A Sinner ?

Another Sinner ????????????????

Yes both...and all Mankind  
are sadly inheritad  
“Born Sinners”  
from the Fall of Man

All according to Jewish/Christian/Islamic  
and Principle teaching  
In dire need of a Saviour!

New Test. John 8:44:

*Ye are of [your] father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him.*

Islam. Qur'an 7.11-27:

*O Children of Adam! We have bestowed raiment upon you to cover your shame, as well as to be an adornment to you.*

*O Children of Adam! Let not Satan seduce you in the same manner as he got your parents out of the Garden, stripping them of their clothing in order to expose their private parts. He and his tribe watch you from where you cannot see them! We have made the devils friends only to those without faith.*

## Divine Principle 1.2.2.2:

*Eve, having become one body with the archangel through their illicit sexual relationship, was in the position of the archangel to Adam.*

*Adam, by becoming one body with Eve, **inherited all the elements Eve had received from Lucifer**, in the same manner she did.*

*These elements were then transmitted to their descendants... and mankind has multiplied sin to the present day, thus perpetuating the lineage of Satan.*

# Tang Gam Indemnity

Because the providence of God's salvation is the providence of restoration through indemnity (Tang gam), that is, to let man, who has lost his value through the fall, regain it through a course which reverses that of the fall.

The fall occurred due to the fact that man did not fulfill his responsibility for growth.

It is necessary, therefore, to fulfill this responsibility by subjective determination (reject sleep, sex, food and welcome prayer, fasting, FR, witnessing) in order to return to the original self through indemnity.

# Tang Gam

Throughout this course, man must be exposed to uneasiness, despair or suffering.

Also, since the fall occurred due to lack of faith in God's word, man is asked to compensate for this by believing unconditionally.

But this belief must not be a superstition.

It is for this reason that the paradox of faith (being unconditional).

But such a paradoxical faith is requested only until the Second Advent.

# Tang Gam

Starting from the Second Advent, faith stands on the base of the new words of God; therefore it is no longer paradoxical, because the absolute truth is revealed by the new words.

Thus faith until eternity is not necessary.

After having restored the original self and the world completely, through the Second Advent, we will not need faith nor prayer.

# The Primary Characteristics of **the Fallen Nature**

These proclivities have become the root cause of the fallen inclinations in all people. They are the primary characteristics of our fallen nature.

# The Primary Characteristics of **the Fallen Nature**

- ① **Failing to take God's standpoint**
- ② **Leaving one's proper position**
- ③ **Reversing dominion**
- ④ **Multiplying the criminal act**

The primary characteristics of the fallen nature can be divided broadly into four types (p. 73).

## The right way to deal with sin.

1. Realization of sin. But this time first we must realize the extent of God's forgiving love. If we don't understand the forgiving nature of God, we have no place to take our sin. If we don't let God deal with our sin then Satan will deal with it, and will surely use it against us to destroy us.
2. Guilt. True guilt leads us to the strong desire to take responsibility for our sins. We have realized how our sins have hurt God, how our sins have hurt ourselves. Guilt gives us the strength to handle the course of restitution under God's love and forgiveness. Guilt brings us into submission, humbly before God. It brings us to the place where God can deal with us.

3. Repentance. Now we can repent with all our heart! Why does repentance free the sinner from Satan? Because it is one thing that Satan cannot do! He is the father of false pride. Satan hates to hear the voice of the repenter, just as God rejoices (Luke 15:7) over the repentance of even one sinner.
  
4. New determination. Take up the cross and follow. Go and sin no more. (Based on their understanding, some explanation of the need to lay an indemnity condition or Tang Gam.) Now we must go the reverse way of sin. Instead of replacing the love of God with self gratification, we become the second self of God and Jesus by sacrificing ourselves for the sake and benefit of others. We connect to the true source of love by becoming a temple of God and letting his spirit dwell in us. As we connect to the true source of love, then our desire for false love (sin) will decrease.

We are free and have LIFE!

True Parents have finished paying indemnity. (2000)

There is no indemnity now. All you need to do is wipe clean your horizontal life, raise your sons and daughters and enter the age of father-son cooperation.

There is no indemnity. Since this is the time for us to enter the Kingdom of Heaven on Earth and in Heaven within the realm liberated by God and True Parents, who ultimately desire true liberty for the world, we are having the Transition of the Three Ages Four Position Foundation Registration Unification Blessing Ceremony in Chung Pyung.

## Gods Direct and Indirect Dominion

If you look at the Principle of the Unification Church you will find mention of realms of indirect and direct dominion. /SMM

Due to the Fall, all humanity came to remain in the realm of indirect dominion, disconnected from the realm of direct dominion.

This resulted from Adam and Eve's failure to fulfill their portion of responsibility, and consequently the providence of restoration has been prolonged.

We have not understood this. What is it that we need to do in the realm of indirect dominion in order to reach the realm of direct dominion where we can be connected to the realm of God's love?

We must fulfill our portion of responsibility. /SMM (1976.1.31)

What do the words "Principle of the Unification Church" mean?  
Why is it called the *Principle*? The purpose of the Principle is to show clearly the borderline between the realm of dominion based upon accomplishments through the Principle and the realm of direct dominion. /SMM (1986.1.3)

The realm of direct dominion is a place where Adam and Eve can participate together, united in love. Thus, the realm of indirect dominion is the realm in which their portion of responsibility has yet to be completed. When the portion of responsibility is fulfilled and Adam and Eve become husband and wife centered on love, God becomes the internal Father and Adam and Eve become the external parents. When these unite as the inner and the outer, the realm of direct dominion is established for the first time.

In this process, marriage is therefore absolutely necessary. You cannot enter this realm as a single person. /SMM (1986.1.31)

### Extraordinary Messages from Heaven

One of the mediums from Moderna was very different. This woman, Lidia, was blind. I put into her hand a bell from Father's wedding cake and asked her what it was. She looked most perplexed as she began to receive heavenly messages.

At first she could not believe the messages as they were so incredibly unusual, then she said,  
"Yes, God has a basis on earth through this man; divine marriage; no one can stop him."

## Founding of IFVOC

To humankind's great loss, communism raised its head during this century.

Reverend Moon perceived that without overcoming communism, humankind could not achieve eternal peace.

He therefore revealed Unification Thought as an ideological alternative to communism, and established an influential organization, the International Federation for Victory Over Communism (IFVOC), on January 13, 1968.

1971

## Unification Thought Institute

The Unification Thought Institute was established on August 7, 1971, with the purpose of unifying religion, science and philosophy centered on the Unification Principle.

