Christ Returns through 9 Letters

"Christ Returns: Reveals Startling Truth" was penned in 2001 by an anonymous woman who, after forty years of contact with Christ, received and documented the teaching of Christ in his own words.

As you read the pages, which are broken down into a series of letters (1-9), you can actually feel the energy of its words radiating throughout your body.

Never before has there been such an in-depth explanation of the processes of creation as well as the nature of existence. The word 'God' is given a completely new meaning that far transcends the connotations given to it by the religions of old.

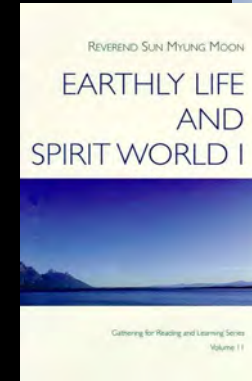

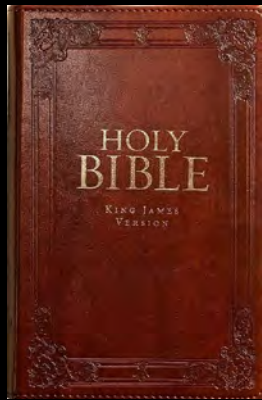

The most profound thing about these letters is that they all make perfect sense.

The Decision to Send The True Parents Was
Preordained and a Subject Of Prophetic
Foreknowledge

Do you have any idea how hard God has worked and how
much blood religious people have shed that the True Parents
could come?

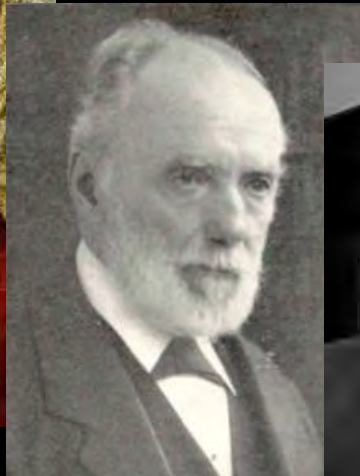

A few days ago, I saw a book titled Kyo Gam Yoo Rok.
This book came out later than Chung Gam Nok.
It prophesied the coming of one named Rev. Moon.
Such is my significance.

There are many people who saw me before I was born.
Did you know that? How could they see me even before I
was born? The spirit world existed long before my birth.
The spirit world told them about a person who was to come.

Why Channeling our time;

The era when people are to be resurrected both spiritually and physically (seed&egg) through the returning Christ and complete the providence of resurrection is called the age of the providence of completion-stage resurrection.

All those who live during this era are to receive the merit of the age based on God's work of completion-stage resurrection. /DP96

The official name of our church is
**"Holy Spirit(ual) Association for
the Unification of World Christianity."**

It means that on the foundation of having
unified world Christianity,
works of the Holy Spirit will take place.

Through the holy spiritual phenomena,
we are trying to bring the world into one.

How do we characterize the times we are living in?
When we look around the world, we find many people suffering from mental illness.

This is because the spirit world and the physical world are intersecting. When the two worlds intersect, it is not the good people who are aware of this first.

Who knows this news the fastest? It is not the good people who learn of it first; rather, it is **the enemies who oppose them.**

This is because the enemies always immediately strive to intercept the news meant for the good side.

In the same way, when the spirit world comes down to the earth, it is not the good spirits who come first but the evil spirits.

/SMM 1975.01.05

There can be plenty of messiahs, true parents and saviors on the individual level, but the individual level alone is not sufficient. Heaven and earth should publicly recognize that I am the Messiah on the cosmic level.

The spirit world should testify,
"He is the Messiah and our True Parent."

True Parents should stand on the victorious foundation of uniting the spirit world. /CBG Book1 2002/11/10

Amazing Messianic support; 1946

In particular, after True Father's (SunMyungMoon) arrival (1946 Pyongyang), some people began receiving revelations about him.

These devout believers found him through the guidance of those in the spirit world.

Many of those who came had been long prepared for the coming of True Father, and among them were people who had been prepared to receive True Father from EVEN BEFORE HE WAS BORN.

The spirit world transcends time and space,
and the connections of the world of the heart are linked
in mysterious and profound ways.

/ Cham Bumo Gyeong, Book 3 ([link](#))

1947 Korea:

Many had been led directly through revelations.

He fasted three days, and sometimes seven days,
for each new person.

