DP Fall of Man & Law of Indemnity Part 20f3

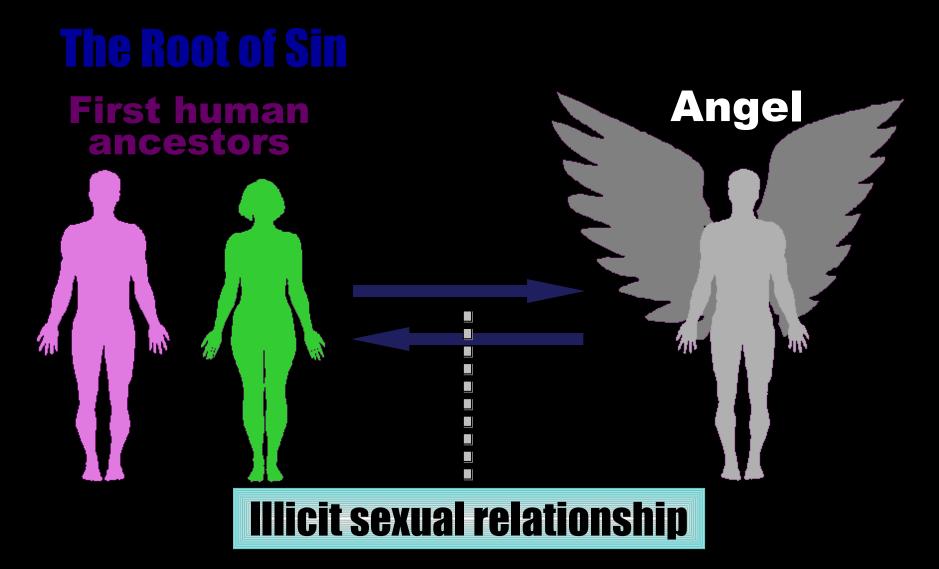

Section 1

The Root of Sin

New DP Red Colour Slides

()) This explanation of the <u>human Fall</u> will clarify these issues.

(**) The root of sin is that the <u>first human ancestors</u> had an <u>illicit sexual relationship</u> with an <u>angel</u> symbolized by a serpent (p. 61).

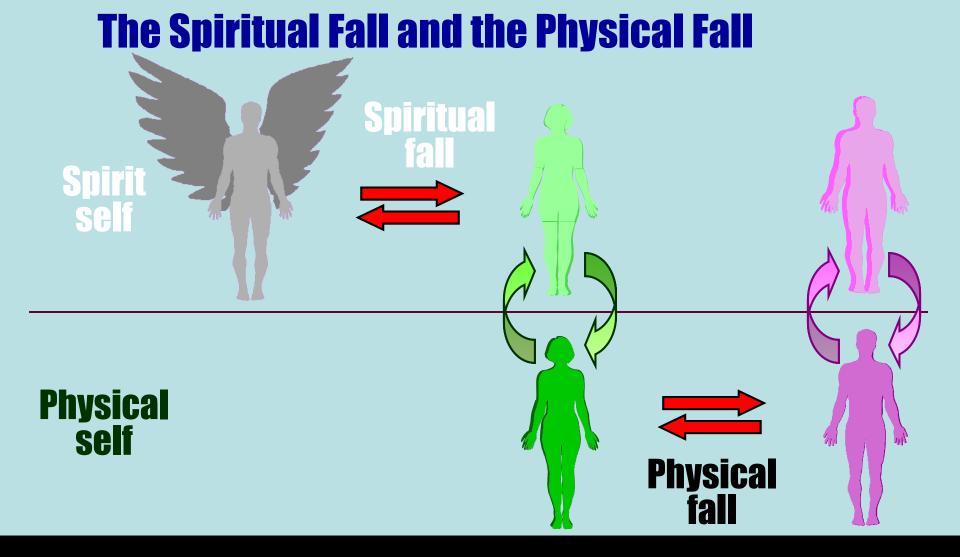

Section 2 Ing Motation and Process of the fall

God created the angelic world and assigned Lucifer^(Isa. 14:12 KJV) to the position of archangel. Lucifer was the channel of God's love to the angelic world, just as Abraham was the channel of God's blessing to the Israelites.

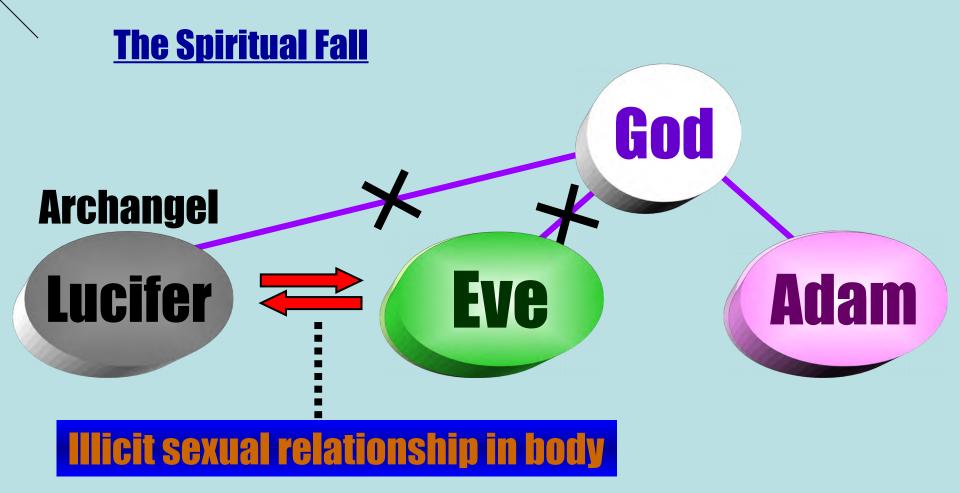

In this position he virtually monopolized the love of God. However, after God created human beings as His children, He loved them many times more than He had ever loved Lucifer, whom He had created as His servant.