Its goals include overcoming and eradicating communism, and finally systematizing the God-centered ideal which will bring the Kingdom of Heaven on the foundation of a unified and harmonized human civilization.

Heung Jin Moon - from the book The Victory Of Love

Preface: One day in the beginning of 1984, on a somewhat chilly morning in Cairo, Egypt, I was having breakfast with Rev. Walter Gottesman. At the time, I was the International Itinerary Worker in Africa.

Rev. Gottesman, an 1800 Couple, who was the missionary to Egypt, and I were seated at a table which was covered by very thick glass. All of a sudden, one corner of this glass cover cracked, and the line of the crack formed a small letter "h".

1984

We had not put any hot dish on that corner; in fact, all the food we were eating for breakfast was cold. But when I touched the place where the glass cracked, it was very hot.

Both Walter and I were certain that it was some kind of spiritual phenomenon.

Soon after that, we received the sorrowful news of Heung Jin Nim's Seung Hwa.

On November 9, 1989, two months following this ceremony and declaration, the Berlin Wall crumbled.

Then, after I held the Moscow conference, in April 1990, the top ranking communists and the brightest, most outstanding members of their second generation turned around completely 180 degrees in my favor.

## Liberation of Spirit people

Our Unification Church must complete the missions of three eras: saving the spirit people, liberating the people living in the present sinful world, and creating freedom for those who are to come in the future.

So we are proposing liberation in three eras.

This is an astounding task. /SMM 1990

What is the difference between your birth parents and True Parents? They are not the same.

Your parents are situated within a single age,  
but True Parents encompass the three ages.

They encompass the past, present and future ages,  
both the spiritual and physical worlds.

The True Parents are the root and the bud.

Your physical parents are branches.

Do you understand?

A bud grows on a branch.

Thus, your physical parents are parents on the branches stemming out of the current age.

True Parents, however, are the parents of all three ages.

They are the parents of the age of the root,  
the age of the trunk and branches, and also the age of the leaves.

In 1996, True Father added the word  
“True” to God’s Day  
and the other original Holy Days.

The Importance of Prayer  
*Reverend Sun Myung Moon*  
*April 15, 1979*

Prayer is an absolute necessity.

You may kneel down all the way to pray, but the most important thing is that you create an environment of commitment first. Unless your basic attitude is ready, no amount of prayer will be useful. In the Christian world today many people pray every day, but do you think they pray to destroy the Christian churches? No, they pray for prosperity, but the churches are crumbling nevertheless. Do you pray for the sake of the Unification Church? You don't have to pray for the Unification Church; pray for the big things: the nation, the world, the liberation of God. What you are really doing then is praying for a cross even bigger than the Unification Church.

# Prayer

A Life of Prayer, April 15, 1979  
Prayers of the Reverend Sun Myung Moon.

The most important thing in prayer is the attitude of the person who is praying. The most essential thing is your commitment to go forward without reservation. If anything wants to block you, you have to be decided that it will never stop you. Unless you have that commitment first, God will not waste His time trying to help you. He has always been deceived in history, so what God needs to see is proof of what you are and how strong your commitment is. You may tell God you are totally committed, but He will shake His head and think, "I have to wait three more years and see." If God sees that something isn't quite right in you, He will wait before sending down His help. God needs to be sure.

# Prayer

Do you think I made a commitment to God that I would never change, not for fifty years or the rest of my life? I prayed first for the absolute faith which could say, "Even if not a single person in this world can believe, I will believe and follow in whatever incredible course You give me." Second, I asked for absolute knowledge and wisdom. Third, I asked for absolute love.

# Prayer

In order to fulfill bigger things you need an adventurous mind and be willing to take risks.

Then God will tell you not to worry, that He is right behind you. If you throw yourself into overcoming the stone walls and persecution before you, God will take up your battle for He knows who is just and who is unjust.

But first God will watch, giving you a chance to knock your opponent down with your own capability. This is the same thing a father and mother would do. If you come running to God to ask for help before you even confront your enemy.

He, like any parent, will be ashamed to hear you and will send you back out again. Create a good problem: be a heavenly troublemaker instead.

# Prayer

# Prayer

## The power of prayer

The younger Rev. Hyung Jin Moon had wondered what the real power behind his father's success was. He was sure it was due to the power of his prayer life and he suggested that his audience study Jesus' teaching on prayer.

Matthew, Chapter 6 records Jesus giving The Lord's Prayer, and Rev. Moon suggested that he was not simply teaching his disciples a prayer to recite by routine, but was giving his disciples a pattern or formula for prayer.

After asking everyone to say the prayer with him, Rev. Moon noted that it started with "Hallowed be Thy Name," then "Thy Kingdom come, Thy will be done." We needed to first praise God, then pray that His will be done. A relationship with God was a gift and could only be effective on God's terms.

After we have started this way, we could pray for "our daily bread" and to be forgiven and able to forgive others, and not to be led into evil, he explained.

# Prayer

- On September 14, 1999, Rev. Moon opened the era in which blessed families could pray in their own names [i.e. conclude their prayers by offering it in their names]. At the time of the commemoration of the 14th True Children's Day on October 27, 2000, he established a new format for the prayer ending.
- 4. On New Year's Day, 2001, he instructed that our communication with God should be in the form of a report rather than a prayer.

# Prayer

- *As you all know, whenever we pray, we end with the word **Aju**.*
- *It's important to understand the meaning of Aju.  
It is from Chinese characters.  
The character for Ah is for me, myself, or my.  
It can also be possessive, mine.  
Then Ju is the character for lord or owner.*

*So every time Unificationists pray  
and say, "Amen, Aju," what we're saying in Aju is that we're praising God,  
saying, "My Lord." It's very important to understand how we end our prayers  
and how we can understand what Father Moon has guided us to report to  
heaven. /HyJN*

# Prayer

He also taught his listeners that people often thought of God as a vending machine, to be kicked a couple of times if the candy didn't come, but that didn't work.

And, he asserted, Father Sun Myung Moon's heart and teaching went even further: after praise, he prayed for the world, nations, others,  
before self.

# Prayer

He had once been in an airplane in the middle of a violent storm (*S. America small plane*) and started praying "save me, save me", but then he remembered he had recently given a sermon on prayer, and that this was not the right way to pray! He started praising God, and the fear went away.

We needed to pray not for what we wished but to trust God.  
Our lives would change if we came before God in the way  
He expected.

/ Rev. Hyung Jin Moon

# Holy Salt

History: According to the lunar calendar, March 16, 1960, is the date of our True Parents' Holy Blessing. This was also the day Father created and used Holy Salt for the first time.