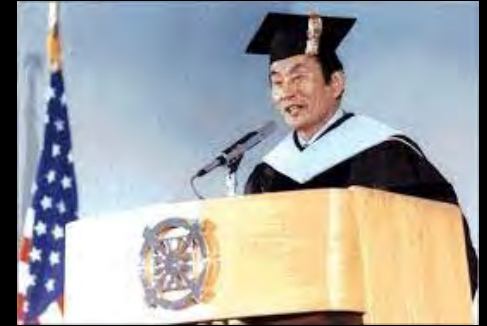

1947 Korea:

"One lady in a service declared that she had seen Jesus in Moon's heart.

Another spiritual woman announced to the other members that Moon himself was the Christ."

The Supreme God appeared a second time in front of me, this time through Mrs. Oak, during a very deep conversation. Suddenly her body shook and jerked and the voice of God controlled her and totally occupied her body and mind, causing her to act differently.
Now God was speaking to me directly with a man's voice...

I have been training you for 30 years, since the age of nine, to search for the truth through various religious experiences and groups.

The time has now come; this is the place I wanted to lead you to.

From now on, your new name is David, after King David who destroyed Goliath in the Old Testament. You will be going overseas for pioneer missionary work for this group.

"During the four years I lived in Seoul church,
under the same roof as Sun Myung Moon.

At one point, I returned to clean my own home for
a week. Someday when I brushed the entrance,
he (SMM) suddenly appeared in spiritual form,
full size in front of my door.

I had never before seen such a vibrant spirit before.

He told me that he woke up every morning and looked out over the Han River, and longed for my return.

He missed me and wanted me back to live in the church, even though I only been gone a week."

Extraordinary Messages from Heaven

One of the mediums from Moderna was very different.
This woman, Lidia, was blind.

I put into her hand a bell from Father's wedding cake and
asked her what it was.

She looked most perplexed as she began to receive
heavenly messages.

At first she could not believe the messages as they were
so incredibly unusual, then she said,

"Yes, God has a basis on earth through this man; divine
marriage; no one can stop him."

Universal Link in Denmark

Background by Erika Gubser, German missionary to Denmark;

It was in a very spiritual way that we met Knud Weiking.

"The New Life Singers" (a group of members from different countries) and I were on our way to a retirement home to perform. We stopped right at Knud's house to ask about the road! Can you imagine that! He then told me about his work with Universal Link, and later sent me the following texts.

This was confirmed on March 10 in an almost dramatic way by what happened next; just as I was finishing reading a letter and a press release with Anthony's (A. Brooke) prediction that Sun Myung Moon's name will be known all over the world - just at that moment Sun Myung Moon visited us here with me, by , clear voice, through Kathleen's mouth say "I am Sun Moon".

I wrote directly to Anthony (Brooke) and told him about this amazing experience. Anthony read my letter to Sun Myung Moon, who immediately confirmed that he was the one who had visited us.

Quote SMM:

It is under my spiritual dominion that these phenomena appear (my Spiritual appearance in different forms), so I can appear to a thousand people at once.

What I am doing is affecting the whole world.

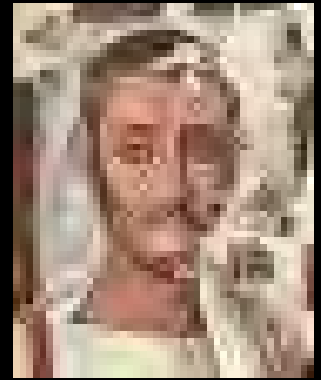

Therefore, whenever I make condition or do something, unusual things happen in the external world.

People of faith! The Messiah who is to come is none other than Rev. Moon, the True Parents of heaven and earth. Find out how he has lived eighty years of his life and what providential task he is moving forward at present, and you will witness a life that has been struggling the whole time for the sake of the liberation of God and humanity.

If you live your earthly life with exclusive concern for your earthly well-being, you will lose your home in the world of eternity.

Why Channeling;

Saul met Jesus on the road
to Damascus

"The purpose of the coming Lord
is that some day
all shall be like him - like Christ."
/SMM 1965

Adam failed, and Jesus died before he could conclude his mission as the second Adam.

Hence, it is the Lord of the Second Advent, coming as the third Adam, who must complete their missions both spiritually and physically and eliminate satan's domain and sovereignty.

He must finish the providence of salvation and guide the world to return to God's original perfect ideal.

One of the last tasks in God's providence of salvation is to connect the kingdom of heaven on earth and the kingdom of heaven in heaven, so that they may freely interact.

