonderful feeling, just sitting in that room with so many spirit people, praying and talking to God. My prayers lasted for hours. Many times I even prayed through the nights. I never wanted to stop.

5. Testimonies of Divine Power

Rev. Paul Werner 1963

I found out, what **baptism** with fire is all about, because that is exactly **what I experienced while praying, studying or fasting.**

All this was so wonderful that I didn't want to stop being in this spiritual realm. Soon I also found out that I had **healing power, and many spiritual phenomena occurred to me.** I myself and others around me regarded me as a man, down to earth.

Therefore I tested all those experiences many times.

Other things happened to me, such as **smelling and hearing spiritually.**

"In 1968 at the time of the Blessing of the 430 Couples, I was sitting in my car, thinking about Father and what he may be doing. I was unaware that on that particular day the Blessing would take place.

Suddenly I saw little pink hearts appear in the car all around me! It was an amusing vision and a very wanning experience.

The next day, I took one of the members home from the center and her parents invited me in. They happened to be watching the news on television and suddenly I saw the Blessing of the 430 couples being televised from Korea! That was an extraordinary experience.

I had just been talking to her about the marriages in our church, and there it was on television! Incidents like this made us feel the spirit of God so close.

Since we had no television in the center, God must have been working so hard to have us at the right place and time to witness this!”

”In the early days in Rome, we had many deep spiritual experiences. Doris, our leader, had many herself which may have been the basis for our having so many experiences too.

Every Sunday morning in the summer, we prayed outdoors from midnight to 7 a. m. at a place called Monte Porzio. One particular experience happened at 3 in the morning:

5. Testimonies of Divine Power

Italian beginning

a small sign of Omega appeared over the city of Rome, and as it came toward us it grew bigger and bigger until it covered about two-thirds of the night sky.

This incredible vision lasted three or four minutes, and all of us praying on the mountainside witnessed it.

Another night at the same place we saw a bright burst of light in the sky - a tiny dot at first, which quickly grew to the size of the moon. Very soon after, another burst of light appeared and another and another, forming the base of four positions in the sky. The last burst of light turned pink, while the others turned gold and green - it was so beautiful!

Again, we all saw this vision; there was no mistake.

We had so many experiences on that hillside outside of Rome.”

"The Second Coming" (1920)

William Butler Yeats
1865-1939

*Irish poet and drama author.
He received the Nobel prize for Poetry in 1923.*

All later works by him was based on an remarkable sequence of revelations,
which started on an October afternoon in the year 1917.

To their surprise Mrs. Yeats had an unusual strong spiritual gift.

During the following years an enormous time schedule was revealed,
which covered the whole structure of history and it's meaning,
in a 2000 year cycle structure.

Three years later he had over 50 notebooks full of written revelations.
He organized this and published it all in a 300-page volume,
called "A Vision".

"AAB"

- Theosophy is a doctrine of religious philosophy and mysticism.
- Theosophy holds that all religions are attempts by the Occult Brotherhood to help humanity in evolving to greater perfection, and that each religion therefore has a portion of the truth. The founding members, Blavatsky (1831–1891), Olcott (1832–1907), and Judge (1851–1896), established the Theosophical Society in 1875.

He (Jesus) therefore presented Himself to them as their Messiah, manifesting through the Jewish race. By rejecting Christ as the Messiah, then the Jewish race symbolically and practically remained in the sign Aries, scapegoat, they must again pass through - symbolically - in the sign Pisces, and recognize their Messiah when He comes again in Aquaria, the sign Aquarius.

Comments: Compare the history and times of Sun Myung Moons life:

- *How He was asked to take the mission as the Second Coming, by Jesus himself 1935.*
- *For 9 years he fought with satan to discover the Divine Principle!*
- *how He started his mission, witnessing to christians in Korea 5th of August in 1945, as the mission of the Second Coming of Christ!*
- *Text quote: “Christ came to end the Jewish dispensation which should have been the climax and disappeared as a religion with the sun out of Aries.”.*

William Branham
1946

(1909-1965)

William Branham USA had been hearing voices since he was seven years old. Finally, in May of 1946, Branham was commissioned by an angel from God to be the forerunner of the Second Coming of Christ.