He used it to sanctify the church hall before the ceremony, and taught its importance at the meeting he held afterward.

After the ceremony, he distributed Holy Salt to those in attendance. He asked those individuals to pass on Holy Salt to members throughout the world.

After the Holy Wedding in 1960, I created holy salt.  
Do you know why?

It was because True Parents should not use anything  
from the fallen world.

God's Son is the Parent whom God has perfected.

Everything that is defiled in the fallen world should be burned;  
however, since this is not possible in Practice,  
holy salt was created as an alternative.

Sprinkling things with holy salt symbolizes cleansing the things of the fallen world.

Applying holy salt cleanses Satan's world and, on that condition, Heaven's side is able to use the things in the fallen World.

# Holy Salt

**Biblically the number 7 = Earthly perfection**  
**Exodus 25:37 And thou shalt make the lamps thereof, seven;**  
**and they shall light the lamps thereof, to give light over against it.**

# Holy Salt

**Comment from Christian tradition:**

**We have a priest that does the blessing with the exorcism prayers.**

**Not many priest do that anymore.**

**He also does oil and water at the same time.**

**I carry a small amount of salt and water with me all the time. we have used it in motel rooms and on camping trips.**

**When I know we will be in contact with someone who is confrontational about the faith I bless myself and the kids. I have slipped all three into whatever I am cooking, especially when it just seems like the devil is making my house crazy with little spats and tiffs.**

**I never use it without also saying a short prayer also.**

**Oh and to avoid vacuuming it up I place it in corners where the vacuum doesn't reach. I have even slipped it into the holy water font at Catholic Churches that have lots of abuses.**

## Holy Candles

1. Shimjung Candles
2. Birth Candles
3. Ae Chun Candles

Holy Candles drive away Satan and there are several kinds that we will not enumerate here. Their creation, use, and bequeathing is the subject of an elaborate and detailed ritual. Families will store their “seed” candle by which they can sanctify more candles and matches for their own or others’ use.

## 1. Shimjung Candles

**Significance:** Shimjung Candles\* have the ability to diminish Satan's power. As they burn, the spiritual atmosphere changes, becoming more pure and holy. When we use them, we comfort God's heart. He recognizes that we are striving to become His true sons and daughters and to help Him ultimately to fulfill His original will.

**History:** On January 5, 1966, True Father gathered the president and nine regional leaders of the Korean church and, after explaining their significance, bequeathed one candle and one box of matches to each. Father referred to these as Shimjung Candles.

# Holy Candles

- 1.
2. Birth Candles
- 3.

**Significance:** According to the Principle, blessed children should be born in a godly environment; during this period of restoration they are still born in impure, ungodly environments. The use of these candles makes a condition for a holy environment to be created during the birth of the blessed child.

**History:** The Birth Candle tradition originated at the time of Ye Jin Nim's birth. After the 36 Couples started married life, True Father bequeathed one Birth Candle and one box or book of Birth Matches to each couple. Since that time, they have traditionally endowed Birth Candles to other couples.

# Holy Candles

- 1.
- 2.
3. Ae Chun Candles

Significance: The English translation of Ae Chun Cho is Love of God Candles, referring to the love that God has for humankind. Unlike Shimjung or Birth Candles, Ae Chun Candles are a pair of candles. One is referred to as a "Father" candle and the other, a "Mother" candle. As they represent the harmony and love of the True Parents, these candles must always be burned together. The candlelight is a symbol to ward off all satanic infiltration; it gives a spiritual shield of protection from Satan.

God and True Parents are present each time the Ae Chun Candles are lit. As Father began this tradition with Mother, when we light the Ae Chun Candles we are allowed to share the tradition of our True Parents. Whenever these candles are lit, the authority of true love is present. The speech which Father gave at Belvedere on May 20, 1984, in which he explains the significance of the Ae Chun Candles, was published in the August 1984 issue of Today's World and is excerpted below.

# Holy Robes

Holy robes The design of these white garments was given by a medium, who said they are the customary dress in the Kingdom of Heaven.

They “symbolically purify us externally.” Their design and use is highly prescribed, although in recent years their use for holy days is diminishing.

# Holy Pictures

Images Pictures of True Parents and True Family serve as protection, like the blood on the Hebrews' doors that spared them from the angel of death. By them, with our sincere faith, angels and good ancestors protect the home. A church flag fulfills a similar function.

# Holy Pictures

True Father is quoted as saying:

*From now on (1984), we are going to stress the value of carrying my picture. Without the protection of God, I could never have survived the untold hardships and difficulties I have faced. So for anybody who carries my picture from now on, it will serve as protection for them. At the time of the Jewish Exodus, God sent a plague upon the houses of the Egyptians which killed all their firstborn sons. All the houses which had the blood of the lamb on their doorway were spared that tragedy.*