This African Testimony from 1916;

Similar in many ways to the Old Test. prophecies about
the coming Jewish Messiah being born in Bethlehem.

Alice Bailey

p. 69 "the time of decision", as it is called in hierarchical circles, was in the time of full moon in June 1936 and full moon in June 1945. The time of decision covered only June 9 years (a relatively short time period); and resulted in the decision that Christ should return or become visible on Earth as soon as possible, and much earlier than planned.

Comment: SunMyungMoon discovered the Divine Principle between 1936-45.

William Branham 1946

(1909-1965)

William Branham USA had been hearing voices since he was seven years old.

Finally, in May of 1946, Branham was commissioned by an angel from God to be the forerunner of the Second Coming of Christ.

One of the more radical beliefs of the group is that of Serpent Seed which states that the first sin committed occurred when Eve engaged in sexual activities with the Serpent in the Garden of Eden thus causing "the fall of man."

“What did he do? He begin making love to Eve.

And he lived with her as a husband.

And she saw it was pleasant, so she went and told her

husband; but she was already pregnant by Satan.

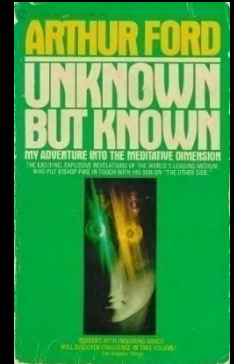

*And she brought forth her first son whose name was Cain,
the son of Satan.*

(Compare with Divine Principle Chapt. 2)

My comment: In June 1946 True Father
went to Pyong Yang to search for the prepared Spir. groups.
Seams like that Heavenly mission Spiritually
"spilled over" to US.

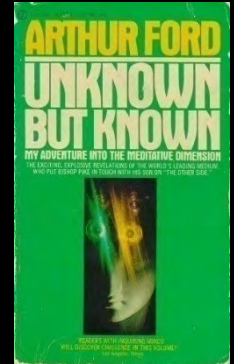

Sitting with Arthur Ford, November 2, 1964

*Arthur Ford was one of Americas most famous mediums.
Fletcher is Fords contact in the Spir. World.
A meeting was arranged with SMM during his 1964/65 visit.*

Fletcher: The Jesus of Galilee will not return –
it is not necessary.

The Christ who manifested through him is
the Eternal – he will manifest again.

And he has the rare quality of projecting himself, which isn't a miracle really.

Mr. Moon in deep meditation can project himself and be seen just as Jesus has been able to project himself and be seen by the saints.

This is one of the marks - of the messiahs always.

True Mothers birth

In Korea, after childbirth, it was the custom to eat a bowl of brown algae soup.

While I (Hak Ja Hans mother) was drinking the soup, **Satan came to me and threatened me, "If you let your daughter live, the world will be in a serious condition, so you should kill her."**

I protested and asked why he should want to destroy my daughter; I embraced her tightly. Just then, my mother came and asked what I was doing, so I told her about Satan appearing and trying to kill my baby. After a week of wondering why Satan tried to take away my child, I was told from the spiritual world, "The child is the daughter of God, and you are to raise her as her nurse or babysitter."

I was in my 20s when I heard the Divine Principle lectures in a dumpy house in Omaha. I was taught about the providential role of Billy Graham. I remembered my experience years before and decided to write to him. I felt a letter to him would never make it because his staff would screen me out. But I had a feeling that his wife would read a letter from me. I wrote and told her about the Divine Principle and asked if she had heard this wonderful New Truth. To my surprise she wrote me right back. Experiences with Jesus

Before True Father (Dr. Sun Myung Moon) made his first appearance to me in a dream,

Jesus appeared to me one evening, shortly after I accepted the Divine Principle,

I was lying on my bed when Jesus appeared at my bedside. He told me that I must go through the crucifixion with him. At that point I was suddenly on the cross.

I could see and feel the nails pierce my feet and hands. I could feel the crown of thorns on my head. I lay in my bed, writhing in the total anguish and pain of the crucifixion; I was there with Jesus on the cross.

Help from the Spirit World

Peter, my second spiritual son, and I drove down into Lawton one night to witness. The place was deserted. We headed back to the post, when all of a sudden I knew I had to return to Lawton. I told Peter to immediately turn the car around, that there was someone we had to meet.

He was puzzled and a bit miffed at me. Still, he obeyed. With a little anger in his voice he said, "Where do you want me to go?" Without thinking I said, "City Hall."