When Lucifer saw that God loved Adam and Eve more than him, <u>he felt as if there had been a decrease in the</u> love he received from God.

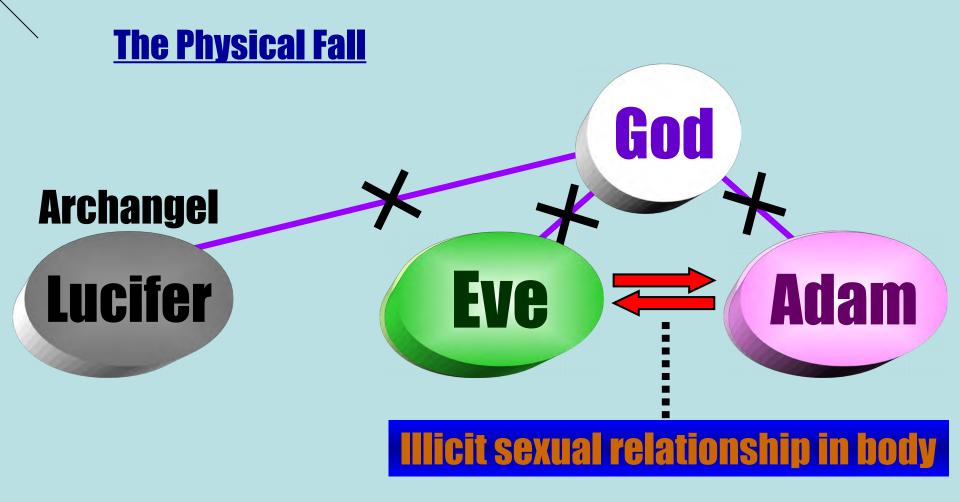

Comment: Look at a baby. If it sees its mother embracing any other child, it wants to push that child away! SMM 1993 10 12

The fall which took place through the sexual relationship between the <u>angel</u> and <u>Eve</u> was the <u>spiritual fall</u>, while the fall which occurred through the sexual relationship between <u>Eve</u> and <u>Adam</u> was the <u>physical fall</u>.

Eve responded and formed a <u>common base</u> with Lucifer, the Archangel, and they began give and take action with each other, which brought them together in an <u>illicit</u> <u>spiritual relationship</u> of sexual love.

Adam responded and formed a <u>common base</u> with Eve, standing in the position of Archangel, and they began give and take action with each other, which brought them together in an <u>illicit physical relationship</u> of sexual love.

The Fall of Man was <u>first vertical</u> – Lucifer \Leftrightarrow Eve then Eve \Leftrightarrow Adam spread it like a fountain <u>horizontally over Earth</u>. Eve approaching Adam not simply to seduce and have sex but with two agendas on her mind.

One was seduction because she had learned that from the archangel and thought this was the intended relationship.

The other was an unspoken cry for help as she was also struggling with separation anxiety and dread. Adam failed to see this second issue – her confusion and her cry of pain, her cry for help.

Thus the blind sexual tryst, which they both fell into, failed to help.

Where Adam might have helped by retaining his natural dignity as a Son of God he had fallen into similar circumstances.

In this second area of the fall Eve had sought liberation from her <u>internal suffering</u>, her emotional psychological and spiritual agonizing albeit subconsciously felt but now <u>both Adam and Eve were drawn into difficulties</u>.

All this was a glimpse into the interior world of the self in trouble.

Ref: The Functionality of the Principle ~ Lecturer Joseph Kamiwatari In our life:

Learning to <u>read what lay under the persona</u> presented to us is important.

This issue is called transference in the psychological world where an analyst may take on the feelings of a person in trouble thus seeking for the person suffering <u>a transformation</u> they might not be capable of themselves.

It is an act of <u>service for others</u>.

Adam failed to see his sister's suffering in this way and became enmeshed in her sexual persona;

Understanding the importance of staying connected, however, <u>establishes true insight and then provides</u> <u>a source of healing and redemption</u> – and that's the point.

<u>Staying within the parameters of a healing</u> <u>relationship can bring change to both</u>. It also leads to deeper insights.

Mathew 18:18 Verily I say unto you, Whatsoever ye shall bind on earth (with your physical body) shall be bound in heaven (life in spirit world): and whatsoever ye shall loose on earth (remove all evil) shall be loosed in heaven.

Mathew 5:48 Be ye therefore **perfect**, even as **you**r Father which is in heaven is **perfect**. (without any Sin) Emanuel Swedenborg made the unique discovery that we each have *three* kinds or levels of blood the red blood, the middle blood or Animal Spirit, and a <u>higher blood fashioned from the human Soul</u>.

The red blood maintains and grows a person's *physical body*, but the other two—from their purification —build and maintain a person's spiritual body, which houses the soul after death.

Sun Myung Moon: "Your body inherited **Satan's blood** lineage through his love. **Satan's blood has** controlled **you** by the realm of power in order to trample upon your personality." **Summary:** The Fall of Humankind is the story in the Bible of how sin and evil came into the world.

It was an event which was not simply the eating of a literal fruit, but was rather

the disobedience of Adam and Eve of God's commandment not to partake of sexual love until they were mature and could be

blessed by God in Holy Matrimony. (2nd Bible Blessing)

The Fruit of the Tree of the Knowledge of Good and Evil was Eve's Sexual Organ

Covering their sexual parts was an indication of sin

We do not know whether Eve picked and ate the fruit of the tree of the knowledge of good and evil or whether she ate an apple.