# Holy Pictures

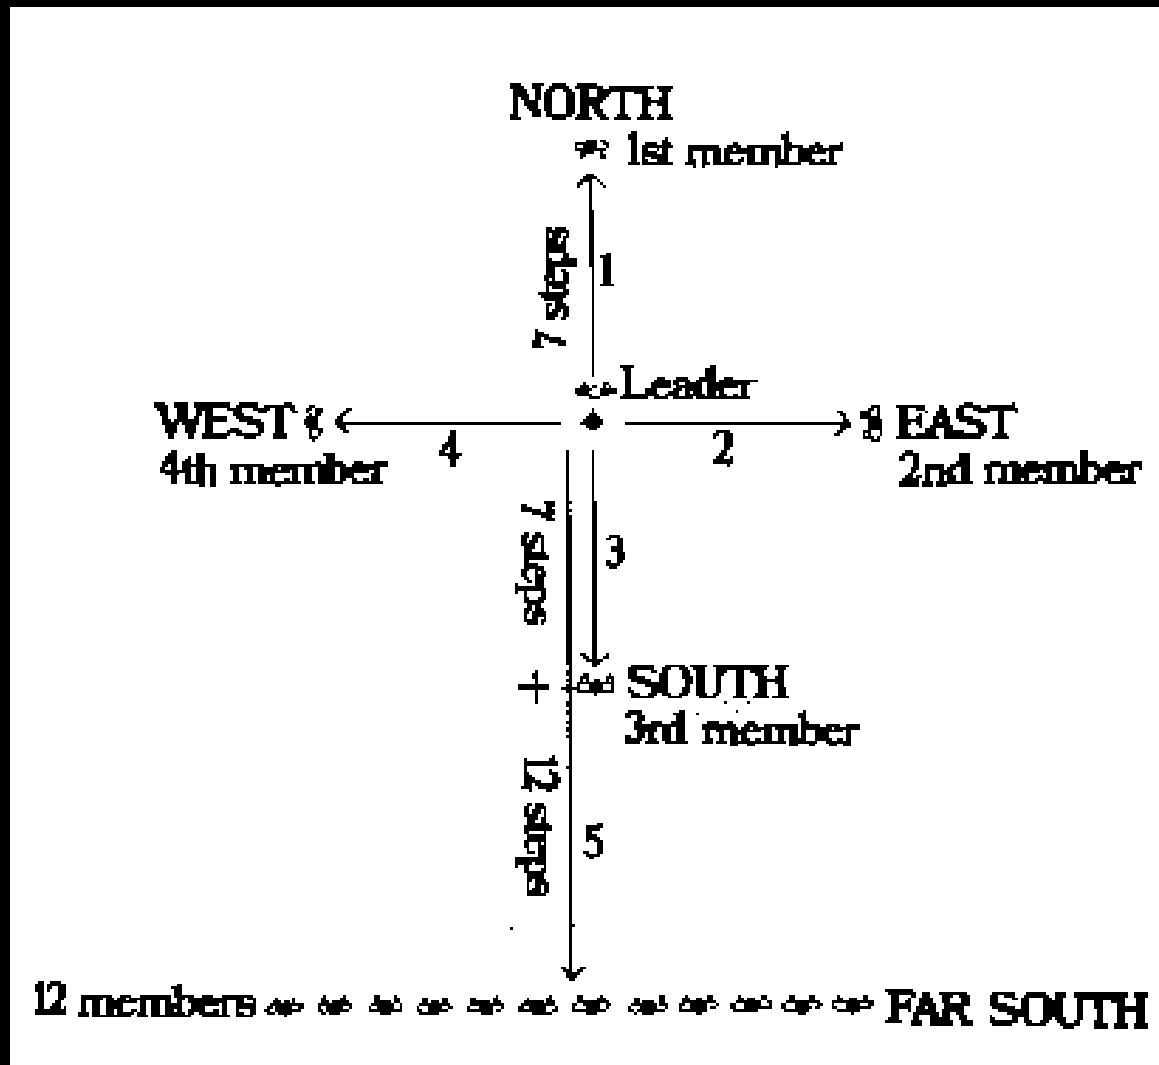

*Therefore, the Israelites were spared. By the same token, isn't it possible that during some modern-day calamity, those who are carrying my picture would be spared? That is the way the spirit world looks at it. Now that Heung Jin Nim has passed into heaven, the spirit world is intervening more and more with worldly affairs. So those who are carrying the True Parents' picture will unquestionably be given protection by angels and good spirit world. If you could open your spiritual eyes, you would see the same kind of phenomenon occurring even now, here in this room.*

# Spiritual Children In our lifetime

- If your religious life declines, then you will have absolutely no assistance from the spirit world, and eventually, you will have no relationship with the spirit world, either.

- It is essential for you to seek spiritual assistance whenever you gather together. According to the principle of creation, the relationship between the spirit world and the physical world is like the relationship between parents and children.

# Spiritual Children In our lifetime

- Without three spiritual children, you cannot stand in the position of having complete support from three archangels; your position remains in the fallen realm and you are liable to Satan's claim at any moment.
- Also, the three archangels should attend Adam and Eve for three years, in such total unity that they would sacrifice everything to see the day of your Blessing.

## Spiritual Children In our lifetime

- When that three-year period is over, Adam should receive God's approval and say to the archangels, with God's heart, "Please let me receive the Blessing with my spouse-to-be, since I have grown to maturity." This is the principle of the Unification Church. It is logical that you cannot receive the Blessing without three spiritual children; it is absolutely impermissible.
- Whoever becomes married without three spiritual children will remain in the fallen realm.

# Spiritual Children In our lifetime

- Why did three wise men from the East visit Jesus at his birth? As the minimum condition for Jesus to be connected with the standard of the world, men of high spirit came and offered gifts to him.

These wise men were the ones who had longed for the Savior even before Jesus was conceived. Once they found out about his birth, they sacrificed everything and traveled any distance so that they could attend him. The appearance of the three wise men from the East is in accordance with the Principle.

# Spiritual Children In our lifetime

- Even Jesus, who was followed by three main disciples, had to walk this path, regardless of life or death, because of this principle of spiritual children.
- Since people have not comprehended this principle so far, Satan has been dominating this world, bringing all things of creation into disgrace. In order to restore an archangelic realm, spiritual children should love Adam and Eve, who are spiritual parents, and their child, even when it is still in the mother's womb. /SMM 13 May 1983

# Witnessing TF 1965

Question: What are the requirements and qualifications for a person to be blessed in Marriage?  
What are the requirements for already married couples?

Answer: To be blessed, you need be a pure virgin or a bachelor.  
That's the first requirement. But this is not enough.

Since we are all fallen we need to go opposite direction first to be restored.  
You must first find and lead spiritual children.

You must guide and teach three people to a level where they also can receive a blessed marriage.

# Witnessing

Then you yourself can receive a blessed marriage and be their spiritual parents.

This is eight restored people, representing the eight members of Adam and Noah's family.

Then you must restore all things, the whole world to God.

Noah's eight family members performed the Judgement and renewed the entire world to God.

You must create a victorious foundation in the satanic world.

God must recognize you as the victor in this world,

"Be fruitful and multiply, fill the earth and have dominion over all things."

These words must be fulfilled by you.

For the already married people: Because marriage in the satanic world is not recognized by God, the man and woman must go their separate ways as brother and sister.

# Witnessing

- Witnessing results depend
  - 40 percent on the spirit world,
  - 30 percent on one's understanding of the Divine Principle, and
  - 30 percent on one's practice.
- 
- The secret of witnessing to a person is to
  - see him/her often with your eyes,
  - talk to him often with your mouth,
  - listen to him often with your ears,
  - be concerned about him often with your heart,
  - and give him much.

Controversials:

About Homosexuality from 224 speeches

Homosexuality is unnatural, against God's law of creation.

Homosexuals are growing in number, they bring the question of Homosexual rights even to the Congress. Then can we leave things as they are? (No!)

Or do something about it? What shall we do with this problem?

We will try to persuade and convince those people.

But if they don't listen to me, or listen to us, what would we do?

Shall we beat on them? (No.) ... /SMM 750307

Where is your enemy?