Help from the Spirit World

When we arrived there were several people on the lawn. Peter said, "Which one" I pointed to a American Indian woman sitting on a park Bench, "That one."

I walked directly up to her and asked her if I might speak to her. She said, "Yes, I have been waiting for you." Peter nearly fainted.
I asked, "How did you know?"

Help from the Spirit World

She said, "Jesus came to me in prayer this morning and told me to go to the park bench in Lawton at the City Hall. There you will meet two young men who have a great message for you."

I was so humbled. Jesus had not only appeared to me in dreams and at my bedside, he was personally opening the way for me to witness to others.

Why did God create man? The first reason is for God Himself to be able to stand in the position of Parents. But Parents are invisible in the spiritual world and thus cannot procreate. Therefore, in order to become Parents of bodily human beings, God must have a "body." Otherwise, He cannot be the Creator.

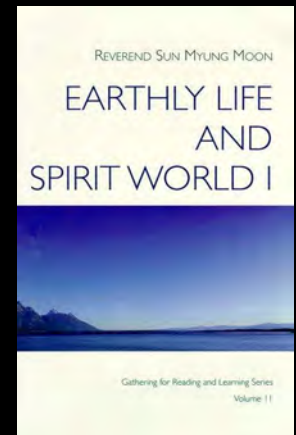

Second, in the "vertical" world of spirit, if a there is a line perpendicular to the vertical line, no area is produced. This is a metaphor to indicate that in the spiritual world there is no multiplication of beings.

But, extending the metaphor, when this perpendicular line is moved horizontally through 360-degree planes to create a sphere, a lot of space is produced. In that space, a base of physical bodies can be produced in order that the citizens of the Kingdom of Heaven can be multiplied.

Do you understand?

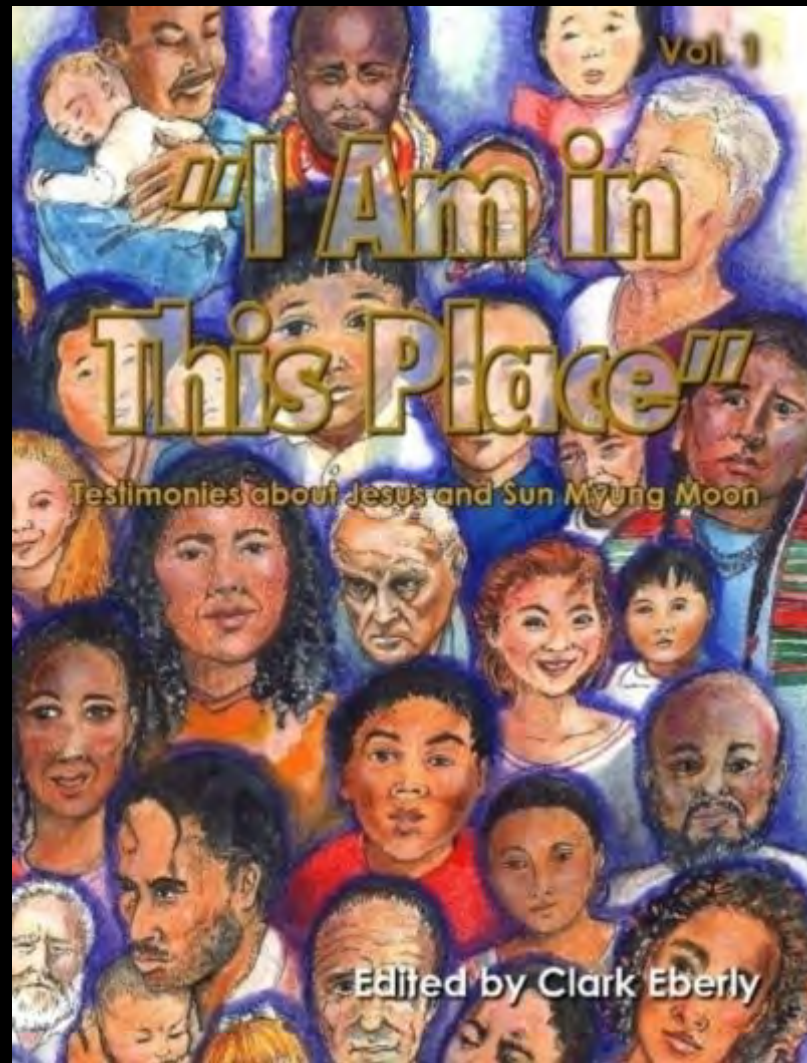

The third reason is to maintain characteristics of eternity within man, the realm of the object of love.