In order to do so, she would have had to first see it with her eyes, then move her hands to pick it, and finally eat it with her mouth. <u>Adam and Eve ought to have covered</u>

their eyes, hid their hands and covered their mouths;

yet they actually covered their sexual parts.

That is the problem. (54-62, 1972.3.11)

The Fall of Man was not about eating a "Fruit" But planting an ILLICIT sexual ROOT That has multiplied up until NOW **Quote:** "The idiom "to <u>partake of a forbidden fruit</u>" is still used today in Eastern cultures to mean the <u>partaking of sexual love with a virgin woman</u>."

> /New Truth in the Last Days by Shirley Stadelhofer

Obvious sexual elements are woven into the Genesis story. The couple are at first naked, but they are ashamed following the act and cover themselves with fig leaves — <u>a dress which was connected with sexual orgies</u>.

The Consequences of the Human Fall

1 Original sin

Removing us from <u>the lineage of Satan</u>, i.e., <u>removing our original sin</u>, is <u>the responsibility of the True Parents</u>.

However, removing the identity of Satan that we have, i.e., <u>removing our fallen nature</u>, is <u>our responsibility</u>

 - e. Original sin and fallen nature are inherited (Explanation of the Divine Principle)

In the course of daily life, <u>transcending private feelings</u> and embodying public feelings is the important issue that all people of faith must concern themselves with.

<u>What is sin</u>?

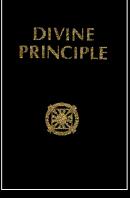

Sin arises from private standpoints.

Ruin also comes about in the private sphere.

Evil is the same. When private matters are pursued beyond a certain degree, they manifest evil.

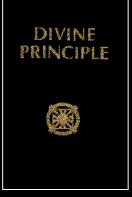

Private matters <u>have certain limits;</u> when exceeded, sin, evil and ruin result.

/SMM 1970.5.24

The Works of Good Spirits and Evil Spirits We use "good spirits" as a general term for God, spirits on the side of God, and good angels.

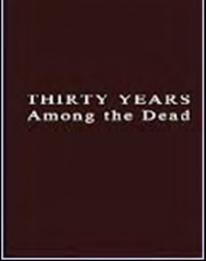

The general term for Satan and spirits on his side is "evil spirits." The works of good spirits and evil spirits, as in the case of good and evil acts generally, have a similar appearance at the outset but pursue contrary purposes.

Over time, the works of <u>a good spirit will</u> increase a person's sense of peace and righteousness and even improve his health.

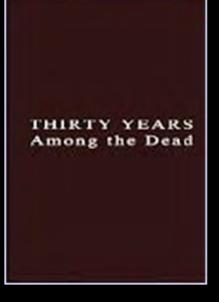

The works of evil spirits, on the contrary, will gradually lead to an increase of anxiety, fear and selfishness and cause his health to deteriorate.

It may be difficult for someone who does not know the Principle to discern the works of spirits, but eventually, often belatedly, he will <u>recognize</u> the nature of the spirits by the fruits they bear.

The change called "death," - the word is a misnomer – universally regarded with gloomy fear, <u>occurs so naturally and</u> <u>simply</u> that the greater number, after passing out of the physical are not aware that the transition has been made, and <u>having no knowledge of a spiritual life</u>

they are totally unconscious of having passed into another state of being.

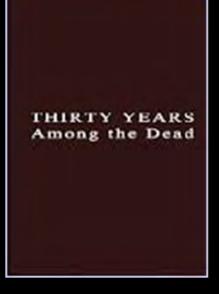

Deprived of their physical sense organs,

- they are shut out from the physical light,
- and lacking, a mental perception of the high purpose of existence,

these individuals are spiritually blind and find

themselves in a twilight condition - the "outer darkness" mentioned in the Bible –

and linger in the realm known as the Earth Sphere.

Humanity is surrounded by the thought influence of millions of discarnate

beings, who have not yet arrived at a full realization of life's higher purposes. A recognition of this fact accounts for a great portion of unbidden thoughts, emotions, strange forebodings, gloomy moods, irritabilities, unreasonable impulses, irrational outbursts of temper, uncontrollable infatuations and countless other mental vagaries. While most doctors agree that our emotional state affects our physical health, few would give credence to "spiritual influences".

The five personality distortions are as follows:

- Schizoid - Birth
- Oral - Infancy
- Psychopath Early childhood

Rigid

- Masochist Time of potty training
 - Inner being is being threatened

The schizoid develop when trauma is present in the womb, at birth, or short thereafter.

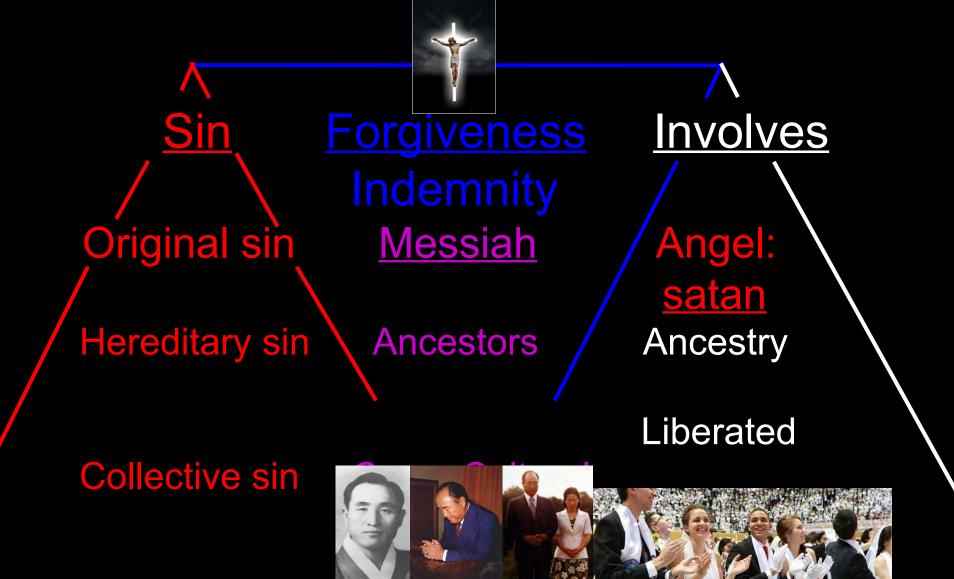

The oral develops when the child feels in some wayabandoned during the infancy stage of total dependence.