Our real enemy is the internal enemies of drug use and tree sex and immorality, plus the infiltration of evil ideologies such as homosexuality. /SMM 800221

Universal law when people grow up, they naturally seek the opposite sex for companionship.

This is the natural way for remedying loneliness. if everyone in the world were to live as homosexuals for one century. All humanity would simply cease to exist!

Homosexuality is a satanic force which is exactly opposite universal law.

It brings destruction rather than creation. /SMM 820919

Controversials:

About Homosexuality contin.

Men and women who practice homosexuality may feel strong sensations from that, but it has no resonance in truth; ultimately it is hollow.

But when two people experience true love, it resonates throughout the universe.

There is a special feeling in a room when husband and wife are there together; it creates a natural atmosphere of love. While a deviated experience may be comentarily exciting, an icy cold feeling of despair and destruction follows it.

True love has a warmth and a fragrance unknown to deviated love.

What is the mission of the spirit world? They are the assistants or supporters to make this world right. Spirit world is assisting in God's program. American culture today is centered upon sensational and physical experiences such as drugs and promiscuity. Furthermore, there is a growing subculture promoting the perverted sexual behavior of homosexuality and lesbianism.

They are trying to make it legitimate. These things have their roots in a satanic origin and the American culture is buying it, absorbing it. Satan's love culture is an evil love culture. Satan is promoting it and America is buying it.

/SMM 820919

Controversials:

About Homosexuality contin.

The problem is not with me or the Unification Church, nor with the Principle. Many abnormal things are being encouraged, including homosexuality and so forth. Even if you research and study forever, you will not find that kind of relationship in the animal kingdom. Only human beings have that kind of problem. /SMM 870823

A phenomenon of America for the past two decades has been free sex, with promiscuity, wife-swapping, blatant homosexuality, and so forth. Now the consequences of such practices are being seen in the form of widespread divorce, as well as the spread of diseases like AIDS, which is incurable. Why is that disease incurable? God always has mercy upon man, except for this one cardinal sin against love. /SMM 870823

# Holy Wine Ceremony only for 1st Gen.

Ingredients: 21

What is inside the holy wine?

It has an ingredient that symbolizes parents' love.

Also, it has to have something in it that symbolizes blood.

Accordingly, when you drink that, you become one body with parents' love and one body with parents' blood.

Then how is the holy wine made? It is wine which is made from ingredients that symbolize the earth, the seas, and heaven, and that symbolize the whole cosmos.

In the holy wine there are three kinds of alcohol.

Besides that, it has an ingredient which symbolizes all things.

The fact of drinking this means that one is being born spiritually and physically.

If this ceremony did not exist, original sin could not be removed and the lineage could not be converted. Without converting the blood lineage, one cannot become one body with God's love by passing through the standard of perfection. The holy wine ceremony is the ceremony which indemnifies all of this.

### *The Spiritual Basis Of The 3-Day Ceremony's Procedure*

During the first two days of the Three-Day ceremony, the woman is in the position of the "Bride of the Messiah" and "mother" to her spouse. Therefore, she initiates each part of the ceremony.

Through the ceremony of the first day, the man is raised from his position of archangel (being reborn as the son of the Messiah and his wife) to the position of sinless Adam in the formation stage.

Through the ceremony of the second day the man is raised from the position of "Newborn Adam" to the "Adam before the fall" position.

Each part of the ceremony of the third day is therefore initiated by the man in his position of Adam. The man takes the leadership role to restore dominion. Through this ceremony, they become one as the eternal ideal couple and husband and wife.

# Holy Songs

## *Significance*

Holy Songs are an important part of the Unification life of faith. Even though a congregation may come from various religious backgrounds or have different daily schedules, people can more easily feel united centering on Holy Songs.

Although they are usually sung during prayer, Pledge, Sunday services, or meetings, it is not unusual to hear members sing or play them when alone or even in small groups.

## *Purposes*

Holy Songs actually have several purposes. Whenever members gather and sing Holy Songs, the environment can change and unity can be generated. Satanic power diminishes; the spiritual atmosphere of the gathering can become clear, pure, and godly. When members sing Holy Songs, they often feel more purified internally.

Whether one desires to become more joyful or more serious, Holy Songs can help one to focus upon finding a deeper relationship to God. Holy Songs, therefore, are very important in preparing the atmosphere.

## Holy Songs Written by True Father

Father wrote many Holy Songs himself.

As the representative of all humankind, and on behalf of all people,  
Father gave glory to God through these songs.

# Healing in CheonPyeong

The first stage of the Cheongpyeong providence lasted 24 years from July 12, 1971 to January 19, 1995.

During this period, Cheongpyeong [training center] was in charge of FFWPU's inter-religious and inter-denominational work, the education of FFWPU church leaders as well as the Divine Principle and spiritual education of church members.

The second stage of the Cheongpyeong providence was from January 19, 1995 to October 26, 2014.

During this 20 year period, under the dominion of True Parents, Moon Heung Jin-nim and Daemo-nim (grandmother Hong Soon Ae), engaged in special dispensations: ancestors' liberation, ancestors' Blessing and the development of the Cheonwon area.

The third stage of the Cheongpyeong providence began on October 27, 2014 when True Parents specially blessed and sanctified ( 聖域化 ) the Cheongpyeong Holy Ground as Bonhyangwon ( 本郷苑 - original hometown and resting place) of the Heavenly Parent and all humanity. Since then, True Parents have directly led and guided both the Cheongpyeong providence and endeavors aimed at creating the proper environment for the Cheongpyeong works.

## History

The tradition of the Seung Hwa Ceremony for blessed members was taught by our True Parents after the death of their son, Heung Jin Moon, on January 2, 1984.

World level Seung Hwa Ceremonies for Heung Jin were held both in Tarrytown, New York (Belvedere), and Seoul, Korea (the Little Angels School).