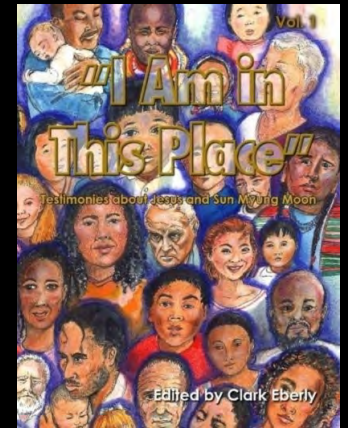

Man As a Mediator Of The Spiritual World and The Physical World

Man stands in the position between God and the creation. Therefore, we must know that man is a mediator who can be a connecting point between the spiritual world and the physical world.

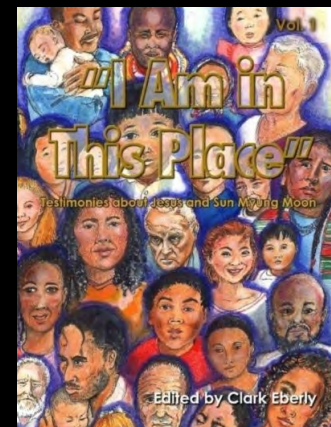

Online.tparents.org

Sometime around early 1975, while walking through one of our bus terminals, I saw a young native man with a book in his hand. The picture on the front of the book caught my eye. Immediately, I recognized the face of the man in my dreams, so I walked up and said, "I know that man." The guy replied, "You do not know him," to which I said, "Yes I do!" But I did not tell him how I knew the man. However, the picture on the cover of the young man's book was exactly how True Father appeared in my dreams. /Richard Francis

In the beginning of 1974, I was fundraising in the United States. One day we were fundraising all day long outside in the snow. The next day, I became ill. I could not breathe well, and I had a high fever. So I stayed in my sleeping bag in a warm room. While I was sleeping, I had a dream. At a moment, I felt a presence leaning over me. I saw our True Mother's face, and with her hand, extremely softly, she lifted away from me the heavy burden that blocked my chest. I felt very light over my chest and started breathing properly again. Then I found myself walking in a dark corridor, at the end of which I saw a light. Getting closer, I saw in that bright light the face of Jesus. Then Jesus' face changed into Sun Myung Moon's face. I had the strong feeling that it was the same heart; only the external appearance changed. I felt profoundly happy! /Elisabeth Ciacciareli Schneider

Next Heung Jin Nim asked me, "Will you be my medium?"

I replied, "Yes, if that is what God wants me to do." I told him that I would feel blessed and privileged to work with him, even though I didn't feel worthy in any way. He tied our wrists together with a white ribbon; and taking hold of my hand, somehow he took my spirit out of my body and his spirit entered in.

In spirit he came to the Lancaster Gate ballroom and the people there began to see Heung Jin Nim instead of me.

He sang a song for them, and as he sang more and more people came in the main door of the ballroom until it was completely packed.

Heung Jin Nim left me there; his visit had lasted an hour and a half.

Five days later, on January 29, Heung Jin Nim spoke through me to all the members on our national witnessing day. He gave us a great deal of strength and encouragement.

He said that he and Jesus were very united, and that Jesus and many high spirits would work together with us to bring people during this period.

Also Heung Jin Nim was contacting many pure-hearted young people in the spirit world to help us. We should have faith and not be afraid, he said.

If we united in spirit with him, the nation could go forward.

by Dr. Sang Hun Lee and His Wife

This is the collection of the letters which Dr. Sang Hun Lee's (director of Unification Thought Institute) wife (Mrs. Han Sook Kim) sent to her husband (Dr. Lee) through Mrs. Jeong (Mrs. Young Soon Kim, Rev. Ho Woong Jeong's wife) and the letters which Dr. Lee sent to his wife (Mrs. Lee) through Mrs. Jeong.

These letters, with Dr. Lee's permission, were compiled by the Unification Thought Institute. Translated from Korean by Jin Choon Kim with corrections by Paul Dominique. Letter from Mrs. Lee to Mrs. Jeong (1990.9.18)

Dear Mrs. Jeong: I'm Han Sook Kim, I'm Han Sook Kim, I'm Han Sook Kim. I'm Dr. Sang Hun Lee's wife, elder Kim.

Please don't doubt it. I'm writing to you within the Heavenly Father's permission. Dear Mrs. Jeong, I'm sorry for this help because this is not easy with your health.

