'Mr. Yong Myung Moon. Let us go and receive the Blessing.'

Amazing Messianic support; 1946 Pyong Yang

In particular, after True Father's (SunMyungMoon) arrival (1946 Pyongyang), some people began receiving revelations about him.

These devout believers found him through the guidance of those in the spirit world.

Many of those who came had been long prepared for the coming of True Father, and among them were people who had been prepared to receive True Father from EVEN BEFORE HE WAS BORN.

The spirit world transcends time and space, and the connections of the world of the heart are linked in mysterious and profound ways.

Comment: This would only be possible (I think) because God had already chosen the lineage of Moon clan for the Second Coming.

**Anthony Brooke** meets Sun Myung Moon and members  
in Korea March 2, 1964

"It seems to me that because Sun Myung Moon is incarnate upon the earth at this time and has a particular link with the Christ Ray, he make an indispensable bridge for many people who are being given exceptional and life changing experiences by taking his powerful name into their meditations."

Sitting with Arthur Ford, November 2, 1964

*SMM: Not self-proclaimed but Spirit-world proclaimed  
Messiah*

Fletcher: The Jesus of Galilee will not return –  
it is not necessary.

The Christ who manifested through him is  
the Eternal – he will manifest again.

Mr. Moon in deep meditation can project himself and be  
seen just as Jesus has been able to project himself and  
be seen by the saints.

This is one of the marks - of the messiahs always.

## Some Testimonies similar to Acts, in the Bible!

### Extraordinary Messages from Heaven

One of the mediums from Moderna was very different.  
This woman, Lidia, was blind.

I put into her hand a bell from Father's wedding cake and  
asked her what it was.

She looked most perplexed as she began to receive  
heavenly messages.

At first she could not believe the messages as they were  
so incredibly unusual, then she said,

"Yes, God has a basis on earth through this man; divine  
marriage; no one can stop him."

Il Vero Amore (True Love)*

December 21, 1979 Rome.

Daniela (medium): We want to ask you how  
the Movement [the Unification Church]  
will develop.

Horward (in spirit world): The truth is the truth.  
The Principle shall continue. I already told you that.  
It will develop even more after the year 2000.

It is not important whether the person who revealed it will still be alive at that time. (SMM passed over 2012)  
I tell you, he shall work more freely and will accomplish more when he is in the spirit world than while he is on earth. (*Prophecy made 1979*)

Italian beginning by Dr. Martin Porter

I felt a vibrant vitality from everything surrounding me.  
I knew because of the truth, something dramatic had changed in my life.

As I prayed and read the Divine Principle, I began to have deep insights into its meaning.

When I prayed about Jesus' incomplete mission, he appeared to me together with True Father and told me that True Father was completing his mission on earth.

In the early days in Rome, we had many deep spiritual experiences.

Every Sunday morning in the summer, we prayed outdoors from midnight to 7 am. at a place called Monte Porzio.

One particular experience happened at 3 in the morning: a small sign of Omega appeared over the city of Rome, and as it came toward us it grew bigger and bigger until it covered about two-thirds of the night sky.

This incredible vision lasted three or four minutes, and all of us praying on the mountainside witnessed it.

Another night at the same place we saw a bright burst of light in the sky – a tiny dot at first, which quickly grew to the size of the moon.

Very soon after, another burst of light appeared and another and another, forming the base of four positions in the sky. The last burst of light turned pink, while the others turned gold and green-it was so beautiful! Again, we all saw this vision; there was no mistake.

We had so many experiences on that hillside outside of Rome.

Rev. Bo Hi Pak

Korean War encounter;

I looked up and saw an old burial mound in front of me. If I could get to the mound, I could use it as cover against the bullets. Already, though, my squad leader and three of my companions were crouched behind the mound. Still, it seemed like my best chance to stay alive, so I began crawling with all my strength up the slope toward the mound.

When the squad leader saw what I was doing, he started motioning with his hand. He was giving me the order: "Don't come here" He was telling me the place was full and there was no space for me. I stopped crawling. It was a life-or-death situation, and I resented the leader for telling me to stay back.

"How could he do such a thing?" I asked myself.

Just at that moment there was a sound like lightning striking the ground, and the whole area was covered in smoke and flying dirt. The pressure of the explosion was so strong that I thought it would break my eardrums.

"What's happening?" I thought.

When the smoke had cleared, I lifted my head and looked around.

"Wow! What's this?"

A mortar shell had exploded right on the burial mound where the four men were taking cover. When the smoke cleared, my four compatriots were nowhere to be seen.

"Oh, no. They took a direct hit!"

Just five seconds before. I had been trying to get to where they were. Had I succeeded, I would have been blown away with them. The squad leader who told me to stay back actually saved my life.

