- *"Please, Lord, let Paula know she's not a victim of the things that have happened to her, that's she's not to blame. Help her see that it's only through You that any of us can find the peace that passes all understanding. Deliver her from the demonic torment of her past. Lord, fill her now. Wash her in Your precious Holy Spirit. Show her who You are."*

Life-Changing Experiences

1. Meeting Uncle Butch (1984)

- What I've always wanted and needed and hoped for my entire life is to be known and loved. To be cared for and protected. To belong to someone. There's this explosion inside of me, not of desperation but of love.
- I ask God to forgive me for all those sins I didn't know I had even committed. To wash me clean. To deliver me through His son, Jesus Christ.