Dr. Lee's stubbornness is beyond my description. Even though a person may be dying nearby, he will just follow Father's will without interruption. Dear Mrs. Jeong, please believe for sure what I'm saying now. If you come to this good sovereignty in spirit world, you'll know everything by feeling without other person's saying. You'll know everything by the light of Heavenly Father's holy spirit.

After I came to this spirit world I realized how wonderful our blessing (36 couple) is. Always I live with such a feeling that I talk with, give to, and attend Heavenly Father. Therefore, we can know all the Heavenly Father's will to work with us, to help us, and to make efforts for us. So, I'm speaking to you. I'm not a Han Sook Kim Satan. I'm in a significant Heavenly Father's throne (loyal place). I'm sorry that I have to ask you to help me.

Today I want to stop here. I'll write you again. Mrs. Jeong, I appreciate your efforts. In the future, whenever I come to you and beg for your help, please don't doubt me.

Please give my regards to Dr. Lee even for once. I'm sorry for asking.

Letter (2nd) Communication With Spirit Self
by Dr. Sang Hun Lee and His Wife 1991

Dear Honey: I couldn't help avoiding writing a letter to you two years after you ascended into spirit world. Please forgive me for writing this letter even though I know you are busier in spirit world than the physical world.

Sung Han Lee

Because Unification Thought is Father's thought, and because I cannot go to spirit world and I cannot ask everything to Father (SMM), I have difficulties.

Because you are now in spirit world, I am writing with hope you can help with something for your husband.

Please don't feel any burden, and I will appreciate if you can just answer whatever you know or whatever you experienced.

Sung Han Lee

First, you mentioned that your living place is almost a great blessed place where royal families live and love is full.
I heard that in spirit world there are many levels from the highest level to the bottom of hell.

I want to know whether you have been to the bottom of hell in order to give love. Especially I want to know whether you have met my physical parents and physical elder brother's couple in spirit world...

Sung Han Lee

Thirdly, I want to know how to communicate in spirit world where there is no air and no voices. I want to know whether you feel any voice in mind by communicating between two minds.

I heard that in spirit world you also have beautiful music. I want to know how such music can be formed and transmitted in the mind.

Sung Han Lee

Fourthly, I heard that spirit world is a world of love.

In Divine Principle "Love is an emotional force given by the subject to the object".

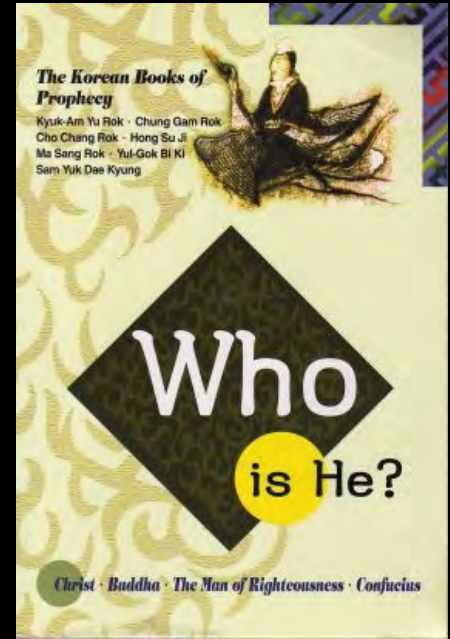

On earth in a case of horizontal love, we express such force by consoling with sweet words, by giving materials (money) or by helping through service and cooperation etc. to the poor and to the people in difficulties.

'WHO IS HE? A BOOK OF PROPHECY'
by independent journalist Mr Ku Sung Mo

After 20 years of studying prophecy by many Korean prophets throughout the ages Mr Ku concludes that someone must come to Korea as the second coming of Buddha, Christ or Confucius.

He writes quite directly that Sun Myung Moon is the one.

April 2001

Dear Christians and all people on Earth, please pray over this matter while fasting. Then I will appear to you and clearly tell you the truth. When you do it, you should be totally focused on praying with a pure heart. **Reverend Sun Myung Moon is the one who came to Earth to complete my mission** that was not fulfilled through the redemption of the cross. He comes as the True Parent to conclude God's providence in the Completed Testament Age.

/Jesus 2001

The vertical self and the horizontal self become one centering on God's true love. The reason your heart even now is in a state of conflict and contradiction is because, due to the Fall, the vertical and horizontal lines do not intersect at the ninety-degree angle necessary for true love to take root.