Psychopath emerges when a real or perceived experience betrayal is present in early childhood.

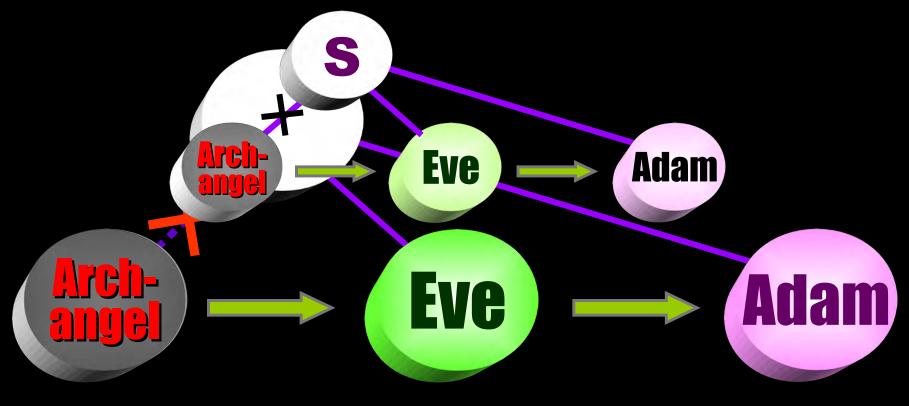

The masochist appear about the time of potty training, when the development dependence and independence overlap, but are stagnated.

Last; the rigid develops when the child becomes aware that his or her inner being is being threatened.

In reality, people are generally <u>a combination of</u> <u>different personality distortions</u>.

Marriages Freed Mankind

Fallen Nature manifested as

In this world, selfishness ruins everything. Selfishness in the family causes disharmony, which then erupts into bitterness and strife. Everyone wants to be served instead of serving others. Wives tell their husbands what to do and then seek to be served. Husbands want to be served by their wives. Parents expect service from their children and the children take their parents for granted.

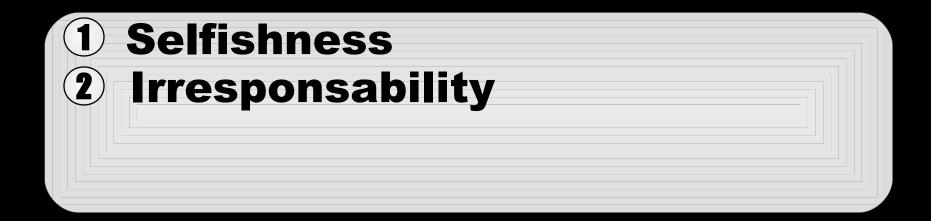

This is demonstrated in our families, in our societies, and in our nations.

I know that Western culture is characterized by individualism. However, selfish individualism is doomed. Sacrificial individualism will blossom.

Individuality in itself is good. God gave each one of us a unique way to serve. But individualism without God can only build castles on the sands.

Is there a fifth chatacteristic of fallen nature?

In November of 2010, due to extenuating circumstances in our church community the Executive Vice President of the Family Federation for World Peace, Joshua Cotter, was asked to tour The United States giving a presentation entitled "A Period of Great Transition in History."

In that presentation he clarified the existence of a <u>fifth chatacteristic of fallen nature</u>;

"shifting the blame."

The Primary Characteristics of the Fallen Nature

Lucifer alienated from God, and got Eve and Adam to do the same. The fruit "Allienaton" of man to man is therefor rampant today.

One Fallen Nature – 4 characteristics

The Divine Principle does not say that there are four fallen natures.

Fallen nature has many characteristics. I don't think anyone can enumerate them all.

Even the Divine Principle did not enumerate them all.

The Divine Principle only listed 4 of the primary characteristics.

Source: Christian Nseka Fallen Nature Part 1, Part 2, Part 3 Q: Who washes My Fallen Nature away!

A: <u>Those closest to me</u> – My Family: Spouce, Children Friends, Working Collegues, STF-team Relatives

Thats why we had center life <u>Brothers/sisters living together</u> in UC! Relationship: 4 Sins – 4 characteristics of Fallen Nature

Comment: No smoke without a fire:

The FUEL for sinning (fire) is the Fallen natures = a base for giving and receiving from an evil Spiritual world

<u>The Holy Blessing cuts away the "Original Sin – pipeline"</u> the root for this giving and receiving.

We still have to solve our Fallen nature! Minimum <u>takes 3 generations</u>!

The Shakers were founded in England in 1770 by Ann Lee. The Shaking Quakers were said to "shake" because they danced and spoke in tongues.

Ann Lee

1736 –1784 leader of the United Society of Believers in **Christ's Second Appearing**, or Shakers.

Convinced (Spirit World inspired) that sin had begun with <u>Adam and Eve's sex</u> act in the Garden of Eden,

Ann Lee insisted that sexual relations were the root of all sin.

Men and women would achieve salvation only by overcoming this fleshly desire.

What Really Happened in the Garden of Eden

By - Wesley A. Swift (1913–1970) was a former Methodist minister from Southern California. /Wiki

Using only the Scriptures, I will show you that the Fall was brought on by <u>an unholy sexual union between Satan and Eve</u>.

