In Tune with Christ

The Rising of Celestial Dawn – Benny Anderson 2024

3rd Blessing: Therefore, when human beings realize God's third blessing, the entire universe becomes yet another good object partner giving joy to God. Had God's purpose of creation been realized in this way, an ideal world without even a trace of sin would have been established on the earth. We call this world the Kingdom of Heaven on earth. /Divine Principle

The Unification Church is able to mobilize a person spiritually and has the ability to mobilize ancestors through a consolidation system. You have to know this.

Since religions until today were not able to connect the physical world with the spirit world, they spiritually offered all their efforts with a true heart and were able to connect with spirit by harmonizing vertically the spiritual rhythm and wave motion.

However, today we have entered the time when we ourselves are the spiritual broadcast station. Our position is like a vibrating board. It is not the wave itself but a transmission station to generate the wave.

If it is switched on, you will be able to control the transmission of thousands of cycling waves, tens of thousands of cycling waves, or short waves, and you will be able to generate the wavelength and radio waves.

If you have a broadcast station and say, "Ancestors in the spirit world, please come to support me. Good ancestors, please come to support me. I need such vibration," then they will come at once to support you.

You can even call an individual spirit person and he will be mobilized, and you can call family spirits and they will be mobilized.

Quote Anthony Brookes book:  
**Towards Human Unity**

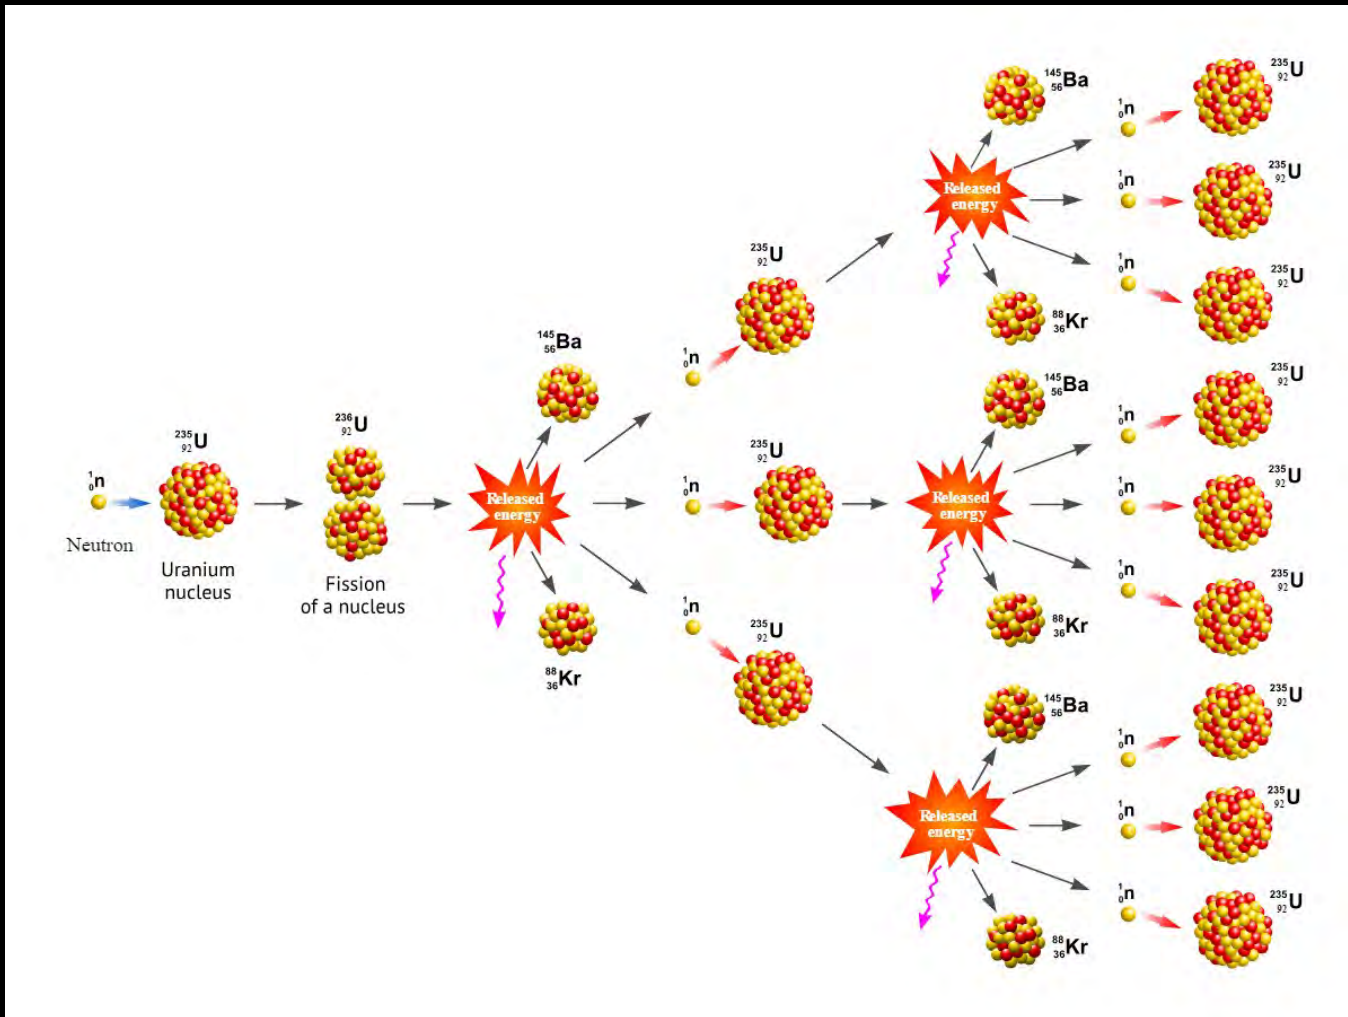

"This is God's world and it has no boundaries. It is one. Your life is one of universal significance and I call upon you to share my mission.

Be urgently concerned for the world and know, feel and act in accordance with the Divine Will.

The purpose of the coming Lord is that  
**some day all shall be like him - like Christ.**

1 - 1 - 1

Rev. Moon emphasized during the 1970s that the American church needed to gain 30,000 core members to influence society and to provide protection against attack.