"What a strange twist of time. It must be the benefit of Mother's jang-kwang prayers." I thought. I cried out "Mother!"

This was just the first of several instances during the war when my life was miraculously saved.

## Meeting the Principle - Messiah I; Rev. Bo Hi Pak

Once I heard the Unification Principle, and understood clearly that this was the word of God proclaimed by the Lord of the Second Advent, what was I supposed to do?

It was my primary responsibility, my special right, and my glory to follow the Lord who had come. What greater blessing can anyone hope to receive in this life? Even a diamond as big as the earth itself could not measure up to the value of this blessing.

I was like the fishermen who one day suddenly met Jesus on the shore of the Sea of Galilee. Jesus said to them:  
"Follow me and I will make you fishers of men." [Mark 1:17]

The simple men who followed him became the disciples who  
"went on to construct the history of the New Testament.

For what reason I don't know, but I was called by God to be  
like those fishermen.

I resolved to dedicate my life to the holy task of attending the  
Lord. In no way am I entitled to be a disciple of the Lord.

## Testimony 2008

The next time I came, they led me to the study room and gave me a book written by Dr. Young Oon Kim, introducing the Divine Principle revelation.

When I read the passage about the similarity of the time of Jesus' birth and the Second Coming, I started to joke about this "nonsense."

In the next moment, I was stunned.

I saw Jesus pass through the room, saying, "I am in this place!" Then he disappeared as he had entered. A wave of peace settled around me.

In the following days, I was so concerned not to make a mistake. When I knelt down to pray to ask if this was really the truth, it was ringing from all sides, “Yes! Yes!” and God chastised me gently, “Why do you ask me again? This was my answer.”

From that time on, I started to study the Divine Principle and Reverend Moon with a calm mind and the assurance that God and Jesus had led me there.

Philip Burley

Jesus appeared to me again for a last time.  
I was in a place not unlike heaven in the spirit world.  
Jesus appeared in the distance and began approaching me.

At one point he stopped and gave me an ancient salutation. As he did so, a voice spoke and all around me the atmosphere rumbled with the sound.

It was like the voice of God and it said,

"This is Jesus, the Christ."

Another man dressed in Oriental garb appeared beside Jesus - it was Father (Sun Myung Moon).  
They then became one and Father went inside of Jesus,  
and Jesus' face became magnificently radiant as he  
continued to walk towards me. He took both of my  
hands in his, and I felt tears running down my cheeks.

True Father was sent as the Messiah,  
and together with True Mother they  
became the True Parents of all mankind.

The Messiah is not just a man,  
but a woman as well.

The Messiah(s) in the real meaning is True Parents.

Because full salvation can only come from True Parents,  
not from a man alone. That is because  
the fall involved a man and a woman.

True Parents did not just come to establish a church or an institution.

They came to establish the true love movement, through which God can pull all mankind back to Him.

This true love movement is now called

**Heavenly Parent's Holy Community,**

which in the end everyone is supposed to join.

As was explained in "The Principle of the Creation," the Creation was made with the structure of the perfect human beings as the model. The ideal world, consisting of perfect persons, would also have resembled the structure and function of a perfect human being.

Just as the cells and organs of a human body move according to the command of the brain, the people and organizations in the ideal world would work (channeling) in accordance with the Will of God...it would not be difficult for an ideal human being to follow the Will of God. Just as commands from the brain are transmitted to all parts of the body through the peripheral nervous system, centered on the spine, the directions from God will reach (channeling) the entire society through the saints, centered on the Messiah, who comes as a True Parent. /DP Level 4 1980

## Nobel price 2022

The 2022 Nobel Prize in Physics has been awarded to three scientists for their contributions to understanding quantum entanglement and advancing the field of quantum information.

Physically impossible; nothing is faster than light.  
(Einstein; the mass increases infinitely  $E=mc^2$ )

But with Spiritual laws. (no mass involved)  
Faster than light Yes – in Spirit world!

We are coming to the stage in which the spirit world will be officially and automatically recognized.

That is an amazing fact. I think that it is a good opportunity to have something that should be scientifically provable but is not. It sets the stage for the beginning of the four-dimensional world.

As the material world reaches its boundaries, the spirit world becomes clarified automatically.

There is no boundary. Is there a boundary between the spirit world and our heart? Our heart resembles the spirit world. Our senses differ in degree though not in kind; consequently, we are called spiritual beings.

Since human beings are the lords of all creation and have the same sovereignty and relative position as does God, who is spirit, the range of human activity also has to be the same as God's.

The speed of electricity or light is 300,000 kilometers per second, but **human beings** can move faster than that.

How is that possible! With the **spiritual body**. Even though I am standing here now, my spiritual body has already been to New York. Did you see that? Faster than lightning. The spiritual body can move at the speed of thought. /SMM 1981