## Seung Hwa Ceremony

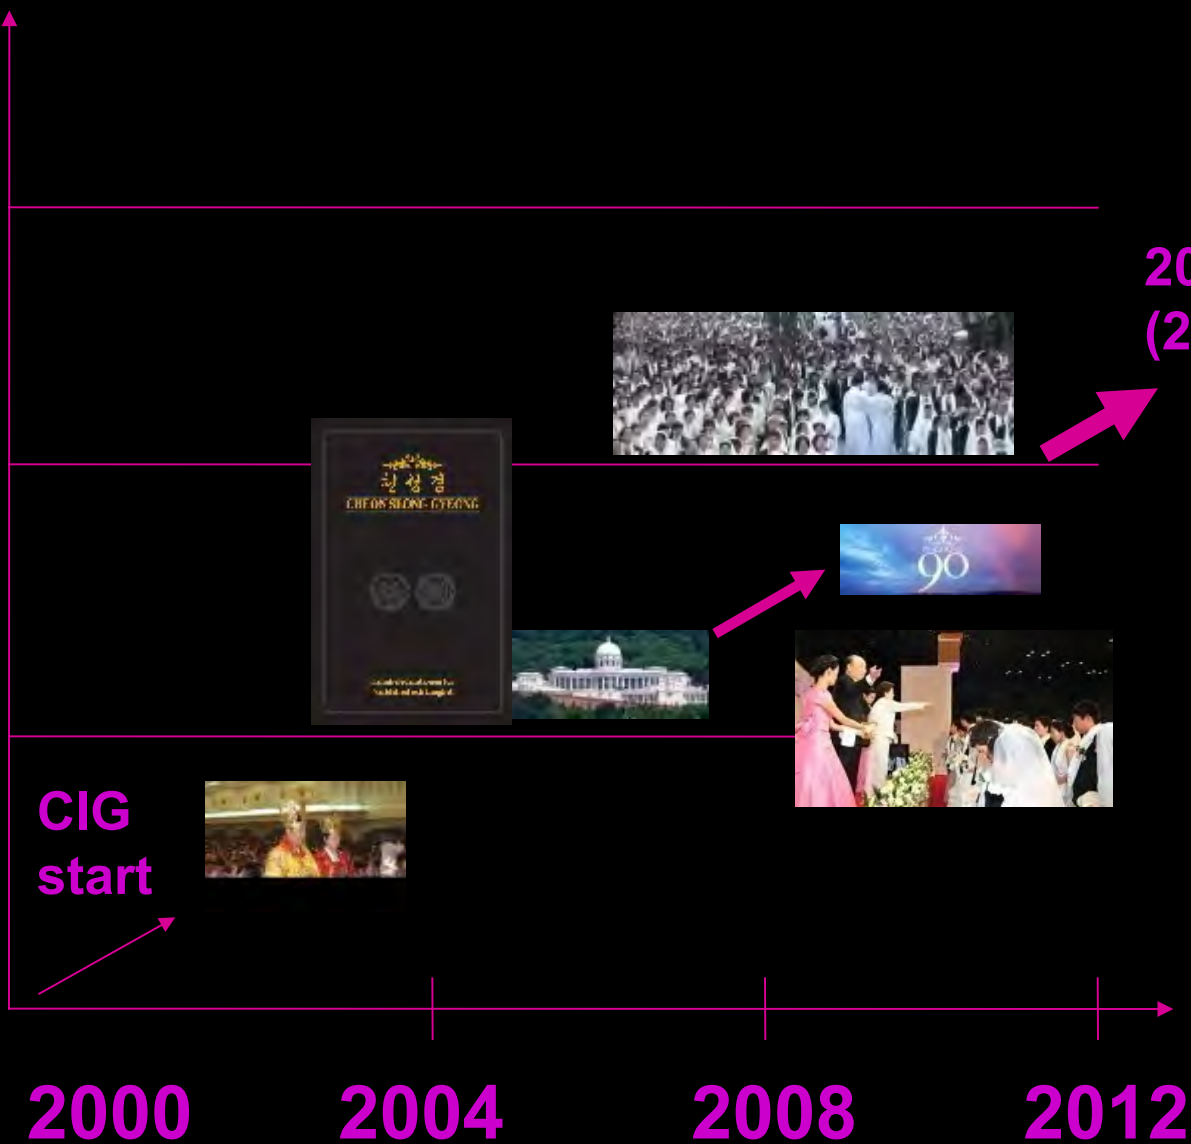

Even though many funeral ceremonies have been held for members of the Unification Church, it is only because of Heung Jin Nim's sacrifice for True Parents that the tradition of the Seung Hwa Ceremony could begin.

Originally, this could not have been begun until the True Parents went to the spiritual world. Yet based on Heung Jin Nim's dedication and organization of the spiritual world, blessed members can now receive the foundation of the Seung Hwa Ceremony.

*If we divide each of the three stages of the growing period into three sub-stages, we arrive at a total of nine levels. Herein lies the significance of the number nine in the Principle.*