First of all, we see in Gen. 2:25 that Adam and Eve were not ashamed of their nakedness.

They obviously had the perfect bodies that God had intended for them when they were created.

Now, notice after the Fall, in Gen. 3:7 & 10, that Adam and Eve were suddenly ashamed of their bodies.

Why would you be ashamed of your body if all you had done was eat a piece of fruit?

Now, back in Gen. 3:3, Eve tells Satan that neither she nor Adam can 'touch' the 'fruit' of the 'Tree of Knowledge of Good and Evil' <u>because if they do, they'll die</u>.

The word 'touch' here means 'to lay hands upon, to lie with.'

When you 'lie' with someone in this capacity, it's obviously sexual in nature.

The words 'eat' or 'ate' when used in these passages do not mean the literal consumption of food.

The words <u>'eat' or 'ate'</u> when used in the first 15 verses of Genesis chapter three means '(lit. or fig.) <u>to consume</u>, <u>devour (partake).</u>'

When you partake in something, that means you are engaging in an activity. And Eve certainly did partake here!

<u>She engaged in sex with Satan (the 'serpent') who</u> <u>appeared to her in human form and sexually seduced her.</u> William Branham USA had been hearing voices since he was seven years old. Finally, in <u>May of 1946</u>, Branham was commissioned by an angel from God to be the forerunner of the Second Coming of Christ.

1946

William Branham (1909-1965)

My comment: In June 1946 True Father went to Pyong Yang to search for the prepared Spiritual groups. Seams like <u>that Heavenly mission "spilled over" to US</u>.

One of the more radical beliefs of the group is that of <u>Serpent Seed</u> which states that the first sin committed occurred when Eve engaged in sexual activities with the Serpent in the Garden of Eden thus causing "the Fall of Man."

"What did he do? He begin making love to Eve. And he lived with her as a husband. And she saw it was pleasant, so she went and told her husband; but she was already (spiritually) pregnant by Satan. And she brought forth her first son whose name was Cain, the son of Satan.

19 of 21 Civilizations!

Arnold Toynbee (1889-1975) observed that of the twenty-one most notable civilizations in history, <u>nineteen of them perished</u> not by external invaders but <u>due to a collapse of internal moral</u> <u>standards</u>.

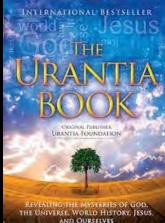

Gonzalez also points to two other interesting studies. Through studying 80 civilizations over a period of 4000 years, Cambridge University historian J.D. Unwin noted that those civilizations that accommodated sexual promiscuity declined and collapsed.

Those that exercised sexual restraint managed to survive.

Perhaps one of the strongest indicators that the fall was sexually related is found in <u>the aesthetic practices of the great religions</u>.

- Hinduism, Jainism, Buddhism and Roman Catholicism all advocate <u>celibacy</u> as the route <u>to become purified and closer to Heaven</u>. While serving in his official and custodial role,
- The Chief Priest in Judaism was also expected to <u>remain celibate</u>.
- Within Islam, Sufis in pursuit of a mystical relation with Allah practice celibacy to "weaken attachment to the world."

75:3.9 (842.2) Influenced by flattery, enthusiasm, and great personal persuasion

Eve then and there consented to embark upon the much-discussed enterprise, to add her own little scheme of world saving to the larger and more far-reaching divine plan.

Before she quite realized what was transpiring, the fatal step had been taken. It was done.

...how many other human organs <u>still obey the will</u> <u>even after the Fall</u>, we have no reason for doubting that the one unruly member could have done the same., as long as there was no <u>defiance from lust</u>.

Clement of Alexandria wrote:

The Savior came to men who were astray in their thoughts, to us whose minds were corrupted as a result of disobeying the commandments because we were lovers of pleasure, and perhaps also because the first man of our race did not bide his time, desired the favor of marriage before the proper hour, and fell into sin by not waiting for the time of God's Will.

And if the Serpent took the use of intercourse from the irrational animals and persuaded Adam to agree to have sex with Eve, as though the couple first created did not have such union by nature, as some think, this again is blasphemy against the creation But if nature led them, like the irrational animals, to procreation, yet they were impelled to do it more quickly than was proper because they were still young and had been led away by deceit. Thus God's judgment against them was just because they did not wait for His Will.

Pastor William Branham USA had been hearing voices since he was seven years old. Finally, in May of 1946, Branham was commissioned by an angel from God to be the forerunner of the Second Coming of Christ.

One of the more radical beliefs of the group is that of Serpent Seed which states that the first sin committed occurred when Eve engaged in sexual activities with the Serpent in the Garden of Eden thus causing "the fall of man."

Pastor Wesley Swift - What Really Happened in the Garden of Eden link

In Gen. 3:3, Eve tells Satan that neither she nor Adam can 'touch' the 'fruit' of the 'Tree of Knowledge of Good and Evil' because if they do, they'll die. The word 'touch' here means 'to lay hands upon, <u>to lie with</u>.'

When you 'lie' with someone in this capacity, <u>it's obviously sexual in nature</u>. The words 'eat' or 'ate' when used in these passages do not mean the literal consumption of food. The words 'eat' or 'ate' when used in the first 15 verses of Genesis chapter three means ' (lit. or fig.) to <u>consume, devour</u> (partake).'

Comment/disclaimer: Though Wesley Swift was <u>totally wrong</u> on his human race theories, he was right on <u>the Fall of Man being illicit sexual in nature</u>. Dreams of falling are more frequently characterized by anxiety.

Their interpretation, when they occur in women, offers no difficulty, because they nearly always accept the symbolic meaning of falling, which is a circumlocution for giving way to an erotic temptation.

