## Holy Ground History

Although True Father himself did not establish a Holy Ground until 1965, on January 1, 1963, he wrote the words “Holy Ground” in Chinese characters, and shared with those present his determination and plan to reclaim God’s lands symbolically first through Holy Grounds, and later by restoring the homeland.

## Establishment of Holy Grounds by True Father

From January 28, 1965 through October 10, 1965,  
True Father made Holy Grounds in 39 nations.

He returned to Korea and created Holy Grounds in each regional district before establishing the last seven (main) Holy Grounds in Seoul, including the one in Chungpadong Church.

## Caring for and Using Holy Grounds

True Father has often emphasized that members should pray at Holy Grounds as often as possible.

In Korea, Pledge services, daily morning prayers, or all-night prayer vigils are often held at Holy Ground.

The atmosphere at a Holy Ground is sacred.

When we pray at a Holy Ground, our prayers relate to the historical foundation of comforting God's heart through reclaiming His land. Because of this, prayers offered at Holy Ground have a greater effect.

A true parent

A serene ocean scene at dusk or dawn. The sky is a deep, dark blue, and the water is a lighter, shimmering blue. A bright, golden light source, likely the sun or moon, is positioned in the center of the horizon, creating a brilliant, vertical reflection that stretches down the middle of the water. The water's surface is covered in gentle ripples, which catch the light and create a shimmering effect. The overall mood is peaceful and contemplative.
