4 Great Realms of Heart
3 Great Kingships

Introduction

- Divine Principle talks about

THE FOUR POSITION FOUNDATION WHICH REALIZES
THE THREE OBJECT PURPOSE THROUGH
ORIGIN-DIVISION-UNION ACTION

Jesus core teaching speaks of 2 main loves:

- Love God
- Love your neighbour as you love yourself

/Mark 12:30

Divine Compassion

is Gods Love for fallen Human beings.

As long as Adam and Eve and their descendants were connected to universal laws

(Laws of Nature) there was still a way for God to connect with them and vica versa.

- Old Test. – offering of pure animals
(unlike unpure humans)

the small world of True Love,
and the model of the ideal world.

The **Three Great Kingships** are vertically-oriented.

(1) Children's kingship: children represent the future.

(2) Parents' kingship:
parents represent the present.

The **Three Great Kingships** are vertically-oriented.

(1) Children's kingship: children represent the future.

(2) Parents' kingship:
parents represent the present.

(3) Grandparents' kingship:
grandparents represent
the past, spiritual world and God.

Having achieved kingship by maturing through **the Four Great Realms of Heart**, true parents then guide their offspring to likewise develop their love through the Four Great Realms of Heart and achieve their own kingship.

When this tradition has been passed down through three generations in the family—grandparents, parents and children—then kingship is securely established in that family.

Such a family can be called *a royal family of true love*.

This is the concept of the *Three Great Kingships*, meaning kingship in three consecutive generations of the family.

between Grandparents and grandchildren.

Being Grandparent is the joyful Grand finale of Human life; where you are only expected **to give and receive love between Grandparents/grandchildren.**

Different then parental heart which involve economical and raising responsibilities, more serious.

True Fathers comment: Jan 19 1999

The greatness of true love is that it enables us to become God's object partners and also enables God to become ours. The Bible speaks of God being in us, and Jesus being in us. This is similar to the idea that the parent is in the child, the grandchild is in the grandparent, and the grandparent is in the grandchild.

True Fathers comment...

A grandmother and grandfather bind their hearts together centering on their grandchildren. This is necessary so that the vertical line of love can have a beginning. Then, grandchildren become one with their grandparents.

Grandparents are in the same position as God, so we need to attend them as we would attend God. Grandchildren will not be able to find the vertical axis of love without doing this.

1. Children

Through vertical unity with their parents, children can be helpful for God's love, parental love, conjugal love, and brotherly-sisterly love.

3. For husband and wife

To let them understand that conjugal love is the second stage of three kinds of love:

children's love

conjugal love

3. For husband and wife

To let them understand that conjugal love is the second stage of three kinds of love:

3. For husband and wife

To let them understand that conjugal love is the second stage of three kinds of love:

children's love

conjugal love

parental love

(the three cannot be practiced separately but must be linked together).

A couple is the total virtue of heaven and earth, which means the unity of east and west, south and north, up and down, front and back.

By total harmonization with God's vertical love, a couple becomes the terminal of vertical love, and then the couple can occupy the parental position representing God.

4. For Parents

Parental love means the completion of the ideal kingdom on earth by combining children's love, brotherly-sisterly love, conjugal love and by then becoming second creators, and by multiplying children.

4. For Parents

Parental love means the completion of the ideal kingdom on earth by combining children's love, brotherly-sisterly love, conjugal love and by then becoming second creators, and by multiplying children.

By expanding the ideal family on earth, parents become vertically the first ancestors, and by accomplishing their responsibility they can establish kingship.

We could add the vertical Kingships between Grandparents and Grandchildren. Almost all people without exception sais the greatest love they experienced is as being Grandparents and grandchildren!

God is the True Parent among parents,
True Teacher among teachers, and True King among kings.
God is the eternal True Parent, eternal True Teacher, and
eternal True Owner and King. If we are children of God,
we need to become true parents first, just like God.

In addition, we have to follow the way of the true teacher
and the way of the true owner, just like God.

This is the concept of the

The ultimate model is God. /SMM 1997 Uruguay