/The Interpretation of Dreams, Sigmund Freud (1900)

Book IX: Satan returns to Eden and enters into the body of a sleeping serpent. The serpent tempts Eve to eat the fruit of the Tree of Knowledge. She eats and takes some fruit for Adam.

Adam realizes that Eve has been tricked, but eats of the fruit, deciding that he would rather die with Eve than live without her.

After thus agreeing, [Izanagi-no-mikoto] then said: "You walk around from the right, and I will walk around from the left and meet you." After having agreed to this, they circled around; then Izanami-no-mikoto said first: "Ana-ni-yasi, how good a lad!" After each had finished speaking, [Izanagi-no-mikoto] said to his spouse: " It is not proper that the woman speak first." Nevertheless, they commenced procreation and gave birth to a leech-child.

In Genesis 3 we saw <u>the root of sin</u> and in Genesis 4 we see <u>the fruit of sin</u>

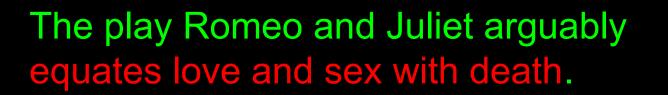

The "Root of Sin" is the illicit sexual Fall of Man The "Fruit of Sin" is Cain slaying Abel. The Fall of Man was not only Lucifer-Eve-Adam but also Cain slaying Abel.

• Question: What do you mean by "control human love"?

Answer: During the time when children are growing, they do not know love. These days, children see through TV and through parents, they see the love affair before they really mature and sense by themselves. • Question: What do you mean by "control human love"?

Answer: During the time when children are growing, they do not know love. These days, children see through TV and through parents, they see the love affair before they really mature and sense by themselves.

In Adam and Eve's case, they had nothing to see. They did not know about sexual love. <u>As long as they didn't know anything about it, God</u> <u>could not teach them. God had to wait until they matured</u> <u>and knew something about it before they could come under</u> <u>His Direct Dominion</u>. <u>Until that time, God could not tell them,</u> "Don't do this. Don't have a sexual relationship with Lucifer". <u>Until that time, God could not tell them,</u> "Don't do this. Don't have a sexual relationship with Lucifer".

Through natural growth and development, they would have matured and learned to know of love. <u>Until that time, God could not tell them,</u> "Don't do this. Don't have a sexual relationship with Lucifer".

Through <u>natural growth and</u> <u>development, they would have matured and learned</u> <u>to know of love</u>.

to regain control over the body

Human History from the Perspective of God's Providence

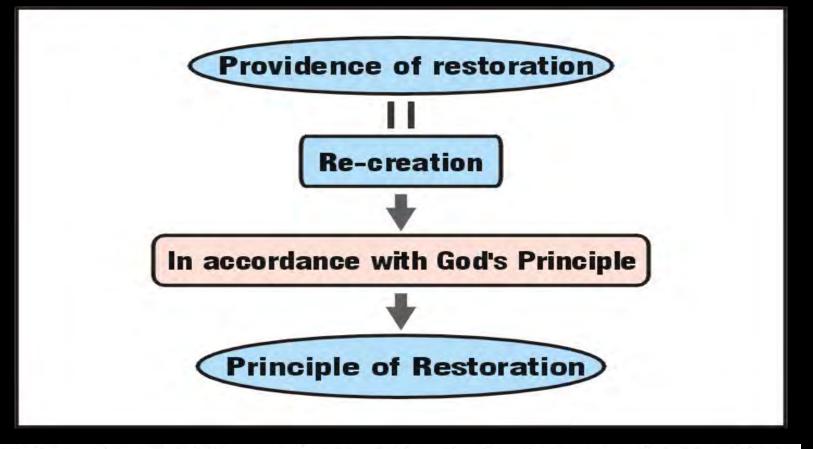

God's Heart and Will = Unchanging/absolute = To realise the purpose of creation

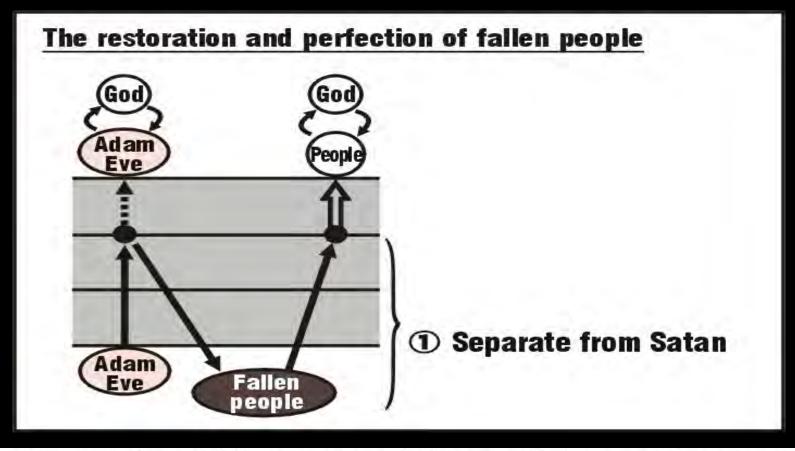

The providence of restoration refers to God's work to restore the <u>fallen people</u> to their <u>original</u>, unfallen state so that they may fulfill the purpose of creation.

Since the providence of restoration is God's work of re-creation, which has as its goal the fulfillment of the purpose of creation, God works this providence in accordance with His Principle. In the course of the providence of restoration, this principle is called the Principle of Restoration.

 <u>Human beings fell</u> from the top of the growth stage and have been held under Satan's dominion.

To be restored, we, fallen people:

①First need to go through a course to <u>separate Satan</u> from ourselves in order to restore ourselves in form to the spiritual level which Adam and Eve had reached before the Fall—the <u>top of the growth</u> <u>stage</u>.