Initially, he proposed a witnessing strategy whereby each member each month gained one new member.

He referred to this as "1-1-1" and expected members to win eighty-four "spiritual children" over seven years. (12+72)

Miss Kim: Will there be many leaders in the New Age?

Fletcher: Even if there is a Christ he had to choose the twelve, and they, in turn, touched the lives of others. Because the message could not have been given if it had been limited to one man, to one race, to one group.

But always, as this man said, it has to start with one man  
- and always the revelation is founded upon the  
truth *once* revealed, but it is added to, and expressed in  
terms not of yesterday, but of the future....

There must always be someone who can accept  
the responsibility of passing the truth on.

Anthony Brooke: Can you say how near we are to such a breakthrough of universal truth?

Fletcher: You are in the process now. But before Jesus became manifest there were people who had been prepared - John the Baptist came prepared. But the world has grown and multiplied - the means of communication have become simpler and easier. It takes not one man in a little country to be a John the Baptist, but many men in many countries to herald the coming.

Sphere of the eternal Divine

In 1991, the SMM made a proclamation:

"Along with the standard of restoring the right of the parents, **I should restore the right of the younger son.**

After restoring the right of the eldest son and the right of the parents, I must restore it. Next, I must restore a matter to - the kingdom and bring association around that kingdom.

It will happen when True Mother and one of my younger children lay the foundation for cooperation between mother and child. It will be the last phase of my work.

/SMM 1991.11.03

Following the stepwise growth of the CheonBo providence, on August 27, 2015, True Mother emphasized that 'Hyo Jin Nim's portrait should be enshrined in Jeongshimwon and declared, 'Hyo Jin Nim and Heung Jin Nim have now become one as the restored eldest and second sons.'

Thus, marking the beginning of the era of the direct dominion of the True Family, united in the four position foundation with True Father, Hyo Jin Nim, Heung Jin Nim, Dae Mo Nim, and other absolute spirits.