Put simply, without God's true love, the complete unity of the mind and body can never come about.

THE MASTER SPEAKS

ON PRAYER AND THE SPIRIT WORLD March April 1965

1. Can we have communication with God when we are in the Indirect Dominion? No matter what stage you are in, you can still talk to God directly.

In the Old Testament Age, prophets talked to God directly, even though they were in the position of servants.

Many mediums talk with God directly through their clairvoyance and clairsaudience ~ It can be done even though you are still in an imperfect stage.

The Direct Dominion does not mean that you cannot communicate with God. Direct communication is not Direct Dominion.

A father or mother can take care of little children - directly ~ it is not direct dominion.

Direct Dominion is dominion by the absolute love of God

In other words, it means to have **direct rule or regulation of mans love by the love of God.**

God cannot have dominion over man's love until man is mature and is aware of love ~ Suppose man is aware of married love, or sexual love, at the age of 16 ~ God could not have dominion over this love at the age of 13 or 14, because the child would not be aware of it. God does not want to talk about it or control and guide it so early.

He has to wait until the child grows and becomes aware of that sense. God cannot have Direct Dominion until the child grows. Besides this however, God can have direct communication from babyhood.

Direct contact is not direct dominion.

Comment: A & E did have direct communicaiton with God, and could have asked for direction at the Fall.

2. It is very important to record your first experiences when you contacted the Divine Principle and were full of thrill. Then when you are in a low period, go back and read it; It will remind you, and bring you back.

If you don't have such a record, recall this in your memory.

It says in the Bible to remember your first love [Rev. 2:4-5]

So go back to your first experience of gratitude and excitement. Then try not to go down from this level where you started.

3. It is under my spiritual dominion that these phenomena appear (my Spiritual appearance in different forms), so I can appear to a thousand people at once.

What I am doing is affecting the whole world.

Therefore, whenever I make condition or do something, unusual things happen in the external world.

A perfect Divine Channel
Christ – the Messiah – True Parents!

You must know that the crux of life exists not in some long period of time but in a single moment.

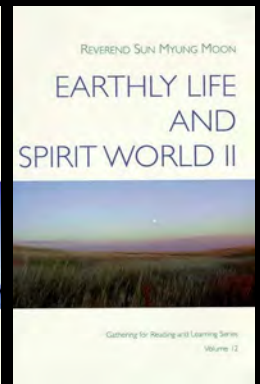

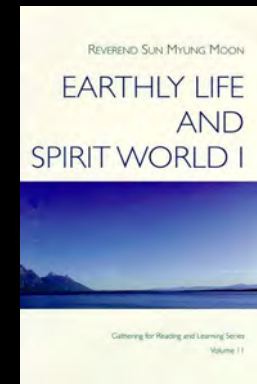

One who ignores a moment fails to possess something precious. Such a person cannot become a great person, nor can he inherit the throne and crown of God.

Therefore, you must be careful about each word you speak, each action you take, even things you think, in order to make one moment shine and glow.

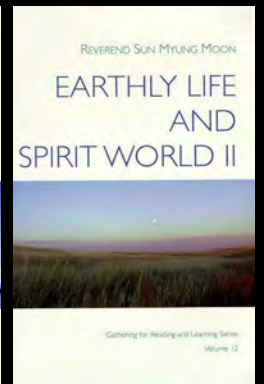

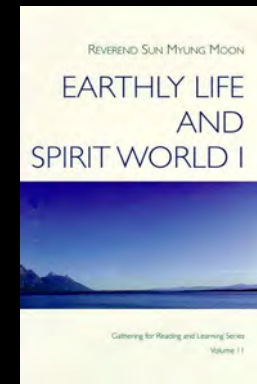

You must deal with life and solve problems, believing that the content of your daily life will all remain as phenomena in relationship to the world-because that is the only way the realm of victory is determined.

In this way, it only takes one moment for the realm of victory to be determined. Therefore, you should know that a historical realm of victory and a cosmic realm of victory are determined in one moment.

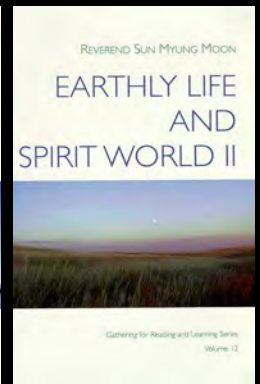

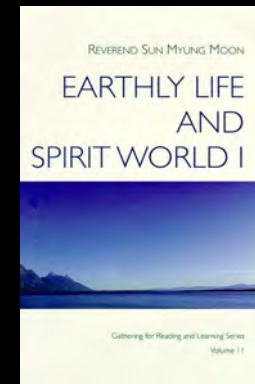

Therefore, in the life of religious people, that which is more important than dreaming of eternity, is how they can work with Heaven in everyday life to eradicate evil and become fighters for goodness.