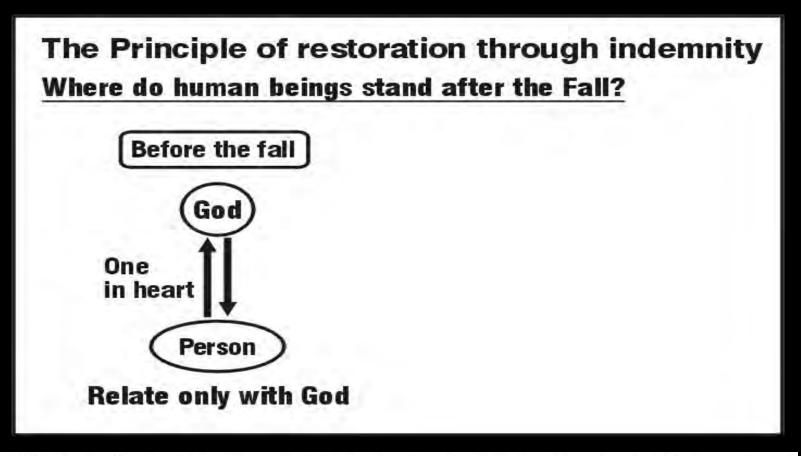

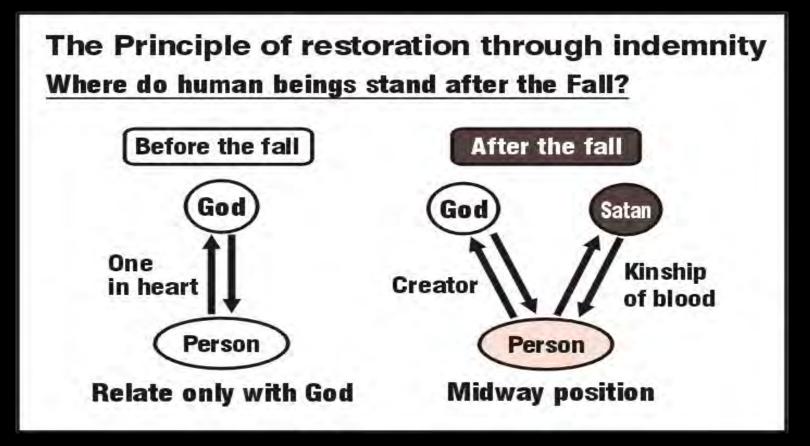

⁽²⁾On this foundation, we are to <u>receive the Messiah and be</u> <u>reborn</u>, <u>remove our original sin</u>, and thereby be fully restored to the original state of human beings before the Fall.

③Finally, by following the Messiah, we should <u>continue our</u> growth to maturity,

Where we can <u>fulfill the purpose of creation</u>.

 If the first <u>human</u> ancestors had reached perfection, they would have lived relating only with <u>God</u>.

•However, due to their Fall, they joined in a kinship of blood with Satan. Hence, immediately after the Fall, they found themselves in the midway position between God and Satan, where they were relating with both.

 A fallen person will go to <u>God's side</u> if he makes good conditions and to <u>Satan's side</u> if he makes evil conditions.

Establishing indemnity conditions

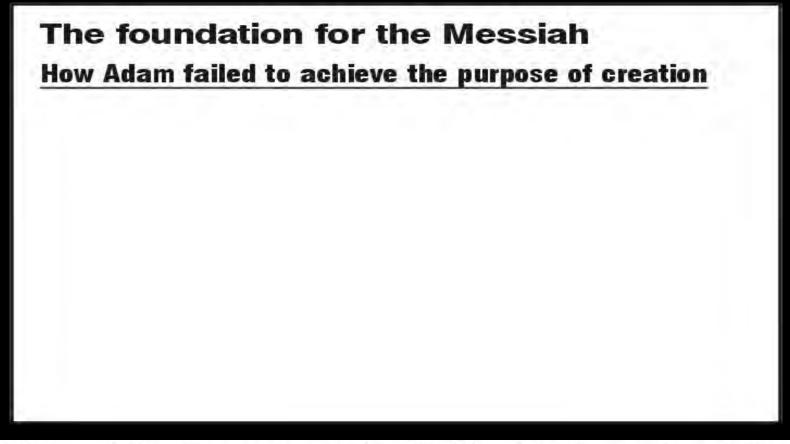

- When someone has <u>lost</u> his original position or state, he must make some condition to be <u>restored</u> to it.
- The making of such conditions of restitution is called indemnity.
- How does a condition of indemnity compare with the value of what was lost?

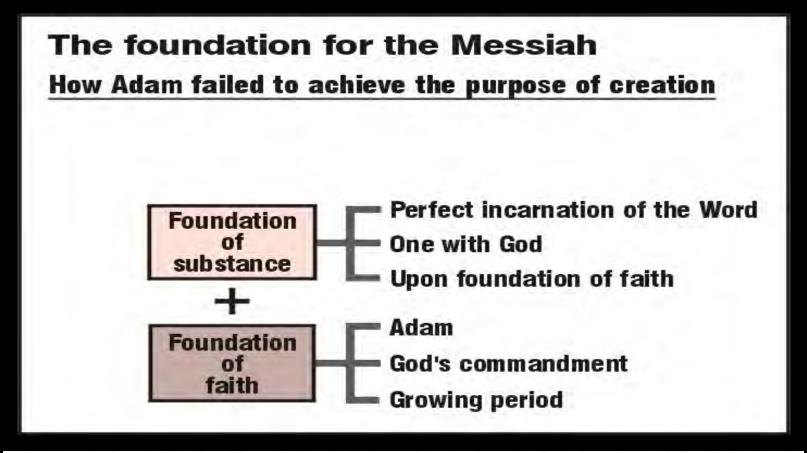

Establishing indemnity conditions

- An indemnity condition can be made at a price equal to, less than, or greater than the value of what was lost.
- As for the <u>method</u>, an indemnity condition is made by <u>revers-</u> ing the course through which the original state was lost.
- It is <u>we ourselves</u> who must fulfill the necessary indemnity conditions as our portion of responsibility.