One of the more radical beliefs of the group is that of Serpent Seed which states that the first sin committed occurred when Eve engaged in sexual activities with the Serpent in the Garden of Eden thus causing "the fall of man."

*“What did he do? He begin making love to Eve.
And he lived with her as a husband.
And she saw it was pleasant, so she went and told her
husband; but she was already pregnant by Satan.
And she brought forth her first son whose name was Cain,
the son of Satan.
(Compare with Divine Principle Chapt. 2)*

My comment: In June 1946 True Father went to Pyong Yang to search for the prepared Spiritual groups.

Seems like that Heavenly mission "spilled over" to US.

1957

While Branham had taught the doctrine since 1957, he suggested in 1960 that the Holy Spirit had just revealed it to him as one of the mysteries that God was revealing in the "end-time".

Comment: 1960 was the year of the Holy Blessing of SunMyungMoon and Hak Ja Han.

Sitting with Arthur Ford, November 2, 1964

*Arthur Ford (1896-1971) was one of Americas most famous mediums.
Fletcher is Fords contact in the Spir. World.
A meeting was arranged with SMM during his 1964/65 visit.*

Fletcher: The Jesus of Galilee will not return –
it is not necessary.

The Christ who manifested through him is
the Eternal – he will manifest again.

But at the end of the age from which you are just emerging you enter a New Age.

It was said that there would be many false Christs and many people would claim to be what they were not and they would lead the people astray in many directions. And those are the people who are just as real as the rest of us, but who have for some reason refused to accept the spiritual heritage which they had a right to claim.

And out of the shambles of a crumbling civilization and above the cries of distress that you hear in every part of your world today, there is a plan slowly and definitely unfolding to restore man to the state of perfection which is necessary if he is to live happily and handle wisely the instruments that materialistic science has wrested from this mysterious and growing universe.

And he has the rare quality of projecting himself, which isn't a miracle really.

Mr. Moon in deep meditation can project himself and be seen just as Jesus has been able to project himself and be seen by the saints.

This is one of the marks - of the messiahs always.

Anthony Brooke: Can you say how near we are to such a breakthrough of universal truth?

Fletcher: You are in the process now. But before Jesus became manifest there were people who had been prepared - John the Baptist came prepared. But the world has grown and multiplied.

It takes not one man in a little country to be a John the Baptist, but many men in many countries to herald the coming.

But you cannot expect the message to be accepted immediately by vast numbers of people only those who are ready and who are willing to listen and to whom this particular message seems to be right and meaningful. That is the way that all the world teachers have had to go.

And remember one thing only, that if it is of God, it can not fail.

And it is of God.

He is doing exactly
what Jesus in his life tried to do!

The religion of tomorrow will not be called Christian
as you know it now.

You are already living in a New Age, a post-Christian age.

Principles of the Christ are not limited to any age.

2. Remarks by Sun Myung Moon as interpreted by Bo Hi Pak
Arlington, Virginia, - April 21, 1965

My endeavor now comes to the point that it must be manifested and fulfilled.

My utmost interest is focused upon two major points.

ONE, the liberation of humanity - the true liberation I mean - the liberation from sin -- liberation from the bondage of evil forces.

This is my focus of attention and this is my very endeavor in which I am dedicated;

2. Remarks by Sun Myung Moon as interpreted by Bo Hi Pak

SECOND, how I can remedy or rectify the broken heart of God - how the sorrow of God can be interpreted and learned by all people.

In other words, how can we liberate the World of Spirit as well as the Physical World from the bondage of satan. You may not know very well, but I say that I am a rather controversial person, maybe not in this world as yet, but certainly in the World of Spirit.

blind Bulgarian
prophetess

Baba Vanga's prophecies made her famous; probably not as famous as Nostradamus, but still, for a humble, illiterate, blind Bulgarian she made headlines all over the world.

Interesting fact:

Baba Vanga mentioned a
new religion that will take the earth by the storm:

The White color associated with that new religion
is often associated with the White Brotherhood,
but is more possibly representing
a religion coming from Korea,
known as the people of the white clothes.

He will build a world highway with super fast trains,
resolving all barriers and resentments by using
marriage to promote peace and love where there was
hatred.