On April 4, 2000, True Parents presided over the completion ceremony of Jeongshimwon, inaugurating the Cheonshimwon providence as a holy place for offering sincerity before Heaven.

True Mother, unfolding the providence on earth, initiated spiritual foundation building for the victory of Vision 2020. In March 2018, she instructed eight leaders of Cheon Il Guk, including then President Lee Ki-Seong of the Family Federation for World Peace and Unification (FFWPU) in Korea, to undertake a 21-day vigil.

On June 1, **2020**, at the Hyojeong Cafe, True Mother gathered the leaders, proclaimed a seven-month Course, and said, 'Perform the vigil in Jeongshimwon.' Following this, she instructed,

**'Command the spirit world from Jeongshimwon'** and they continually invested sincere efforts to lay a spiritual foundation for the spiritual world as the subject partner of the earthly providence. Based on such efforts, True Mother led the CheonBo Grand Festival in **2020** to victory and renamed Jeongshimwon to **Cheonshimwon** on October 11 during the victory celebration.

With the dedication of the Cheon Won Gung Cheon Il Sanctum, we have entered the era where the

Heavenly Parent directly govern the earth. True Mother is achieving oneness in heart and spirit with the

True Father in heaven, thereby advancing the providence on earth.

Within the grace of the Cheon Il Guk era, where Heavenly Parent and earthly people communicate directly, a united effort is being made by heavenly Korea, heavenly Japan, and heavenly America.

All members around the world are connected to Cheonshimwon, striving to become one in heart with the Heavenly Parent and True Parents, pouring their tears and jeongseong into it.

Currently in heavenly Korea, special emissaries of Cheonshimwon are igniting the fervent fire of the substantial Holy Spirit in church fields.

Additionally, second and third generations in the 40-day training are experiencing the spiritual world and learning about the significance of True Parents who have conducted the history of salvation for both spirit and flesh and how to live with Heavenly Parent.

They are being reborn as children of the Heavenly Parent, understanding the history of Cheonbo and the devotion of Cheonshimwon.

True Father Appearing During Cheonshimwon  
All-Night Vigil

Member of Gangjin Church South Korea

The initial 120 full bows were dizzying,  
disorienting, and painful. However, one day, my  
body felt so light that the bows ended quickly.

That night at 10 PM, during the Cheonshimwon all-night vigil, as I closed my eyes during the prayer in unison, I saw True Father praying for Japan with tears.

Suddenly, tears streamed down my face too, and I felt my heart resonate with True Father's emotions. It was truly amazing to witness the power of absolute faith and sincere prayer in Cheonshimwon.

### Revived Faith Through Cheonshimwon Joint Prayer

Member of the Barcelona Church Spain

The Cheonshimwon prayer was truly a grace and a marvel. After the singing, all participants joined in the representative prayer. I felt an intense warmth and rediscovered my long-forgotten faith, with tears continuously flowing from my eyes.

I believe that if our weekend services are as vigorously organized as the Cheonshimwon special devotion, our hearts will resonate with Heaven's heart and we would experience a high spiritual atmosphere. I also think that for the whole world to unite quickly, the providence and workshops of Cheonshimwon, as spoken by True Mother, must be held.

Thank you.

A United Time with True Father in the Spirit  
World and True Mother on Earth

Europe -- Middle East Branch Training Center  
Education Director

The time spent with Director Lee Ki-seong and branch directors from around the world was truly a blessing. Through the lectures by Director Lee and others (on the grace of Cheonshimwon, the value of the only begotten daughter, True Mother), and our all-night prayer vigils, my heart became humble and assured.

I gained new spiritual vitality. The moment I cried out loud, longing for my heart to reach the Heavenly Parent and True Parents, I felt strongly that this earnest cry would surely be conveyed to Heaven.

Then I heard the voice of Heaven saying, 'Do not worry. If you offer sincere devotion, I will work through you, and you will experience a tremendous providence.'

I am deeply grateful and love True Mother for allowing me to be reborn through Cheonshimwon.