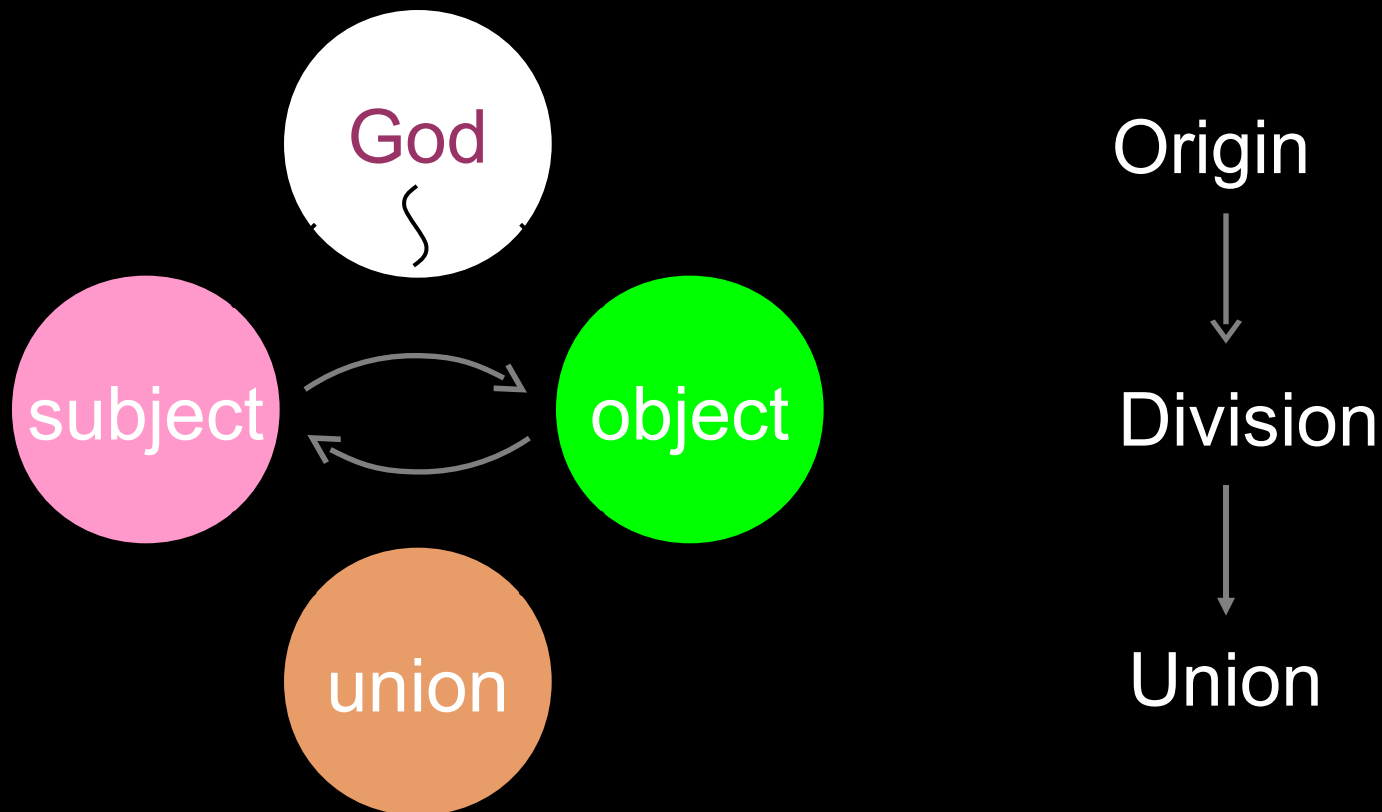

*As a numerical unfolding of the dual characteristics of the invisible God, each of God's creations passes through the nine levels of the growing period. Each then fulfills its purpose of creation when it becomes one with God in the realm of His direct dominion, which constitutes the tenth level. For this reason, we call the number ten the number of unity.*

- Kalevala, Finnish national epos

Case in point is the mysterious existence of myths obviously describing precession in the ancient verses of the Kalevala, the Finnish National Epic. These myths were relayed from the earliest times by way of singers.

Many of these stories are thoroughly magical and are filled with sky lore. The Finnish language is not of Indo- European origin and up until the late 19th century peasants in Finland and northwestern Russia had little contact with Europe. Indeed, their heritage suggests more contact with Central Asia than Europe.

- Kalevala, Finnish national epos

...Some of the Kalevala stories describe a sacred Mill called the Sampo (derived from sanskrit Skambha = pillar or pole) with a "many ciphered cover".

This spinning Mill is a metaphor for a Golden Age of plenty and the starry sky spinning around the Pole Star (known as the Nail of the North), which in the Far North is almost straight over head. The Mill at some point is disturbed, its pillar being pulled out of its peg, and a new one - a new "age" - must be constructed. This becomes the chore of Ilmarinen, the primeval smith. In this legend, ancient knowledge of precession among unsophisticated "peasants" who were nonetheless astute skywatchers, was preserved via oral tradition almost down to modern times.

Other predictions were about dramatic changes in the Earth's surface in the period of 1958 to 1998.

The cause of these he put down to a tilting in the Earth's rotational axis which he said would begin in 1936.

The first sign of this change in the Earth's core would be the "breaking up of some conditions" in the South Pacific and "sinking or rising" in the Mediterranean or Etna area. Cayce forecast that, by the end of the century, New York, Los Angeles and San Francisco would be destroyed.

He said that "the greater portion of Japan must go into the sea" at this time, and that northern Europe would be "changed as in the twinkling of an eye." In 1941, Cayce predicted that lands would appear in the Atlantic and the Pacific in the coming years, and that "the coastline now of many a land will be the bed of the ocean.

## Ancestor Liberation:

With deep gratitude for Heavenly Father and  
True Parents  
I like to share my testimony

On Saturday the 3rd of December 2011,  
we welcomed home our 210 generations of blessed  
ancestors of 8 lineages.

Present were our daughter Christabel and her  
husband Robert, Petra's cousin Monika, and Petra  
and myself.

## Ancestor Liberation:

The whole week before the event we prepared ourselves and our home to welcome our ancestors. We made a beautiful poster. we bought roses in the exact colour of the poster: pink and we prepared food from the regions our 8 tribes were coming from: Europe, the Middle East, Africa and the Far East.

## Ancestor Liberation:

At 1 pm exactly we started our ceremony to welcome our blessed ancestors.

We bowed, recited the Pledge and then Petra prayed. And it is during her prayer that I could see the spirit world around us.

Please look at your Blessing ring.

There is a centre and this centre was an altar with beautiful offerings.

I could see exactly the same dishes on the altar which we had on our altar, just a lot bigger.

## Ancestor Liberation:

4 plates filled with food (1 plate for 2 tribes), chopsticks and fork as well as four glasses of water. Above the altar, in the air, was True Parents' picture. It was multi-dimensional. Where ever you stood around the altar you could see the picture. And above the picture was the a huge "ball" of white sparkling and translucent energy. It was God in all His might.

## Ancestor Liberation:

The whole scene was overwhelming.

I looked again and I saw (please look again at your Blessing ring) 4 huge lines of ancestors. two of our tribes together, coming from the 4 corners of the ring, representing East and West, North and South.

Interesting was also that the couples we recently blessed were at the front, closest to the altar.

Our whole little flat was packed with our ancestors, so was the compound of surrounding flats, the gardens, the parking area and beyond.

## Ancestor Liberation:

210 generations of ancestors of 8 lineages are altogether 1680 couples.

As they were standing facing the altar in the middle everyone was praying.

When Petra finished her prayer we sang Tongil.

The ancestors joined in.

I looked at our blessed ancestors who usually wear white Holy Gowns, now they were wearing golden robes.

The atmosphere was highly charged.

## Ancestor Liberation:

At the end of our introduction to the ancestors and to over 20 collateral couples (many we knew personally) we raised our glasses, when I heard very loud, harmonious and powerful music.

It was the music when True Parents enter the room for a Blessing ceremony.

When we gently shouted “welcome home our ancestors”, everyone of the tribes had a glass and cheered.

## Ancestor Liberation:

As we were also celebrating Christabel, Robert's and my birthday we had 3 cakes and Baklava sweets. Everyone likes sweet things, including our ancestors. My wife asked me every hour till we went to bed "what are they doing now?". the answer was always the same. They were still talking and they were still eating.

## Ancestor Liberation:

You may ask, can we feel a difference since our blessed ancestors came home. Yes, we do.

There is an atmosphere of giving and receiving.

Not individual giving and then someone receives.

No, it is like a constant and it seems never ending flow of spiritual energy and love.

Our biggest concern is, that we have the capacity to receive all this Heavenly Fortune our ancestors brought with them.

## Introduction

For the last twenty years I have immersed myself in the many books of prophecy found in Korea. These books of prophecy, some thirty in number, appeared five hundred to one thousand years ago.

