Father Moon

What is the center of the universe?
That central principle or axis of the
universe is the father-son relationship.

It is the starting point of all.

In any family there is a father-son
(parents-child; Heavenly Parent = God)

axis and everything

else surrounds that. When one family assumes the
father position, other families assume the son's
position in the society.

A true central figure should be thinking like a father
would think.

Background; Roots are important

Roots: The Saga of an American Family
a 1976 novel written by **Alex Haley**.

It tells the story of **Kunta Kinte**, an
18th-century Mandinka, captured as an
adolescent, sold into slavery in Africa,
and transported to North America.

It explores his life and those of his descendants
in the United States, down to Haley.

Presentation 1 – Introduction

God knew that the people of Israel might not be able to take responsibility for welcoming the Only Begotten Daughter, so God chose another nation [people] that had the environment to welcome the Only Begotten Daughter.

Jesus answered...“But of that day and hour no one knows, not even the angels of heaven, but My Father only. - Math 24:36

1935

Jesus said Mr. Yong Myung Moon.
"Let's go to receive the Blessing."

When someone strikes a righteous person unjustly,
it sets a condition that must be repaid. Because of this
repayment, the development of religion is secured.
Do you understand why persecution occurs?

Value of the Blessing

What is the Unification Church or Reverend Moon's - **True Parents** understanding of God's will? God's will is the ideal for which God created the universe, that is, the completion of the purpose of creation. When God created all things, He created them with a definite purpose.

Who was the center of this purpose?
It was Adam and Eve.

That is why I see God's purpose as the realization of the ideal of creation centering on Adam and Eve.

What, then, is the realization of the ideal of creation?
It is the establishment of the Four Position Foundation.

The Four Position Foundation is the family foundation of God's ideal in which Adam and Eve, centering on God, become completely one in ideal conjugal relations and multiply children.

When this Four Position Foundation is established, Adam and Eve, who are one in conjugal love centering on God, would never be able to leave the realm of God's love.

God did not create Adam and Eve merely to watch them. Nor did God create man and woman that they may merely grow old and die separately. God's purpose of creation was for Adam and Eve to grow and, when they recognize their feelings towards the opposite sex, make a love nest centering on God. Thus, they would establish humankind's true Kingdom of heaven on earth.

Here, Adam as a male would represent heaven and Eve as a female would represent earth. Had Adam and Eve as two separate individuals become one horizontally, heaven and earth would have unified as one.

By their becoming one centering on God's love, the spiritual and the physical worlds would automatically have united into one.

More important to God than the moment of creating Adam and Eve was the precious future they were to realize by completing the Four Position Foundation centering on love.

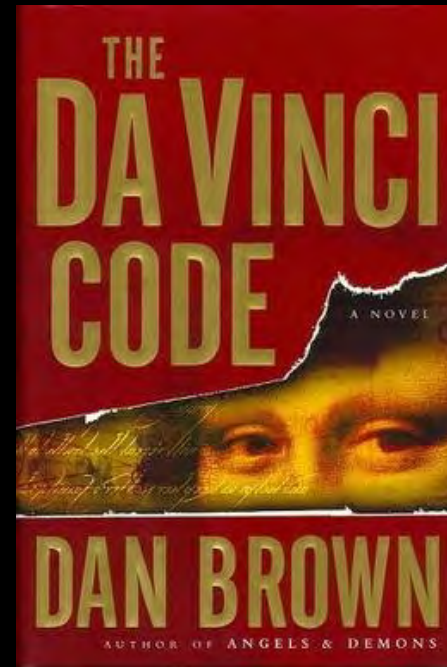

That would be the completion of the purpose of creation.

Comment; Completion of God

Conclusion; The Blessing & Love is the fundamental tools to unify the world and Mankind.

Tribal Messiaship...the road ahead.

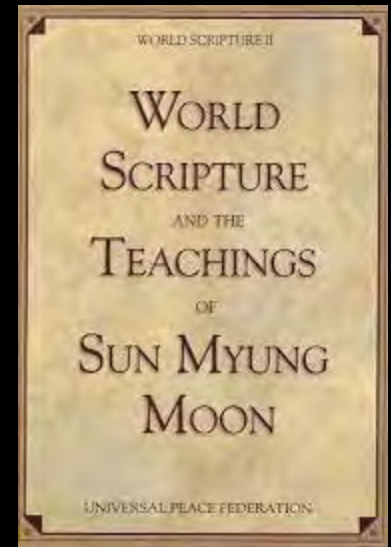

The **Da Vinci Code** follows symbologist Robert Langdon and cryptologist Sophie Neveu after a murder in the Louvre Museum in Paris causes them to become involved in a battle between the Priory of Sion and Opus Dei over the possibility of Jesus Christ and Mary Magdalene having had a child together.

The Da Vinci Code was made film 2006

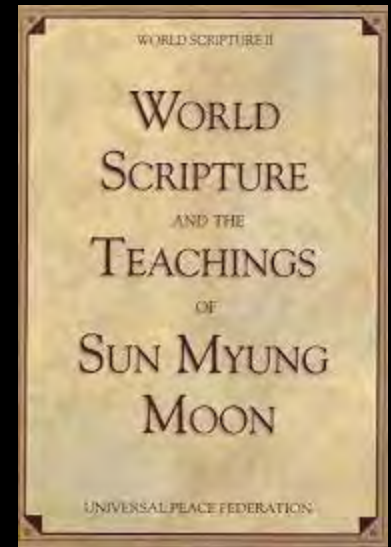

Wolli Wonbon, which **Sun Myung Moon** wrote in 1951 while living as a refugee in Pusan. The only book that he wrote in his own hand, Almost 700 pages covers all aspects of the Divine Principle and lays out a roadmap of his mission.

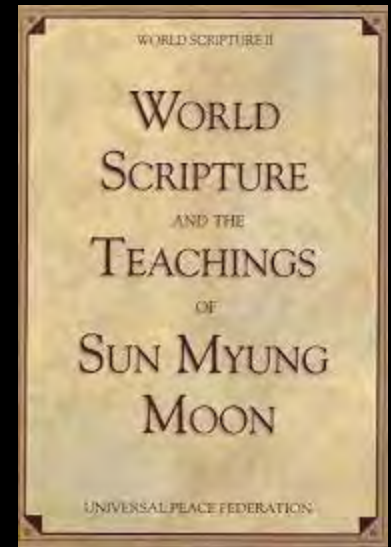

So, just as Satan had taken Eve from Adam,
Jesus [as Adam] planned to take Judas's woman to be the
new Eve.

*Comment Wilson; Wollie Wonbon does not say marry Jesus.
It talks about restoring the Fall. /Dr Wilson*

Accordingly, Jesus first acknowledged that Mary Magdalene belonged to Judas Iscariot. Then Jesus commenced the providence by choosing her to be his Eve.

While this fundamental providence was going on, in the meantime Satan was fully on the attack, mobilizing the Pharisees and scribes against Jesus. Regardless, had Judas Iscariot trusted, obeyed and attended Jesus in this matter, they would have established the foundation for the fulfillment of God's Will.

But Judas was full of discontent and confronted Jesus.
That was the beginning of his rebellion against his Teacher,
which culminated when he sold out the One Man unique
in all human history for a mere 30 pieces of silver.

/Wolli Wonbon 242-43 /Published in World Scripture 2007

Comment; Judas dissatisfaction with Jesus and Mary Magdalene
was the reason behind Judas betrayal.

This must have been after John the B. sister fell away as potential.

So we don't know if John the B. sister was to be the bride of Jesus. /Dr. Wilson