We must know that, more than anything, this is a crucial matter.

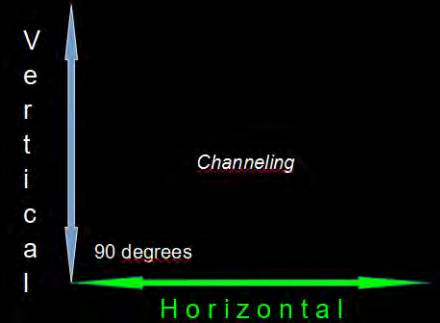

You should live for others. Live for the whole and for the bigger cause. Live for the world, for God, and to liberate mankind. You have to cause people to change to the new blood lineage through you.

I have triumphed in spirit world. There is no one else who can do this. The myriad spiritual masters in the world will have to come to me in the future and learn from me.

Because of this, there is no problem if the entire 30 million people of Korea, or even the three billion people in the world, are all opposed to me.

All the hundreds of billions of spirit people do what I tell them.

Whatever is received should come from the vertical to the horizontal through ninety degrees. It can be said that a person's mind is Heaven's mind.

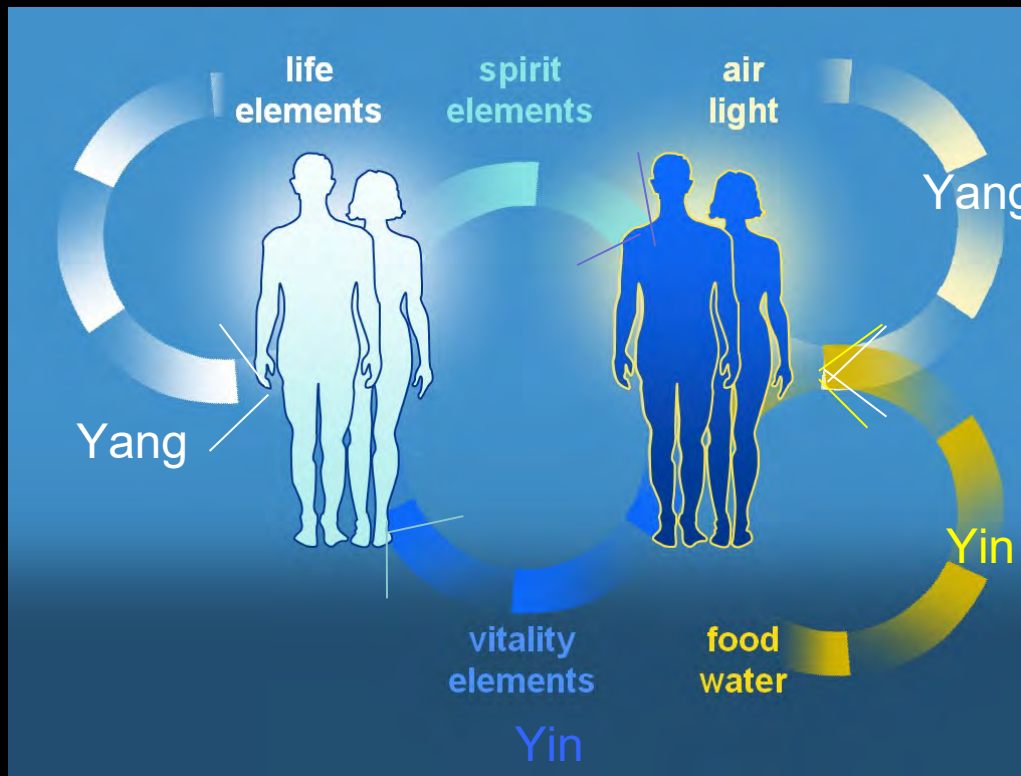

All rules should be level and equalized, since they were created in relation to and according to the way of our conscience. /SMM 1965.1.1

My comment; When True Father went to Spirit World 2012 he lost the ability to give vitality elements from his physical body!

He is most likely now inspiring with his Spirit elements, and dependant on the Physical bodies of Blessed couples to express himself.