In fact most of what she described him doing can be
associated with the Universal Peace Federation and its
founder,
Rev. Dr. Sun Myung Moon.

Dr. Sun Myung Moon.

"Christ will Return
as a peacemaker"

"He will come (2001-2025) and unify the world.. Foolish people will not recognize it. The one who is to come will establish a foundation in the early part of his life. In his latter years (2001-2025) he will accomplish the will of God..."

"He will suffer and shed tears of blood... and reach out to the four corners of the world. He will unite Confucianism, Buddhism and Christianity and he will come as the true man...

He is the one who builds the new Heaven, new earth and the clean and clear new world."

It's predicted that he will suffer before being recognized.

Unity of Religions

Religions will vanish and humanity will believe in one doctrine.

This will bring together humanity together as one family and bring peace and prosperity, **predicts Vanga.**

"Humanity will survive many upheavals and many violent events.

'WHO IS HE? A BOOK OF PROPHECY'
by independent journalist Mr Ku Sung Mo

After 20 years of studying prophecy by many Korean prophets throughout the ages Mr Ku concludes that someone must come to Korea as the second coming of Buddha, Christ or Confucius.

He writes quite directly that Sun Myung Moon is the one

FIND THE SAVIOUR

Within four years (<2002) or thirty years (<2028) there will be a final showdown between this Holy man and evil. He will start doing his work in the centre of Yong San. He is the one who came here to do God's will. Who is he? Two saints will be sent the first will be the false one. The second will be true and have the name Moon. Only the ones with eyes will be able to recognise him.

He will be born in North Korea. He will marry many young people and go through many persecutions.

Who else can it be other than the Rev Sun Myung Moon.

*Sir Anthony Brooke (former king of Sarawak, in Malaysia)
meets SunMyungMoon and members in Korea March 2 1964*

From Brookes book TOWARDS HUMAN UNITY:

At a meeting held in the eastern part of the United States on the occasion of his first visit to the U.S.A., a questioner bluntly asked him (SMM):

"Are you Christ?"

In reply Sun Myung Moon raised his hand and pointed to various members of the audience in turn, saying:

"and so are you... and you... and you also, if you can accept it."

On another occasion a translation of what he said in the Korean language was given as follows:

"This is God's world and it has no boundaries.
It is one.

Your life is one of universal significance and I call upon
you to share my mission. Be urgently concerned for the
world and know, feel and act in accordance with the
Divine Will.

The purpose of the coming Lord is that some day
all shall be like him – like Christ."

It is in his own conscious acceptance of this mission that Sun Myung Moon has meaning for the world. It is the need for urgent, immediate and sustained action in the service of the universal Christ which remains our predominant and enduring thought and inspiration as the result of our meetings in Korea with Sun Myung Moon.

SunMyungMoon Prophecy of 1972

Tamar became pregnant with twins who fought within her womb.

The time of birth came and the first son, Zerah, pushed out his hand. The midwife tied a scarlet thread around his wrist.

This was a symbolical prediction that in the time of the Last Days communism, a satanic ideology, represented by the color red, would appear first before God's kingdom is established.

SunMyungMoon Prophecy of 1972

After 7,000 biblical years--6,000 years of restoration history plus the millennium, the time of completion – communism will fall in its 70th year.

Here is the meaning of the year 1978. Communism, begun in 1917, could maintain itself approximately 60 years and reach its peak. So 1978 is the border line and afterward communism will decline; in the 70th year (1987) it will be altogether ruined.

The Way of Restoration

Like Rebecca, Tamar became pregnant with twins who fought within her womb. When Tamar prayed, the Lord must have appeared and said the same thing he had said

to Rebecca, "Two nations are in your womb, and two people within you will be separated; one people will be stronger than the other, and the elder will serve the younger

For 2,000 biblical years God had been waiting for that very moment. The time of birth came and the first son, Zerah, pushed out his hand. The midwife tied a scarlet thread around his wrist.

This was a symbolical prediction that in the time of the Last Days communism, a satanic ideology, represented by the-color red, would appear first before God's kingdom is established.

Therefore, now (1972) is the time for people who are studying communism to abandon it.