In a sense it is not an exaggeration to call Korea a nation of prophecies.

Often called secret communications, prophecies have their human authors.

Nonetheless, as we delve more and more deeply into these texts, we come to realize that they are not created through individual decisions.

Rather, they are messages revealing the plans of the Creator, transmitted to the earth through living human beings.

In this book, I have selected seven major prophecies and treated as concisely as possible those parts relating directly to Korea and Japan.

This is a perilous time of great change on the earth, a time unprecedented since the universe came to be. At this time I pray deeply that we will avoid the path of death and find the path of life, entering into Heaven on earth and coming into the realm of protection of the heavenly God/Buddha.

The Messiah. Then who is he?  
When heaven sent him down to earth in secret,  
his surname was Moon.

Born north of the 38th parallel, going through the  
suffering of prison life, receiving ridicule and rejection  
and giving matchings and the blessing of marriage to  
those who believe in God.

Who is he? Is he not the Reverend Sun Myung Moon,  
whom all humankind is to attend as the True Parents?  
All secret messages and prophecies are meant to testify  
to this very moment and to this hitherto hidden heavenly  
secret.

Oh, God! Oh, our protector!  
Thank you, we can only thank you!

# 1. Jesus' Message to Christians and All People on Earth

- I came to Earth with the mission from God to be the Messiah.  
In the Bible I could not reveal all of the conflicts between the religious believers and non-believers in those days. In fact, there are many providential matters that the Bible does not reveal.

## Quote:

- “ ...the first of several instances during the war when my life was miraculously saved.”
- One thing was clear, there would no more retreating. We had to defend our fatherland even at the cost of our lives. That was the thinking of this group of idealistic cadets.

*The author as a first lieutenant during the Korean War*

*In my own way, I was on a spiritual search. I hungered and thirsted for the truth.*

*During the Korean War, I had come face to face with death numerous times. This made me look at the fundamental questions of life with a special sense of gravity. I wanted to commit myself to a religious path.*

# Encounter with the Unification Principle

*As a Christian, I spent a great deal of time reading the Bible. It seemed, though, that the quagmire (swamp) of doubt only became deeper as I continued my search.*

*Then, one day, a letter was delivered to me. The sender was someone with whom I was not directly acquainted, a Miss Young Oon Kim who "worked as a secretary in the KMAG chaplain's office, which was located in the same compound where I worked.*

*The letter's contents were quite short, saying only, "There is a place where they discuss matters that are important to human life. Would you like to go there with me sometime?"*

*There was no blackboard available, so Miss Kim placed a white piece of paper on a table and wrote in large letters, "Principle of Creation."*

*In her extraordinary lecture that first evening, Young Oon Kim explained the hidden meanings of the Bible to me one by one.*

*Her words were like the warm spring sun falling on the Han River, melting away the thick ice of winter without a sound. She told me that these words represented the fulfillment of Jesus' prophecy in John 16:25.*

*If the Lord is to come with a physical body, then where will this take place? Believe it or not, the Principle says he comes to Korea.“*

*"Korea! You must be joking!" That was my first reaction when Professor Kim said those shocking words. If she had begun her lecture the day before with this pronouncement, I probably would have walked out of the room.*

The Kidnapping of  
the Chairman of the

Abduction in New York City  
In autumn 1984

- "Nice to meet you," I said. "But where is your boss? (korean political leader) Couldn't he make it?"  
"The minister wanted you to join him for dinner, so he has reserved a room at one of the best Korean restaurants in the city. He is waiting for you there now. It is close by. It will only take about five minutes to get there. Please allow us to take you."

- "We're going to execute you at midnight tonight!" one of them said. Perhaps because I had been trained to be calm under such conditions, or because I had confronted death several times during my army career, I began to calmly analyze my situation

- are they agents from the North, or could they be acting under orders from the Soviet KGB? If so, then I'm a dead man for certain. If it's political, there's no way to get out of it. It's the end of the line for me! I have no choice but to face the grim reality.

- The driver shouted, "Blindfold him!" The youths promptly carried out the instructions, then pushed me down on the floor. They placed their feet on me and held me down with their shoes.

- At my Office: The one person most alarmed was Hak Ja Han Moon. She immediately telephoned Danbury, where Reverend Moon was incarcerated at the time. When he heard that I had gone missing, Reverend Moon immediately curled up with both knees underneath him and entered into deep prayer. I later found out that he was awake and in deep prayer the whole time I was kidnapped.

- we need \$1 million!
- "A telephone call is absolutely out of the question. Didn't I tell you that that will only get all of us killed? The only way it can be done is if I go to the bank myself. The bank is in Washington. It's open until three in the afternoon, so I can still make it if you take me to La Guardia airport straight away."

- You've got two choices. Either you kill me, or you take my word and send me to the airport. Make your choice."

It took a little more than one hour to get to La Guardia airport. At the airport, the driver mumbled, "I'm very sorry," over and over again. It was quite a contrast from the day before, to say the least. When I left to board the plane, he kept saying, "Thank you. Please give it your best." He also managed to bow a full ninety degrees. (In Korea, such a deep bow indicates deep respect or obeisance.) The next moment I was free.

- When I left the bank I went directly back home to my house in McLean, Virginia. I rang the front doorbell and waited. A man I had never seen before answered the door. He looked me in the face and asked me, "Who are you?" "I'm the owner of this house. I'm Colonel Pak."

- The kidnapers were caught almost right away. Only the ringleader slipped away. He escaped to Japan, only to be apprehended by the Japanese government and extradited to the United States. The \$500,000 never even left the bank, thanks to the FBI, which acted swiftly to put everything in order and tie up all the details. In the end, the news of my kidnapping simply attracted a lot of coverage in the Korean newspapers.

The news that I was back was immediately telephoned to Danbury. As I later found out, Father had been fasting and praying continuously. He only stopped when he got the news I was back.

Foundation Day 2013

The Age of Hon Dok Hae  
is completed and perfected. /TF

What does that mean:  
By doing HonDoHae  
we can make our Spirit Man grow to perfection.

Because God created Man with His words,  
we fail with the loss of God's words.

By reading God's words daily, our spirit man can  
grow and finally can become perfected.

By this you can understand the importance of  
Hoon Dok Hwe.

This declaration here is a signed contract between Heavenly Father and Father, not just a declaration.

When Father said this, God's guarantee was behind it. Father is not just saying it, but it is approved by Heavenly Father and Heavenly Father guaranteed this.

Therefore if we do Hoon Dok Hwe as Father is emphasizing, results will come.