- For us, fallen people, to receive the Messiah, we must establish the foundation for the Messiah.
- To establish this foundation, since an indemnity condition is established through a reverse course of the failure, we must know how Adam failed to achieve the purpose of creation.

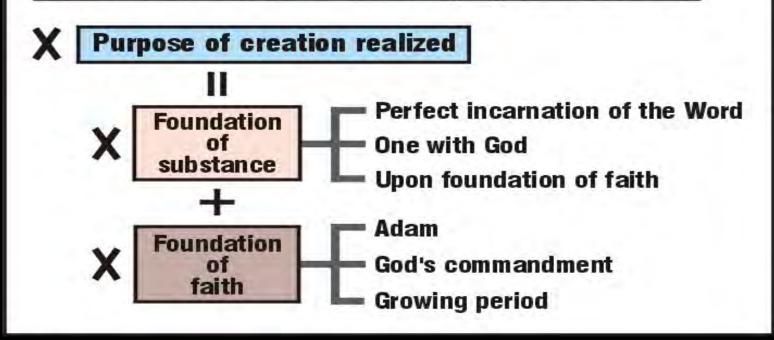

First, <u>Adam</u> should have established the <u>foundation of faith</u> by keeping strictly <u>God's commandment</u> and passing through a set <u>grow-</u> ing period.

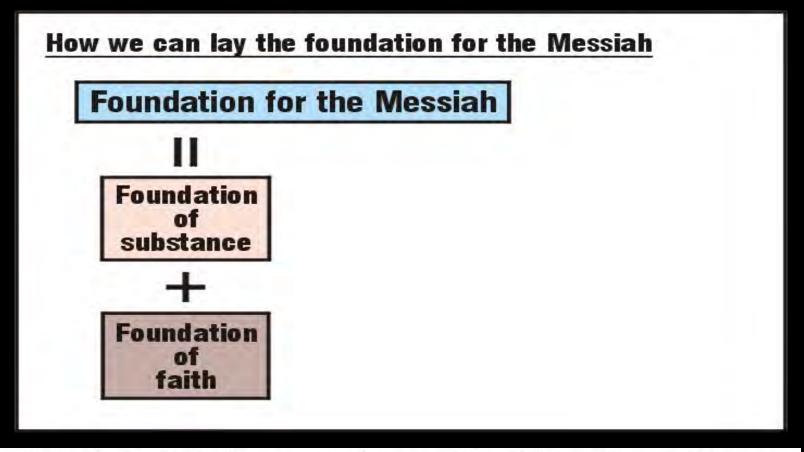

Second, Adam should have established the <u>foundation of sub-</u><u>stance</u>: after establishing an unshakable <u>foundation of faith</u>, he was then to become <u>one with God</u>, thereby becoming a <u>perfect incar-nation of the Word</u> and attaining individual perfection.

The foundation for the Messiah

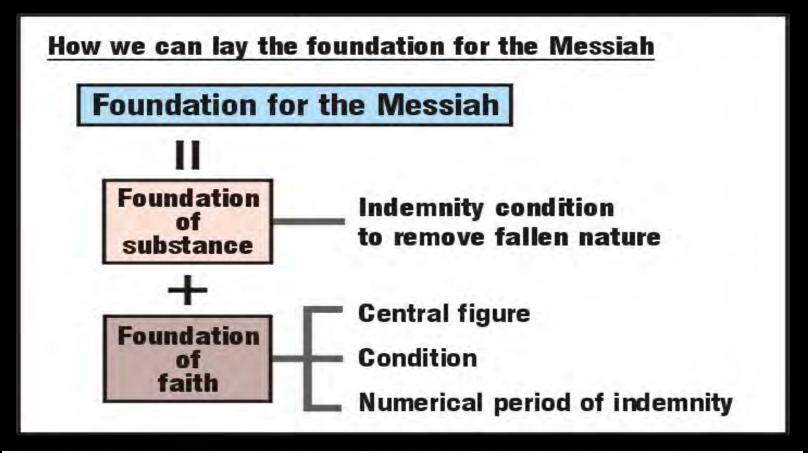

How Adam failed to achieve the purpose of creation

 However, Adam failed to establish these conditions and thus failed to achieve the purpose of creation.

Therefore, in order to receive the Messiah and complete the purpose of creation, we must restore the <u>foundation of faith</u> and <u>foundation of substance</u> and thereby the <u>foundation for the Messiah</u>.

In order to restore the foundation of faith, first there must be a <u>central figure</u>. Second, a <u>condition</u> must be offered. Third, a <u>numerical period of indemnity</u> must be completed.

In order to lay the foundation of substance, we must make the indemnity condition to remove the fallen nature.

That is why the path of salvation which Unification Thought is teaching is not individual salvation. O.T.= Offering – Symbolic salvation N.T.= Individual Salvation C.T.= Family Salvation If the family is not saved then nothing can be saved.

It is the <u>salvation of couples and children</u>. If we are not able to save our children then we must wait in the spiritual world.

Thus in the spirit world the educational law is established.

Everyone must go to the spirit world in a single line. Do you understand?

In the spirit world there is an educational system, and all the things which were not able to be accomplished on the earth are educated and everyone must cross (pass?) over together.

We believe for the sake of family salvation.

Do you understand? [Yes.]
